NOTICE OF 2010 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 15, 2010
9:00 A.M. PACIFIC STANDARD TIME

Dear Stockholder:

We will hold our 2010 Annual Meeting of Stockholders at The Irvine Marriott, 18000 Von Karman Avenue, Irvine, California, 92612, on Wednesday, December 15, 2010, at 9:00 a.m. Pacific Standard time for the following purposes:

1. To elect up to nine (9) directors to serve until the 2011 Annual Meeting of Stockholders or until their successors are duly elected or appointed;
2. To approve the 2010 Stock Incentive Plan which would replace the expired 2000 Stock Plan and reserve 1,350,000 shares of our common stock as available for issuance under the 2010 Stock Incentive Plan;
3. To approve an amendment to our Certificate of Incorporation reducing the number of common shares authorized from 200,000,000 to 100,000,000;
4. To ratify the appointment of McGladrey & Pullen, LLP as our independent registered public accountants for the fiscal year ending June 30, 2011; and
5. To transact such other business as may properly come before the Annual Meeting.

Any action on the items described above may be considered at the Annual Meeting at the time and on the date specified above or at any time and date to which the Annual Meeting may be properly adjourned or postponed.

The foregoing business items are more fully described in the Proxy Statement Notice. Stockholders of record who owned our common stock at the close of business on October 26, 2010, are entitled to attend and vote at the Annual Meeting.

We are pleased to be using the U.S. Securities and Exchange Commission ("SEC") rule that allows companies to furnish proxy materials to their stockholders primarily over the Internet. We believe that this new process should expedite stockholders' receipt of proxy materials, lower the costs of our annual meeting and help to conserve natural resources. On or around November 1, 2010, we mailed our stockholders a notice containing instructions on how to access our 2010 Proxy Statement (the "Proxy Statement") and Annual Report on Form 10-K ("Form 10-K") and vote online. The notice also included instructions on how to receive a paper copy of your annual meeting materials, including the notice of Annual Meeting, Proxy Statement and WHITE proxy card. If you received your Annual Meeting materials by mail, the notice of Annual Meeting, Proxy Statement and WHITE proxy card were enclosed. If you received only a Notice of Availability of Proxy Materials in the mail or via e-mail, if you have previously consented to receiving all materials via e-mail, such Notice contained voting instructions and links to the Annual Report and the Proxy Statement on the Internet, which are both available at www.proxyvote.com.

Edgar Filing: LANTRONIX INC - Form PRER14A

You are receiving this Proxy Statement and a WHITE proxy card from us similar to the way you have received these materials in prior years.

The Company's Board of Directors respectfully urges you to vote for the director nominees and other matters proposed and recommended by the Company's Board of Directors described within the Proxy Statement by completing, signing, and dating only a WHITE proxy card and returning it in the enclosed postage-prepaid envelope, and not sign or return any proxy card sent to you by other parties. If you vote using a proxy card sent by any other party, you can subsequently revoke that proxy by signing and returning a WHITE proxy card. If you sign more than one proxy card, only the last proxy card that you sign and return will be counted.

Because of the election contest this year, it is very important to make sure that you carefully read any proxy card and voting information form that you receive to ensure that they contain only the names of the director nominees and other matters you wish to vote for.

All stockholders are cordially invited to attend the meeting in person. Even if you plan to attend the meeting, please cast your vote as instructed in the Notice of Internet Availability of Proxy Materials as promptly as possible. If you choose to receive paper copies of your proxy materials, including the WHITE proxy card, please complete, sign and date the WHITE proxy card and return it promptly in the postage-paid return envelope in order to ensure that your vote will be counted if you later decide not to, or are unable to, attend the meeting. Even if you have given your proxy, you may still attend and vote in person at the meeting after revoking your proxy prior to the meeting.

PROXY STATEMENT FOR 2010 ANNUAL MEETING OF STOCKHOLDERS

Our Board of Directors solicits your Proxy (the "Proxy") on behalf of Lantronix, Inc., a Delaware corporation ("Lantronix" or the "Company"), for use at our 2010 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, December 15, 2010, at 9:00 a.m. Pacific Standard time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at The Irvine Marriott, 18000 Von Karman Avenue, Irvine, California, 92612.

The Notice of Annual Meeting of Stockholders, Proxy Statement, Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability"), Proxy, letter to stockholders and Form 10-K, were first made available on or about November 5, 2010, to all stockholders entitled to vote at the Annual Meeting. In this Proxy Statement, we refer to the fiscal year ended June 30, 2010 as the 2010 fiscal year.

INFORMATION CONCERNING SOLICITATION AND VOTING AT THE ANNUAL MEETING

Record Date

Stockholders of record at the close of business on October 26, 2010 (the "Record Date") are entitled to notice of the Annual Meeting and to vote at the Annual Meeting. Presence in person or by proxy of a majority of the shares of common stock outstanding on the Record Date is required for a quorum. As of the close of business on the Record Date, 10,422,161 shares of our common stock were outstanding and were the only class of voting securities outstanding. Each share is entitled to one vote on any matter that may be presented for consideration and action by the stockholders at the Annual Meeting.

Notice of Internet Availability of Proxy Materials

Pursuant to rules of the U.S. Securities and Exchange Commission ("SEC"), we are providing access to our proxy materials over the Internet. We are sending a Notice of Internet Availability to our stockholders of record and our beneficial owners. All stockholders will have the option to access the proxy materials on the website referred to in the Notice of Internet Availability or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy of the proxy materials are included in the Notice of Internet Availability. You may also request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis.

Electronic Access to Proxy Materials

The Notice of Internet Availability will provide you with instructions on how to:

- View on the Internet the proxy materials for our Annual Meeting; and

- Instruct us to send our future proxy materials to you electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing the proxy materials to you and will reduce the environmental impact of our Annual Meeting. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions including a link to the proxy materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Street Name Holdings

Most stockholders hold their shares through a broker, trustee or other nominee rather than directly in their own name. If you do hold shares directly in your name with our transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record with respect to those shares and we are sending these proxy materials directly to you. As a stockholder of record, you have the right to grant your voting proxy directly to the named proxy holder or to vote in person at the Annual Meeting. If your shares are held in a brokerage account or by a trustee or other nominee, you are considered the beneficial owner of these shares held in “street name,” and these proxy materials are being made available to you together with a voting instruction card, by your broker, trustee or nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote. You are also entitled to attend the Annual Meeting; however, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares giving you the right to vote the shares in person at the Annual Meeting.

Revocability of Proxies

Any stockholder has the power to revoke his or her Proxy or voting instructions at any time before the Annual Meeting. If you are a stockholder of record, you may revoke your Proxy (i) by submitting a written notice of revocation to Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary, or (ii) by submitting a duly executed written Proxy bearing a later date to change your vote. A Proxy will not be voted if the stockholder of record who executed it is present at the Annual Meeting and votes the shares represented by the Proxy in person at the Annual Meeting. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Our Voting Recommendations

The Board of Directors recommends that you vote:

- “FOR” the six nominees named by the Company herein to serve as directors until the 2011 Annual Meeting of Stockholders;
- “FOR” approving the 2010 Stock Incentive Plan and reservation of 1,350,000 shares of common stock for issuance pursuant to the 2010 Stock Incentive Plan; and
- “FOR” approving the reduction in the number of common shares authorized from 200,000,000 to 100,000,000; and
- “FOR” the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accountants for the fiscal year ending June 30, 2011.

Voting and Solicitation

Each share of common stock outstanding on the Record Date will be entitled to one vote on all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors. Voting results will be tabulated by Broadridge, Inc., our proxy services provider, and certified by the Inspector of Elections.

Edgar Filing: LANTRONIX INC - Form PRER14A

By signing and returning the WHITE proxy card or voting instruction card according to the enclosed instructions, you are enabling Reagan Sakai, our Chief Financial Officer and Secretary and Sonya Bhatia Patel, Esq., Of Counsel, who are named on the Proxy as a “proxy holders,” to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the Proxy even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the Annual Meeting.

Each valid Proxy will be voted according to the stockholder's direction. If no direction is given, the Proxy will be voted: (i) "FOR" the election of each of the six nominees for director named herein; (ii) "FOR" approving the 2010 Stock Incentive Plan and reservation of shares for reissuance thereunder; and (iii) "FOR" approving the reduction in the number of common shares authorized from 200,000,000 to 100,000,000; and (iv) "FOR" the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accountants for the fiscal year ending June 30, 2011. With the exception of the possible nomination from the floor of three additional nominees (see "Election of Directors"), no business other than that set forth in the accompanying Notice of Annual Meeting of Stockholders is expected to come before the Annual Meeting. Should any other matter requiring a vote of stockholders properly arise, the persons named on the Proxy will have discretionary authority to vote all proxies received with respect to such matters in accordance with their judgment.

The cost of this proxy solicitation will be borne by the Company. In addition to solicitations by mail, solicitations also may be made by advertisement, telephone, telegram, facsimile transmission or other electronic media, and personal meetings and interviews. In addition to solicitation services to be provided by MacKenzie Partners, Inc. ("MacKenzie Partners"), as described below, proxies may be solicited by the Company and its directors, officers and employees (who will receive no compensation therefor in addition to their regular salaries). Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common stock of the Company, and such persons will be reimbursed for their expenses. Although no precise estimate can be made at the present time, it is currently estimated that the aggregate amount to be spent in connection with the solicitation of proxies by the Company (excluding the salaries and fees of officers and employees and excluding the costs normally expended for a solicitation of proxies in an uncontested election of directors) will be approximately \$700,000, or a greater amount if there is litigation in connection with the solicitation, and that the total cash expenditures to date relating to the solicitation have been approximately \$300,000. These estimates include fees for attorneys, accountants, public relations and financial advisors, proxy solicitors, advertising, printing, and distribution. The Company has retained MacKenzie Partners at a fee estimated not to exceed \$200,000, plus reasonable out-of-pocket expenses, to assist in the solicitation of proxies (which amount is included in the estimate of total expenses above). It is anticipated that approximately 35 employees of MacKenzie Partners may solicit proxies. We have also entered into a contract with MacKenize Partners pursuant to which we have agreed to indemnify them against certain liabilities and expenses.

Householding

In an effort to reduce printing costs and postage fees, we have adopted a practice approved by the SEC called "householding." Under this practice, stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of these proxy materials unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. Stockholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another stockholder and received only one set of proxy materials and would like to request a separate copy of these materials and/or future proxy materials, please send your request to: Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Investor Relations, visit our website at www.lantronix.com, or contact Investor Relations by phone at (949) 453-3990. You may also contact us if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

Householding does not apply with respect to the Notice of Internet Availability. Each stockholder who participates in electronic delivery of proxy materials will receive an individual Notice of Internet Availability.

Quorum; Abstentions; Broker Non-Votes

The holders of a majority of the shares of common stock outstanding on the Record Date and entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting and any adjournments or postponements thereof. If you submit a properly executed WHITE proxy card or voting instruction card, even if you abstain from voting, your shares will be counted for purposes of determining the presence or absence of a quorum. If a broker, trustee or other nominee indicates on a proxy that it lacks discretionary authority to vote your shares on a particular matter, commonly referred to as “broker non-votes,” those shares will also be counted for purposes of determining the presence of a quorum at the Annual Meeting.

For purposes of Proposal 1, the nominees receiving the greatest number of valid votes will be elected. (For additional details regarding the number of nominees to be elected, See “Election of Directors”). Withheld votes and broker non-votes cast in the election of the directors will be entirely excluded from the vote and will have no legal effect. Proposal 3 requires the affirmative approval of a majority of the shares of the Company’s common stock outstanding on the record date. Proposals 2 and 4 require the affirmative approval of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting (the “Votes Cast”). For these purposes, abstentions with respect to a matter are treated as Votes Cast with respect to such matter, so abstaining has the same effect as a negative vote.

Under the rules governing brokers who have record ownership of shares that are held in “street name” for their clients (the beneficial owners of the shares), brokers have discretion to vote these shares on routine matters but not on non-routine matters. Thus, if you do not otherwise instruct your broker, your broker may turn in a Proxy voting your shares “FOR” routine matters but expressly instructing that the broker is NOT voting on non-routine matters. The fourth proposal discussed in these proxy materials is currently considered a routine matter. A “broker non-vote” occurs when a broker expressly instructs on a Proxy that it is not voting on a non-routine matter. Broker non-votes are not treated as Votes Cast for purposes of determining whether the matter has been approved by a majority of the Votes Cast.

Except as described in “Election of Directors” below, the Board of Directors knows of no other matters to be presented for stockholder action at the annual meeting. However, if other matters do properly come before the meeting or any adjournments or postponements thereof, the Board of Directors intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Requirements for Stockholder Proposals to be Considered for Inclusion in our 2011 Proxy Materials. Stockholders may submit proposals appropriate for stockholder action at meetings of our stockholders. For such a proposal to be included in our proxy materials relating to the 2011 Annual Meeting of Stockholders, all applicable requirements of Rule 14a-8 must be satisfied and such proposals must be received by us no later than July 4, 2011, which is 120 days prior the one-year anniversary of the mailing date of this year’s proxy materials (expected to be November 5, 2010). Such proposals should be delivered to the attention of our Secretary at Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, and we encourage you to send a copy via e-mail to CorporateSecretary@lantronix.com. The submission of a stockholder proposal does not guarantee that it will be included in our 2011 Proxy Statement.

Bylaw Requirements for Director Nominations and Stockholder Proposals to be Brought Before the Annual Meeting. Our Bylaws provide that, for stockholder nominations to the Board of Directors or other proposals to be considered at an annual meeting, in general the stockholder must have given timely notice thereof in writing to the Secretary at our Corporate Headquarters not later than the 45th day nor earlier than the 75th day before the one-year anniversary of the date on which the Company first mailed its proxy materials or a notice of availability of proxy materials (whichever is earlier) for the preceding year’s annual meeting. For our 2011 Annual Meeting, notice will be timely if received on or after August 22, 2011 and no later than September 21, 2011. However, in the event that no annual meeting was held in the previous year or if the date of the annual meeting is advanced by more than 30 days prior to or delayed by more than 60 days after the one-year anniversary of the date of the previous year’s annual meeting, then, for notice by the stockholder to be timely, it must be so received by the Corporate Secretary not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of (i) the 90th day prior to such annual meeting, or (ii) the tenth day following the day on which Public Announcement (as defined in the Bylaws) of the date of such annual meeting is first made. As described in our Bylaws, the stockholder submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder’s ownership of our common stock. We will not entertain any proposals or nominations at the annual meeting that do not meet these requirements. If a stockholder complies with the requirements of the notice provisions for stockholder nominations and/or other proposals as set forth in the Bylaws, we may not exercise our discretionary voting authority under proxies that we hold unless we conclude in our proxy statement a brief description of the matter and how we intend to exercise our discretion to vote on such matter. To make a submission or to request a copy of our Bylaws, stockholders should contact our Secretary via e-mail at CorporateSecretary@lantronix.com, or by mail to Attention: Corporate Secretary, Lantronix, Inc., 167 Technology Drive, Irvine, CA 92618. We strongly encourage stockholders to seek advice from knowledgeable counsel before submitting a proposal or nomination. Please note that to have a timely stockholder proposal be considered for inclusion in our printed proxy materials, the requirements of Rule 14a-8 must also be satisfied, as detailed in the preceding paragraph entitled “Requirements for Stockholder Proposals to be Considered for Inclusion in

our 2011 Proxy Materials.”

CORPORATE GOVERNANCE

Nomination of Director Candidates

The Corporate Governance and Nominating Committee considers candidates for Board membership, and recommends director nominees to the independent members of the Board of Directors for consideration and approval. There are no specific minimum qualifications that a director must possess to be nominated. However, the Corporate Governance and Nominating Committee assesses the appropriate skills and characteristics of a nominee based on the composition of the Board as a whole and based on the nominee's qualifications, such as independence, diversity, skills, age and experience in such areas as operations, finance, marketing and sales. See also "Corporate Governance and Nominating Committee" below.

