PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
NOVEMBER 14, 2001

This Proxy Statement relates to the Annual Meeting of the stockholders (the "Annual Meeting") of Imperial Industries, Inc., a Delaware corporation (the "Company") to be held at 10:00 A.M., local time, on November 14, 2001 at the Hyatt Regency Hotel, 400 S. E. 2nd Avenue, Miami, Florida, and at any and all postponements or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting.

We will begin sending this Proxy Statement, the attached Notice of Annual Meeting and the accompanying Proxy Card to our stockholders who are entitled to vote at the Annual Meeting on or about September 19, 2001. Common stock is the only class of voting stock that is issued and outstanding. Stockholders who owned common stock as of the close of business on September 17, 2001 will be entitled to vote at the Annual Meeting.

WHY THIS PROXY STATEMENT IS BEING SENT

This Proxy Statement and the enclosed Proxy Card are being sent to you because the Company's Board of Directors is soliciting proxies from stockholders to vote at the Annual Meeting. This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. If you do not wish to attend the Annual Meeting to vote your shares, you may instead complete, date, sign and return the enclosed Proxy Card to vote.

WHAT IS BEING VOTED ON AT THE ANNUAL MEETING

The Company's Board of Directors is asking stockholders to vote on and to approve the following matters:

- The election of two Class III directors for a term of three years each;
- An amendment to the Company's Certificate of Incorporation in order to increase the number of authorized shares of Common Stock.

WHO MAY VOTE

Stockholders who owned common stock at the close of business on September 17, 2001 are entitled to vote at the Annual Meeting (the Record Date). On the Record Date, we had issued and outstanding 9,220,434 shares of common stock. Common stock is the only issued and outstanding class of voting stock. You do not have cumulative voting rights. You have one vote for each share of common stock that you own.

VOTES NEEDED FOR A QUORUM

A majority of the shares of common stock that is issued and outstanding on the Record Date must be present or voted by proxy for a quorum at the Annual

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

Meeting. If you return your Proxy Card or attend the Annual Meeting in person, your common stock will be counted for the purpose of determining whether a quorum exists, even if you wish to abstain from voting on any or all of the matters presented at the Annual

Meeting. In determining whether a quorum exists at the Annual Meeting, all votes "for" or "against," as well as abstentions will be counted. Broker non-votes will also be counted as present or represented for the purpose of determining whether a quorum is present for the transaction of business. If you hold your common stock through a broker, bank or other nominee, generally the nominee may only vote the common stock which it holds for you in accordance with your instructions. We do not count abstentions or broker non-votes as for or against any proposal.

If a quorum is not present at the Annual Meeting, no official business can be conducted. However, if a quorum is not present or represented at the Annual Meeting, the stockholders who do attend the Annual Meeting in person or who are represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented. At any adjournment where there is a quorum, any business may be transacted that might have been transacted at the original meeting.

HOW YOU MAY VOTE BY PROXY

A proxy is a person you appoint to vote on your behalf. Because many of our stockholders are unable to attend the Annual Meeting in person, the Board of Directors solicits proxies by mail to give each stockholder an opportunity to vote on all matters that will come before the Annual Meeting. In order to ensure that your vote will be recorded, you are urged to:

- Read this Proxy Statement carefully;
- Specify your choice on each matter by marking the appropriate box on the enclosed Proxy Card; and
- Sign, date and return the Proxy Card in the enclosed envelope.

By signing the Proxy Card, you will be designating S. Daniel Ponce and Howard L. Ehler, Jr. as your proxies. They may act together or individually on your behalf and will have the authority to appoint a substitute to act as proxy. They will vote your shares in accordance with your directions. However, if you sign and return the Proxy Card without instructions marked on it, it will be voted FOR the nominees for Class III director listed on the Proxy Card and FOR the amendment to our Certificate of Incorporation increasing the authorized common stock. If any other matter is validly presented at the Annual Meeting, your proxies will vote in accordance with their best judgement. We do not currently know of any other matter that will be acted on at the Annual Meeting.

