PROXY STATEMENT

GENERAL INFORMATION

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

The enclosed proxy is solicited by and on behalf of the Board of Directors of iLinc Communications, Inc. for use at our 2007 annual meeting of stockholders to be held at 9:00 a.m., local time, on August 24, 2007, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018, and at any and all adjournments or postponements thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to our stockholders on or about July 19, 2007.

We are mailing our 2007 Annual Report to Stockholders, including consolidated financial statements, simultaneously with this Proxy Statement to all our stockholders of record as of the close of business on July 6, 2007. That annual report does not constitute a part of this proxy solicitation material.

INFORMATION CONCERNING SOLICITATION AND VOTING

All voting rights are vested exclusively in the holders of our common stock. Each share of our common stock is entitled to one vote. Cumulative voting in the election of our directors is not permitted. Holders of a majority of shares entitled to vote at the annual meeting, when present in person or by proxy, constitute a quorum. On July 6, 2007, the record date for stockholders entitled to vote at the annual meeting, 33,585,431 shares of our common stock were issued and outstanding.

Proxies in the enclosed form will be effective if properly executed and returned prior to the annual meeting in the enclosed envelope either to Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717 as agent for the Company or to us at 2999 N. 44th Street, Suite 650, Phoenix, Arizona 85018. Our common stock represented by each effective proxy will be voted at the annual meeting in accordance with the instruction on the proxy. If no instructions are indicated on a proxy, all common stock represented by such proxy will be voted (a) FOR election of the one nominee named in the proxy as the Class C director; (b) FOR ratification of the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008; and (c) as to any other matters of business which properly come before the annual meeting, by the named proxies at their discretion.

Any stockholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to us, by attending the annual meeting in person and giving the inspector of elections notice that you intend to vote your shares in person or by submitting another valid proxy bearing a later date.

Unless a quorum is present at our annual meeting, no action may be taken at the meeting except the adjournment thereof until a later time. The presence, in person or by proxy, of holders of a majority of the voting power of all outstanding shares of our common stock entitled to vote at the annual meeting are necessary to constitute a quorum. The inspector of elections appointed for the annual meeting will determine the number of shares of our common stock present at the meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

If a quorum is present, in the election of directors, the nominees having the highest number of votes cast in favor of their election will be elected to our Board of Directors. Votes marked "For" the election of directors will be counted in favor of the nominees, except to the extent the proxy withholds authority to vote for a specified nominee. Votes "Withheld" from a nominee also have no effect on the vote since a plurality of the votes cast at the annual meeting is required for the election of each nominee. With respect to the proposal to ratify the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008, the affirmative vote of a majority of the shares present in person or represented by proxy at the annual meeting is required. With respect to any other matter which may properly come before the

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

annual meeting, unless a greater number of votes is required by law or by our restated certificate of incorporation, a matter will be approved by the stockholders if the votes cast in favor of the matter exceed the votes cast in opposition.

-1-

Shares that are represented at the annual meeting but abstain from voting on any or all matters and "broker non-votes" (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) will be counted as shares present and entitled to vote in determining the presence or absence of a quorum. Stockholders may not abstain from voting with respect to the election of directors. Because the election of directors is a routine matter for which specific instructions from beneficial owners will not be required, "broker non-votes" will not arise in the context of the election of directors. Abstentions and broker non-votes which may be specified on the proposal to ratify the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008, will have the same effect as a vote against that proposal.

We will pay the cost of soliciting proxies in the accompanying form. We have retained the services of Broadridge Financial Solutions, Inc. as agent for the Company to assist in distributing proxy materials to brokerage houses, banks, custodians and other nominee holders. The estimated cost of such services is approximately \$25,000 plus out-of-pocket expenses. Although there are no formal agreements to do so, proxies may be solicited by our officers and other regular employees by telephone, fax, email or by personal interview for which employees will not receive additional compensation. Arrangements also may be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

