PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Trustees of H&Q Healthcare Investors (the "Fund" or "HQH") of proxies to be voted at the Annual Meeting of Shareholders of the Fund to be held on June 9, 2014 (the "Annual Meeting"), and any adjournment(s) or postponement(s) thereof, for the purposes set forth in the accompanying Notice of Annual Meeting, dated May 1, 2014. This Proxy Statement, the Notice of Annual Meeting and the Proxy Card(s) are first being mailed to shareholders on or about May 1, 2014.

Proposal 1 relates to the election of Trustees for the Fund and Proposal 2 relates to the ratification of the selection of the independent registered public accountants of the Fund.

The Fund will furnish, without charge, a copy of its Annual Report, or the most recent Semi-Annual Report succeeding the Annual Report, if any, to a shareholder upon request. Requests may be sent to the Fund at 2 Liberty Square, 9th Floor, Boston, MA 02109 or be made by calling (617) 772-8500.

Proposal 1 ELECTION OF TRUSTEES

The Fund's Declaration of Trust provides that its Board shall be divided into three classes with staggered terms. The term of office of the Class A Trustees expires on the date of the 2014 Annual Meeting and the term of office of the Class B and Class C Trustees will expire one and two years, respectively, thereafter. Trustees chosen to succeed the Class A Trustees whose terms are expiring will be elected for a three-year term.

The Fund's Declaration of Trust provides that a majority of its Trustees shall fix the number of the entire Board of Trustees and that such number shall be at least three and no greater than fifteen. The Fund's Board has fixed the number of Trustees at seven. Proxies will be voted for the election of the following two nominees to serve as Class A Trustees until the 2017 Annual Meeting: Rakesh K. Jain, Ph.D. and Lucinda H. Stebbins, CPA. Each of the Trustees is presently serving as a Class A Trustee and has consented to continue to so serve. In the event that a nominee is unable to serve for any reason when the election occurs, the accompanying Proxy will be voted for such other person or persons as the Board may recommend.

The Class B Trustees serving until the 2015 Annual Meeting are Daniel R. Omstead, Ph.D. and Uwe E. Reinhardt. The Class C Trustees serving until the 2016 Annual Meeting are Michael W. Bonney, Oleg M. Pohotsky and William S. Reardon.

The Board believes that each Trustee's experience, qualifications, attributes and skills on an individual basis and in combination with those of other Trustees lead to the conclusion that each Trustee should serve in such capacity. Among the attributes or skills common to all Trustees are their ability to review critically and to evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, the Fund's investment adviser, the administrator and other service providers, counsel and independent registered public accounting firm, and to exercise effective and independent business judgment in the performance of their duties as Trustees. Each Trustee's ability to perform the duties of a trustee effectively has been attained and enhanced through the Trustee's education, professional training and other life experiences, such as business, consulting or public service positions and through experience from service as a member of this Fund's Board and that of H&Q Life Sciences Investors ("HQL"), public companies, or non-profit entities or other organizations.

Although Trustees are encouraged to attend the annual meetings of shareholders to the extent they are able, the Fund has no formal policy with regard to board members' attendance at annual meetings of shareholders. Last year, two Trustees then in office attended the annual meeting of shareholders.

Shareholders wishing to send communications to the Board may communicate with members of the Board by submitting a written communication directed to the Board in care of the Fund's President, Daniel R. Omstead, Ph.D., at 2 Liberty Square, 9th Floor, Boston, MA 02109.

Trustees Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Fund rests with the Board. The Board is comprised of seven individuals, six of whom are not "interested persons" of the Fund as defined in the 1940 Act ("Independent Trustees"). The Chairman of the Board is an Independent Trustee. The Chairman presides at meetings of the Trustees, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Independent Trustees and the Fund's management between Board meetings. Except for any duties specified herein, the designation as Chairman does not impose any obligations or standards greater than or different from other Trustees.

The Board holds regular quarterly meetings each year to consider and address matters involving the Fund. The Board also may hold special meetings to address matters arising between regular meetings. The Independent Trustees also meet outside the presence of management in executive session at least quarterly and have engaged independent legal counsel to assist them in performing their oversight responsibilities.

The Board has established Audit, Governance and Nominating, Valuation and Qualified Legal Compliance Committees to assist the Board in the oversight of the management and affairs of the Fund. All of the members of these Committees are Independent Trustees, except for Dr. Omstead, who serves on the Valuation Committee. From time to time the Board may establish additional committees or informal working groups to deal with specific matters.

The Fund is subject to a number of risks including investment, compliance, operational and valuation risks. Although the Adviser and the officers of the Fund are responsible for managing these risks on a day-to-day basis, the Board has adopted, and periodically reviews, policies and procedures designed to address these risks. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with the Fund's Chief Compliance Officer, the Fund's independent public accounting firm, and legal counsel to the Fund. These interactions include discussing the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund, reviewing valuation policies and procedures and the valuations of specific restricted securities, and receiving periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes designed to provide information to the Board regarding the identification, assessment, and management of critical risks and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may change the manner in which it fulfills its oversight responsibilities at its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition, and functioning and may make changes at its discretion at any time.