HOW YOU CAN REVOKE YOUR PROXY

You may revoke your proxy at any time prior to the Annual Meeting by doing any of the following:

- giving written notice of its revocation to the Company,
- by submission of another duly executed proxy dated after the Proxy Card to be revoked, or

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

- by attending the Annual Meeting and voting in person.

Your mere presence at the Annual Meeting will not revoke the prior appointment.

VOTE REQUIRED TO APPROVE A PROPOSAL

Each stockholder is entitled to one vote for each share of common stock registered in his name on the Record Date for each matter brought before the stockholders at the Annual Meeting. The two nominees for directors for Class III receiving the highest number of votes will be elected for the term of such directorship. The adoption of the amendment to the Certificate of Incorporation will require the affirmative vote of not less than a majority of the issued and outstanding shares of common stock as of the Record Date.

- 2 -

VOTING IS CONFIDENTIAL

Proxy Cards, ballots and tabulations that identify individual stockholders are confidential. Only the inspectors of election and certain of our employees associated with processing Proxy Cards and counting votes have access to your Proxy Card. Additionally, all comments directed to the Company (whether written on the Proxy Card or elsewhere) remain confidential, unless you ask that your name be disclosed.

THE COMPANY PAYS THE COST OF SOLICITATION OF PROXIES

The Company will pay all expenses associated with this proxy solicitation. Such costs include preparing, printing, assembling and mailing the Notice of Annual Meeting, the Proxy Statement and the Proxy Card, as well as all costs of soliciting proxies. We will primarily solicit proxies by mail. However, our officers, directors and regular employees may solicit by telephone, facsimile transmission, e-mail or in person. Such officers, directors and employees would not receive additional compensation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record by such persons and we will reimburse such persons, including our transfer agent, for their reasonable out-of-pocket expenses in forwarding such materials. We may retain the services of a proxy solicitation firm to solicit proxies and will pay all reasonable costs associated with such firm.

ELECTION OF DIRECTORS

The Board of Directors is currently divided into three classes, having three year terms that expire in successive years. Directors hold office until the expiration of their respective terms and until their successors are elected or until death, resignation or removal.

Class III Directors' terms expire with the 2001 Annual Meeting. Accordingly, Class III Directors will be elected at the Annual Meeting. Class III directors will serve until the 2004 Annual Meeting or until their successors are elected.

The Board of Directors propose that the nominees described below, be

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

elected as Class III Directors for the term specified above and until their respective successors are duly elected and qualified, except in the event of their earlier death, resignation or removal. Each of the nominees has consented to serve for the term of such Class. We have no reason to believe that any of the nominees will be unable or unwilling to serve, if elected. If any nominee should become unavailable prior to the election, the accompanying Proxy Card will be voted for the election, in his or her stead, of such other person as the Board of Directors may recommend.

REPORT OF THE AUDIT COMMITTEE

The Securities and Exchange Commission rules now require the Company to include in its proxy statement a Report of the Audit Committee. The Report concerns the Audit Committee's activities regarding oversight of the Company's financial reporting and auditing process. THE REPORT OF THE AUDIT COMMITTEE DOES NOT CONSTITUTE SOLICITING MATERIAL AND SHOULD NOT BE DEEMED FILED OR INCORPORATED BY REFERENCE INTO ANY OTHER COMPANY FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES THIS REPORT BY REFERENCE THEREIN.

The Company's Audit Committee is comprised of three non-employee members of the Company's Board of Directors and operates under a written charter adopted by the Audit Committee and approved by the Board of Directors. The complete text of the Audit Committee Charter which reflects standards set forth in new Securities and Exchange Commission rules, is reproduced in Appendix "B" to this Proxy Statement. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, are as reflected in the Audit Committee Charter.

All three current members of the Audit Committee are independent as defined by the listing standards of the NASDAQ Stock Market, promulgated by the National Association of Securities Dealers, Inc.