Our restated certificate of incorporation provides for the classification of our Board of Directors into three classes. The term of office of the Class C director expires at this annual meeting of our stockholders; the term of office of the Class A directors expires at our 2008 annual meeting of stockholders and the term of office of the Class B directors expires at our 2009 annual meeting of stockholders. One Class C nominee is nominated to be re-elected at this annual meeting to serve for a three-year term to last until the 2010 annual meeting of stockholders and until his successor is duly elected and has been qualified. The nominee for Class C director will be elected by a plurality of the votes cast, assuming a quorum is present at the annual meeting. Votes marked

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

"For" the election of directors will be counted in favor of all nominees, except to the extent the proxy withholds authority to vote for a specified nominee. Votes "Withheld" from a nominee also have no effect on the vote since a plurality of the votes cast at the annual meeting is required for the election of each nominee. Stockholders may not abstain from voting with respect to the election of directors. Because the election of directors is a routine matter for which specific instructions from beneficial owners will not be required, "broker non-votes" will not arise in the context of the election of directors. Proxies cannot be voted for a greater number of persons than the number of nominees named therein. Unless authority to vote is withheld, the persons named in the enclosed form of proxy will vote the shares represented by such proxy for the election of the nominee for director named below. If, at the time of the annual meeting, the nominee shall have become unavailable for any reason for election as a director, the persons entitled to vote the proxy will vote for such substitute nominee, if any, as they determine in their discretion. Management is currently unaware of any circumstances likely to render the nominee unavailable for election or unable to serve.

NOMINEE FOR ELECTION AT THE ANNUAL MEETING

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee hereby reports as follows:

The Audit Committee assists the Board of Directors in its oversight responsibilities and, in particular, is responsible for (1) monitoring the integrity of our financial statements, financial reporting processes and systems of internal control regarding finance, accounting and legal compliance, (2) selecting and appointing our independent registered public accounting firm and monitoring their independence and performance, pre-approving all audit and permissible non-audit services to be provided, consistent with all applicable laws, to us by our independent registered public accounting firm, and establishing the fees and other compensation to be paid to the independent registered public accounting firm, and (3) establishing procedures for the receipt, retention, response to and treatment of complaints, including confidential, anonymous submission by our employees, regarding accounting, internal control over financial reporting or audit related matters.

Management is responsible for our financial reporting process, including its system of internal controls over financial reporting, and for the preparation of the consolidated financial statements in accordance with generally accepted accounting principles. Our independent registered public accounting firm is responsible for auditing those financial statements. The Audit Committee's

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are independent and are not employees of the Company. The members of the Audit Committee are not and do not represent themselves to be, or to serve as, accountants or auditors by profession. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent registered public accounting firm included in their report on our financial statements.

1. The Audit Committee has reviewed and discussed the audited financial statements with management.

PROPOSAL TWO: APPROVAL AND RATIFICATION OF INDEPENDENT ACCOUNTANTS

Our Audit Committee and Board of Directors participated in and approved the decision to engage Moss Adams LLP (formerly Epstein, Weber & Conover, PLC) as our Independent Registered Public Accounting Firm. Epstein, Weber & Conover, PLC merged into Moss Adams LLP in January of 2007. Epstein, Weber & Conover, PLC audited our financial statements for the fiscal years ended March 31, 2005 and March 31, 2006. Epstein, Weber & Conover, PLC merged into Moss Adams LLP who audited our financial statements for the fiscal year ended March 31, 2007. The Audit Committee and the Board of Directors unanimously recommends that stockholders vote to ratify the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008. Representatives of Moss Adams LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

VOTE REQUIRED

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

If a quorum is present, the affirmative vote of the holders of a majority of the shares present or represented at the meeting and entitled to vote is needed to ratify the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008. Votes marked "For" proposal two will be counted in favor of ratification of the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008. An "Abstention" with respect to proposal two will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "Abstention" will have the effect of a vote "Against" proposal two. Neither stockholder approval nor ratification of the appointment of Moss Adams LLP as our Independent Registered Public Accounting Firm for fiscal year 2008 is required by our bylaws or otherwise. However, the Board of Directors is submitting proposal two to the stockholders for ratification. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether it is appropriate to select a different independent registered public accounting firm. In such event, the Audit Committee may retain Moss Adams LLP notwithstanding the fact that the stockholders did not ratify the appointment, or may select another Independent Registered Public Accounting Firm without re-submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee reserves the right in its discretion to select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our Company and our stockholders.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF MOSS ADAMS LLP, AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2008.

