PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 7, 2003

General

This Proxy Statement is furnished to the holders of common stock, par value \$1.00 per share (the "Common Stock"), of The Seibels Bruce Group, Inc. the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company to be used for voting at the Annual Meeting of Shareholders (the "Meeting") to be held at the time and place and for the purposes specified in the accompanying Notice of Annual Meeting of Shareholders and at any adjournments thereof. It is anticipated that this Proxy Statement will be mailed to shareholders commencing on or about April 7, 2003.

When the enclosed proxy is properly executed and returned, the shares which it represents will be voted at the Meeting in accordance with the instructions thereon. In the absence of any such instructions, the shares represented thereby will be voted in favor of the nominees for directors. Management does not know of any other matters that may come before the Meeting for consideration by the shareholders. However, a signed proxy card will confer authority on the proxy holders to vote the shares represented thereby in their discretion on any matter that comes before the Meeting.

Any record shareholder who executes and delivers a proxy may revoke it prior to its use by (i) giving written notice of such revocation to the Company's Corporate Secretary at Post Office Box One, Columbia, South Carolina 29202, the Company's mailing address; or (ii) executing and delivering to the Company's Corporate Secretary (by mail at Post Office Box One, Columbia, South Carolina 29202, or by delivery at 1501 Lady Street, Columbia, South Carolina 29201) a proxy bearing a later date; or (iii) appearing at the Meeting and voting in person.

Annual Report

The Company's Annual Report for the year ended December 31, 2002 on Form 10-K as filed with the Securities and Exchange Commission, is enclosed with this Proxy Statement. Shareholders may obtain additional copies of the Company's Annual Report on Form 10-K without charge upon written request addressed to Corporate Secretary, The Seibels Bruce Group, Inc., Post Office Box One, Columbia, South Carolina 29202. If the person requesting a copy is not a shareholder of record, the request must include a representation that he or she is a beneficial owner of Common Stock.

Expenses of Solicitation

The cost of soliciting proxies will be borne by the Company. Officers, directors, employees and agents of the Company may solicit proxies by telephone, facsimile, other electronic means or personal interview, without additional compensation.

1

Voting

Only holders of record of issued and outstanding shares of Common Stock, as of March 10, 2003 (the "Record Date"), will be entitled to notice of and to vote at the Meeting. On the Record Date, there were 7,831,655 shares of Common Stock outstanding. Each share outstanding is entitled to one vote on each matter to be considered at the Meeting.

In accordance with applicable state law and the Company's Restated Articles of Incorporation and Amended and Restated Bylaws, abstentions and "broker non-votes" will be counted for purposes of determining whether a quorum is present. "Broker non-votes" occur when a broker or other nominee holding shares for a beneficial owner does not vote on a proposal because the beneficial owner has not checked the applicable box on the proxy card. With respect to the election of directors, abstentions and "broker non-votes" will not count as either a vote "FOR" or "AGAINST" such proposal.

If a quorum is present, those three nominees who receive the greatest number of votes cast for the election of directors to hold office until the 2006 Annual Meeting of Shareholders at the Meeting will become directors of the Company at the conclusion of the tabulation of the votes.

In connection with the election of directors, each shareholder is allowed to cumulate his or her votes and cast as many votes as the number of shares he or she holds multiplied by the number of directors to be elected, the same to be cast for any one candidate or distributed among any two or more candidates. For shares to be voted cumulatively, a shareholder who has the right to cumulate his or her votes shall either (1) give written notice of his or her intention to the Corporate Secretary of the Company not less than 48 hours before the time fixed for the Meeting, which notice must be announced in the Meeting before the voting, or (2) announce his or her intention in the Meeting before the voting for directors commences; and all shareholders entitled to vote at the Meeting shall without further notice be entitled to cumulate their votes.

Participants in the Company's Dividend Reinvestment and Shareholder Purchase Plan (the "DRSP Plan") who have shares of Common Stock registered in their names and who vote those shares on any matter submitted to the Meeting will have all shares credited to their accounts under the DRSP Plan automatically added to that number and voted in the same manner. If such participants do not vote shares registered in their own names, the shares credited to their account in the DRSP Plan will not be voted. An executed proxy will be deemed to include any DRSP shares and will be voted with respect to those shares credited to the participant's account. If a participant desires to vote DRSP Plan shares in person at the Meeting, a proxy for the shares credited to his or her account will be furnished upon written request received by the Company, at the address set forth on the cover of this Proxy Statement, at least fifteen (15) days prior to the date of the Meeting.

