On March 4, 2016, the Compensation Committee recommended, and on March 7, 2016, the Board approved, a key employee retention program pursuant to which the Company has made one time cash retention payments to certain executive officers and key employees. The key employee retention program and the payments made to each of the officers identified below were formulated with the input and based upon the recommendations of Longnecker & Associates, the independent compensation consultant engaged by the Compensation Committee. Pursuant to the key employee retention program, key employees receiving retention payments have entered into a key employee retention agreement with the Company pursuant to which they have agreed to continue their employment with the Company for a period of no less than twelve months from the date thereof or they will forfeit the full amount of the retention payment they receive (less any taxes withheld), provided that their employment is not terminated prior to such date by the Company without cause or by them with good reason, such as due to a material reduction in base salary or permanent relocation of their principal place of employment. The cash retention payments made to the Company's principal executive officer, principal financial officer and named executive officers for 2015 and 2016 are:
