PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished in connection with the solicitation by the Board of Directors of Columbus McKinnon Corporation, a New York corporation ("our Company", "we" or "us"), of proxies to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at our corporate offices, 140 John James Audubon Parkway, Amherst, New York, on August 16, 2004, at 10:00 a.m., local time, and at any adjournment or adjournments thereof. The close of business on June 25, 2004 has been fixed as the record date for the determination of shareholders entitled to receive notice of and to vote at the meeting. At the close of business on June 25, 2004, we had outstanding 14,896,172 shares of our common stock, \$.01 par value per share, the holders of which are entitled to one vote per share on each matter properly brought before the Annual Meeting.

The shares represented by all valid proxies in the enclosed form will be voted if received in time for the Annual Meeting in accordance with the specifications, if any, made on the proxy card. If no specification is made, the proxies will be voted FOR the nominees for Director named in this Proxy Statement.

In order for business to be conducted, a quorum must be present at the Annual Meeting. A quorum is a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. Abstentions, broker non-votes and withheld votes will be counted in determining the existence of a quorum at the Annual Meeting.

Directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the six nominees receiving the most votes will be elected. Under the law of the State of New York, our state of incorporation, only "votes cast" by the shareholders entitled to vote are determinative of the outcome of the matter subject to shareholder vote. Abstentions and broker non-votes are not counted in the vote and have no effect on the election of Directors. Unless indicated otherwise, shares represented by all valid proxies received in time for the Annual Meeting will be voted FOR the six nominees for Director named in this proxy statement. Instructions on a proxy to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes but will not count as a vote against such nominees.

The execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. A shareholder who executes a proxy may revoke it at any time before it is exercised by giving written notice to the Secretary, by appearing at the Annual Meeting and so stating, or by submitting another duly executed proxy bearing a later date.

This Proxy Statement and form of proxy is first being sent or given to shareholders on July 13, 2004.

If any of these nominees should become unavailable for election for any reason, it is intended that the shares represented by the proxies solicited herewith will be voted for such other person as the Board of Directors shall designate. All Directors are expected to attend each meeting of the Board of Directors and the committees on which he serves, and are also invited, but not required, to attend the Annual Meeting. Agendas for meetings of the Board of Directors generally include executive sessions for the independent Directors to meet without management Directors present. During the year ended March 31, 2004, our Board of Directors held ten meetings. Each Director attended at least 75% of the aggregate number of meetings of our Board of Directors and meetings held by all committees of our Board of Directors on which he served. In addition, pursuant to

the requirements of Section 407 of the Sarbanes-Oxley Act of 2002, our Board of Directors has determined that each of Messrs. Fleming, Verebelyi, Pascual and

Our Compensation and Succession Committee held two meetings in fiscal 2004.

CORPORATE GOVERNANCE AND NOMINATION COMMITTEE

Our Corporate Governance and Nomination Committee is responsible for (i) evaluating the composition, organization and governance of our Board of Directors and its committees, (ii) monitoring compliance with our system of corporate governance and (iii) developing criteria, investigating and making recommendations with respect to candidates for membership on our Board of Directors. This Committee is chaired by Mr. Creek and also includes Messrs. Fleming, Pascual and Verebelyi. Each of these members is an independent director. Our Compensation and Succession Committee does not solicit direct nominations from our shareholders, but will give due consideration to written recommendations for nominees from our shareholders for election as directors that are submitted in accordance with our by-laws. See the information contained herein under the heading "Shareholders' Proposals." Generally, a shareholder who wishes to nominate a candidate for Director must give us prior written notice thereof, which notice must be personally delivered or mailed via registered first class mail, return receipt requested, to our Secretary and must be received by our Secretary not less than 60 days nor more than 90 days prior to the first anniversary of the date our proxy statement was first mailed to shareholders in connection with our previous year's Annual Meeting. Our Corporate Governance and Nomination Committee held three meetings in fiscal 2004.

CODE OF ETHICS

In August 1999, our Board of Directors adopted a Code of Ethics which governs all of our Directors, officers and employees, including our Chief Executive Officer and other executive officers. This Code of Ethics is posted on the Corporate Information section of the Company's website at WWW.CMWORKS.COM. The Company will disclose any amendment to this Code of Ethics or waiver of a provision of this Code of Ethics, including the name of any person to whom the waiver was granted, on its website.

