Item 2.05 Costs Associated with Exit or Disposal Activities.

On July 25, 2016, the Board of Directors of Two Harbors Investment Corp. (the Company) approved a plan to discontinue the Company's mortgage loan conduit and securitization business. The Board adopted this plan for the purposes of reducing the Company's operational complexity, lowering costs and allowing for the reallocation of capital to more attractive and efficient investment opportunities. The wind down process is scheduled to be substantially completed by December 31, 2016, during which time the Company expects to complete one or more securitization transactions backed by mortgage loans it had previously acquired or committed to acquire, or sell such loans through one or more whole loan sales. This decision to discontinue the mortgage loan conduit and securitization business will result in the elimination of certain positions that provide services to the Company under its external management agreement with PRCM Advisers LLC.

The Company expects to incur one-time charges totaling approximately \$3.0 million in connection with the discontinuation of this business, consisting of an estimated \$1.4 million in long-term incentive amortization costs, \$0.5 million in lease and license termination expenses and \$1.1 million associated with reimbursements paid to PRCM Advisers LLC for certain severance costs incurred by the external manager. These expenses are expected to be substantially incurred in the second half of 2016.

Item 7.01 Regulation FD Disclosure.

On July 28, 2016, the Company issued a press release announcing its plan to discontinue its mortgage loan conduit and securitization business.