Any stockholder holding shares of our common stock (i) at the time of the giving of the notice required by the Bylaws and on the record date for the determination of stockholders entitled to vote at the annual meeting and (ii) who has complied with the notice procedures set forth in the Bylaws, may nominate a candidate for election to the Board of Directors by directing the nomination in writing by letter to Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary. The nomination must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and Lantronix and evidence of the nominating stockholder's ownership of our common stock. Such nominations must also include a statement from the nominating stockholder in support of the candidate, particularly within the context of the criteria for Board membership, including issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest, other commitments and personal references.

In addition, a stockholder may nominate a person directly for election to our Board of Directors, provided the person meets the requirements set forth the rules and regulations of the SEC related to proxy access or the requirements set forth in our Bylaws. The process for properly submitting a stockholder proposal, including a proposal to nominate a person for election to our Board of Directors at an annual meeting, is described in the section entitled "Deadline of Receipt of Stockholder Proposals" above.

Board Leadership Structure

At such times as an independent director is serving as Chairman of the Board, the leadership of the Board is the responsibility of the Chairman. Mr. Solomon, who is an independent director, has served as Chairman of the Board since November 2008. In accordance with our Corporate Governance Guidelines, if a non-independent director, such as our Chief Executive Officer, were serving as Chairman of the Board, the leadership of the Board would be shared by the Chairman and a lead independent director who would be appointed by the independent directors from among themselves. We believe that this leadership structure provides the appropriate level of independent oversight necessary to ensure that the Board meets its fiduciary obligations to our stockholders, that the interests of management and our stockholders are properly aligned, and that we establish and follow sound business practices and strategies that are in the best interests of our stockholders.

Risk Oversight

Management has primary responsibility for identifying and mitigating risks to the Company, while our Board of Directors has overall responsibility for oversight of such risks, with a focus on the most significant risks facing the Company. At the beginning of each fiscal year, management and the Board jointly review the strategic goals of the

Company and associated risks. Throughout the year, the Board and the committees to which the Board has delegated responsibility dedicate a portion of their meetings to review and discuss specific risk topics in greater detail. For example, strategic and operational risks are presented and discussed at regularly-scheduled Board meetings and at presentations to the Board and its committees by executive management.

The Board has delegated responsibility for the oversight of specific risks to Board committees as follows:

The Audit Committee oversees our risk policies and processes relating to financial statements and financial reporting, as well as investment, capital structure and compliance risks, and the guidelines, policies and processes for monitoring and mitigating those risks.

The Compensation Committee oversees risks associated with the Company's incentive plans, the compensation of executive management, and the effect the compensation structure may have on business decisions.

The Nominating and Corporate Governance Committee oversees risks related to the Company's governance structure and the evaluation of individual board members and committees.

The Board's risk oversight process builds upon management's enterprise-wide risk assessment and mitigation processes, which include ongoing monitoring of various risks including those associated with long-term strategy and business operations; regulatory and legal compliance; and financial reporting.

Board Meetings and Committees

Our Board of Directors currently consists of nine directors; the majority of whom the Board has determined are independent under the requirements of the NASDAQ Stock Market and applicable SEC rules. Mr. Curtis Brown, Mr. John Rehfeld, Mr. Larry Sanders, Mr. Howard T. Slayen, Mr. Lewis Solomon and Mr. Thomas M. Wittenschlaeger were all deemed independent under the requirements of the NASDAQ Stock Market and applicable SEC rules. The Board of Directors held a total of five meetings during the 2010 fiscal year, and it met without the presence of management for a portion of each meeting. During the year, certain matters were approved by the Board of Directors, or a Committee of the Board of Directors, or by unanimous written consent. During fiscal year 2010, the Board of Directors had three standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Each Committee has a written charter approved by the Board of Directors, which are available on our website at www.lantronix.com.

Primary Functions of the Board of Directors

Our Board of Directors oversees the conduct of our business by management and reviews our financial objectives, major corporate plans, strategies, actions and major capital expenditures. Our directors are expected to promote the best interests of our stockholders in terms of corporate governance, fiduciary responsibilities, compliance with laws and regulations, and maintenance of accounting and financial controls. Our directors participate in the selection, evaluation and, where appropriate, replacement of our chief executive officer. Directors also provide input to our chief executive officer for the evaluation and recruitment of our principal senior executives. We strongly encourage all of our directors to attend each annual meeting of stockholders. Seven (7) of our current nine (9) directors attended the prior year's annual meeting; the remaining two were not members of the Board at such time.

Each incumbent director attended 75% or more of the total number of meetings of our Board of Directors and the meetings of the committees of the Board on which the director served during the 2010 fiscal year, except Mr. Marcelo G. Lima and Mr. John R. Rehfeld, who joined the board in May 2010.

Audit Committee

The 2010 Audit Committee currently consists of the following members: Mr. Howard T. Slayen (Chairperson), Mr. Larry Sanders and Mr. Thomas M. Wittenschlaeger. Each member of the 2010 Audit Committee met the NASDAQ and SEC requirements as to independence and financial knowledge. During fiscal year 2010, the Audit Committee met seven times. The Board has determined that Mr. Slayen, Chairperson of the Audit Committee, is an "audit committee financial expert" as defined by rules of the SEC. A copy of the Audit Committee Charter can be found on our website, www.lantronix.com. The report of the Audit Committee is included on page 24 of this Proxy Statement.

The Audit Committee assists the Board of Directors in fulfilling its responsibilities for general oversight of the integrity of our financial statements, its compliance with legal and regulatory requirements, the qualifications and independence of the independent registered public accounting firm, the performance of the independent registered public accounting firm, risk assessment and risk management, and finance and investment functions. Among other matters, the Audit Committee prepares the Audit Committee Report for inclusion in the annual proxy statement; annually reviews its charter and performance; appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the audit fees and the financial statements; reviews our disclosure controls and procedures, internal controls, information security policies and corporate policies with respect to financial information and earnings guidance; oversees investigations into complaints concerning financial matters; and reviews other risks that may have a significant impact on our financial statements. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. All committee members must be financially literate, and at least one member shall have accounting or related financial management expertise.

Compensation Committee

The Compensation Committee currently consists of the following members: Mr. Curtis Brown, Mr. Marcelo G. Lima, Mr. Larry Sanders, Mr. Howard T. Slayen and Mr. John R. Rehfeld (Chairperson). Each member of the Compensation Committee met the NASDAQ, SEC and other regulatory requirements as to independence. During fiscal year 2010, the Compensation Committee met three times. Mr. Lima joined the Compensation Committee effective May 11, 2010 and Mr. Rehfeld effective July 15, 2010. As of July 15, 2010, Mr. Rehfeld became the Chairperson of the Compensation Committee (succeeding Mr. Lewis Solomon), while Messrs. Brown, Lima, Solomon, Sanders and Slayen continued to serve on the Committee. Our Board has determined that each of Mr. Brown, Mr. Solomon, Mr. Sanders, Mr. Rehfeld and Mr. Slayen meet the applicable NASDAQ, SEC and Internal Revenue Service rules and requirements as to independence for Compensation Committee members (except in the case of Mr. Brown, with regard to matters relating to Section 162(m) of the Internal Revenue Code, which Mr. Brown recuses himself from consideration of). A copy of the Compensation Committee Charter can be found on our website, www.lantronix.com.

Scope and Authority of Compensation Committee. Among other responsibilities set forth in its charter, the Compensation Committee determines our overall policies on compensation and the compensation to be provided to our Chief Executive Officer and other executive officers, including, among other things, annual salaries and bonuses, stock-based awards, stock options, and other compensation arrangements. In addition, the Compensation Committee administers the Company's equity incentive plans and reviews the philosophy and policies behind, and any material risks created by, the salary, bonus and equity compensation arrangements for all other employees. The Compensation Committee also makes recommendations to the Board of Directors with respect to amendments to the Company's equity incentive plans and changes in the numbers of shares reserved for issuance thereunder. The Compensation Committee may form subcommittees for any purpose the Compensation Committee deems appropriate and may delegate to such subcommittees such power and authority as the Compensation Committee deems appropriate.