AUDIT AND NON-AUDIT FEES

Aggregate fees for professional services rendered to the Company by Moss Adams LLP, the Company's principal auditors, Epstein, Weber & Conover, PLC and by BDO Seidman, LLP for the year ended March 31, 2007 were \$16,600, \$73,230 and \$60,000, respectively. Total	\$89,830	\$111,280

AUDIT FEES

The aggregate fees billed for the years ended March 31, 2007 and 2006, were for the audits of the Company's consolidated financial statements and reviews of the Company's interim consolidated financial statements included in the Company's annual and quarterly reports, and for services provided with respect to the Company's other regulatory filings. The fees reflected above for 2007 do not include audit fees of \$30,000 and other fees of \$30,000 paid to BDO Seidman, LLP for the fiscal year ended March 31, 2007.

AUDIT RELATED FEES

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

The aggregate fees billed for the years ended March 31, 2007 and 2006 were primarily for services provided for review and consultation on acquisition, capital raising and tender offer transactions.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and permissible non-audit services to us. Under these procedures, the Audit Committee pre-approves all audit and permissible non-audit services to be provided by its independent registered public accounting firm and the estimated fees related to these services. During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the independent registered public accounting firm. The services and fees must be deemed compatible with the maintenance of the independent registered public accounting firm's independence, including compliance with SEC rules and regulations. One hundred percent of all services provided by our independent registered public accounting firm in fiscal year ended March 31, 2007 and fiscal year ended March 31, 2006 were pre-approved by the Audit Committee in accordance with this policy.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There have not been any related party transactions between the Company and our directors, officers, or employees during the fiscal year ending March 31, 2007.

CORPORATE GOVERNANCE

We are managed under the direction of our Board. Our restated certificate of incorporation provides for the classification of our Board of Directors into three classes. The term of office of the Class C director expires at this annual meeting of our stockholders; the term of office of the Class A directors expires at our 2008 annual meeting of stockholders and the term of office of the Class B directors expires at our 2009 annual meeting of stockholders. One Class C nominee is nominated to be re-elected at this annual meeting to serve for a three-year term to last until the 2010 annual meeting of stockholders and until his successor is duly elected and has been qualified. The size of our Board is currently set to be at least one, but not more than 19 members, and we currently have five directors. During fiscal year 2007, our Board held four regular meetings, three special meetings and acted by unanimous written consent on three occasions.

The Board has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee each of which was initially constituted on March 30, 1998. The members of the Audit, Nominating and Corporate Governance and Compensation Committees are not employees of our Company. During fiscal year 2007, each director attended one hundred percent of the aggregate of the total number of Board meetings, three directors attended one hundred percent of the meetings of committees of the Board on which they served, and one director attended eighty-eight percent of the meetings of committees of the Board on which he served. Our Board encourages, but does not require, directors to attend the annual meeting of stockholders. At our 2006 annual meeting, all members of the Board were present.

AUDIT COMMITTEE

The Audit Committee is responsible for the appointment, compensation, retention

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

and oversight of the work of any independent registered public accounting firms for the purpose of preparing or issuing an audit report or performing other audit review or attest services for our financial statements and acts on behalf of the Board in reviewing with the independent registered public accounting firm, the Chief Financial Officer and other corporate officers, various matters relating to the adequacy of our accounting policies and procedures and internal control over financial reporting and the scope of the annual audits by the independent registered public accounting firm. During the fiscal year 2007 and until July 1, 2007, the Audit Committee consisted of Mr. Collins (Chairman), Mr. Petzold and Mr. Stull (with Mr. Stull resigning on July 1, 2007 and his position filled by Michael T. Flynn on July 1, 2007). The members of the Audit Committee are independent within the meaning of Section 121(A) of the American Stock Exchange's listing standards and federal securities laws. The Board has determined that Mr. James Collins is a financial expert as described in Item 407(d) of Regulation S-K and that each member of the Audit Committee is financially literate. During fiscal year 2007, the Audit Committee held four meetings. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the Audit Committee charter may be obtained from our Web site located at WWW.ILINC.COM, or upon written request to our Corporate Secretary at our principal executive offices located at 2999 N. 44th Street, Suite 650, Phoenix, AZ 85018.

