**Item 2.01.** Completion of Acquisition or Disposition of Assets.

On January 2, 2007 Duke Energy Corporation announced that the spin-off of its gas businesses had been completed. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference. In connection with the spin-off, as described previously in Spectra Energy Corp's Registration Statement on Form 10, equitable adjustments were made to Duke Energy's outstanding restricted stock, phantom stock, performance share and stock option awards to the extent necessary to maintain the equivalent value of such awards following the spin-off. In particular, with respect to the portion of the performance share period that follows the spin-off, the performance metric was changed from being based solely on the relative total shareholder return of Duke Energy common stock to an average of the relative total shareholder return of two equity components, weighted 50% each, consisting of Duke Energy common stock and Spectra Energy Corp common stock.
