Edgar Filing: FOXBY CORP - Form DEF 14A

such revocation must be received prior to the Meeting. In addition, any stockholder who attends the Meeting in person may vote by ballot at the Meeting, thereby canceling any proxy previously given. As of the Record Date, the Fund had 2,602,847 shares of common stock issued and outstanding. Stockholders of the Fund vote as a single class.

It is estimated that proxy materials will be mailed to stockholders as of the Record Date on or about July 23, 2004. The Fund's principal executive offices are located at 11 Hanover Square, New York, New York 10005. Copies of the Fund's most recent Annual and Semi-Annual Reports are available without charge upon written request to the Fund at 11 Hanover Square, New York, New York 10005, or by calling toll-free 1-800-937-5449.

Proposal 1: Election of Directors

At the Board of Directors meeting held on June 9, 2004, the Fund's Board approved an increase in the number of directors from four to five and an increase in the number of classes of directors from four classes to five with the term of office of one class expiring each year. At this meeting, the Board approved the nominations of James E. Hunt as a Class I Director, Bruce B. Huber as a Class II Director, and John B. Russell as a Class V Director, each to hold office until, respectively, the 2008 annual meeting, 2009 annual meeting, and 2007 annual meeting, and until his successor is duly elected and qualifies. George B. Langa resigned as a Class I member of the Board of Directors of the Fund effective April 16, 2004. James E. Hunt was elected as a Class I Director by the Board at a Special Meeting held on April 30, 2004. David R. Stack, who currently serves as a Class II Director of the Fund, will resign effective upon the date Bruce B. Huber is duly elected and qualifies. In the event Bruce B. Huber is not duly elected, as proposed and qualifies, David R. Stack shall be deemed holding over and shall continue to manage the business and affairs of the Fund as a member of the Board of Directors until his successor is duly elected and qualifies. If James E. Hunt, Bruce B. Huber, and John B. Russell are elected as proposed, the size of the Board will be increased accordingly from four to five members. The nominees will be elected by a plurality of the votes cast at the Meeting. Unless otherwise noted, the address of record for the Directors and officers is 11 Hanover Square, New York, New York 10005. Audit Committee Report

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the Fund's financial reporting practices. The purposes of the Audit Committee are (i) to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (ii) to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof; and (iii) to act as a liaison between the Fund's independent auditors and the full Board of Directors. The Audit Committee met twice in fiscal 2003.

In discharging its oversight responsibility as to the audit process, the Audit Committee discussed with the independent auditors their independence from the Fund and its management. In addition, the independent auditors provided the Audit Committee with written disclosure regarding their independence and the letter required by Independence Standards Board Standard No. 1. The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees," and discussed and reviewed the results of the independent auditors' examination of the Fund's financial statements. The Audit Committee

reviewed the audited financial statements of the Fund for the fiscal year ended December 31, 2003 with management and the independent auditors. Management has the responsibility for the preparation of the Fund's financial statements and the independent auditors have the responsibility for the examination of those statements. Based upon review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in its Annual Report for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Act of 1934, as amended, and shall not otherwise be deemed filed under such Acts. The Audit Committee Members are: James E. Hunt, David R. Stack, and Peter K. Werner. The Audit Committee members are independent, as defined in section 121(A) of the listing standards of the American Stock Exchange.

Tait, Weller & Baker ("Tait, Weller") has been selected as independent accountants for the Fund for the fiscal period commencing January 1, 2004. Tait, Weller also acts as independent accountants of the Investment Manager, its affiliates, and the other investment companies in the Investment Company Complex. Apart from its fees received as independent auditors, neither Tait, Weller nor any of its partners has a direct, or material indirect, financial interest in the Fund or its affiliates. Representatives of Tait, Weller are not expected to be present at the Meeting but have been given the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

The Fund's financial statements for the fiscal years ended December 31, 2002 and 2003 were audited by Tait, Weller. The following table sets forth the aggregate fees billed for professional services rendered by Tait, Weller:

Fiscal Year Ended December 31	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees	Aggregate Audit F
2002	\$8,500	\$0	\$2,500	\$0	\$34,
2003	\$8,000	\$1,000	\$2,000	\$0	\$41,

* Tait, Weller also provides audit and non-audit services to the Investment Manager, its affiliates, and the other investment companies in the Investment Company Complex. The Audit Committee has considered the provision of these services and has determined such services to be compatible with maintaining Tait, Weller's independence. The following table sets forth the aggregate fees billed for such professional services rendered by Tait, Weller:

Pursuant to the Fund's Audit Committee Charter, the Audit Committee shall consider for pre-approval any non-audit services proposed to be provided by the auditors to the Fund, and any non-audit services proposed to be provided by such auditors to the Fund's investment manager, if any, which have a direct impact on Fund operations or financial reporting. Such pre-approval of non-audit

Edgar Filing: FOXBY CORP - Form DEF 14A

services proposed to be provided by the auditors to the Fund is not necessary, however, under the following circumstances: (i) all such services do not aggregate to more than 5% of total revenues paid by the Fund to the auditor in the fiscal year in which services are provided, (ii) such services were not recognized as non-audit services at the time of the engagement, and (iii) such services are brought to the attention of the Audit Committee, and approved by the Audit Committee, prior to the completion of the audit.