COMPENSATION COMMITTEE

The Compensation Committee is authorized to establish the general compensation policy for our officers and directors and annually reviews and establishes or makes recommendations to the entire Board regarding officers' salaries and bonuses and the general participation of all employees in employee benefit plans, including our Stock Compensation Plan. The Compensation Committee prepares reports required by federal securities laws. The Compensation Committee sets performance goals and objectives for the Chief Executive Officer and the other executive officers, evaluates their performance with respect to those goals and sets their compensation based upon the evaluation of their performance. In evaluating executive officer pay, the Compensation Committee may retain the services of a compensation consultant and consider recommendations from our Chief Executive Officer with respect to goals and compensation of the other executive officers.

In April of 2007, the Chief Financial Officer of the Company on behalf of the Compensation Committee engaged the compensation consulting firm of Mercer & Co. The Compensation Committee engaged the consulting firm to review the existing compensation programs that had been in place for the senior management team over the past two years and provide to the Compensation Committee a report. The report described the median compensation levels and parameters of compensation for companies of a like size, market capitalization, employee base within the software industry sector. The analyst for the engaged consultant made recommendations to the Compensation Committee in his report concerning the appropriate dollar range of base pay and dollar range of monetary and non-monetary incentive awards. The analyst also provided in his report a comparison of the Company's existing compensation structure to those adopted by the comparable companies selected. In setting the base pay and incentive compensation structure for fiscal 2008, the Compensation Committee took into account the analysis and recommendations of the engaged compensation consultant.

-10-

The Compensation Committee assesses the information it receives in accordance with its business judgment. The Compensation Committee also periodically reviews director compensation. All decisions with respect to executive and director compensation are approved by the Compensation Committee and recommended to the

full Board for ratification. During fiscal year 2007 and until July 1, 2007, the Compensation Committee consists of Mr. Petzold (Chairman) and Mr. Stull (with Mr. Stull resigning on July 1, 2007 and his position filled by Mr. Michael T. Flynn on July 1, 2007). During fiscal year 2007, the Compensation Committee held three meetings. The members of the Compensation Committee are (1) independent within the meaning of Section 121(A) of the American Stock Exchange's listing standards, (2) "non-employee directors" as defined by Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, and (3) "outside directors" as defined by Section 162(m) of the Internal Revenue Code. A copy of the Compensation Committee charter may be obtained from our Web site located at WWW.ILINC.COM, or upon written request to our Corporate Secretary at our principal executive offices located at 2999 N. 44th Street, Suite 650, Phoenix, AZ 85018.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee, or Nominating Committee, is authorized to develop policies on the size and composition of the Board and criteria relating to candidate selection, propose to the Board a slate of director nominees for election at annual meetings of stockholders, propose candidates to fill vacancies on the Board and recommend board members to serve on the various committees of the Board. The members of the Nominating Committee are Mr. Robinson (Chairman), Mr. Collins and Mr. Petzold. During fiscal year 2007, the Nominating Committee held two meetings. The members of the Nominating Committee are independent within the meaning of Section 121(A) of the American Stock Exchange's listing standards. A copy of the charter of the Nominating Committee may be obtained from our Web site located at www.ilinc.com, or upon written request to our Corporate Secretary at our principal executive offices located at 2999 N. 44th Street, Suite 650, Phoenix, AZ 85018.