As set forth in more detail in the Audit Charter, the Audit Committee's primary responsibilities fall into three broad categories:

- FINANCIAL REPORTING OVERSIGHT. The Audit Committee is charged with monitoring the preparation of quarterly and annual financial statements by the Company's management, including discussions with management and the Company's independent auditors about draft annual financial statements and other accounting and reporting matters.
- INDEPENDENT AUDITOR RELATIONSHIP. The Audit Committee is responsible for matters concerning the relationship between the Company and its independent auditors, including recommending their appointment or removal; reviewing the scope of their audit services and related fees, as well as other services being provided to the Company; and determining whether such auditors are independent; and
- INTERNAL CONTROLS OVERSIGHT. The Audit Committee oversees management's implementation of effective systems of internal controls, including review of policies relating to regulatory compliance, ethics and conflicts of interest.

During the year ended December 31, 2000, the Audit Committee met two (2) times. The meetings were designed to facilitate and encourage private communications between the members of the Audit Committee, management and the Company's independent auditors, PricewaterhouseCoopers, LLP. The Audit Committee reports on its activities to the full Board of Directors, usually at the next Board meeting.

The Company's management is responsible for the preparation,

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls. PricewaterhouseCoopers, LLP. is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

- 6 -

The functions of the Audit Committee are not intended to duplicate, or to certify, the activities of management and the independent auditors. The Audit Committee provides a Board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters.

In overseeing the preparation of the Company's consolidated financial statements, the Audit Committee met with both management and representatives of PricewaterhouseCoopers, LLP. to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with generally accepting accounting principles and the Audit Committee discussed the financial statements with both management and the independent auditors. The Audit Committee's review included discussion with the independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, "Communication with Audit Committees."

PricewaterhouseCoopers, LLP., also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee discussed the independence of PricewaterhouseCoopers, LLP., including the compatibility of non-audit services provided by such firm with its independence to the Company.

Following the Audit Committee's discussions with management and PricewaterhouseCoopers, LLP., the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2000. The Audit Committee has not yet made a recommendation as to the independent auditors for the Company's financial statements for the fiscal year ending December 31, 2001.

Respectfully Submitted,

AUDIT COMMITTEE

THE FOLLOWING REPORT OF THE COMPENSATION COMMITTEE, AND THE STOCK PERFORMANCE GRAPH INCLUDED ELSEWHERE IN THIS PROXY STATEMENT DO NOT CONSTITUTE SOLICITING MATERIAL AND SHOULD NOT BE DEEMED FILED OR INCORPORATED BY REFERENCE INTO ANY OTHER COMPANY FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES THIS REPORT IN THE STOCK PERFORMANCE GRAPH BY REFERENCE THEREIN.

The Company's executive compensation program is administered by the Compensation and Stock Option Committee (the "Compensation Committee") of the Company's Board of Directors. The Compensation Committee is comprised entirely of outside, non-employee directors, whose role is to review and approve salaries and other compensation of the executive officers of the Company. The Compensation Committee also reviews and approves various other Company compensation policies and matters and administers the each of the Company's stock option plans, including the review and approval of stock option grants to the executive officers of the Company.

COMPENSATION POLICIES APPLICABLE TO EXECUTIVE OFFICERS

The primary goal of the Compensation Committee is to establish a relationship between executive compensation and the creation of shareholder value, while motivating and retaining key employees. The Company's compensation program for executives consists of two key components:

- Cash compensation, consisting of (a) a base salary and (b) performance-based annual cash bonuses related to corporate profitability and individual accountability; and
- Long-term incentive compensation through the periodic grant of stock options and restricted stock awards.

The Company believes that this approach best serves the interests of the Company and its shareholders. The base salary enables the Company to meet the requirements of the highly competitive industry environment, while ensuring that executive officers are compensated in a way that advances both the short and long term interests of shareholders. Cash bonuses are intended to reward executive officers for meeting or exceeding corporate performance goals, as measured by financial results and other quantitative events. Stock options and restricted stock awards relate a significant portion of long-term remuneration directly to stock price appreciation realized by all of the Company's shareholders.