Standing Committees

Audit Committee. The Fund has an Audit Committee comprised solely of Independent Trustees who are "independent" as defined in the New York Stock Exchange ("NYSE") Listing Standards. The Board has adopted a written charter for the Audit Committee. The Audit Committee charter is available at <http://www.teklacap.com/hqh-reports.html>. The principal purpose of the Fund's Audit Committee is to assist the Board in fulfilling its responsibility to oversee management's conduct of the Fund's financial reporting process, including reviewing the financial reports and other financial information provided by the Fund, the Fund's systems of internal accounting and financial controls and the annual independent audit process.

The Audit Committee's role is one of oversight, and it is recognized that the Fund's management is responsible for preparing the Fund's financial statements and that the Fund's independent registered public accountant is responsible for auditing those financial statements. Although each Audit Committee member must be financially literate and one member must have accounting or financial management expertise (as determined by the Board of Trustees in its business judgment), Audit Committee members are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Audit Committee members rely, without independent verification, on the information provided to them and on the representations made by management and the Fund's independent registered public accountants.

The members of the Fund's Audit Committee are Mr. Pohotsky, Mr. Reardon, Dr. Reinhardt and Ms. Stebbins. Ms. Stebbins is the Chairman of the Fund's Audit Committee. The Fund's Audit Committee held four meetings during the fiscal year ended September 30, 2013.

Governance and Nominating Committee. The Fund has a Governance and Nominating Committee comprised solely of Independent Trustees who are "independent" as defined in the NYSE Listing Standards. During the fiscal year ended September 30, 2013, the Board maintained a governance committee and a nominating committee, each with its own written charter. The Board combined those committees and their separate written charters in December, 2013, and adopted the combined written charter for the Committee. The Committee charter is not available on the Fund's website but the written charter of the formerly separate nominating committee was included as Exhibit A to the Fund's Proxy Statement dated May 1, 2012.

The Committee's principal missions are to (i) review, evaluate, and enhance the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund and (ii) to promote the effective participation of qualified individuals on the Board, on committees of the Board, and as executive officers of the Fund. The Committee shall consider the Corporate Governance Guidelines that have been approved by the Board of Trustees in fulfilling its missions.

The Committee reviews, discusses and makes recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the Fund's management. The Committee makes nominations for trustees and officers of the Fund and for membership on all committees of the Board and submits such nominations to the full Board for consideration.

The Fund's By-Laws require that each prospective trustee candidate have a college degree or equivalent business experience and provide a list of minimum qualifications for trustees, which include expertise, experience or relationships relevant to the business of the Fund. The Fund's By-Laws also require that a candidate not be serving in any of various positions with another investment company (as defined in the 1940 Act) that focuses its investments in the healthcare and/or life sciences industries, unless such investment company is managed by the Fund's investment adviser or an affiliate, or in various positions with the investment adviser, sponsor or equivalent of such an investment company. The Committee may also take into account other factors when considering and evaluating potential trustee candidates, including but not limited to: (i) availability and commitment to attend meetings and perform responsibilities of the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) the overall diversity of the Board's composition.

The Committee may identify prospective trustees from any reasonable source, including, but not limited to, the consultation of third-party trustee search services. The Committee will consider potential trustee candidates recommended by shareholders, provided that the proposed candidates (i) satisfy any minimum qualifications of the Fund for its trustees; (ii) are not "interested persons" (as that term is defined in Section 2(a)(19) of the 1940 Act) of the Fund or the Adviser; and (iii) are "independent" as defined in the NYSE Listing Standards. In order to be evaluated by the Committee, trustee candidates recommended by shareholders must also meet certain eligibility requirements as set out in the Committees' charter. Other than those eligibility requirements, the Committee shall not evaluate shareholder trustee nominees in a different manner than other nominees. The standard of the Committee is to treat all equally qualified nominees in the same manner.

All recommendations by shareholders must be received by the Fund by the deadline for submission of any shareholder proposals which would be included in the Fund's proxy statement for the next annual meeting of the Fund. Each shareholder or shareholder group must meet the requirements stated in the Committee's charter in order to recommend a candidate. A shareholder or shareholder group may not submit more than one candidate per year. When recommending a trustee candidate, shareholders must include in their notice to the Fund's Secretary: (i) the shareholder's contact information; (ii) the trustee candidate's contact information and the number of Fund shares owned by the proposed candidate;

(iii) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of trustees required by Regulation 14A of the Securities Act of 1934, as amended (the "Exchange Act"); and (iv) a notarized letter executed by the trustee candidate, stating his or her intention to be a nominee and be named in the Fund's proxy statement, if nominated by the Board of Trustees, and to serve as a trustee, if so elected. Once a recommendation has been timely received in proper form, the candidate will be asked to complete an eligibility questionnaire to assist the Fund in assessing the candidate's qualifications as a potential Independent Trustee and as someone who is "independent" under the NYSE Listing Standards. The Committee will make such determinations in its sole discretion and such determinations shall be final.