The Nominating Committee will consider nominees proposed by stockholders in accordance with guidelines for such consideration set forth in our bylaws. Article II, Section 12 of our bylaws provides that persons nominated by stockholders shall be eligible for election as directors only if nominated in accordance with the following procedures. Such nominations shall be made pursuant to timely notice in writing to our Corporate Secretary. To be timely, a stockholder's notice shall be delivered to or mailed and received at our principal executive offices (2999 N. 44th Street, Suite 650, Phoenix, AZ 85018) not less than 90 days nor more than 180 days prior to the earlier of the annual meeting or the one year anniversary of the prior year's annual meeting. Such stockholder's notice to the Corporate Secretary must set forth (a) as to the stockholder proposing to nominate a person for election or re-election as director, (i) the name and address of the nominator, (ii) the class and number of shares of our capital stock of which are beneficially owned by the nominator, (iii) the name and address of any person with whom the nominator is acting in concert and their beneficial ownership of our capital stock, and (b) as to the nominee, (i) the information relating to the nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act and (ii) a notarized affidavit executed by each such nominee to the effect that, if elected as a member of the Board, he will serve and that he is eligible for election as a member of the Board. They may require any proposed nominee to furnish such other information as they may reasonably require to determine the eligibility of such proposed nominee to serve as one of our directors.

The Nominating Committee has not developed specific, minimum qualifications that must be met by a committee recommended director. Neither has the Nominating Committee specified a particular set of qualities or skills one or more directors must possess other than the need for the Board to include at least one director who is a financial expert. The Nominating Committee does not currently utilize the services of any third party search firm to assist in the identification or evaluation of Board member candidates. The Nominating

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

Committee may engage a third party to provide such services in the future, as it deems necessary or appropriate at the time in question. The Nominating Committee determines the required selection criteria and qualifications of director nominees based upon the needs of our Company at the time nominees are considered. A candidate must possess the ability to apply good business judgment and must be in a position to properly exercise his or her duties of loyalty and care. Candidates should also exhibit proven leadership capabilities, high integrity and experience with a high level of responsibility within their chosen fields, and have the ability to quickly understand complex principles of, but not limited to, business and finance. Candidates with potential conflicts of interest or who do not meet independence criteria will be identified and disqualified. The Nominating Committee will consider these criteria for nominees identified by the Committee, by stockholders, or through some other source. When current Board members are considered for nomination for reelection, the Nominating Committee also takes into consideration their prior Board contributions, performance and meeting attendance records.

-11-

The Nominating Committee conducts a process of making a preliminary assessment of each proposed nominee based upon the resume and biographical information, an indication of the individual's willingness to serve and other background information. This information is evaluated against the criteria set forth above as well as the specific needs of our Company at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet our needs may be invited to participate in a series of interviews, which are used for further evaluation. The Nominating Committee uses the same process for evaluating all nominees, regardless of the original source of the recommendation. The Nominating Committee met with Mr. Michael T. Flynn and reviewed his background and experience. The Nominating Committee recommended Mr. Flynn for nomination to the Board and appointment to the Audit Committee and the Compensation Committee to fill the vacancy created by the resignation of Mr. Craig Stull on July 1, 2007. The full board elected Mr. Flynn to the Board and appointed Mr. Flynn to the Audit Committee and the Compensation Committee, to serve the remainder of the term that expires at the annual meeting in 2008. No candidates for director nominations were submitted to the Nominating Committee by any stockholder in connection with the 2007 annual meeting.

CODE OF ETHICS

Our Board has adopted a Code of Ethics for our Company. While no code of conduct can replace the thoughtful behavior of an ethical director, officer or employee, we feel the Code of Ethics will, among other things, focus our board and management on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and generally help foster a culture of honesty and accountability. Any amendment or waiver of the Code of Ethics may only be made by the Board or an authorized committee of the Board. A copy of the Code of Ethics may be obtained from us by visiting our Web site located at www.ilinc.com, or upon written request to our Corporate Secretary at our principal executive offices located at 2999 N. 44th Street, Suite 650, Phoenix, AZ 85018. Any amendments to, or a waiver from, a provision of our Code of Ethics that is applicable to our principal executive officer, principal financial officer, principal accounting officer or controller (or persons performing similar functions) and is required to be disclosed by the relevant rules and regulations of the SEC will be posted on our Website.