BASE SALARY

The Compensation Committee is responsible for establishing base salaries for the Company's executive officers, as well as changes in such salaries (other than as required by contracts). The Compensation Committee considers such factors as competitive industry salaries; a subjective assessment of the nature of the position; the contributions and experience of such officer and the length of the officers' service with the Company.

The Compensation Committee annually establishes an executive's base salary, subject to any long term contractual obligations, based upon an evaluation of the executive's level of responsibility and individual performance, considered in light of competitive pay practices.

PERFORMANCE-BASED CASH COMPENSATION

The Compensation Committee believes that a significant portion of the total cash compensation for its executive officers should be based upon the Company's achievement of specific performance criteria and the Compensation Committee's subjective evaluation of each executive's perceived responsibility

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

for the Company's performance. Cash bonuses are strictly discretionary on the part of the Compensation Committee. However, the Compensation Committee recognizes that the purpose of cash bonuses is to motivate and reward eligible employees for good performance by making a portion of their cash compensation dependent on overall corporate profitability.

- 8 -

At the beginning of each fiscal year, the Board of Directors establishes a business plan and budget for the Company which contains specific performance goals. At the end of each fiscal year, the Compensation Committee determines the propriety of awarding cash bonuses. Such determination takes into account the Company's performance and the operating results for the year, industry trends, the impact of strategic planning and the achievement of personal performance goals of each executive. The Compensation Committee also takes into account each executive's efforts in positioning the Company for future growth, even if initial efforts do not immediately result in a positive impact on the Company's financial condition.

STOCK OPTIONS AND RESTRICTED STOCK AWARDS

Stock options and restricted stock awards are granted by the Company to aid in the hiring or retention of employees and to align the interests of the employees with those of the shareholders. Stock options and stock ownership directly link a portion of an employee's compensation to the interests of shareholders by providing an incentive to maximize shareholder value. Stock options have value only if the price of the Company's stock increases above the fair market value on the grant date and the employee remains in the Company's employ until the stock options become exercisable.

The Company has an Employee Stock Option Plan (the "Employee Plan") for executive officers and other employees. The Employee Plan is generally used for making grants to executive officers and other employees as part of the Company's performance review. Stock option grants may be made to executive officers upon initial employment, upon promotion to a new, higher level position that entails increased responsibility, in connection with the execution of a new employment agreement or as further incentive to such executive officers. Annual stock option grants for executives are a key element of a market competitive total compensation package. In determining the number of stock options to be granted, the Compensation Committee receives recommendations from management and then reviews the current option holdings of the executive officers; their positions and length of service with the Company and subjective criteria on performance. It then determines the number of options to be granted based upon the principle of rewarding performance and providing continuing incentives to contribute to stockholder value. Using these guidelines, the Compensation Committee granted options in 2000 to all executive officers and certain supervisory employees in varying amounts. Stock options under the Employee Plan are granted at a price equal to the fair market value of the common stock on the date of grant.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Company does not have a designated Chief Executive Officer. However, the similar functions have been designated the responsibility of Howard L. Ehler, Jr., who serves as Executive Vice President, Principal Executive Officer, Chief Operating Officer and Chief Financial Officer. The Compensation Committee's basis for compensation of Mr. Ehler is based on the philosophy discussed above. In recognition of his service and commitment to the past and future success of the Company and to secure his services for the future, the Company entered into an employment agreement in 1993, which automatically renews

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

each year unless either party gives written non-renewal within a specified time set forth in the employment agreement. Mr. Ehler's base salary for calendar year 2000 was \$140,000 and has been increased to \$150,000 for fiscal year 2001.

In establishing Mr. Ehler's base salary for 2001, the Compensation Committee reviewed salaries of chief executive officers of comparable companies within its industry, as well as other industries, and Mr. Ehler's responsibilities within the Company. Factors taken into consideration included a subjective evaluation of Mr. Ehler's performance, changes in the cost of living, competitors' size and performance and the Company's achievements.