Nominating Committee

The Board of Directors has a Nominating Committee composed of three independent Directors. The members of the Nominating Committee are Messrs. James E. Hunt, David R. Stack, and Peter K. Werner. Established in June 2004, the Nominating Committee did not meet during the fiscal year ended December 31, 2003. The Nominating Committee generally meets once annually to identify and evaluate nominees for director and make recommendations to the Board.

The Fund's Board of Directors adopted a charter for its Nominating Committee, a copy of which is attached as Exhibit A. Pursuant to the charter, the Nominating Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board. It also may set standards or qualifications for Directors. The Nominating Committee may consider candidates as Directors submitted by current Directors, the Fund's investment adviser, Fund stockholders and other appropriate sources. The Nominating

- 7 -

Committee will consider candidates submitted by a stockholder or group of stockholders who have owned at least 5% of the Fund's outstanding common stock for at least two years at the time of submission and who timely provide specified information about the candidates and the nominating stockholder or group. To be timely for consideration by the Nominating Committee, the submission, including all required information, must be submitted in writing to the attention of the Secretary at the principal executive offices of the Fund not less than 120 days before the date of the proxy statement for the previous year's annual meeting of stockholders. The Nominating Committee will consider only one candidate submitted by such a stockholder or group for nomination for election at an annual meeting of stockholders. The Nominating Committee will not consider self-nominated candidates.

The Nominating Committee will consider and evaluate candidates submitted by stockholders on the basis of the same criteria as those used to consider and evaluate candidates submitted from other sources. These criteria include the candidate's relevant knowledge, experience, and expertise, the candidate's ability to carry out his or her duties in the best interests of the Fund and the candidate's ability to qualify as a disinterested Director. A detailed description of the criteria used by the Nominating Committee as well as information required to be provided by stockholders submitting candidates for consideration by the Nominating Committee are included in Exhibit A.

The Fund's Board of Directors has adopted a process for stockholders to send communications to the Board. To communicate with the Board of Directors or an individual Director of the Fund, a stockholder must send a written communication to that Fund's principal office at the address listed in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement, addressed to the Board of Directors of the Fund or the individual Director. All stockholder communications received in accordance with this process will be forwarded to the Board of Directors or the individual Director. The Funds does not pay any fees to, or reimburses expenses of, any Director during a time when

Edgar Filing: FOXBY CORP - Form DEF 14A

the Director is considered an "interested person" of the Fund. The aggregate compensation paid by the Fund to the Directors during the Fund's fiscal year ended in 2003, the aggregate compensation paid to the Directors during calendar year 2003 by all of the investment companies in the Investment Company Complex, and the total number of investment companies in the Investment Company Complex as to which the Directors are a director and the number of investment portfolios as to which the Directors are directors are set forth above. Neither the Fund nor any other investment company in the Investment Company Complex provides compensation in the form of pension or retirement benefits to any of its directors.

ADDITIONAL INFORMATION

The Fund's Board of Directors ("Board") has continuously availed itself of methods specifically provided by, or consistent with, Maryland law and the 1940 Act to protect the Fund and its stockholders. Accordingly, the Fund currently has provisions in its Charter and Bylaws (collectively, the "Governing Documents") which could have the effect of limiting (i) the ability of other entities or persons to acquire control of the Fund, (ii) the Fund's freedom to engage in certain transactions, or (iii) the ability of the Fund's directors or stockholders to amend the Governing Documents or effectuate changes in the Fund's management. These provisions of the Governing Documents of the Fund may be regarded as "anti-takeover" provisions. The Fund is also subject to certain Maryland law provisions, including those which have been enacted since the inception of the Fund, that make it more difficult for non-incumbents to gain control of the Board. Last year, the Fund's Board amended and restated the Bylaws of the Fund. In doing so, the Board consulted with counsel to the Fund and Maryland counsel to the Fund and elected to become subject to various provisions of the Maryland General Corporation Law (the "MGCL"). The Board also adopted a Conflict of Interest and Corporate Opportunities Policy applicable to its disinterested directors.

At the Meeting, the presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting is sufficient to constitute a quorum. In the event that a quorum is not present at the Meeting, or if a quorum is present but sufficient votes to approve a proposal are not received, the chair of the meeting may adjourn the meeting to a later date and time not more than 120 days after the original record date without any other notice other than announcement at the Meeting. A stockholder vote may be taken for one or more proposals prior to any adjournment if sufficient votes have been received for approval. If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Fund on a particular matter with respect to which the broker or nominee does not have discretionary power) or marked with an abstention (collectively, "abstentions"), the Fund's shares represented thereby will be considered to be present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. Under

- 8 -

Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining "votes cast" on an issue.