STOCKHOLDER COMMUNICATIONS

We and our Board welcome communications from our stockholders. Stockholders who wish to communicate with the Board, or one or more specified directors, may send

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

an appropriately addressed letter to the Chairman of the Board, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication." All such letters should identify the author as a security holder, and, if the author desires for the communication to be forwarded to the entire Board or one or more specified directors, the author should so request, in which case the Chairman will arrange for it to be so forwarded unless the communication is irrelevant or improper. Concerns relating to accounting, internal control over financial reporting or auditing matters will be immediately brought to the attention of the chairman of the Audit Committee and handled in accordance with the Audit Committee's procedures established with respect to such matters.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION & ANALYSIS

We compensate our management through a combination of base salary, annual incentive bonuses and long-term equity based awards which are designed to be competitive with those of a peer group which we have selected for comparative purposes and to align executive performance with the long-term interests of our stockholders. This section discusses the principles underlying our executive compensation policies and decisions and the most important factors relevant to an analysis of these policies and decisions. It provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executive officers and places in perspective the data presented in the tables and narrative that follow.

OUR COMPENSATION COMMITTEE

Our Compensation Committee approves, implements and monitors all compensation and awards to executive officers including the Chief Executive Officer, Chief Financial Officer and the other three executive officers named in the Summary Compensation Table below, all of whom we refer to as the "named executive officers." The Committee's membership is determined by the Board of Directors and is composed of two non-management directors. The Committee has the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate in its sole discretion. During fiscal 2007, the Committee did not delegate any of its responsibilities.

The Committee periodically approves and adopts, or makes recommendations to the Board for, compensation decisions (including the approval of grants of stock options to our named executive officers). Dr. Powers, the Chief Executive Officer, submits to the Compensation Committee his recommendations for salary adjustments and long-term equity incentive awards based upon his subjective evaluation of individual performance and his subjective judgment regarding each executive officer's salary and equity incentives, for each executive officer except himself. For more information on our Compensation Committee, please refer to the discussion under "Corporate Governance - Compensation Committee."

The Compensation Committee reviewed all components of compensation for our executive officers, including salary, target bonus, equity incentives, the dollar value to the executive and cost to our Company of all perquisites and all severance and change of control arrangements. Based on this review, the Compensation Committee determined that the compensation paid to our executive officers reflected our compensation goals and objectives.

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

COMPENSATION PHILOSOPHY AND OBJECTIVES

Our underlying philosophy in the development and administration of our annual and long-term compensation plans is to align the interests of senior management with those of our stockholders. Key elements of this philosophy are:

- o Establishing compensation plans that deliver base salaries which are competitive with companies within our industry and within our peer group, that are also within our budgetary constraints and commensurate with our salary structure.
- o Rewarding executive officers for outstanding performance particularly where such performance is reflected by an increase in total revenue, operating margin, or net income.
- o Providing equity-based incentives for executive officers to ensure that they are motivated over the long-term to respond to our business challenges and opportunities as owners rather than just as employees.

ELEMENTS OF EXECUTIVE COMPENSATION

We compensate our management through a combination of base salary, annual incentive bonuses and long-term equity based awards which are designed to be competitive with those of a peer group which we have selected for comparative purposes and to align executive performance with the long-term interests of our stockholders.

Base Salary

The Compensation Committee seeks to keep base salary competitive. Base salaries for the Chief Executive Officer and the other executive officers are determined by the Compensation Committee based on a variety of factors. These factors include the nature and responsibility of the position, the expertise of the individual executive, the competitiveness of the market for the executive's services and, except in the case of his own compensation, the recommendations of the Chief Executive Officer. The Compensation Committee may also consider other judgmental factors deemed relevant by the Compensation Committee in determining base salary.