Role of Officers and Compensation Consultants in Recommending Compensation. The agenda for meetings of the Compensation Committee is determined by its Chair with the assistance of our Human Resources Department. Compensation Committee meetings are regularly attended by our Chief Executive Officer, our Chief Financial Officer, representatives from Human Resources, and other employees with functional responsibilities related to the committee's work. In fiscal 2010, the Compensation Committee requested management to retain an outside compensation consultant to review and assist Lantronix with executive and director compensation. Management retained The Delves Group to consult with Lantronix in Fiscal 2010 and 2011. The Delves Group was engaged to conduct an annual competitive market analysis for Chief Executive Officer and all of his direct reports as well as a competitive analysis of Board compensation, review and comment on recommendations by management concerning executive pay programs, review materials prepared for Compensation Committee meetings, review Board compensation matters, update the committee on legal, accounting and other developments and trends that affect executive compensation, advise the committee on governance best practices, review SEC disclosure of executive pay and periodic consultation with the chair of the Compensation Committee and other members as required. These consulting services did not exceed \$120,000 in fiscal 2010.

Corporate Governance and Nominating Committee

Our director nominees are selected by a majority of the independent directors of the Board of Directors. In addition, we have a Corporate Governance and Nominating Committee which currently consists of the following members: Mr. Thomas M. Wittenschlaeger (Chairperson), Mr. Curtis Brown, Mr. Bernhard Bruscha, Mr. Marcelo G. Lima and Mr. John R. Rehfeld. During fiscal year 2010 the Corporate Governance and Nominating Committee met two times. Mr. Rehfeld joined the Corporate Governance and Nominating Committee effective May 11, 2010 and Mr. Lima effective July 15, 2010. Our Board has determined that Mr. Wittenschlaeger and Mr. Brown meet the independence

requirements of the SEC and NASDAQ. A copy of the Corporate Governance and Nominating Committee Charter can be found on our website, www.lantronix.com.

The Corporate Governance and Nominating Committee assists the Board in overseeing the implementation and monitoring the effectiveness of our Corporate Governance Guidelines, Code of Conduct and in developing and recommending to the Board modifications and/or additions to those and other corporate policies. The committee reviews our overall corporate governance as well as Board policies and procedures and recommends improvements as needed. The committee is also responsible for recommending director nominees for election at each annual meeting of stockholders and for the review and approval of related party transactions as well as evaluation of the “independence” of directors and director nominees against the independence requirements of the NASDAQ rules, SEC rules and other applicable laws. The committee reviews and recommends compensation programs for outside directors and oversees the director performance evaluation process.

Criteria for Director Nominees and Board Diversity. The Board believes that it should be composed of directors with diverse, complementary backgrounds, and that directors should, at a minimum, exhibit proven leadership capabilities and experience at a high level of responsibility within their chosen fields and have the ability to quickly grasp complex principles of business, finance, and technology. Directors should possess the highest personal and professional ethics, integrity and values and should be committed to representing the long-term interests of our stockholders.

When considering a candidate for director, the committee takes into account a number of factors, including the following:

Independence from management;

Depth of understanding of technology, manufacturing, sales and marketing, finance and/or other elements directly relevant to our business;

Education and professional background;

Judgment, skill, integrity and reputation;

Existing commitments to other businesses as a director, executive or owner;

Personal conflicts of interest, if any;

The size and composition of our existing Board; and

Diversity of skills, backgrounds, experiences, and other qualifications, to meet Lantronix’ ongoing needs.

In general, candidates who hold or who have held an established executive-level position in a high technology company are preferred. The Board’s consideration of diversity as a criteria for director nominations is primarily focused on evaluating a nominee’s expected contribution to the diversity of skills, background, experiences and perspectives, given the then existing composition of the Board as a whole.

When seeking candidates for director, the committee may solicit suggestions from incumbent directors, management, stockholders and others. Additionally, the committee has in the past used and may continue to use the services of third party search firms to assist in the identification and analysis of appropriate candidates. After conducting an initial evaluation of a prospective candidate, the committee will interview that candidate if it believes the candidate might be suitable. The committee may also ask the candidate to meet with other member of the Board and with management. If

the committee believes a candidate would be a valuable addition to the Board, it may recommend to the Board that candidate's appointment or election. The committee applies the same standards of review to all prospective candidates for director, regardless of who initially brings them to the committee's attention.

Code of Conduct and Complaint Procedures

We have adopted a Code of Business Conduct and Ethics Policy (the “Code of Conduct”) that applies to all of our directors, officers, and employees. The Code of Conduct operates as a tool to help our directors, officers, and employees understand and adhere to the high ethical standards we expect. The Code of Conduct is available on our website at www.lantronix.com. Stockholders may also obtain copies at no cost by writing to our Corporate Secretary at our corporate headquarters.

Concerns relating to accounting, internal controls or auditing matters should be brought to the attention of a member of our senior management or the Audit Committee, as appropriate, and handled in accordance with procedures established by the Audit Committee with respect to such matters.

Stockholder Communications with Our Board of Directors

You may communicate with any director, the entire Board of Directors, or any committee of the Board by sending a letter to the director, the Board or the committee, addressed to our Corporate Secretary at Lantronix, Inc., 167 Technology Drive, Irvine, California 92618. Unless the letter is marked “confidential,” our Corporate Secretary will review the letter, categorize it, and forward it to the appropriate person. Any stockholder communication marked “confidential” will be logged as “received” and forwarded to the appropriate person without review.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Board of Directors currently consists of nine (9) members. The terms of all nine directors will expire at the Annual Meeting. We are proposing that the Board of Directors continue to consist of nine (9) authorized members, with three (3) vacancies (to be filled potentially by candidates discussed in the next paragraph). Six incumbent directors, Lewis Solomon, Jerry D. Chase, John Rehfeld, Larry Sanders, Howard T. Slayen and Thomas M. Wittenschlaeger, are being nominated by the Board for re-election. There are no family relationships among any directors or executive officers.

We received a notice (the “Notice”) from TL Investment GmbH (“TL Investment”), an entity owned by Bernhard Bruscha, a current director who is not included on the Company’s slate of nominees for reelection to the Board, of its intent to nominate Mr. Bruscha and two other individuals for election as directors at the Annual Meeting. TL Investment notified us further that it intends to deliver a proxy statement and form of proxy to holders of a number of Company voting shares reasonably believed by TL Investment to be necessary to elect its three (3) proposed nominees and has filed a preliminary proxy statement with the SEC soliciting votes for its nominees. We are in the process of evaluating the sufficiency and compliance of the Notice in regards to the requirements set forth for the nomination of director candidates in our bylaws. See “Deadline for Receipt of Stockholder Proposals – Bylaw Requirements for Stockholder Proposals to be Brought Before the Annual Meeting”. Because Lantronix's directors are elected by a plurality of the votes cast by Lantronix common stockholders at a meeting at which a quorum is present, the duly nominated nominees receiving the largest numbers of votes cast are elected as directors. As a result, because there are no more than nine (9) available director seats, six (6) Company Nominees and three (3) proposed TL Investment nominees, any TL Investment nominee deemed to be duly nominated will be elected if he receives any votes in favor of his election. In the event one or more nominees are not determined to have been duly nominated in accordance with the requirements of Lantronix's bylaws, those individuals would not be nominated and elected and the corresponding Board seats would remain vacant until filled in accordance with the Company's bylaws and applicable law. If all three (3) nominees set forth in the Notice are duly nominated and elected, and the slate of six (6) nominees nominated by

the Board are duly elected, the Board will continue to have nine (9) serving members at the conclusion of the Annual Meeting. In the event that less than nine (9) persons are duly nominated and elected, vacancies on the Board may be filled by a majority of the elected directors. The Board has left three (3) vacancies to afford the opportunity to seek and retain individuals with experience and expertise, including relevant industry knowledge, as directors of the Company.

If elected at the Annual Meeting, each nominee will serve until the 2011 Annual Meeting of Stockholders and until his successor is elected and has qualified, or until his earlier resignation or removal. A director elected to fill a vacancy (including a vacancy created by an increase in the size of the Board of Directors) will serve until the next annual meeting of stockholders and until his successor is elected and qualified.

