ITEM 4.01. CHANGES IN REGISTRANT’S CERTIFYING ACCOUNTANT.

On February 16, 2009, the practice of Lazar Levine & Felix LLP (“Lazar”), an independent registered public accounting firm, was acquired by Parente Randolph, LLC (Parente”) in a transaction pursuant to which Lazar merged its operations into Parente and certain of the professional staff and partners of Lazar joined Parente either as employees or partners of Parente. On February 19, 2009, as a result of this transaction, Lazar resigned from its role as principal auditor of the Company’s financial statements. The Company, through and with the approval of the Audit Committee of the Company’s Board of Directors, engaged Parente as its independent registered public accounting firm.

The reports of independent registered public accounting firm of Lazar regarding the Company’s financial statements for the fiscal years ended December 31, 2007 and 2006 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2007 and 2006, and during the interim period from the end of the most recently completed fiscal year through February 19, 2009, the date of resignation, there were no disagreements with Lazar on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Lazar would have caused it to make reference to such disagreement in its reports.

Prior to engaging Parente, the Company did not consult with Parente regarding the application of accounting principles to a specific completed or contemplated transaction or regarding the type of audit opinions that might be rendered by Parente on the Company’s financial statements, and Parente did not provide any written or oral advice that was an important factor considered by the Company in reaching a decision as to any such accounting, auditing or financial reporting issue.

The Company provided Lazar with a copy of this Current Report on Form 8-K prior to its filing with the Securities and Exchange Commission and requested that Lazar furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with above statements and, if it does not agree, the respects in which it does not agree. A copy of the letter, dated February 20, 2009, is filed as Exhibit 16.1 (which is incorporated by reference herein) to this Current Report on Form 8-K.

ITEM 7.01. REGULATION FD DISCLOSURE.

In a previously announced agreement between Chembio and Bio-Rad Laboratories, Inc. (“Bio-Rad”), which was included on Form 8-K filed January 22, 2009, Bio-Rad was granted a license by Chembio, provided that Chembio would receive \$340,000 as a license fee. On February 17, 2009 Chembio received the \$340,000 from Bio-Rad.

In accordance with General Instruction B.2 of Form 8-K, the information in this Item 7.01 of this Current Report on Form 8-K is being furnished and shall not be deemed “filed” for the purpose of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing.