-13-

Annual Incentive Bonuses

In setting compensation, the Compensation Committee considers annual cash incentives based on Company performance to be an important tool in motivating and rewarding the performance of our named executive officers and other members of our senior leadership team. Performance-based cash incentive compensation is paid to our named executive officers and other members of our senior leadership team pursuant to our incentive bonus program. Those performance based targets are established at the discretion of our Board of Directors at the beginning of each fiscal year.

Our fiscal 2007 incentive cash bonus plan provides named executive officers, and other members of our senior leadership team consisting of each organizational vice president, with a potential cash bonus of between 15% and 35% of their annual base salary, depending upon their executive level (i.e., CEO, Sr. VP or VP). Performance-based cash incentive compensation payouts to participants are dependent upon our performance relative to a separate and independent revenue target and an operating income target. Our fiscal 2007 incentive cash bonus plan provided for an increasing target for each quarter during fiscal 2007. The bonus was earned using a "cliff structure," meaning that if 100% of the target was achieved then the quarterly potential bonus was paid, but no bonus was paid if

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

the revenue and/or operating income fell short of the target amount. There are no discretionary components to the payments under our incentive cash bonus program. We achieved the revenue and operating income target in the first quarter of fiscal 2007 and achieved the operating income target in the second quarter of fiscal 2007.

Our fiscal 2008 incentive bonus plan provides named executive officers, and other members of our senior leadership team consisting of each organizational vice president, with a potential cash bonus of between 20% and 50% of their annual base salary, depending upon their executive level (i.e., CEO, Sr. VP or VP). If the minimum total revenue threshold is met then the cash bonus earned is 60% of the potential bonus amount. If the minimum total revenue is not met then no bonus is earned. If the intended ("on budget") total revenue target is met then the cash bonus earned is 100% of the potential bonus amount. If the "stretch goal" total revenue target is met then the cash bonus earned is 125% of the potential bonus amount. Certain of the named executives have as an additional performance target, minimum levels of operating income, with a portion of their potential bonus subject to that additional requirement. If the "on budget" target is exceeded but not to the level of the "stretch goal" target, then the earned cash bonus is based upon the pro-rata proportion of the "stretch goal" target actually achieved. There are no discretionary components to the payments under our incentive bonus program.

Long Term Equity Based Awards

We believe that long-term performance is achieved through an ownership culture that encourages such performance by our executive officers through the use of stock and stock-based awards. In 1997, our Board of Directors and the majority of our stockholders approved our incentive stock option plan. Our incentive stock option plan was amended and approved by a majority of our stockholders at our 2005 annual meeting of stockholders. Under our incentive stock option plan 5,500,000 shares of common stock were approved for issuance to our employees, directors and consultants. The following awards may be granted under our incentive stock option plan: (1) options intended to qualify as incentive stock options under Section 422 of the Code, (2) non-qualified stock options not specifically authorized or qualified for favorable federal income tax consequences, and (3) restricted stock awards consisting of shares of common stock that are subject to a substantial risk of forfeiture (vesting) restriction for some period of time. Our incentive stock option plan was established to provide certain of our employees, including our executive officers, with incentives to help align those employees' interests with the interests of stockholders. The Compensation Committee, in consultation with our Board of Directors and the Chief Executive Officer, has the discretion to recommend the grant of options to purchase our common stock or restricted stock awards to eligible participants under our incentive stock option plan. The Compensation Committee believes that the use of stock and stock-based awards offers the best approach to achieving our compensation goals.

-14-

Perquisites

With limited exceptions, the Compensation Committee's policy is to provide benefits and perquisites to our executives that are substantially the same as, or similar to, those offered to our employees at or above the level of vice president. The perquisites that may be available to our senior level staff, in addition to those available to all employees, may include full family coverage of health insurance premiums and life insurance.