Unless otherwise instructed, the holders of proxies solicited by this Proxy Statement will vote the proxies received by them for our six nominees and will exercise their discretion to withhold votes from the three additional nominees. Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Shares represented by signed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the Proxy holders will vote for a nominee designated by the present Board of Directors to fill the vacancy. We are not aware of any reason that the Company's nominees will be unable or will decline to serve as directors. The Board of Directors recommends a vote "FOR" the election of the Company's six (6) nominees. Since the deadline for nominating directors from the floor of the Annual Meeting has passed, no additional persons may be nominated.

The names of the current members of our Board of Directors, their ages as of October 26, 2010, and certain other information about them are set forth below.

Directors shall be elected by a plurality vote. The nominees for director receiving the highest number of affirmative votes of the shares entitled to be voted for them shall be elected as directors, up to a total of nine (9) directors. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR"
EACH OF THE COMPANY'S SIX NOMINEES SET FORTH ABOVE.

PROPOSAL TWO

APPROVE THE 2010 STOCK INCENTIVE PLAN AND SHARE RESERVE

We are asking our stockholders to approve the 2010 Stock Incentive Plan (“2010 Plan”). The 2010 Plan will replace the 2000 Stock Plan (“2000 Plan”), which expired this year. In addition to awards of stock options, restricted stock, and restricted stock units (which were also authorized to be granted under the 2000 Plan), the 2010 Plan authorizes grants of stock appreciation rights (“SARs”) and performance shares. The terms of the 2010 Plan are similar to the terms of the 2000 Plan.

As of October 26, 2010 (a) 54,076 shares remain available for issuance from preexisting plans; (b) 199,583 shares are subject to outstanding (granted but unvested) full-value awards; (c) 1,910,390 shares are subject to outstanding (granted but unexercised) option awards; (d) the weighted-average exercise price for c) above is \$4.77; and (e) the weighted-average remaining term for (c) above is 7.8 years. If this proposal is duly approved by our stockholders, the aggregate number of shares available from pre-existing plans referenced in (a) above will be zero.

We are also asking our stockholders to reserve 1,350,000 shares of our common stock for issuance under our 2010 Plan. Pursuant to the 2010 Plan (if approved by stockholders), we are authorized to issue up to a total of 1,350,000 shares of our common stock upon the exercise of equity incentives issued under the 2010 Plan. Accordingly, we will need to reserve this number of our shares in order to have such shares available for issuance upon the exercise of stock options under our 2010 Plan. If this proposal is duly approved by stockholders, we intend to promptly register the reserved shares on a Registration Statement on Form S-8 under the Securities Act of 1933.

Burn Rate Commitment

In order to address potential stockholder concerns regarding the number of options, stock appreciation rights or other stock awards we intend to grant in a given year, our board of directors commits to our stockholders that, if this Proposal Two is approved by our stockholders, over the next three fiscal years (commencing on the date of our Annual Meeting), our total “burn rate” for stock awards shall not exceed 7.08% per year on average for such fiscal years (which is the applicable gross burn rate threshold for the Global Industry Classification Standard group, 4520, “Technology Hardware and Equipment” category, as published by RiskMetrics Group for its policy year 2010). “Burn rate” is defined as the number of shares subject to stock awards granted in a fiscal year divided by the weighted average number of shares of our common stock outstanding (basic) at fiscal year end. For purposes of calculating the number of awards granted in each of the next three fiscal years, (i) awards of stock options and stock appreciation rights will count as one share, and (ii) awards of restricted stock, restricted stock units or other full value awards will count as 1.68 shares. This limitation applies to all awards that can result in the delivery of shares and, unlike other 2010 Plan terms, applies to stock awards granted under any other equity compensation plan, but excluding awards assumed in acquisitions, qualified employee stock purchase plans, and certain other tax-qualified plans.

Equity Inducement Plan

Because the 2000 Plan expired during the course of this year, the Board approved and adopted an interim equity inducement plan (“Temporary Plan”) for new hires during the course of 2010. If this Proposal Two is approved by our stockholders, the Temporary Plan will terminate upon the Effective Date of the 2010 Plan and, therefore, future awards from the Temporary Plan will not be granted. As of October 26, 2010, pursuant to the Temporary Plan, the Company had granted nonstatutory stock options to purchase up to a total of 45,924 shares of the common stock of the Company.

Adoption of the 2010 Plan

The Board voted to adopt the 2010 Plan, subject to approval by the Company's stockholders at the Annual Meeting. If approved, the 2010 Plan will be deemed effective as of the date of our Annual Meeting (the "Effective Date").

The Board believes that the 2010 Plan is desirable because it will promote and closely align the interests of the participants and the stockholders of the Company by providing stock-based compensation and other performance-based compensation to participants. The Board believes the 2010 Plan will strengthen the Company's ability to reward performance, which ultimately enhances long-term value for stockholders, increases participant stock ownership, and strengthens the Company's ability to attract and retain an outstanding team of directors, officers and employees. Specifically, and without limitation to the foregoing, the Board believes that the 2010 Plan will help the Company to: (1) attract and retain the best available personnel for positions of substantial responsibility; (2) provide incentives to individuals who perform services to the Company; and (3) promote the success of the Company's overall business.

A copy of the 2010 Plan is attached as Appendix B. This description of the 2010 Plan is qualified, in its entirety, by the terms of the attached 2010 Plan document. Stockholders should not rely on the summary provided below in voting for or against the 2010 Plan and should carefully read and consider the entirety of the 2010 Plan by referring to Appendix B.

Grants may be made to eligible participants under the terms of the 2010 Plan beginning on the Effective Date and continuing until the tenth anniversary of the Board's approval of the Plan. No grants will be made under the 2010 Plan prior to the Annual Meeting.

Administration

The 2010 Plan will be administered by a committee of the Board (or by the full Board in absence of a committee) (the "plan administrator").

The 2010 Plan does not permit, without obtaining stockholder approval, the re-pricing of any outstanding option or SAR through either (i) the cancellation of outstanding options or SARs in exchange for a new award or cash, or (ii) the amendment of outstanding options or SARs to reduce the exercise price thereof. Under the 2000 Plan, the plan administrator had the authority to institute an option exchange program which would have permitted the re-pricing of outstanding underwater stock options without obtaining stockholder approval.

Duration of the 2010 Plan

The 2010 Plan shall remain in effect until the earlier of: (1) termination thereof by the plan administrator; (2) the tenth anniversary of the Board's approval of the Plan; or (3) the date on which all shares of common stock of the Company that are available for issuance under the 2010 Plan have been issued and all restrictions on such shares have lapsed. Termination of the 2010 Plan will not affect the plan administrator's ability to exercise the powers granted to it with respect to any awards granted under the 2010 Plan prior to the date of termination.

Amendment and Termination of the 2010 Plan

The plan administrator may at any time amend, alter, suspend or terminate the 2010 Plan; provided however, that the Company will obtain stockholder approval of any amendment to the 2010 Plan to the extent necessary and desirable to comply with applicable law. No amendment, alteration, suspension, or termination of the 2010 Plan can impair the rights of any participant, unless mutually agreed between the participant and the plan administrator.

Share Reserve

The share reserve under the 2010 Plan includes 1,350,000 shares of our common stock, plus any shares subject to awards under the 2000 Plan that expire without having been exercised in full, or are forfeited to the Company on or after the Effective Date. The maximum number of shares eligible for rollover from the 2000 Plan is 2,100,000. Any shares subject to outstanding awards other than stock options and/or stock appreciation rights, shall count against the 2010 Plan share reserve as 1.68 shares for every one shares subject to such award. The 2010 Plan also provides that appropriate adjustments will be made in the share reserve and in shares subject to outstanding awards and option exercise prices upon any stock split or other change in capitalization.

The aggregate number of shares of the common stock of the Company in respect of which stock options or SARs may be granted to any one person pursuant to the 2010 Plan may not at any time exceed 2,500,000 shares of our common stock per Company fiscal year. Similarly, no participant may be granted more than 1,000,000 shares subject to restricted stock, restricted stock unit or performance share awards in any Company fiscal year.

Awards Authorized

The 2010 Plan authorizes each of the following types of awards: Incentive Stock Options (“ISOs”); Nonstatutory Stock Options (“NSOs”); Restricted Stock; Restricted Stock Units (“RSUs”); Stock Appreciation Rights (“SARs”); and Performance Shares.

