On May 23, 2006, Natural Health Trends Corp. (the "Company") received a

letter from The Nasdaq Stock Market stating that the Company is not in

compliance with Marketplace Rule 4310(c)(14), which obligates Nasdaq listed issuers to timely file those reports and other documents required to be filed with the Securities and Exchange Commission. The Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2006 was due on May 15, 2006.

As previously disclosed, on May 8, 2006, the Company filed its Annual Report on Form 10-K which was incomplete since it omitted Part III of the Form 10-K. This part is frequently incorporated by reference to a company's proxy statement. Since the Company filed it's Annual Report on Form 10-K late, and has not amended it to include the Part III information, a hearing with the Nasdaq Listing Qualifications Panel (the "Panel") has been scheduled for June 1, 2006. The Panel will consider whether the Company's shares of common stock should continue to be listed on The Nasdaq National Market. At that hearing, the Panel will also consider the Company's failure to timely file its Quarterly Report on Form 10-Q for the first quarter.

It is not anticipated that the Company's shares of common stock will be delisted before its hearing with the Panel. However, if the Company fails to file its Amended Annual Report on Form 10-K/A or its Form 10-Q for the first quarter, or fails to persuade the Panel to provide the Company with an exception to Marketplace Rule $4310\,\text{(c)}$ (14), the Company's shares of common stock may be subject to delisting by The Nasdaq Stock Market.