IMPACT OF REGULATORY REQUIREMENTS

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

In 1993, the federal tax laws were amended to limit the deduction a publicly-held company is allowed for compensation paid to the chief executive officer and to the four most highly compensated executive officers other than the chief executive officer. Generally, amounts paid in excess of \$1 million to a covered executive, other than performance-based compensation, cannot be deducted. In order to constitute performance-based compensation for purposes of the tax law, stockholders must approve the performance measures. Since we do not anticipate that the compensation for any executive officer will exceed the \$1 million threshold in the near term, stockholder approval necessary to maintain the tax deductibility of compensation at or above that level is not being requested. We will reconsider this matter if compensation levels approach this threshold, in light of the tax laws then in effect. We will consider ways to maximize the deductibility of executive compensation, while retaining the discretion necessary to compensate executive officers in a manner commensurate with performance and the competitive environment for executive talent. Beginning on April 1, 2006, we began accounting for stock-based payments including its 2005 LTIP in accordance with the requirements of FASB Statement 123(R).

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

This report is submitted by the members of the Compensation Committee.

EMPLOYMENT AGREEMENTS

We are party to employment agreements with Dr. Powers, Mr. Dunn, and Mr. Moulton. All are officers of our Company, and Dr. Powers is also Chairman of the Board of Directors. Mr. Cocozza was a party to an employment agreement with us, but that employment agreement expired on its own terms on January 6, 2006. Each of these agreements provides for an annual base salary in an amount not less than the initial specified amount and entitles the employee to participate in all of our compensation plans. Each agreement establishes a base annual salary and provides the eligibility for an annual award of bonuses based on the management incentive compensation plan (as adopted and amended by the Compensation Committee of the Board of Directors from year to year), and is subject to our right to terminate their respective employment at any time without cause. Dr. Powers' and Mr. Dunn's employment agreements provide for continuous employment for a one-year term that renews automatically unless otherwise terminated. Mr. Dunn's employment agreement permits him to work outside the corporate offices and he relocated to Houston in June of 2005. Mr. Moulton's agreement provides for continuous employment for a two-year term. Each of the foregoing agreements contains a covenant limiting competition with our Company for one year following termination of employment except for Mr. Moulton's which limits competition with our Company for nine months following termination. These employment agreements also contain termination and change of control provisions which are discussed in more detail in "Potential Payments Upon Termination or Change in Control."

COMPENSATION OF DIRECTORS

All compensation paid to our directors is limited to our non-employee directors. We use a combination of cash and stock-based incentive compensation to attract and retain qualified individuals to serve on the Board. Directors who are employees of our Company do not receive additional compensation for serving as

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

directors. Each director who is not an employee of our Company receives a fee of \$3,000 for attendance at each regular Board meeting and \$1,000 for each committee meeting (unless held on the same day as a Board meeting). The Chairman of the Audit Committee receives \$3,000 per quarter, but no other chairman of a committee receives compensation as chairman. All of our directors are reimbursed for out-of-pocket expenses incurred in attending meetings of the Board or committees thereof, and for other expenses incurred in their capacity as directors of our Company. Under our incentive stock option plan each non-employee director is eligible to receive non-qualified options to purchase shares of our common stock. Each newly elected non-employee director automatically is granted non-qualified options to purchase 25,000 shares of our common stock on the date that the person first becomes a director. The vesting for the initial grant of 25,000 is 10,000 vested immediately on the date of grant with 5,000 shares of the remaining shares vesting on the date of subsequent annual meetings of stockholders each year from year to year until fully vested. Thereafter, each non-employee director each year automatically is granted non-qualified options to purchase 20,000 shares of our common stock on the date of our annual meeting of stockholders. Each option has an exercise price per share equal to the fair market value of our common stock on the date of grant. All the options granted to the non-employee directors have a term of ten years and options granted after the initial grant are fully exercisable on the date of grant.

The following table sets forth a summary of compensation for fiscal year ended March 31, 2007 that we paid to each director. We do not sponsor a pension benefits plan, a non-qualified deferred compensation plan or a non-equity incentive plan for our directors; therefore, these columns have been omitted from the following table. Except for reimbursement of travel expenses to attend board and committee meetings, no other or additional compensation for services were paid to any of the directors.