EMPLOYEE PLANS

EMPLOYEE STOCK OWNERSHIP PLAN. We maintain our ESOP for the benefit of substantially all of our domestic non-union employees. The ESOP is intended to be an employee stock ownership plan within the meaning of Section 4975(e)(7) of the Internal Revenue Code of 1986, as amended and an eligible individual account plan within the meaning of Section 407(d)(3) of the Internal Revenue Code. From 1988 through 1998, the ESOP has purchased from us 1,373,549 shares of common stock for the aggregate sum of approximately \$10.5 million. The proceeds of certain institutional loans were used to fund such purchases. The ESOP's loans are secured by our common stock which is held by the ESOP and such loans are guaranteed by us. The ESOP acquired 479,900 shares of our common stock in October 1998 for the aggregate sum of approximately \$7.7 million. The proceeds

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

of a loan we made to the ESOP were used to fund the purchase.

On a quarterly basis, we make a contribution to the ESOP in an amount determined by our Board of Directors. In fiscal 2004, our cash contribution was approximately \$0.9 million. The ESOP's trustees use the entire contribution to make payments of principal and interest on the ESOP's loans.

Common stock not allocated to ESOP participants is recorded in an ESOP suspense account and is held as collateral for repayment of the ESOP's loans. As payments of principal and interest are received by the lenders, these shares are released from the ESOP suspense account annually and are then allocated to the ESOP participants in the same proportion as a participant's compensation for such year bears to the total compensation of all participants.

An ESOP participant becomes fully vested in all amounts allocated to him or her after five years of service. The shares of our common stock held by the participants in the ESOP are voted by the participants in the same manner as any other share of our common stock.

- 10 -

In general, common stock allocated to a participant's account is distributed upon his or her termination of employment, normal retirement at age 65 or death. The distribution is made in whole shares of common stock with a cash payment in lieu of any fractional shares.

Messrs. Friedl, Myers, Harvey and Ms. Howard serve as trustees of the ESOP. As of March 31, 2004, the ESOP owned 1,156,752 shares of our common stock. Common stock allocated pursuant to the ESOP to Messrs. Tevens, Montgomery and Libroch, Ms. Howard and Mr. Owen as of March 31, 2004 is 141 shares, 141 shares, 141 shares, 138 shares and 137 shares, respectively.

PENSION PLAN. We have a non-contributory, defined benefit Pension Plan which provides certain of our employees with retirement benefits. As defined in the Pension Plan, a participant's annual pension benefit at age 65 is equal to the product of (i) 1% of the participant's final average earnings, as calculated by the terms of the Pension Plan, plus 0.5% of that part, if any, of final average earnings in excess of such participant's "social security covered compensation," as such term is defined in the Pension Plan, multiplied by (ii) such participant's years of credited service, limited to 35 years. Plan benefits are not subject to reduction for social security benefits.

The following table illustrates the estimated annual benefits upon retirement under our Pension Plan if the plan remains in effect and assuming that an eligible employee retires at age 65. However, because of changes in tax laws or future adjustments to the provisions of our Pension Plan, actual pension benefits could differ significantly from the amounts set forth in the table.

A portion of the annual benefit for plan participants is determined by their final average earnings in excess of "social security covered compensation," as such term is defined in our Pension Plan. Since this amount can vary depending on the eligible employee's year of birth, all pension amounts shown above have been calculated using Mr. Tevens' year of birth and his social security covered compensation of \$78,372. Our Pension Plan excludes final average earnings in excess of \$205,000.

If Messrs. Tevens, Montgomery and Librock, Ms. Howard and Mr. Owen remain our employees until they reach age 65, the years of credited service under the Pension Plan for each of them would be 30, 17, 28, 32 and 29, respectively.

NON-QUALIFIED STOCK OPTION PLAN. In October 1995, we adopted our Non-Qualified Stock Option Plan and reserved, subject to certain adjustments, an aggregate of 250,000 shares of our common stock for issuance thereunder. Under the terms of our Non-Qualified Plan, options may be granted by our Compensation and Succession Committee to our officers and other key employees as well as to non-employee directors and advisors. In fiscal 2004, we did not grant any options to purchase shares of our common stock under our Non-Qualified Plan.

INCENTIVE STOCK OPTION PLAN. Our Incentive Stock Option Plan which was adopted in October 1995 and amended in 2002, authorizes our Compensation and Succession Committee to grant to our officers and other key employees stock options that are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code. Our Incentive Plan reserved, subject to certain adjustments, an aggregate of 1,750,000 shares of common stock to be issued thereunder. Options granted under the Incentive Plan become exercisable over a four-year period at the rate of 25% per year commencing one year from the date of grant at an exercise price of not less than 100% of the fair market value of our common stock on the date of grant. Any option granted thereunder may be exercised not earlier than one year and not later than ten years from the date the option is granted. In the event of certain extraordinary transactions, including a change in control, the vesting of such options would automatically accelerate. In fiscal 2004, we granted options to purchase 45,000 shares of our common stock under the Incentive Plan.