Eligibility

Only employees are eligible to receive ISOs. For NSOs, Restricted Stock, RSUs, SARs, and Performance Shares, current employees, consultants and/or directors are eligible to participate.

Stock Options

Stock options granted under the 2010 Plan will be subject to the following provisions:

Exercise Price: For NSOs, the exercise price shall be at least 100% of the fair market value (“FMV”) per share on the date of grant.

For ISOs, the exercise price shall be at least 100% of the FMV per share on the date of grant, and 110% of the FMV per share if granted to any greater than 10% stockholder.

Exercisability: Exercisable only to the extent of vesting, subject to a standard option agreement.

Vesting: As determined at the discretion of the plan administrator.

Payment: Forms of payment for exercise shall be any of the following (or a combination thereof): cash or check; promissory note (as permitted by law); tender of owned shares; ‘same-day sale’ exercise; or other consideration approved by the plan administrator.

Duration: Options shall have a total duration of no longer than seven (7) years (and no longer than five (5) years for ISOs held by a greater than 10% stockholder).

Transferability: Unless otherwise determined by the plan administrator, Options are not transferable except by the provisions of a will or via applicable law.

IRC 162(m): In order to comply with the definition of “performance-based compensation” under Section 162(m) of the Internal Revenue Code (“IRC”), the 2010 Plan provides that a maximum of 2,500,000 options (and SARs) may be granted to any employee during a company fiscal year.

Stock Appreciation Rights (SARs)

SARs granted under the 2010 Plan will be subject to the following provisions:

Exercise Price: At least 100% of the FMV per share on the date of grant.

Vesting: As determined at the discretion of the plan administrator.

Settlement: Upon exercise, the holder receives the excess of FMV of the shares over the exercise price. Settlement may be accomplished in shares of common stock of the Company, cash, or any combination thereof, as

specified in the award agreement.

Duration: SARs shall have a total duration of no longer than seven (7) years and may be subject to early termination upon the participant's termination of service or a change in control of Lantronix (if not assumed by the acquirer).

Transferability: SARs are generally not transferable except by the provisions of a will or via applicable law, or as may be authorized by the plan administrator.

IRC 162(m): In order to comply with the definition of "performance-based compensation" under Section 162(m) of the IRC, the 2010 Plan provides that a maximum of 2,500,000 SARs (and options) may be granted to any employee during a fiscal year.

Restricted Stock and Restricted Stock Units (RSUs)

Restricted Stock and RSUs granted under the 2010 Plan will be subject to the following provisions:

Purchase Price: No payment is required by the participant for the Restricted Stock or RSUs. The par value of any Restricted Stock shares shall be deemed paid for by future services of the participant.

Vesting: As determined at the discretion of the plan administrator (may be based on continued service or achievement of performance goals).

Rights: For Restricted Stock (not applicable to RSUs), the participant will have: (1) full voting rights in respect of his or her Restricted Stock prior to vesting thereof; and (2) the right to receive any dividends paid on Restricted Stock, subject to the same vesting restrictions as the underlying Restricted Stock.

Transferability: Unless otherwise determined by the plan administrator, unvested Restricted Stock or RSUs may not be sold or otherwise transferred, except by the provisions of a will or via applicable law.

Settlement: Settlement of RSUs may be accomplished in shares of common stock of Lantronix, cash, or any combination thereof, as specified in the award agreement.

IRC 162(m): In order to comply with the definition of "performance-based compensation" under Section 162(m) of the IRC, the 2010 Plan provides that a maximum of 1,000,000 Restricted Stock awards and RSUs (and Performance Shares) may be granted to any employee during a fiscal year. In addition, in order to comply with the "performance-based compensation" requirements under IRC Section 162(m), Restricted Stock and RSUs issued under the 2010 Plan may be subject to the achievement of pre-established performance goals.

Performance Shares

Purchase Price: No payment is required by the participant for the Performance Shares.

Vesting: As determined at the discretion of the plan administrator (may be based on company-wide, business unit, or individual performance goals (including continued service) or any other basis).

Performance: The period of measuring performance shall be as specified by the plan administrator in any award grant of Performance Shares. Performance criteria for performance shares, RSUs or restricted stock awards may be based on target levels (minimum, maximum and intermediate levels) of one or more of the

following:

- Earnings per share
- Operating cash flow
- Operating income
- Profit metrics, such as EBITDA profitability or non-GAAP profitability
 - Return on assets or net assets
 - Return on equity
 - Return on sales
 - Revenue
 - Gross margin or operating margin
- Growth in stockholder value relative to the moving average of the S&P 500 Index or another index
 - Share price
 - Operating expenses or operating expenses as a percentage of revenue
 - Earnings (which may included EBIT or EBT and net earnings)
 - Return on capital
 - Return on investment
 - Market share
 - Contract awards or backlog
 - Overhead or other expense reduction
 - Objective customer indicators
 - New product invention and innovation
 - Attainment of research and development milestones
 - Total stockholder return
 - Working capital

Any performance goals may be used to measure the performance of the Company as a whole or a subsidiary or other business unit or segment of the Company and may be measured relative to a peer group or index. Any criteria used may be measured, as applicable (1) in absolute terms, (2) against another company or companies, on a per-share basis, and/or (3) on a pre-tax or post-tax basis. In establishing the performance goals, the plan administrator shall determine whether to determine such goals in accordance with United States Generally Accepted Accounting Principles (“GAAP”), in accordance with accounting principles established by the International Accounting Standards Board (“IASB Principles”) or to either exclude any items otherwise includable under GAAP or under IASB Principles or include any items otherwise excludable under GAAP or under IASB Principles.

Change of Control

Under the 2010 Plan, any outstanding awards will be treated as determined by the plan administrator, including (without limitation), being assumed or substituted for new awards of equivalent value by the acquiring entity. The plan administrator may provide for acceleration of vesting (in full or part) for any reason in any award agreement. If awards are not assumed and/or substituted by an acquiring entity, then the plan administrator must provide notice to each participant that outstanding awards will not be assumed and/or substituted, but will be deemed 100% vested and exercisable for a period specified by the plan administrator and will terminate thereafter.

In the 2010 Plan, “change in control” is defined as any of the following: (1) any person or entity acquiring stock such that their aggregate ownership of Company voting securities constitutes more than 50% of the total voting power of the stock of the Company (provided, however, that the acquisition of additional stock by any one person or entity, who is considered to own more than 50% of the total voting power of the stock of the Company will not be considered a change in control) or (2) change in the effective control of the Company (occurs as a result of a majority of members of the Board being replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board); or (3) change in the ownership of a substantial portion (50% or more

during any 12-month period) of the Company's assets.

Federal Income Tax Consequences

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise may subject the optionee to the alternative minimum tax. Upon an optionee's sale of the shares (assuming that the sale occurs at least two years after grant of the option and at least one year after exercise of the option), any gain will be taxed to the optionee as long-term capital gain. If the optionee disposes of the shares prior to the expiration of the above holding periods, then the optionee will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares. Any gain or loss recognized on such premature sale of the shares in excess of the amount treated as ordinary income will be characterized as capital gain or loss.

Nonstatutory Stock Options. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Restricted Stock. If at the time of purchase, restricted stock is subject to a "substantial risk of forfeiture" within the meaning of Section 83 of the IRC, the purchaser will not recognize ordinary income at the time of purchase. Instead, the purchaser will recognize ordinary income on the dates when a stock ceases to be subject to a substantial risk of forfeiture. At such times, the purchaser will recognize ordinary income measured as the difference between the purchase price and the fair market value of the stock on the date the stock is no longer subject to a substantial risk of forfeiture.

The purchaser may accelerate to the date of purchase his or her recognition of ordinary income, if any, and the beginning of any capital gain holding period by timely filing an election pursuant to Section 83(b) of the Code. In such event, the ordinary income recognized, if any, is measured as the difference between the purchase price and the fair market value of the stock on the date of purchase, and the capital gain holding period commences on such date. The ordinary income recognized by a purchaser who is an employee will be subject to tax withholding by the Company.

