PRINCETON AMERICAN CORPORATION
Notes to Condensed Financial Statements
August 31, 2002 and 2001

1. Basis of Presentation

The accompanying financial statements have been prepared by the Company, without audit, and reflect all adjustments that are, in the opinion of management, necessary for a fair statement of the results for the interim periods. The statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial reporting and Securities and Exchange Commission regulations. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted pursuant to such rules and regulations. In the opinion of management, the financial statements reflect all adjustments (of a normal and recurring nature) which are necessary for a fair presentation of the financial position, results of

Edgar Filing: PRINCETON AMERICAN CORP - Form 10QSB

operations and cash flows for the interim periods. The results of operations for the three months ended August 31, 2002 are not necessarily indicative of the results to be expected for the entire fiscal year.

These financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's annual report on Form 10K-SB for the fiscal year ended May 31, 2002.

2. Litigation

Onset Investment Limited - The Company's request for a hearing with respect to its motion for Summary Judgment has been denied. The Company has requested a hearing with respect to the nature of the recovery. Princeton anticipates its maximum exposure to be approximately \$25,000 in cash and 70,000 shares of its common stock.

3. Related party transactions

Commission fees equal to 4% of the gross lease amount on several leases in the office buildings are being paid to a real estate firm with which one of the directors of the company is affiliated. During the three months ended August 31, 2002, payments of \$30,000 were made to this firm.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some of the statements contained in this report discuss future expectations, contain projections of results of operations or financial condition or state other "forward-looking" information. Those statements are subject to known and unknown risks, uncertainties and other factors that could cause the actual results to differ materially from those contemplated by the statements. The forward-looking information is based on various factors and was derived using numerous assumptions. Important factors that may cause actual results to differ from forward-looking statements and projections include, for example:

- a downturn in the Phoenix, Arizona real estate market, particularly one which would adversely affect commercial lease rates;
- an adverse result in the Onset Investments, Inc. claim or other litigation referred to in this report;
- any change in tax laws which would change the Company's ability to utilize its tax loss carryforward or the inability under existing tax laws for the full utilization of such tax loss carryforward;
- an inability of the Company to regain listed or trading status on the Over-the-Counter Bulletin Board, NASDAQ, the American Stock Exchange, or some other recognized market or exchange;
- certain operations of the Company, including the formation of

Edgar Filing: PRINCETON AMERICAN CORP - Form 10QSB

alliances with other entities, will remain under the jurisdiction of and be subject to the confirmation and approval of the U.S. Bankruptcy Court. The decisions of the Bankruptcy Court, with respect to Company operations retained under its jurisdiction, could affect the business of the Company;

- the inability of the Company to secure renewals of existing leases at commercially reasonable rates or to promptly replace tenants following the expiration of existing leases;
- the effect of changing economic conditions; and

- 7 -

- other risks which may be described in our future filings with Securities and Exchange Commission. We do not promise to update forward-looking information to reflect actual results or changes in assumptions or other factors that could affect those statements.

RESULTS OF OPERATIONS:

Since the filing of the 10KSB for the fiscal year ended May 31, 2002, Management has focused on:

Concluding the litigation process with Testasecca, et al and Onset Investments.

On July 8, 2002 The U.S. District Court for the State of Arizona dismissed the appeal filed with it by Testasecca, et al for failure of the Plaintiffs to follow the required procedures to establish the Courts jurisdiction. The Company and individual defendant William C. Taylor intend to file a Motion to Dismiss the remaining complaint filed with the Bankruptcy Court.

In the matter of Onset Investments, the Bankruptcy Court has set the hearing for October 31, 2002. Negotiations for settlement are proceeding at this time; however the Company feels that its maximum liability will be approximately \$25,000 cash and 70,000 shares of stock.

- Contacting Princeton shareholders and issuing new certificates reflecting the allowed interests of shareholders under the Plan of Reorganization for Princeton American pursuant to the Bankruptcy Court's September 15, and November 30, 2000 orders. This is an ongoing project by which the Company has
- requested shareholders to return their cancelled certificates to the Company to be replaced by new certificates as authorized by the November 30, 2000 Order.

Finalizing the issuance of certificates to "Allowed Shareholders". In June, 2002, the Company filed a motion with the Bankruptcy Court for an Order allowing the removal from its shareholder list of all shareholders who have not responded to the Company's repeated notices requesting the return of cancelled share certificates for replacement. The Court granted this motion on July 31, 2002. As a result the Company is required to: (1) conduct a national data base search for the current address of all shareholders whose mail was returned as undeliverable or who have not responded to notices

Edgar Filing: PRINCETON AMERICAN CORP - Form 10QSB

received by them and (2) mail a final notice to each shareholder in these categories informing them that their names will be deleted from its shareholder list if they do not respond and claim their certificates within six (6) months of the date of the mailing of the notice. Approximately 1800 shareholders are affected by this Order.

Continuation of the application process with the NASD. The Company has applied to the NASD for registration of the Company's shares for trading on the Over the Counter Bulletin Board Market (OTC:BB). It is anticipated that a new trading symbol will be issued by the NASD if Princeton's application is approved. However there can be no assurance that this application will be successful.

- Completion of the renovation of the office building at 2222 East Camelback Road. The bathrooms have been completed and the common areas were upgraded with new carpeting and wallpaper during this quarter

- 8 -

- Leasing up of 2222 East Camelback Road. With the renewal of International Circuit Sales' lease for an additional five years this building is fully leased. The Company's other office building at 4808 North 22nd Street continues to be fully leased as well.

THREE MONTHS ENDED AUGUST 31, 2002 COMPARED TO THREE MONTHS ENDED AUGUST 31, 2001.

We believe that our cash position of \$12,707 as of August 31, 2002, coupled with the increased revenues resulting from the continued lease-up of 4808 North 22nd Street and renewal of the ICS lease at 2222 East Camelback Road, will be sufficient to allow Princeton American Corporation to continue operations for the next twelve months (if necessary) under bankruptcy court supervision.

ITEM 3. CONTROLS AND PROCEDURES

The Company is operated solely by William C. Taylor, CEO and Roderick W. McKinnon, CFO. There are no additional employees or officers of the Company. The Company has established disclosure controls and procedures pursuant to which, all material information relating to the Company and disclosures contained within this quarterly report are jointly reviewed and discussed by both Mr. Taylor and Mr. McKinnon. Because there are no other employees of the Company management for the Company believes that this joint conference of the officers to discuss the Company's material information and disclosures has been a reasonably efficient method of disclosure controls and procedures to ensure that all material information of the Company is known to them.
