Item 8.01 Other Events.

On April 14, 2019, Markel Corporation (“Markel”) issued a press release announcing that as previously reported the U.S. Department of Justice, U.S. Securities and Exchange Commission and Bermuda Monetary Authority (together, the “Governmental Authorities”) are conducting inquiries into loss reserves recorded in late 2017 and early 2018 at Markel CATCo Investment Management Ltd. and its subsidiaries (together, “CATCo”). These inquiries are limited to CATCo and do not involve Markel or its other subsidiaries.

As Markel previously disclosed, it retained outside counsel to conduct an internal review of CATCo’s loss reserving in late 2017 and early 2018. The internal review has recently been completed. The internal review conducted by outside counsel found no evidence that CATCo personnel acted in bad faith in exercising business judgment in the setting of reserves and making related disclosures during late 2017 and early 2018. Markel’s outside counsel has met with the Governmental Authorities and reported the findings from the internal review.

The Governmental Authorities’ inquiries are ongoing and Markel continues to fully cooperate with them. Markel cannot currently predict the duration, scope or result of the Governmental Authorities’ inquiries.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
