**Item 8. Additional Information.**

Item 8 of the Schedule 14D-9 is hereby amended and supplemented by replacing the text under the heading "Certain Litigation" with the following:

**Certain Litigation.**

Following the announcement of the execution of the Merger Agreement, three purported stockholder class actions were filed challenging the transaction. All of the actions were filed in the Court of Chancery of the State of Delaware (the Delaware Actions): *Raul v. OpenTable, Inc., et al.*, No. 9776-CB (filed June 17, 2014); *Guerra v. OpenTable, Inc., et al.*, No. 9786-CB (filed June 18, 2014); and *Seibert v. OpenTable, Inc., et al.*, No. 9790-CB (filed June 19, 2014). On June 30, 2014, plaintiffs in the *Guerra* action filed an amended complaint (the Amended Guerra Complaint). Also on June 30, 2014, plaintiffs in the *Guerra* action filed a motion to consolidate the Delaware Actions, to be appointed as lead plaintiffs and for the Amended Guerra Complaint to be designated the operative complaint in the consolidated action. On July 2, 2014, plaintiffs in the *Seibert* action filed an amended complaint (the Amended Seibert Complaint), and together with the Amended Guerra Complaint, the Amended Complaints). Also on July 2, 2014, plaintiffs in the *Seibert* action filed a motion for expedited proceedings and a motion for a preliminary injunction to enjoin the consummation of the proposed transaction. On July 3, 2014, the Delaware Court of Chancery granted an order of consolidation and appointment of co-lead counsel, consolidating the Delaware Actions for all purposes under the caption *In re OpenTable, Inc., Stockholder Litigation*, Consolidated C.A. No. 9776-CB and designating the Amended Seibert Complaint as the operative complaint (the Complaint).

The Complaint names as defendants the Company, the members of the Company Board, Parent and Acquisition Sub. The Complaint alleges that the members of the Company Board breached their fiduciary duties to the Company's stockholders in connection with the proposed transaction, and that the Merger Agreement involves an unfair price, was the product of an inadequate sales process, and contains unreasonable deal protection devices that purportedly preclude competing offers. The Complaint also alleges that the disclosures regarding the Offer and the Merger in the Schedule 14D-9 are inadequate or misleading. The Complaint further alleges that the Company, Parent and Acquisition Sub aided and abetted the purported breaches of fiduciary duty. The Complaint seeks injunctive relief, including enjoining or rescinding the Merger, and an award of other unspecified attorneys' and other fees and costs, in addition to other relief. The foregoing description is qualified in its entirety by reference to the complaints and the Amended Complaints, which are filed as Exhibits (a)(9)-(a)(13) to this Schedule 14D-9 and are incorporated herein by reference.

On July 13, 2014, the Company, each of the members of the Company Board, Parent and Acquisition Sub entered into a Memorandum of Understanding (the MOU) with the plaintiffs in the Delaware Actions, which sets forth the parties' agreement in principle for a settlement of those actions. As explained in the MOU, the Company, the members of the Company Board, Parent and Acquisition Sub have agreed to the settlement solely to eliminate the burden, expense, distraction and uncertainties inherent in further litigation and without admitting any liability or wrongdoing. The MOU contemplates that the parties will seek to enter into a stipulation of settlement providing for the certification of a mandatory non opt-out class, for settlement purposes only, that includes any and all record and beneficial owners of Shares (excluding defendants, their subsidiary companies, affiliates, assigns, and members of their immediate families) who held Shares at any time during the period beginning on June 12, 2014, through the date of consummation or termination of the proposed transaction, including any and all of their respective successors in interest, predecessors, representatives, trustees, executors, administrators, heirs, assigns or transferees, immediate and remote, and any person or entity acting for or on behalf of, or claiming under, any of them, and each of them and a global release of claims relating to the Offer and the Merger Agreement as set forth in the MOU. The claims will not be released until such stipulation of settlement is approved by the Court of Chancery of the State of Delaware. There can be no assurance that the parties will ultimately enter into a stipulation of settlement or that the court will approve such settlement even if the parties were to enter into such stipulation. The settlement will not affect the consideration to be received by the Company stockholders in connection with the Offer and the Merger Agreement.

As part of the settlement, the Company agreed to make certain additional disclosures related to the Offer and the Merger Agreement, which are set forth in this Amendment to the Schedule 14D-9. This Amendment should be read in conjunction with the disclosures contained in the Schedule 14D-9, which in turn should be read in its entirety. As contemplated by the MOU, the release to be contained in the stipulation is in consideration of the additional disclosures in this Amendment. Nothing in this Amendment or any stipulation of settlement shall be deemed an admission of the legal necessity or materiality of any of the disclosures set forth in this Amendment.

**SIGNATURE**

After due inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
