Item 7.01. Regulation FD Disclosure

On October 25, 2011, the Registrant made available additional operational information concerning the Registrant, Simon Property Group, L.P., and properties owned or managed as of September 30, 2011 in the form of a Supplemental Information package, a copy of which is attached as Exhibit 99.1. The Supplemental Information package is also available upon request as specified therein.

The Registrant is furnishing the information contained herein, including Exhibit 99.1, pursuant to Item 7.01 of Form 8-K promulgated by the SEC. This information shall not be deemed to be "filed" with the SEC or incorporated by reference into any other filing with the SEC.

This report contains measures of financial or operating performance that are not specifically defined by accounting principles generally accepted in the United States ("GAAP"), including funds from operations ("FFO"), FFO as adjusted, diluted FFO per share, diluted FFO per share as adjusted and net operating income ("NOI"). FFO and NOI are performance measures that are standard in the REIT business. We believe FFO and NOI provide investors with additional information concerning our operating performance and a basis to compare our performance with those of other REITs. We also use these measures internally to monitor the operating performance of our portfolio. FFO as adjusted and diluted FFO per share as adjusted measures exclude the effect of certain non-cash impairment and debt-related charges. We believe these measures provide investors with a basis to compare our current operating performance with previous periods in which we did not have those charges. Our computation of these non-GAAP measures may not be the same as similar measures reported by other REITs.

The non-GAAP financial measures used in this report should not be considered as alternatives to net income as a measure of our operating performance or to cash flows computed in accordance with GAAP as a measure of liquidity nor are they indicative of cash flows from operating and financial activities.

Reconciliations of each of the non-GAAP measures used in this report to the most-directly comparable GAAP measure are included.