Stock Appreciation Rights. No income will be recognized by a recipient in connection with the grant of a stock appreciation right. When the stock appreciation right is exercised, the recipient will generally be required to include as taxable ordinary income in the year of exercise an amount equal to the sum of the amount of cash received and the fair market value of any Common Stock received upon the exercise.

Restricted Stock Units and Performance Shares. A participant will not have taxable income upon grant. Instead, he or she will recognize ordinary income at the time of delivery equal to the fair market value of the shares received.

Company Tax Deduction. Lantronix generally will be entitled to a tax deduction in connection with an award under the 2010 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Chief Executive Officer and to each of the three most highly compensated executive officers other than the Chief Financial Officer. Under Section 162(m) of the Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, Lantronix can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met with respect to awards. These conditions include stockholder approval of the performance goals under the 2010 Plan, setting individual annual limits on each type of award, and certain other requirements. The

2010 Plan has been designed to permit the plan administrator to grant certain awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting Lantronix to receive a federal income tax deduction in connection with such awards.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND LANTRONIX UNDER THE 2010 PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE MAY RESIDE.

Awards to be Granted to Certain Individuals and Groups

The number of Awards (if any) that an employee, director or consultant may receive under the 2010 Plan is at the discretion of the plan administrator and therefore cannot be determined in advance. Our executive officers and directors have an interest in this proposal because they are eligible to receive Awards under the 2010 Plan.

Required Vote; Recommendation of the Board of Directors

The affirmative vote of a majority of the Votes Cast is necessary to approve this proposal. Assuming a quorum is present, abstentions will have the effect of a vote "against" this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVING THE 2010 STOCK INCENTIVE PLAN AND SHARE RESERVE.

PROPOSAL THREE

APPROVAL OF AMENDMENT TO CERTIFICATE OF INCORPORATION TO REDUCE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has determined that it is advisable to decrease our authorized common stock from 200,000,000 shares to 100,000,000 shares, and has voted to recommend that the stockholders adopt an Amendment to our Amended and Restated Certificate of Incorporation effectuating the proposed decrease. The full text of the proposed certificate of amendment to our certificate of incorporation is attached to this proxy statement as Appendix A.

As of October 26, 2010, 10,422,161 shares of our common stock were issued and outstanding (excluding treasury shares) and 2,109,973 shares were reserved for issuance and exercise of outstanding warrants and outstanding options granted under our various stock-based plans. An additional 54,076 shares have been reserved for future grant under our stock-based plans. Accordingly, a total of 87,467,866 shares of our common stock have not been reserved for any specified purpose and are available for future issuance. In the event the 2010 Stock Incentive Plan were to be approved under proposal 2, a total of 1,350,000 shares of our common stock would be reserved for future grant under our stock-based plans. Further, in the event proposal 3 were to be approved, 86,117,866 shares of our authorized common stock would be available for future issuance and not be reserved for any specific purpose.

The Board believes that this decrease in our authorized shares of common stock is advisable because a reduction in the number of our authorized shares of common stock will result in significantly lower franchise tax due to the State of Delaware, the state in which we are incorporated. The State of Delaware imposes a franchise tax on corporations that are incorporated under the laws of that state, and the franchise tax is calculated using a corporation's authorized shares of common stock as part of the calculation. The amount of this tax will be decreased if we reduce the number of our authorized shares of common stock. The Board believes that having 100,000,000 authorized shares will give the Company sufficient flexibility for corporate purposes for the foreseeable future.

If this amendment to decrease the authorized number of shares of our common stock is approved by the stockholders, it will become effective when we file the Amendment to the Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware.

Required Vote; Recommendation of the Board of Directors

The affirmative vote of a majority of the outstanding shares of stock of the Company outstanding as of the Record Date is necessary to approve this proposal and amend our Amended and Restated Certificate of Incorporation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVING THE REDUCTION IN THE NUMBER OF COMMON SHARES AUTHORIZED.

PROPOSAL FOUR

Before selecting McGladrey & Pullen, LLP, the Audit Committee carefully considered the firm's qualifications as independent registered public accountants. The Audit Committee's review included inquiry concerning any litigation involving McGladrey & Pullen, LLP and any proceeding by the SEC against the firm. In this respect, the Audit Committee concluded that the ability of McGladrey & Pullen, LLP to perform services for us is in no way adversely affected by such litigation or investigation. The Audit Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the

auditors' independence will not be impaired. The Audit Committee pre-approves all audit and non-audit services provided by McGladrey & Pullen, LLP, or subsequently approves non-audit services in those circumstances where a subsequent approval is necessary and permissible. All of the services, if any, provided by McGladrey & Pullen, LLP described under "Audit-Related Fees," "Tax Fees" and "All Other Fees" were pre-approved by the Audit Committee. The Audit Committee of our Board of Directors has determined that the provision of services by McGladrey & Pullen, LLP other than for audit related services is compatible with maintaining the independence of McGladrey & Pullen, LLP as our independent registered public accountants.

Required Vote; Recommendation of the Board of Directors

The affirmative vote of a majority of the Votes Cast is necessary to approve this proposal. Assuming a quorum is present, abstentions will have the effect of a vote "against" this proposal.

DIRECTOR COMPENSATION

Cash Compensation. In fiscal year 2010, each director received \$26,000 cash compensation as an annual payment for his services as a director. The Chairman of the Board and Chairman of the Audit Committee received an additional \$10,000 annual payment. The Chairman of the Compensation Committee and Chairman of the Corporate Governance and Nominating Committee each received an additional \$3,000 annual payment. The annual retainers are based on four in-person meetings per year, one per quarter. Directors also receive \$1,000 for each additional full-day in-person meeting in excess of one meeting per quarter and \$500 for each telephonic conference.

Stock Option Program. Members of our Board of Directors who are not employees of ours, or any parent or subsidiary of ours ("Non-Employee Directors"), are eligible to participate in our 2000 Stock Plan. Under the 2000 Stock Plan, Non-Employee Directors are eligible to receive a discretionary grant of non-statutory stock options on the date such Non-Employee Director first joins our Board. Each Non-Employee Director is also eligible for an additional annual option grant. The exercise price for these options is 100% of the fair market value of the shares on the date of grant. These options have a term of ten years; provided, however, that they may terminate earlier depending on different circumstances.

Grants issued in fiscal 2010 and prior to December 2007 vest as follows: Twelve months after the date of grant, 50% of the options vest. The balance of the option vests 1/24 per month each month thereafter, until vested in full three years after the grant date; provided, however, the optionee continues to serve on our Board on such dates.

Grants issued to each Non-Employee Director from January 2008 to June 2008 vest as follows: each option vests as to 30% of the shares 12 months after the date of grant, as to 30% of the shares 24 months after the date of grant, and as to 40% of the shares 36 months after the date of grant; provided, however, the optionee continues to serve on the Board on such dates. Notwithstanding the foregoing vesting schedule, vesting may accelerate upon the Company's stock price reaching the following thresholds for 120 consecutive days: (i) 30% vests at \$9.00; (ii) 30% vests at \$15.00; and (iii) 40% vests at \$24.00.

Grants issued to each Non-Employee Director during fiscal 2009 fully vest 12 months after the date of grant.

Post-Employment and Change-in-Control Payments

No Executive Officer has or had an employment agreement that provides for a specific term of employment. Accordingly, the employment of each executive officer may be terminated at any time at the discretion of the Board of Directors.

We have entered into agreements with each of our Named Executive Officers that provide certain benefits upon the termination of his employment under certain prescribed circumstances. Those agreements are summarized below:

Jerry D. Chase - President and Chief Executive Officer. In February 2008, we entered into a severance agreement with Mr. Chase. If within six months after a change in control (as defined below) occurs, and either (1) we terminate Mr. Chase without cause or (2) Mr. Chase resigns with good reason, we will continue to pay him 150% of his then current base salary and incentive bonus target in regular payroll installments and continue certain of his employee benefits for one year after his termination date. In addition, upon such a termination event, Mr. Chase's outstanding unvested stock options and restricted shares will immediately vest in full.

If there is no change in control and we either (1) terminate Mr. Chase without cause or (2) Mr. Chase resigns with good reason, we will continue to pay him 100% of his then current base salary and incentive bonus target in regular payroll installments and continue certain of his employee benefits for one year after his termination date.