1. Election of Directors

The primary purpose of the Meeting is to elect three (3) directors to serve until the 2006 Annual Meeting of Shareholders.

Under the Company's Restated Articles of Incorporation, as amended, and Article 3, Section 2 of the Company's Amended and Restated Bylaws, the Board of Directors is divided into three classes which shall be as nearly equal in number as possible, with the members of each class serving for three year terms or until their successors are elected or qualified. The Company's Board of Directors is comprised of seven directors with three directors continuing in office until the Meeting, two directors continuing in office until the 2004 Annual Meeting of Shareholders and two directors continuing in office until the 2005 Annual Meeting of Shareholders. If the nominees presented for election at the Meeting are elected by the shareholders, the Company will have two directors continuing in office until the 2004 Annual Meeting of Shareholders, two directors continuing in office until the 2005 Annual

Meeting of Shareholders and three directors continuing in office until the 2006 Annual Meeting of Shareholders.

Pursuant to a Stock Purchase Agreement dated as of January 29, 1996, as amended (the "Powers Purchase Agreement"), between the Company and Charles H. Powers, Walker S. Powers, Rex Huggins and Jane Huggins (collectively, the "Powers Group"), the Powers Group is entitled to designate up to an aggregate total of two (2) persons, who are reasonably acceptable to the Company's Board of Directors, to be included in the slate of nominees recommended by the Board of Directors to the shareholders for election as directors at a shareholders' meeting. The Powers Group has the right to designate two persons to the Board as nominees for election as directors as long as the Powers Group's percentage of ownership of the issued and outstanding common stock of the Company is at least 10%. If the Powers Group percentage of ownership falls to between 5% and 9.9%, then the Powers Group shall have the right to designate one (1) person to the Board as a nominee for election as a director. All of the Powers Group's rights to designate director nominees shall terminate if the Powers Group's aggregate percentage of ownership of issued and outstanding Common Stock shall be less than 5%. In the event that the Powers Group's ownership percentage falls below any of the minimum requirements set forth above, the Powers Group shall use its best efforts to cause its designee(s) then serving as directors to resign. If the Powers Group shall thereafter hold in excess of the minimum requirements, it shall again have the foregoing right to designate director nominees. As of the Record Date, the Powers Group aggregate percentage of ownership was 42.35% of the issued and outstanding Common Stock. The Powers Group has designated Charles H. Powers as one of its nominees for election to the Board of Directors and is entitled to nominate one additional member to the Board of Directors. The Powers Group has not named an additional nominee for the Board of Directors but may do so in the future pursuant to the terms of the Powers Purchase Agreement.

Pursuant to a Stock Purchase Agreement dated as of March 28, 1996, as amended (the "Avent Purchase Agreement"), between the Company and Fred C. Avent, Frank H. Avent and Pepsico of Florence (collectively, the "Avent Group"), the Avent Group is entitled to designate an aggregate total of one (1) person, who is reasonably acceptable to the Company's Board of Directors, to be included in the slate of nominees recommended by the Board of Directors to the shareholders for election as directors at a shareholders' meeting. The Avent Group has the right to designate one person to the Board as a nominee for election as director as long as the Avent Group's percentage of ownership of the issued and outstanding common stock of the Company is at least 4%. All the Avent Group's rights to designate a director nominee shall terminate if the Avent Group's aggregate percentage of ownership of issued and outstanding Common Stock shall be less than 4%. In the event that the Avent Group's ownership percentage falls below the minimum requirement set forth above, the Avent Group shall use its best efforts to cause its designee then serving as a director to resign. As of the Record Date, the Avent Group's aggregate percentage of ownership was 6.34% of the issued and outstanding Common Stock. The Avent Group has designated Frank H. Avent as its nominee for election to the Board of Directors.

