INFORMATION TO BE INCLUDED IN THE REPORT

Item 9. Regulation FD Disclosure.

See the attached press release reporting second quarter earnings of Carlisle Companies Incorporated (the Company) hereby furnished under Item 12 (Results of Operations and Financial Condition).

The press release reports the Company's free cash flow for the first six months of 2002 and 2003. Management believes that this non-GAAP financial measure is useful to investors because free cash flow is used by the investing and lending community as a key measure of a company's ability to meet its debt payment obligations and to finance future growth of its business through acquisitions and capital investment.