- 9 -

Mr. Ehler's employment agreement provides for the right to earn annual cash bonuses determined in the discretion of the Company's Board of Directors. Such bonus awards are based upon incentive bonus criteria established by the Compensation Committee in each fiscal year in its discretion. Mr. Ehler received a cash bonus for 2000 in the amount of \$30,000.

In 2000, the Compensation Committee awarded Mr. Ehler options to purchase 10,000 shares of common stock pursuant to the Employee Plan. These options vested 100% at the end of six months and are fully exercisable for the balance of their term. The exercise price of the options was the fair market value of the underlying common stock on September 27, 2000, the date the Employee Plan was approved by the Company's shareholders. All such options expire at the end of five (5) years following the date of grant, if not exercised. In addition, the Company issued to Mr. Ehler an aggregate of 100,000 shares of common stock during 2000 in recognition of his service to the Company over the past several years.

EXECUTIVE SEVERANCE PACKAGES

In response to the increase in merger and acquisition activities in recent years within the industry and to provide the Company's principal executive officer with further incentive to remain with the Company, the Compensation Committee in 1993 granted Mr. Ehler an executive severance package protecting him in the event of change of control of the Company. The severance package is contained in Mr. Ehler's employment agreement. The severance package for Mr. Ehler is described in "Summary Compensation" above. The severance package is reviewed annually to determine if it is in the best interest of the Company to make any modifications. The Compensation Committee determined the severance package is fair to the Company and Mr. Ehler.

IMPACT OF SECTION 162(M) OF THE INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-held corporations for compensation in excess of \$1,000,000 paid for any fiscal year to the Company's Chief Executive Officer and the four (4) other most highly compensated officers. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met. The policy of the Compensation Committee is to structure the compensation of the Company's executive officers to avoid the loss of the deductibility of any compensation, even though Section 162(m) does not preclude the payment of compensation in excess of \$1,000,000. Notwithstanding, the Compensation Committee reserves the authority to award non-deductible compensation in circumstances as it deems appropriate. The Company believes that Section 162(m) will not have any effect on the deductibility of the compensation of any executive officer for 2001.

PROPOSAL TO AMEND CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED CAPITAL STOCK

GENERAL. The Board of Directors has determined that it would be advisable to amend Paragraph FOURTH of the Company's Certificate of Incorporation to increase the authorized capital stock of the Company such that the aggregate number of shares which the Company shall have authority to issue shall be increased from 25,000,000 shares to 45,000,000 shares, of which 40,000,000 shares shall be designated "Common Stock" and 5,000,000 shares shall be designated as "Preferred Stock" (the "Capital Stock Amendment").

The Board of Directors has unanimously adopted and declared it advisable and unanimously recommends to the Company's stockholders that Paragraph FOURTH of the Company's Certificate of Incorporation be amended as described herein. A copy of Paragraph FOURTH of the Company's Certificate of Incorporation, as proposed to be amended, is attached as Appendix "A" to the Proxy Statement.

INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK. The Board of Directors has approved, subject to stockholder approval at the Annual Meeting, an increase in the number of authorized shares of Common Stock from 20,000,000 to 40,000,000. As of the Record Date, 9,220,434 shares of Common Stock were outstanding and 365,000 shares reserved for issuance in relation to outstanding options and warrants. Accordingly, there are only 10,414,566 authorized shares of Common Stock presently unissued and not reserved for future issuance. No change in the authorized shares of Preferred Stock is being requested,

REASONS FOR APPROVAL OF CAPITAL STOCK AMENDMENT. The Board of Directors considers the proposed authorization of an additional 20,000,000 shares of Common Stock desirable because it would provide the Company with the ability to take advantage of future opportunities for the issuance of equity securities in

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

connection with financings, possible future acquisitions, other programs to facilitate expansion and growth and for other general corporate purposes, including stock dividends, stock splits and employee benefit plans, without the delay and expense incident to the holding of a special meeting of stockholders to consider any specific issuance. Such additional shares of Common Stock could be issued in public or private offerings in order to raise capital for various purposes. Authorized, but unissued shares, may be issued at such time or times, to such person or persons and for such consideration as the Board of Directors determines to be in the best interest of the Company, without further authorization from the Stockholders, subject to the listing rules of any principal securities exchange or automated quotation system that the Company's Common Stock may be subject at any time in the future..