Edgar Filing: SEIBELS BRUCE GROUP INC - Form DEF 14A

All nominees for election to the Board of Directors are considered and recommended by a Nominating Committee of the Board of Directors. (See "Committees of the Board of Directors.") The full Board of Directors considers the recommendations of that Committee and recommends the nominees to the shareholders. The Company has no procedure whereby nominations are solicited or accepted from shareholders, but the Nominating Committee will consider nominees whose names and business experience are submitted in writing by shareholders to the Corporate Secretary of the Company.

The three nominees for election to the Board of Directors are named below. The shares represented by the proxies solicited hereby will be voted in favor of the election of the persons named below unless authorization to do so is withheld in the proxy. If any of the nominees should be unavailable to serve as a director, which contingency is not presently anticipated, it is the intention of

the persons named in the proxies to select and cast their votes for the election of such other person or persons as the Board of Directors may designate.

Although the Board of Directors does not know whether any nominations will be made at the Meeting other than those set forth in this Proxy Statement, if any such nomination is made, or if votes are cast for any candidate other than those nominated by the Board of Directors, the persons authorized to vote shares represented by executed proxies in the form enclosed with this Proxy Statement (if authority to vote for the election of directors or for any particular nominees is not withheld) will have full discretion and authority to vote cumulatively and allocate votes among any or all of the nominees of the Board of Directors in such order as they may determine.

The amounts in these columns are the result of calculations based on the assumption that the market price of the Common Stock will appreciate in value from the date of grant to the ten-year option term at rates of 5% and 10% per year. The 5% and 10% annual appreciation assumptions are required by the Securities and Exchange Commission; they are not intended to forecast possible future appreciation, if any, of the Company's stock price.

(2)

In accordance with the rules of the Securities and Exchange Commission, values are calculated by subtracting the exercise price from the fair market value of the underlying Common Stock. For purposes of this table, fair market value is deemed to be \$1.20, the average of the high and low Common Stock price reported for NASD Over-the-Counter Bulletin Board transactions on December 31, 2002.

Employment Agreements

During 2002, there were no employment contracts between any Executive Officer and the Company. Any issue relating to executive compensation is reviewed by the Compensation Committee, which recommends a course of action to the Board of Directors.

Report of The Board of Directors On Executive Compensation

During 2002, the functions of the Compensation Committee were preformed by the Board of Directors. The Company's Board of Directors establishes the remuneration arrangements for the Chief Executive Officer, President and for members of the Board of Directors, the adoption of compensation plans in which officers and directors are eligible to participate and the granting of stock options or other benefits under such plans. The primary elements of the Company's executive compensation program have historically consisted of a base salary, a bonus opportunity and stock options. Base salaries are determined, and have at times been increased, by evaluating the responsibilities of the position held and the experience of the executive officer. Overall compensation is based on the Board of Directors' assessment of prevailing market compensation levels.

Base Salary. Currently, the Chief Executive Officer is not paid a base salary. The President's base salary is determined based on a number of factors including his responsibilities, contribution to the achievement of the Company's business plan goals, demonstrated leadership skills and overall effectiveness and length of service. The base salary is designed to be competitive with those offered in markets in which the Company competes for executive talent. Although these and other factors are considered in setting the base salary, the overall assessment is primarily a subjective one, intended to reflect the level of responsibility and individual performance of the President.

Bonus Opportunity. A bonus, if any, is based upon the operations of the Company. No bonuses were paid to the Named Executive Officers based on their performance during 2002.

Stock Options. The Board of Directors approves grants of options to employees. The Board of Directors believes stock option grants to employees can promote success by aligning employee financial interests with long-term shareholder value. Stock option grants are based on various subjective factors primarily relating to the responsibilities of the employee, their expected future contributions and prior option grants. On June 17, 2002, Charles H. Powers received a grant of options to purchase 1,250 shares of Common Stock at an exercise price of \$2.50 per share, pursuant to the Company's 1995 Stock Option Plan for Non-Employee Directors as a result of Mr. Powers' position as a non-employee director. Mr. Powers was elected Chief Executive officer on October 3, 2002. No other Named Executive Officer was granted stock options during 2002.

The compensation paid to other executive officers was not determined by the Board of Directors. Currently, compensation for executive officers other than the Chief Executive Officer and President is determined by the Chief Executive Officer and President based on the performance of each individual.

The foregoing has been provided by the Company's Board of Directors.
