Item 2.06. Material Impairments.

On October 9, 2015, the registrant concluded that a charge for impairment of the Company's capitalized computer software costs, related to a contract entered into on November 1, 2012, was required under U.S. generally accepted accounting principles. The capitalized costs included \$1,287,460 of paid and \$223,442 of accrued unpaid invoices from the software vendor, Insurance Systems, Inc. ("ISI"). The capitalized costs included licensing, configuration and customization activities, coding, testing, and installation of a new policy administration system. The impact of this impairment to the Company's consolidated statements of operations is expected to be a charge of \$1,287,460 before income taxes to be recognized as a subsequent event in the quarter ended September 30, 2015. The decision to impair the asset was based on the Company's beliefs that the ISI software had not achieved and would not be able to achieve the Company's expected implementation targets and that the Company was unable to renegotiate the terms of its agreement with ISI. The Company believes that it will need to make future cash expenditures to replace its legacy system but it is unable to estimate the amount at this time. While the Company's legacy system continues to support the Company's existing operations, the Company believes it would realize more competitive parity with respect to product and service by switching to a more contemporary platform. A copy of the news release is being furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Item 8.01. Other Events.

On October 9, 2015, the Company filed a lawsuit in Los Angeles County against ISI. Causes of action stated in the lawsuit include fraudulent inducement and intentional misrepresentation, negligent misrepresentation, negligence, violation of business and professional code, breach of implied warranty of merchantability, breach of implied warranty of fitness, breach of contract and breach of implied covenant of good faith and fair dealings. The lawsuit seeks an unspecified amount in monetary damages plus punitive damages against ISI. A copy of the news release is being furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The information under Item 8.01 of the Form 8-K and the news release attached as Exhibit 99.1 hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.