In addition to the use of the mails, proxies may be solicited personally, by telephone, or by other means, and the Fund may pay persons holding its shares in their names or those of their nominees for their expenses

Edgar Filing: FOXBY CORP - Form DEF 14A

in sending soliciting materials to their beneficial owners. The Fund will bear the cost of soliciting proxies. Authorizations to execute proxies may be obtained by telephonic instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic proxy is solicited, the stockholder will be asked to provide his or her address, social security number (in the case of an individual) or taxpayer identification number (in the case of an entity) or other identifying information and the number of shares owned and to confirm that the stockholder has received the Fund's Proxy Statement and proxy card in the mail. Within 72 hours of receiving a stockholder's telephonic voting instructions and prior to the Meeting, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation. Stockholders requiring further information with respect to telephonic voting instructions or the proxy generally should contact the Fund's transfer agent at 1-800-937-5449. Any stockholder giving a proxy may revoke it at any time before it is exercised by submitting to the Fund a written notice of revocation or a subsequently executed proxy or by attending the meeting and voting in person.

Discretionary Authority; Submission Deadlines for Stockholder Proposals

Although no business may come before the Meeting other than that specified in the Notice of Annual Meeting of Stockholders, shares represented by executed and unrevoked proxies will confer discretionary authority to vote on matters which the Fund did not have notice of a reasonable time prior to mailing this Proxy Statement to stockholders. The Fund's Bylaws provide that in order for a stockholder to nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, written notice generally must be delivered to the Secretary of the Fund, at the principal executive offices, not less than 90 days nor more than 120 days prior to the first anniversary of the mailing of the notice for the preceding year's annual meeting. Accordingly, pursuant to such Bylaws and Rule 14a-5(e)(2) of the 1934 Act, a stockholder nomination or proposal intended to be considered at the 2005 Annual Meeting must be received by the Secretary no earlier than March 25, 2005 nor later than April 24, 2005. Proposals should be mailed to the Fund, to the attention of the Fund's Secretary, Monica Pelaez, 11 Hanover Square, New York, New York 10005. In addition, if you wish to have your proposal considered for the inclusion in the Fund's 2005 Proxy Statement, we must receive it on or before March 25, 2005 pursuant to Rule 14a-8(e)(2). The submission by a stockholder of a proposal for inclusion in the proxy statement or presentation at the Meeting does not guarantee that it will be included or presented. Stockholder proposals are subject to certain requirements under the federal securities laws and the Maryland General Corporation Law and must be submitted in accordance with the Fund's Bylaws.

Compliance with Section 16(a) Beneficial Ownership Reporting

Section 16(a) of the Securities Exchange Act of 1934, and rules thereunder, requires the Fund's directors and officers, and any persons holding 10% or more of its common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the American Stock Exchange. Based on the Fund's review of the copies of such forms it receives, the Fund believes that during the calendar year ended 2003, such persons complied with all such applicable filing requirements, except Mr. Shaker.

Notice to Banks, Broker/Dealers and Voting Trustees and Their Nominees

Please advise the Fund's transfer agent American Stock Transfer & Trust Company at 1-800-937-5449 whether other persons are the beneficial owners of the shares for which proxies are being solicited and, if so, the number of copies of this Proxy Statement and other soliciting material you wish to receive in order

EXHIBIT A

FOXBY CORP. NOMINATING COMMITTEE CHARTER

The Board of Directors of Foxby Corp. (the "Fund") has adopted this Charter to govern the activities of the Nominating Committee (the "Committee") of its Board.

Statement of Purposes and Responsibilities

The primary purposes and responsibilities of the Committee are (i) to identify individuals qualified to become members of the Board in the event that a position is vacated or created, (ii) to consider all candidates proposed to become members of the Board, subject to the procedures and policies set forth in this Charter, the Fund's Bylaws or resolutions of the Board, (iii) to select and nominate, or recommend for nomination by the Board, candidates for election as Directors and (iv) to set any necessary standards or qualifications for service on the Board.

Organization and Governance

The Committee shall be composed of as many Directors as the Board shall determine in accordance with the Fund's Bylaws, but in any event not less than two Directors. The Committee must consist entirely of Board members ("Independent Directors") who are not "interested persons" of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended. The Board may remove or replace any member of the Committee at any time in its sole discretion.

One or more members of the Committee may be designated by the Board as the Committee's chairman or co-chairman, as the case may be.