Under Mr. Chase's agreement, "cause" is defined as: (1) executive's commission of a felony or misdemeanor or his possession, use or sale of a controlled substance (other than the use or possession of legally prescribed medication used for its prescribed purpose); (2) executive's significant neglect, or materially inadequate performance of, his duties as an employee of Lantronix; (3) executive's breach of a fiduciary duty to us or our stockholders; (4) executive's willful breach of duty in the course of his employment; (5) executive's material violation of our personnel or business policies; (6) executive's willful misconduct; (7) executive's death; or (8) executive's disability. For purposes of the agreement, executive shall be considered disabled if executive has been physically or mentally unable to perform his essential job duties hereunder for (x) a continuous period of at least 120 days or (y) a total of 150 days during any

180-day period, and executive has not recovered and returned to the full time performance of his duties within 30 days after written notice is given to executive by us following such 120-day period or 180-day period, as the case may be.

Under Mr. Chase's agreement, "good reason" is defined as: (1) we substantially lessen executive's title; (2) we substantially reduces executive's senior authority; (3) we assign material duties to executive that are materially inconsistent with executive's then-current status; (4) we reduce executive's base salary or benefits from those in effect at (A) the agreement's execution date if the executive resigns with good reason after we have entered into a definitive agreement for a change of control, or (B) the time of the consummation of the change of control, if the executive resigns during the period beginning on the date of the consummation of a change of control, and ending on the two-year anniversary date of the consummation of such change of control, (unless, in either case, such reduction is in connection with a salary or benefit reduction program of general application at executive's level); (5) we require executive to be based more than 50 miles from his present office location, except for required travel consistent with executive's business travel obligations; or (6) we fail to obtain the assumption of the agreement by any successor or assignee of Lantronix.

Under Mr. Chase's agreement, "change in control" means the occurrence of any of the following events: (a) Any "person" (as such term is used in the Exchange Act becomes the "beneficial owner" (as defined in Rule 13d-3 promulgated under the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities; or (b) The consummation of the sale or disposition by the Company of all or substantially all of the Company's assets; or (c) The consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least seventy percent (70%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

The following table presents the calculation of potential payments upon Mr. Chase's termination assuming that such event had occurred on June 30, 2010:

Compensation and Benefits	Estimated Value of Change in Control and Severance Benefits NEO Termination for Good Reason or Without Cause Related to a Change of Control (\$)	NEO Termination for Good Reason or Without Cause Unrelated to a Change of Control (\$)
Base Salary	540,000	360,000
Bonus (1)	375,000	250,000
Acceleration of Vesting of Stock Options (2)	72,726	-
Benefits (3)	16,984	16,984

- (1) Cash incentive bonus per employment agreement, which provides that Mr. Chase may receive a cash bonus of up to \$250,000 per year for each full fiscal year. The Company's Compensation Committee annually establishes the objectives that must be met in order to earn the full bonus, which may include operating metrics, objective and subjective leadership dimensions and performance metrics in the operation of the Company and the achievement of financial objectives set forth in the annual business plan approved by the Company's Board of Directors.
- (2) The amount shown as the value of acceleration of each option represents the fair value of that option per share estimated by using the Black-Scholes option pricing model, in accordance with the provisions of FASB ASC TOPIC 718, multiplied by the assumed number of option shares that would vest on an accelerated basis on June 30, 2010.
- (3) Represents the aggregate value of the continuation of certain employee benefits after the date of termination. For the purposes of this calculation, expected costs have not been adjusted for any actuarial assumptions related to mortality, likelihood that the executives will find other employment, or discount rates for determining present value.

Reagan Y. Sakai - Chief Financial Officer and Secretary. In June 2007, we entered into a severance agreement with Mr. Sakai. If a change of control occurs (as defined below), and either (1) we terminate Mr. Sakai without cause or (2) Mr. Sakai resigns with good reason, we will continue to pay him his then current base salary in regular payroll installments and continue certain of his employee benefits for one year after his termination date. We will also pay Mr. Sakai a cash bonus equal to the highest amount of bonus incentive cash compensation paid to Mr. Sakai for services in any past one-year period (if any) or 100% of the Mr. Sakai's target bonus (if any) approved by the Board of Directors. In addition, upon such a termination event, Mr. Sakai's outstanding unvested stock options will immediately vest in full and his options will remain exercisable for 24 months from the date of termination (but not beyond the expiration of their respective maximum terms).

If there is no change of control and we terminate Mr. Sakai without cause we will continue to pay him his then current base salary in regular payroll installments and continue certain of his employee benefits for nine months after his termination date. We will also pay Mr. Sakai a prorated cash bonus based on the percentage of the current bonus period during which Mr. Sakai was included in the bonus plan and the actual bonus pool amount for the position granted by our Board of Directors for the current bonus period. In addition, upon such a termination event, Mr. Sakai's vested options will remain exercisable for 18 months from the date of termination (but not beyond the expiration of their respective maximum terms).

Under Mr. Sakai's agreement, "cause" is defined as: (1) executive's commission of a felony or misdemeanor or his possession, use or sale of a controlled substance (other than the use or possession of legally prescribed medication used for their prescribed purpose); (2) executive's significant neglect, or materially inadequate performance of, his duties as an employee of Lantronix; (3) executive's breach of a fiduciary duty to us or our shareholders; (4) executive's willful breach of duty in the course of his employment; (5) executive's material violation of our personnel or business policies; (6) executive's willful misconduct; (7) executive's death; or (8) executive's disability. For purposes of the agreement, executive shall be considered disabled if executive has been physically or mentally unable to perform his essential job duties hereunder for (x) a continuous period of at least 120 days or (y) a total of 150 days during any 180-day period, and executive has not recovered and returned to the full time performance of his duties within 30 days after written notice is given to executive by us following such 120-day period or 180-day period, as the case may be.

Under Mr. Sakai's agreement, "good reason" is defined as: (1) we substantially lessen executive's title; (2) we substantially reduce executive's authority; (3) we assign material duties to executive that are materially inconsistent with executive's then-current status; (4) we reduce executive's base salary or benefits from those in effect at (A) the execution date of the agreement, if the executive resigns with good reason after we have entered into a definitive agreement for a change of control, or (B) the time of the consummation of the change of control if the executive resigns during the period beginning on the date of the consummation of a change of control, and ending on the two-year anniversary date of the consummation of such change of control, (unless, in either case, such reduction is in connection with a salary or benefit reduction program of general application at executive's level); (5) we require executive to be based more than 50 miles from his present office location, except for required travel consistent with executive's business travel obligations; or (6) we fail to obtain the assumption of the agreement by any successor or assignee of Lantronix.

Under Mr. Sakai's agreement, "Change of Control" means the occurrence of any of the following events: (i) any "person" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act becomes the "beneficial owner" (as defined in Rule 13d-3 promulgated under the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities; or (ii) the consummation of the sale or disposition by the Company of all or substantially all of the Company's assets; or (iii) the consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the

surviving entity or its parent) at least seventy percent (70%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

The following table presents the calculation of potential payments upon Mr. Sakai's termination assuming that such event had occurred on June 30, 2010:

- (1) Assumes a target incentive plan bonus payout of 60% of base salary is earned and paid at 100% of target.
- (2) The amount shown as the value of each accelerated option represents the fair value of that option per share estimated by using the Black-Scholes option pricing model, in accordance with the provisions of FASB ASC TOPIC 718, multiplied by the assumed number of option shares vesting on an accelerated basis on June 30, 2010 and taking into account the extended 24-month post-employment exercise period for each such option.
- (3) The amount shown as the value of each option with respect to which the term is extended represents the fair value of that option estimated by using the Black-Scholes option pricing model, in accordance with the provisions of FASB ASC TOPIC 718, multiplied by the assumed number of vested options shares and taking into account the extended 18-month post-employment exercise period for each such option.
- (4) Represents the aggregate value of the continuation of certain employee benefits after the date of termination. For the purposes of this calculation, expected costs have not been adjusted for any actuarial assumptions related to mortality, likelihood that the executives will find other employment, or discount rates for determining present value.