The authorization of additional shares of Common will not, by themselves, have any effect on the right of holders of existing shares of Common Stock. Any new shares of Common Stock, when issued, would have the same rights and privileges as the shares of Common Stock presently outstanding.

To the extent that any shares of Common Stock may be issued on other than a pro rata basis to current stockholders, the present ownership position of current stockholders may be diluted. Such shares may also be issued to dilute the stock ownership of persons seeking to obtain control of the Company, and thereby defeat a possible takeover attempt which (if stockholders were offered a premium over the market value of their shares) might be viewed as being beneficial to stockholders of the Company. Management of the Company is not aware of any possible takeover attempt at this time.

Currently, the Company does not have any specific plans, commitments, agreements or understandings relating to the issuance of any shares of Common Stock. The timing of the actual issuance of Common Stock will depend on market conditions, the specific purpose for issuance and other similar factors.

POSSIBLE ANTI-TAKEOVER EFFECTS OF CAPITAL STOCK AMENDMENT. The primary purpose of the Capital Stock Amendment is to provide the Company with the flexibility to raise additional capital from the sale of Common Stock and to take advantage of possible future opportunities for which the issuance of such shares may be deemed advisable without the delay and expense incident to calling a special meeting of the Company's stockholders in any case in which such a meeting would not be otherwise required.

- 15 -

The issuance of additional shares of Common Stock, or shares of a series of Preferred Stock, may be deemed to have an anti-takeover effect since such shares may be used, under certain circumstances, to create voting impediments to frustrate persons seeking to effect a takeover or otherwise gain control of the Company. The increase in authorized capital stock may also be viewed as having the effect of discouraging an attempt by another person or entity, through the acquisition of a substantial number of shares of Common Stock, to acquire control of the Company, since the issuance of additional shares of Common Stock may be used to dilute such person's ownership of shares of Company's voting stock.

The Capital Stock Amendment has not been proposed as an anti-takeover measure, nor is the Board of Directors aware of any offers to acquire control of the Company. It should be noted that any action taken by the Company to discourage an attempt to acquire control of the Company may result in stockholders not being able to participate in any possible premiums which may otherwise be obtained in the absence of anti- takeover measures. Any transaction

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

which may be so discouraged or avoided could be a transaction that the Company's stockholders might consider to be in their best interests. However, the Board of Directors has a fiduciary duty to act in the best interest of the Company at all times.

VOTE REQUIRED AND BOARD RECOMMENDATIONS. The adoption of the Capital Stock Amendment requires the affirmative vote of not less than a majority of the votes entitled to be cast by all shares of Common Stock issued and outstanding on the Record Date. If the proposed Capital Stock Amendment is approved by the Stockholders, it will become effective upon filing and recording of a Certificate of Amendment as required by the Delaware General Corporation Law. If the Capital Stock Amendment is not approved, the Company's authorized capital stock will not change. The effect on an abstention or a broker non-vote is the same as that of a vote against the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE PROPOSED INCREASE IN THE NUMBER OF SHARES OF AUTHORIZED COMMON STOCK OF THE COMPANY.

