ITEM 8.01 OTHER EVENTS.

As previously disclosed, on November 7, 2011, Dynegy Holdings, LLC (DH) and four of its wholly-owned subsidiaries, Dynegy Northeast Generation, Inc., Hudson Power, L.L.C. Dynegy Danskammer, L.L.C. and Dynegy Roseton, L.L.C. (collectively, the DH Debtor Entities), filed voluntary petitions for relief (the DH Chapter 11 Cases) under Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code) in the United States Bankruptcy Court for the Southern District of New York, Poughkeepsie Division (the Bankruptcy Court), which are being jointly administered under case no. 11-38111. As also previously disclosed, on June 18, 2012, DH filed a Modified Third Amended Chapter 11 Plan of Reorganization (the Plan) for DH proposed by DH and Dynegy Inc. (Dynegy , and, together with DH, the Plan Proponents) and a related disclosure statement (the Disclosure Statement) with the Bankruptcy Court. On July 3, 2012, the Bankruptcy Court entered an order approving the Disclosure Statement in the DH Chapter 11 Cases. On July 6, 2012, Dynegy, DH 's direct parent, filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court (the Dynegy Chapter 11 Case), which is being administered under case no. 12-36728. Dynegy 's subsidiaries, other than the five DH Debtor Entities, did not file voluntary petitions for relief and are not debtors under the Dynegy Chapter 11 Case and, consequently, continue to operate their businesses in the ordinary course. On July 10, 2012, the Bankruptcy Court approved the Disclosure Statement in the Dynegy Chapter 11 Case. The orders approving the Disclosure Statement in the DH Chapter 11 Cases and the Dynegy Chapter 11 Case (together the Chapter 11 Cases) allowed the Plan Proponents to begin soliciting formal creditor votes on the Plan and authorized them to modify the Plan and the Disclosure Statement such that they constitute a plan of reorganization and disclosure statement for both DH and Dynegy, each as debtors thereunder, and modify the Plan solicitation materials such that they reflect the commencement of the Dynegy Chapter 11 Case (the Plan Modifications).

The Plan Proponents made the Plan Modifications to the Plan (as amended, the Joint Plan) and Disclosure Statement (as amended, the Joint Disclosure Statement), and on July 12, 2012, the Plan Proponents filed the Joint Plan and Joint Disclosure Statement with the Bankruptcy Court in their respective Chapter 11 Cases. On September 5, 2012, the Bankruptcy Court confirmed the Joint Plan, ruling that the Plan Proponents had met all requirements to confirm the Plan. Accordingly, on September 10, 2012, the Bankruptcy Court entered an order confirming the Plan. The Bankruptcy Court 's confirmation sets the stage for Dynegy to emerge from bankruptcy as planned, on or before October 1, 2012, but the Plan Debtors make no assurances when, or ultimately if, the Plan will become effective.

On September 25, 2012, Dynegy filed its monthly operating report for the period from July 7, 2012 through July 31, 2012 (the Monthly Operating Report) with the Bankruptcy Court. The Monthly Operating Report is attached as Exhibit 99.1 and is incorporated herein by reference. This current report (including the exhibit hereto) will not be deemed an admission as to the materiality of any information required to be disclosed solely by Regulation FD.

Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K contains statements reflecting assumptions, expectations, projections, intentions or beliefs about future events that are intended as forward-looking statements, particularly those statements concerning the monthly operating reports and

Specifically, Dynegy makes reference to, and incorporates herein by reference, the section entitled "Risk Factors" in its most recent Form 10-K, as amended, and subsequent reports on Form 10-Q. In addition to the risks and uncertainties set forth in Dynegy's SEC filings, the forward-looking statements included in the Current Report on Form 8-K could be affected by, among other things, (i) any unanticipated expense or delay resulting from the chapter 11 process, which is inherently unpredictable; (ii) ability to consummate one or more plans of reorganization with respect to the DH and Dynegy Chapter 11 Cases, including the Joint Plan and related Joint Disclosure Statement, and to consummate all the transactions contemplated by the Amended and Restated Settlement Agreement and Amended and Restated Plan Support Agreement; (iii) ability to consummate the Merger; (iv) ability to sell the Roseton and Danskammer Facilities to one or more third parties as set forth in the Amended and Restated Settlement Agreement; (v) beliefs and assumptions relating to liquidity, available borrowing capacity and capital resources generally, including the extent to which such liquidity could be affected by poor economic and financial market conditions or new regulations and any resulting impacts on financial institutions and other current and potential counterparties; (vi) the anticipated effectiveness of the overall restructuring activities and any additional strategies to address our liquidity and our capital resources, including accessing the capital markets; (vii) beliefs and assumptions regarding our ability to continue as a going concern; (viii) limitations on Dynegy's ability to utilize previously incurred federal net operating losses or alternative minimum tax credits; (ix) expectations regarding our compliance with the DMG and DPC Credit Agreements, including collateral demands, interest expense and other payments; (x) the timing and anticipated benefits to be achieved through Dynegy's company-wide cost savings programs, including its PRIDE initiative; (xi) expectations regarding environmental matters, including costs of compliance, availability and adequacy of emission credits, and the impact of ongoing proceedings and potential regulations or changes to current regulations, including those relating to climate change, air emissions, cooling water intake structures, coal combustion byproducts, and other laws and regulations to which Dynegy is, or could become, subject; (xii) beliefs, assumptions and projections regarding the demand for power, generation volumes and commodity pricing, including natural gas prices and the impact on such prices from shale gas proliferation and the timing of a recovery in natural gas prices, if any; (xiii) sufficiency of, access to and costs associated with coal, fuel oil and natural gas inventories and transportation thereof; (xiv) beliefs and assumptions about market competition, generation capacity and regional supply and demand characteristics of the wholesale power generation market, including the anticipation of higher market pricing over the longer term; (xv) the effectiveness of Dynegy's strategies to capture opportunities presented by changes in commodity prices and to manage its exposure to energy price volatility; (xvi) beliefs and assumptions about weather and general economic conditions; (xvii) projected operating or financial results, including anticipated cash flows from operations, revenues and profitability; (xviii) Dynegy's focus on safety and its ability to efficiently operate its assets so as to capture revenue generating opportunities and operating margins; (xix) beliefs about the outcome of legal, administrative, legislative and regulatory matters, including the impact of final rules regarding derivatives to be issued by the CFTC under the Dodd-Frank Act; (xx) expectations regarding performance standards and estimates regarding capital and maintenance expenditures, including the Consent Decree and its associated costs and performance standards; and (xxi) expectations regarding compliance with Dynegy's new credit agreements, including collateral demands, interest expense and other payments. Any or all of Dynegy's forward-looking statements may turn out to be wrong. They can be affected by inaccurate assumptions or by known or unknown risks, uncertainties and other factors, many of which are beyond our control.