The Committee will not have regularly scheduled meetings. Committee meetings shall be held in accordance with the Fund's Bylaws as and when the Committee or the Board determines necessary or appropriate. Except as may be otherwise set forth in the Fund's Bylaws, the chairman, a co-chairman or any two members of the Committee may set the time and place of its meeting unless the Board shall otherwise provide.

Criteria for Director Nominees

The Committee may take into account a wide variety of criteria in considering Director candidates, including (but not limited to): (i) the candidate's knowledge in matters relating to the investment company industry; (ii) any experience possessed by the candidate as a director or senior officer of other public companies; (iii) the candidate's educational background; (iv) the candidate's reputation for high ethical standards and personal and professional integrity; (v) any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications; (vi) the candidate's

Edgar Filing: FOXBY CORP - Form DEF 14A

perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly, work collaboratively with other members of the Board and carry out his or her duties in the best interests of the Fund; (vii) the candidate's ability to qualify as an Independent Director for purposes of the Investment Company Act of 1940, as amended; and (viii) such other criteria as the Nominating Committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other factors. It is the Board's policy that Directors of the Fund normally may not serve in a similar capacity on the board of a registered investment company that is not sponsored by the Fund's investment adviser or its affiliates.

Pursuant to the Fund's Bylaws:

(a) To qualify as a nominee for a Directorship, an individual, at the time of nomination, (i) (A) shall be a resident United States citizen and have substantial expertise, experience or relationships relevant to the business of the Fund, (B) shall have a master's degree in economics, finance, business administration or accounting, a graduate professional degree in law from an accredited university or college in the United States or the equivalent degree

from an equivalent institution of higher learning in another country, or a certification as a public accountant in the United States, or be deemed an "audit committee financial expert" as such term is defined in Item 401 of Regulation S-K (or any successor provision) promulgated by the Securities and Exchange Commission; (C) shall not serve as a director or officer of another closed-end investment company unless such company is managed by the Fund's investment manager or investment adviser or by an affiliate of either; and (D) shall not serve or have served within the past 3 years as a director of any closed-end investment company which, while such individual was serving as a director or within one year after the end of such service, ceased to be a closed-end investment company registered under the 1940 Act, unless such individual was initially nominated for election as a director by the board of directors of such closed-end investment company, or (ii) shall be a current Director of the Fund.

(b) In addition, to qualify as a nominee for a directorship or election as a Director, (i) an incumbent nominee shall not have violated any provision of the Conflicts of Interest and Corporate Opportunities Policy (the "Policy"), adopted by the Board on July 8, 2003, as subsequently amended or modified, and (ii) an individual who is not an incumbent Director shall not have a relationship, hold any position or office or otherwise engage in, or have engaged in, any activity that would result in a violation of the Policy if the individual were elected as a Director.

(c) The Nominating Committee of the Board of Directors, in its sole discretion, shall determine whether an individual satisfies the foregoing qualifications. Any individual who does not satisfy the qualifications set forth under the foregoing provisions of this section shall not be eligible for nomination or election as a Director.

(d) In addition, no person shall be qualified to be a Director unless the Nominating Committee, in consultation with counsel to the Fund, has determined that such person, if elected as a Director, would not cause the Fund to be in violation of, or not in compliance with, applicable law, regulation or regulatory interpretation, or the Fund's Charter, or any general policy adopted

Edgar Filing: FOXBY CORP - Form DEF 14A

by the Board of Directors regarding either retirement age or the percentage of Interested Persons and non-Interested Persons to comprise the Fund's Board of Directors.

Identification of Nominees

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) the Fund's current Directors, (ii) the Fund's officers, (iii) the Fund's investment adviser(s), (iv) the Fund's stockholders (see below) and (v) any other source the Committee deems to be appropriate. The Committee will not consider self-nominated candidates. The Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates.

Consideration of Candidates Recommended by Stockholders

The Committee will consider and evaluate nominee candidates properly submitted by stockholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources. Nominee candidates proposed by stockholders will be properly submitted for consideration by the Committee only if the qualifications and procedures set forth in Appendix A of this Charter, as it may be amended from time to time by the Committee or the Board, are met and followed (recommendations not properly submitted will not be considered by the Committee).

APPENDIX A

"Associated Person of the Nominating Stockholder" as used in this paragraph 4 means any person required to be identified pursuant to clause (vi) and any other person controlling, controlled by or under common control with, directly or indirectly, (a) the Nominating Stockholder or (b) any person required to be identified pursuant to clause (vi).

5. The Committee may require the Nominating Stockholder to furnish such other information as it may reasonably require or deem necessary to verify any information furnished pursuant to paragraph 4 above or to determine the qualifications and eligibility of the candidate proposed by the Nominating Stockholder to serve on the Board. If the Nominating Stockholder fails to provide such other information in writing within seven days of receipt of written request from the Committee, the recommendation of such candidate as a nominee will be deemed not properly submitted for consideration, and will not be considered, by the Committee.
