Supplemental Retirement Plan

Edgar Filing: CHIRON CORP - Form 8-K

On December 3, 2004, the Board adopted the Chiron Corporation Supplemental Retirement Plan, effective as of January 1, 2005 (the Plan), as a successor to the Chiron Corporation Supplemental Executive Retirement Plan. The Plan provides executive officers and other eligible employees with the opportunity to enter into agreements to defer specified percentages of their cash compensation and receive matching employer contributions that could not be deferred or contributed to the Chiron Corporation 401(k) Plan because of the limitations under such plan. The Plan also permits the participants to defer up to 100% of their annual incentive bonus. Participants may elect that distribution of deferred amounts be paid in the form of either a lump sum or in annual installments either upon termination of service or 12 months following such termination. Participants may also elect to receive lump sum distributions upon such other dates that may be elected by the participant in accordance with the terms of the Plan. Deferrals are credited with gain or loss based on the performance of one or more investment options selected by the participant from among investment funds chosen by the Compensation Committee. Chiron in its sole discretion may suspend or terminate the Plan or revise or amend it in any respect whatsoever; provided, however, that except with respect to amendments necessary to avoid the current taxation of deferred accounts, no such action may reduce amounts credited to deferral accounts, and such accounts will continue to be owed to the participants or beneficiaries and will continue to be a liability of Chiron.

The Plan is attached hereto as Exhibit 99.1.