RESTRICTED STOCK PLAN. Our Restricted Stock Plan which was adopted in October 1995 and amended in 2002, reserves, subject to certain adjustments, an aggregate of 150,000 shares of our common stock to be issued upon the grant of restricted stock awards thereunder. Under the terms of the Restricted Stock Plan, our Compensation and Succession Committee may grant to our employees

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

restricted stock awards to purchase shares of common stock at a purchase price of not less than \$.01 per share. Shares of common stock issued under the Restricted Stock Plan are subject to certain transfer restrictions and, subject to certain exceptions, must be forfeited if the grantee's employment with us is terminated at any time prior to the date the transfer restrictions have lapsed. Grantees who remain continuously employed with us become vested in their shares five years after the date of the grant, or earlier upon death, disability, retirement or other special circumstances. The restrictions on any such stock awards automatically lapse in the event of certain extraordinary transactions, including a change in our control. In fiscal 2004, we did not award any shares of our common stock under the Restricted Stock Plan.

CORPORATE INCENTIVE PLAN. In July 2001, we adopted our Incentive Plan and our Incentive Plan Addendum to replace our previous plan. Most of our employees are eligible to participate in the Incentive Plan. Under the Incentive Plan, for each fiscal year, each participant is assigned a participation percentage by our management. The actual bonus to be paid to a participant will be equal to his participation percentage times his base compensation, multiplied by a factor, which is the annual budgeted target percentage determined by the Board of Directors plus or minus two times the percentage difference between our actual pretax income and budgeted pretax income for the applicable quarter or year. The bonus is computed and paid quarterly at 75% of the calculated amount for each of the first three quarters. The Incentive Plan was suspended for fiscal 2004 and, as a result, no bonuses were paid in fiscal 2004 thereunder.

401(K) PLAN. We maintain a 401(k) retirement savings plan which covers all of our non-union employees in the U.S., including our executive officers, who have completed at least 90 days of service. Eligible participants may contribute up to 30% of their annual compensation (7% for highly compensated employees),

- 12 -

subject to an annual limitation as adjusted by the provisions of the Internal Revenue Code. Employee contributions are matched by us in an amount equal to 50% of the employee's salary reduction contributions, as such term is defined in the 401(k) Plan. Our matching contributions are limited to 3% of the employee's base pay and vest at the rate of 20% per year. Commencing May 1, 2003, we suspended our matching contributions.

CHANGE IN CONTROL AGREEMENTS

We have entered into change in control agreements with Messrs. Tevens and Librock, Ms. Howard, Mr. Owen and certain other of our officers and employees. The change in control agreements provide for an initial term of one year, which, absent delivery of notice of termination, is automatically renewed annually for an additional one year term. Generally, each of the named officers is entitled to receive, upon termination of employment within 36 months of a change in control of our Company (unless such termination is because of death, disability, for cause or by an officer or employee other than for "good reason," as defined in the change in control agreements), (i) a lump sum severance payment equal to three times the sum of (A) his or her annual salary and (B) the greater of (1) the annual target bonus under the Incentive Plan in effect on the date of termination and (2) the annual target bonus under the Incentive Plan in effect immediately prior to the change in control of our Company, (ii) continued coverage for 36 months under our medical and life insurance plans, (iii) a lump sum payment equal to the actuarial equivalent of the pension payment which he or she would have accrued under our tax-qualified retirement plans had he or she continued to be employed by us for three additional years and (iv) certain other

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

specified payments. Aggregate "payments in the nature of compensation" (within the meaning of Section 280G of the Internal Revenue Code) payable to any executive or employee under the change in control agreements is limited to the amount that is fully deductible by us under Section 280G of the Internal Revenue Code less one dollar. The events that trigger a change in control under the change in control agreements include (i) the acquisition of 20% or more of our outstanding common stock by certain persons, (ii) certain changes in the membership of the our Board of Directors, (iii) certain mergers or consolidations, (iv) certain sales or transfers of substantially all of our assets and (v) the approval by our shareholders of a plan of dissolution or liquidation.

OPTIONS GRANTED IN LAST FISCAL YEAR

No stock options were granted in fiscal 2004 to our officers named in the Summary Compensation Table.

