Item 1.01. Entry into a Material Definitive Agreement.

On October 26, 2018, The Estée Lauder Companies Inc. (the **Company**) entered into a senior unsecured credit agreement (the **Agreement**) among the Company, the Eligible Subsidiaries of the Company, as defined therein (the **Eligible Subsidiaries**), the lenders listed therein (the **Lenders**), and JPMorgan Chase Bank, N.A., as administrative agent.

The Facility (as defined below) created by the Agreement replaced the Company's undrawn \$1.5 billion revolving credit facility entered into on October 3, 2016.

The Agreement provides for a 5-year revolving credit facility (the **Facility**) to the Company and the Eligible Subsidiaries (collectively, the **Borrowers**), in the amount of \$1.5 billion, of which the entire amount is currently undrawn and available. The proceeds of the loans made under this Agreement will be used by the Borrowers for general corporate purposes as shall be determined by the Company from time to time. The Facility commenced on October 26, 2018 and expires by its terms on October 26, 2023, unless extended for up to two additional years in accordance with terms set forth in the Agreement.

Up to the equivalent of \$500 million of the Facility will be available for multicurrency loans in Pounds Sterling, Euros, Japanese Yen, Swiss Francs, Canadian Dollars, Australian Dollars and Hong Kong Dollars. A portion of the Facility not to exceed \$100 million will be available for the issuance of letters of credit. The Facility may be increased, at the election of the Company, by up to \$500 million in accordance with the terms set forth in the Agreement.

The Company will guarantee the obligations of the Borrowers, other than itself, under the Agreement, pursuant to the terms set forth in the Agreement. Interest and fees payable under the Agreement shall be determined pursuant to the terms set forth in the Agreement.

The Agreement also contains certain affirmative and negative covenants customary for facilities of this type, including, furnishing to Lenders periodic financial information of the Company and all reports, proxy statements and registration statements filed with the Securities and Exchange Commission; paying and discharging, at or before maturity, material obligations and liabilities; maintenance of corporate existence and ability to do business; use of proceeds; limitations on ability to consolidate, merge or sell, lease or otherwise transfer all or substantially all assets; limitations on the incurrence of liens; limitations on the incurrence of debt by subsidiaries of the Company; and limitations on transactions with affiliates.

The Agreement also contains certain events of default customary for facilities of this type (with customary grace periods), including nonpayment of principal, interest, fees or other amounts when due; material inaccuracies of representations and warranties; violations of covenants; the occurrence of certain bankruptcy events; certain ERISA events; material judgments; changes of control; or the invalidity of the guaranty provided by the Company. Upon the occurrence of an event of default, any outstanding loans under the Agreement may be accelerated and/or the Lenders' commitments may be terminated; provided, however, that upon the occurrence of certain insolvency or bankruptcy related events of default, all amounts payable under the Agreement will automatically become immediately due and payable, and the Lenders' commitments will automatically terminate.

In the ordinary course of their respective businesses, one or more of the Lenders, or their affiliates, have or may have various relationships with the Company and its subsidiaries involving the provision of a variety of financial services, including cash management, commercial banking,

investment banking, advisory or other financial services, for which they received, or will receive, customary fees and expenses. In addition, the Company and its subsidiaries may have entered into interest rate and foreign exchange derivative arrangements with one or more Lenders, or their affiliates.

The foregoing does not constitute a complete summary of the terms of the Agreement. A copy of the Agreement is attached hereto as Exhibit 10.1 and is incorporated into this Item 1.01 by reference. The representations, warranties and covenants contained in the Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Agreement are not necessarily characterizations of the actual state of facts about the Company, the Borrowers and their subsidiaries

at the time they were made or otherwise and should be read only in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission. Investors are not third-party beneficiaries of, and should not rely upon, such representations, warranties and covenants.

Item 1.02. Termination of a Material Definitive Agreement.

As described in Item 1.01, in connection with entering into the new Agreement, the Company terminated on October 26, 2018, the credit agreement dated as of October 3, 2016, by and among the Company, the Eligible Subsidiaries of the Company, as defined therein, the lenders listed therein, JPMorgan Chase Bank, N.A., as administrative agent, Citibank, N.A., BNP Paribas, Bank of America, N.A. and The Bank of Tokyo-Mitsubishi UFJ, Ltd., as syndication agents (the 2016 Agreement).
