**ITEM 2.02: RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

The information in this report is being furnished pursuant to Item 2.02 Results of Operations and Financial Condition. In accordance with General Instruction B.2 of Form 8-K, the information in this report shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing. The furnishing of the information set forth in this report is not intended to, and does not, constitute a determination or admission as to the materiality or completeness of such information.

On January 27, 2005, Waddell & Reed Financial, Inc., a Delaware corporation (the Company), issued a press release announcing the Company's financial results for the fiscal quarter ended December 31, 2004. A copy of the Company's press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The press release attached as Exhibit 99.1 includes financial measures for net income, net income per share and operating ratios for (i) third quarter 2004, fourth quarter 2003, fourth quarter 2004 and the full year 2004 that exclude the non-cash impact of equity compensation, and (ii) for the full year 2003 that exclude the non-cash impact of equity compensation and the charges taken for legal and regulatory matters and the Company's stock option tender offer, and therefore, have not been calculated in accordance with generally accepted accounting principles (GAAP). The Company has provided these measures because we believe that they more accurately reflect our true cash earnings, provide a consistent basis for comparison between quarters that are not influenced by the excluded non-cash expenses or the non-recurring charge, and/or aid in the comparison of the operating results of other periods presented therein and to the operating results of our peers. We believe this information is useful to our investors, potential investors, securities analysts and others to help them understand the financial condition of the Company, our core operations, our operating results and the operating results of other companies in our peer group. These non-GAAP measures are not recognized in accordance with GAAP and should not be viewed as an alternative to GAAP measures of performance. A reconciliation between the GAAP results and non-GAAP results is included with the financial table accompanying the press release.