COMPENSATION AND SUCCESSION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation for our executive officers is administered by the Compensation and Succession Committee, which currently consists of four independent (non-employee) Directors. Our Board of Directors has delegated to the Compensation and Succession Committee responsibility for establishing, administrating and approving the compensation arrangements of the Chief Executive Officer and other executive officers.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

The following objectives, established by our Compensation and Succession Committee, are the basis for the Company's executive compensation program:

- o providing a comprehensive program with components including base salary, performance incentives, and benefits that support and align with our goal of providing superior value to customers and shareholders;
- o ensuring that we are competitive and can attract and retain qualified and experienced executive officers and other key personnel; and
- o appropriately motivating our executive officers and other key personnel to seek to attain short, intermediate and long-term corporate and divisional performance goals and to manage our Company to achieve sustained long term growth.

The Compensation and Succession Committee reviews compensation policy and specific levels of compensation paid to our Chief Executive Officer and other executive officers and makes recommendations to our Board of Directors regarding executive compensation, policies and programs.

The Compensation and Succession Committee is assisted in these efforts, when required, by independent outside consultants and by our internal staff, who provide the Compensation and Succession Committee with relevant information and recommendations regarding compensation policies and specific compensation matters.

ANNUAL COMPENSATION PROGRAMS

Our executives' base salaries are compared to manufacturing companies included in a periodic management survey completed by outside compensation consultants and all data have been regressed to revenues equivalent to our revenues. This survey is used because it reflects companies with similar revenue and in the same industry sectors as us. The Compensation and Succession Committee believes salaries should be targeted toward the median of the surveyed salaries reported, depending upon the relative experience and individual performance of the executive. However, given the recent difficult economic climate, salaries of some of our executives, including our Chief Executive Officer, have remained below the targeted median.

Salary adjustments are determined by four factors: (i) an assessment of the individual executive officer's performance and merit, (ii) our goal of achieving market parity with salaries of comparable executives in the competitive market, (iii) the occurrence of any promotion or other increases in responsibility of the executive and (iv) the general economic environment in which we are operating. In assessing market parity, we target groups of companies surveyed and referred to above.

- 15 -

Each executive officer's corporate position is assigned a title classification reflecting evaluation of the position's overall contribution to our corporate goals and the value the labor market places on the associated job skills. A range of appropriate salaries is then assigned to that title classification. Each April, the salary ranges may be adjusted to reflect market conditions, including changes in comparison companies, inflation, and supply and demand in the market. The midpoint of the salary range corresponds to a "market rate" salary which the Compensation and Succession Committee believes is appropriate for an experienced executive who is performing satisfactorily, with

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

salaries in excess of the salary range midpoint appropriate for executives whose performance is superior or outstanding.

The Compensation and Succession Committee has recommended that any progression or regression within the salary range for an executive officer will depend upon a formal annual review of job performance, accomplishments and progress toward individual and/or overall goals and objectives for each of our segments that such executive officer oversees as well as his contributions to our overall direction. The long-term growth in shareholder value is an important factor. The results of executive officers' performance evaluations will form a part of the basis of the Compensation and Succession Committee's decision to approve, at its discretion, future adjustments in base salaries of our executive officers.

PERSONAL BENEFITS

We seek to maintain an egalitarian culture in our facilities and operations. Our officers are not entitled to operate under different standards from our other employees. We do not provide our officers with reserved parking spaces or separate facilities of any kind, nor do we maintain programs providing personal benefits to our officers. Our healthcare and other insurance programs are the same for all eligible employees, including our officers. We expect our officers to be role models under our corporate governance principles, which are applicable to all employees, and our officers are not entitled to operate under lesser standards.

CHIEF EXECUTIVE OFFICER COMPENSATION

Compensation decisions affecting our Chief Executive Officer were based on quantitative and qualitative factors. These factors were accumulated by an external compensation consulting firm and included comparisons of our fiscal 2004 financial statistics to peer companies, strategic achievements such as acquisitions and their integration, comparisons of the base salary level to the median for comparable companies in published compensation surveys and assessments prepared internally by other members of our executive management. As a cost savings measure, Mr. Tevens had voluntarily requested that his base salary be decreased by 5% to \$472,500 for fiscal 2004. The Compensation and Succession Committee has determined that Mr. Teven's base salary should remain at this level for fiscal 2005, resulting in his salary being below the median for comparable companies.

SECTION 162(M) OF INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1.0 million paid to a company's chief executive officer and any one of the four other most highly paid executive officers during its taxable year. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are

- 16 -

met. Based upon the compensation paid to the Company's executive officers in fiscal 2003, it does not appear that the Section 162(m) limitation will have a significant impact on us in the near term. However, the Compensation and Succession Committee plans to review this matter periodically.

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "Commission") to be included in the Company's annual proxy statement.

In discharging its oversight role, the Committee is authorized to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company.

