## Edgar Filing: Storm Cat Energy CORP - Form NT 10-Q

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On November 10, 2008, all of the direct and indirect wholly-owned subsidiaries (collectively, the Debtors) of Storm Cat Energy Corporation (the Company) filed a voluntary petition for reorganization (the Reorganization Cases) under Chapter 11 of the United States Bankruptcy Code (the Code) in the United States Bankruptcy Court for the District of Colorado (the Bankruptcy Court). The Reorganization Cases do not include the Company. The Reorganization Cases are being jointly administered under Case No. 08-27887 ABC. The Debtors continue to operate their businesses as debtors-in-possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Code and orders of the Bankruptcy Court.

The Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2010 could not be filed within the prescribed time period, as the closing of the books and the process of preparing the Company's financial statements for the quarter ended March 31, 2010 has been delayed due to the focus of the Company's resources on the bankruptcy process, negotiation with creditors, potential sale of assets, and open accounting issues (i.e., impairment analyses) as a result of the ongoing bankruptcy process. The Company cannot predict when or if, based upon resolution of the Reorganization Cases, it expects to complete its review and file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2010.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes  No

Quarterly Reports on Form 10-Q for the quarters ended March 31, 2009, June 30, 2009 and September 30, 2009 and Annual Report on Form 10-K for the year ended December 31, 2009.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

For the reasons set forth above regarding the Reorganization Cases and limited resources, the Company is unable to provide a reasonable estimate of its results of operations for the quarters ended March 31, 2009 or March 31, 2010. Accordingly, the Company cannot at this time estimate what significant changes would be reflected in its results of operations for such period compared to prior periods. The Company needs to perform an impairment analysis related to certain of its tangible and intangible assets, which is not yet complete given the status of the Reorganization Cases and the process to sell assets as approved by the Bankruptcy Court. As a result, at this time the Company cannot predict the scope of significant changes in results of operations from the corresponding period for the last fiscal year or the Company's balance sheet at December 31, 2009 given the Company has yet to file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2009 or its Annual Report on Form 10-K for the year ended December 31, 2009 due to the Reorganization Cases.
