CUSIP/ISIN for the Depositary Shares:

***A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.**

Ratings Event means that any nationally recognized statistical rating organization as defined in Section 3(a)(62) of the Securities Exchange Act of 1934, as amended or in any successor provision thereto, that then publishes a rating for us (a rating agency) amends, clarifies or changes the criteria it uses to assign equity credit to securities such as the Preferred Stock, which amendment, clarification or change results in:

- the shortening of the length of time the Preferred Stock is assigned a particular level of equity credit by that rating agency as compared to the length of time they would have been assigned that level of equity credit by that rating agency or its predecessor on the initial issuance of the Preferred Stock; or
- the lowering of the equity credit (including up to a lesser amount) assigned to the Preferred Stock by that rating agency as compared to the equity credit assigned by that rating agency or its predecessor on the initial issuance of the Preferred Stock.

If we redeem the Preferred Stock in whole or in part, the Depositary will redeem a proportionate number of Depositary Shares.