A-1

PRINCIPAL FUNCTIONS

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible in order to best react to changing conditions and circumstances. The Committee will take appropriate action to set the overall Company "tone" for quality financial reporting, sound business risk practices, and ethical behavior. The following functions are set forth as a guide to be supplemented and carried out as the Committee deems necessary and appropriate.

The following shall be the principal recurring functions of the Committee in carrying out its responsibilities for FINANCIAL STATEMENT AND DISCLOSURE MATTERS:

- o Discuss with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any significant changes in the Company's selection or application of accounting principles, any major issues as to the adequacy of the Company's internal controls and any special steps adopted in light of material control deficiencies.

- o Review and discuss reports from the independent auditors on:

All critical accounting policies and practices to be used.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.

Other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.

- o Discuss with management the Company's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made).
- o Discuss with management and the independent auditor the effect of regulatory and accounting initiatives as well as off-balance sheet structures on the Company's financial statements.
- o Discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

A-2

- o Discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit, including any difficulties encountered in the course of the audit work, any restrictions on the scope of activities or access to requested information, and any significant disagreements with management.
- o Review disclosures made to the Audit Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.
- o The Committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year, as well as the independent auditor's report on management's assertion.

The following shall be the principal recurring functions of the Committee in carrying out its responsibilities for PRE-APPROVAL OF PERMITTED NON-AUDIT SERVICES, AND THE FEES THEREFOR, TO BE PROVIDED BY THE COMPANY'S INDEPENDENT AUDITOR:

- o Before the beginning of each fiscal year, the Committee will discuss, review, and consider for approval a detailed list of recommended, specific, permitted non-audit services, including budgeted fees therefor, to be provided by the independent auditor during the ensuing fiscal year, ascertaining that such detailed planned services and budgeted fees (i) are consistent with the Company's policy that

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

non-audit fees paid to the Company's independent auditor in any one fiscal year must not exceed the total of audit fees, audit-related fees, and tax compliance and return preparation fees, (ii) will not adversely affect the independence of the independent auditor, and (iii) will not require the independent auditor to audit its own work, to function in the role of management, or to act as advocate for the Company.

- o During each fiscal year, management, with the assistance of the independent auditor, will be responsible for (i) monitoring actual non-audit services and the fees therefor, (ii) advising the Committee of any significant expected deviations from either the planned non-audit services to be performed by the independent auditor or the budgeted fees therefor, (iii) submitting to the Committee, in sufficient detail, any recommended unplanned non-audit services to be provided by the independent auditor and the expected fees therefor, and (iv) providing an annual report to the Committee showing, in sufficient detail, actual results against approved plans.
- o During each fiscal year, the Committee, or its designee, will discuss, review, and, using the same criteria as noted above, consider for approval (i) any significant expected deviations from the planned non-audit services to be provided by the independent auditor or the budgeted fees therefor, or (ii) any unplanned non-audit services and the expected fees therefor, that arose after the annual budget was approved.

The following shall be the principal recurring functions of the Committee in carrying out its responsibilities for OVERSIGHT OF THE COMPANY'S RELATIONSHIP WITH THE INDEPENDENT AUDITOR MATTERS:

- o Review and evaluate the lead partner of the independent auditor team.
- o Obtain and review a report from the independent auditor at least annually regarding (a) the independent auditor's internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more

A-3

independent audits carried out by the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent auditor and the Company. Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, and taking into account the opinions of management and internal auditors. The Audit Committee shall present its conclusions with respect to the independent auditor to the Board.

- o Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm on a regular basis.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

- o Recommend to the Board policies for the Company's hiring of employees or former employees of the independent auditor who participate in any capacity in the audit of the Company.
- o Meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.

The following shall be the principal recurring functions of the Committee in carrying out its responsibilities for COMPLIANCE OVERSIGHT RESPONSIBILITIES:

- o Obtain from the independent auditor assurance that Section 10A(b) of the Exchange Act has not been implicated.
- o Review reports and disclosures of insider and affiliated party transactions. Advise the Board with respect to the Company's policies and procedures regarding compliance with applicable laws and regulations and with the Company's Code of Business Conduct and Ethics.
- o Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
- o Discuss with management and the independent auditor any correspondence with regulators or governmental agencies and any published reports, which raise material issues regarding the Company's financial statements or accounting policies.
- o Discuss with the Company's General Counsel legal matters that may have a material impact on the financial statements or the Company's compliance policies.
- o Review and approve the report of the Internal Auditor's annual examination of the business expenditures of the Company's CEO and CFO.

LIMITATION OF AUDIT COMMITTEE'S ROLE

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditor.

A-4

OTHER MATTERS

The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Audit Committee.

The Audit Committee shall make regular reports to the Board. The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval. The Audit Committee shall annually review the Audit Committee's own performance.