APPENDIX B

IMPERIAL INDUSTRIES, INC. AUDIT COMMITTEE CHARTER

The IMPERIAL INDUSTRIES, INC. (the "Company") Audit Committee (the "Audit Committee") shall be comprised of at least two members of the Company's Board of Directors. A majority of the members of the Audit Committee shall be independent directors as that term is defined by the rules and regulations of the National Association of Securities Dealers, Inc. (the "NASD"). An independent director may not be an officer of the Company and must be otherwise free of any relationship that could influence his or her judgment as an Audit Committee member in the reasonable judgement of the Board of Directors. Further, an independent director should not be associated with a major vendor to, or customer of, the Company if, in the opinion of the Board of Directors, such

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

association would impair independence. When there is some doubt about independence, as when a member of the Audit Committee has a short-term consulting contract with a major customer, the Audit Committee member should recuse himself or herself from any decisions that might be influenced by that relationship.

The principal duties of the Audit Committee are to monitor the preparation of quarterly and annual financial reports and statements; to recommend the appointment of independent auditors; meet with the Company's independent auditors to review the arrangements for, and scope of, the audit by the independent auditors and the fees related to such work; review the independence of the independent auditors; consider the adequacy of the Company's system of internal accounting controls; review and monitor the Company's policies regarding conflicts of interest; and provide a report to be included in the Company's proxy statement for the annual meeting of shareholders regarding the responsibilities of the Audit Committee.

In addition, the Audit Committee may review and evaluate equity and debt financings of the Company and address its findings and recommendations to the full Board of Directors or such committee of the Board of Directors as may be warranted.

AUTHORITY OF THE AUDIT COMMITTEE

The Company's management bears primary responsibility for the Company's financial and other reporting, for establishing the system of internal controls and for ensuring compliance with laws, regulations and Company policies. The Audit Committee's responsibilities and related key processes are described in this charter. The Audit Committee generally has the authority and is charged with the following:

1. To provide open avenues of communication between the Board of Directors and the independent accounting firm selected to audit the Company's financial statements.
2. To conduct or authorize investigations into matters within the Audit Committee's scope of responsibilities. The Audit Committee is authorized to retain independent counsel, accountants, or others it needs to assist in an investigation.
3. To meet as frequently as necessary in the reasonable judgement of the Audit Committee Chairman. The Audit Committee Chairman has the power to call an Audit Committee meeting whenever he or she thinks there is a need. Audit Committee members may attend meetings by teleconference. The Audit Committee may ask members of management or others to attend meetings and is authorized to receive all pertinent information from management.

RESPONSIBILITIES FOR ENGAGING INDEPENDENT ACCOUNTANTS

The independent accounting firm engaged to handle the audit of the Company's financial statements are responsible primarily to the Board and the Audit Committee. In carrying out the Audit Committee's responsibilities, the Audit Committee shall:

1. Recommend the appointment or removal of independent accountants for Company audits. The Audit Committee's recommendation is subject to approval by the full Board of Directors and shareholders of the Company, if necessary.

Edgar Filing: IMPERIAL INDUSTRIES INC - Form DEF 14A

2. Review and set any fees paid to the independent accountants.
3. Consider, in consultation with the independent accountants, the audit scope and procedural plans made by such independent accountants.
4. Review issues with management and the independent accountants if either thinks there might be a need to engage additional auditors. The Audit Committee will decide whether to engage an additional firm, and if so, which one.
5. Review the independence of the independent accountants, including review of the formal written statement to be provided annually from such independent accountants delineating all relationships between the Company and the independent accountants consistent with Independence Standards Board Standard No. 1.
6. Review with the independent accountants the extent of non-audit services provided by such firm and related fees that may impact such independent accountants' independence from the Company.

RESPONSIBILITIES FOR FINANCIAL REPORTING

The Audit Committee shall monitor the preparation by management of the Company's quarterly and annual external financial reports. In carrying out such responsibilities, the Audit Committee shall:

1. Review with management and/or the independent accountant significant risks and exposures brought to its attention and will assess management's steps to minimize them.
2. Review the accounting and reporting treatment of significant transactions outside the Company's normal operations.
3. Review with management and the independent accountants significant changes to the Company's accounting principles or their application as reflected in the financial reports.

 - (c) The independent accountants' qualitative judgments of accounting principles and financial disclosures.
