GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the annual shareholders meeting and the voting of shares at the meeting.

Where and when will the annual meeting be held?

The date, time and place of the meeting are:

June 14, 2006

10:00 a.m. (New York City time)

The law offices of Paul, Hastings,

Janofsky & Walker LLP

75 East 55th Street,

New York, New York 10022

Why did you send me this proxy statement?

We sent you this proxy statement and the enclosed proxy card because our board of directors is asking for your proxy to vote your shares at the annual meeting. We have summarized information in this proxy statement that you should consider in deciding how to vote at the meeting. But you don't have to attend in order to vote your shares. Instead, you may simply complete, sign, and return the enclosed proxy card.

Who can vote?

You can vote your shares of class A common stock if our records show that you were the owner of the shares as of the close of business on April 26, 2006, the record date determining the shareholders who are entitled to vote at the annual meeting. As of April 26, 2006, there were a total of 15,325,277 shares of our class A common stock outstanding and entitled to vote at the annual meeting. You get one vote for each share of class A common stock that you own. The enclosed proxy card shows the number of shares you can vote.

How are votes counted?

If you abstain or withhold votes, your abstention or withheld vote will not be counted as votes cast and will have no effect on the result of the vote on the election of directors and the ratification of the appointment of Ernst & Young LLP as our independent auditors.

What is the required vote for approval?

The election of each of our nominees for director requires a plurality of the votes cast at the annual meeting, and the ratification of the appointment of Ernst & Young LLP as our independent auditors requires a majority of the votes cast at the annual meeting on such matter.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on the matters to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The individuals named and designated as proxies in the proxy card will vote your shares as you instruct. You have the following choices in completing your voting:

You may vote on each proposal, in which case your shares will be voted in accordance with your choices.

In voting on directors, you can either vote **FOR** all directors or withhold your vote on all or certain directors specified by you.

You may abstain on the proposal to ratify the appointment of Ernst & Young LLP as our independent auditors, in which case no vote will be recorded.

You may return a signed proxy card without indicating your vote on any matter, in which case the designated proxies will vote to elect all nine nominees as directors and ratify the appointment of Ernst & Young LLP as our independent auditors.

We will hold the annual meeting if shareholders representing the required quorum of shares of class A common stock entitled to vote either sign and return their proxy cards or attend the meeting. A majority of the shares of class A common stock entitled to vote at the meeting present in person or by proxy will constitute a quorum. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated on the proxy card.

2

What if other matters come up at the annual meeting?

The only matters we now know of that will be voted on at the annual meeting include the proposals we have described in this proxy statement: the election of nine directors and the proposal to ratify the appointment of Ernst & Young LLP as our independent auditors for 2006. If other matters are properly presented at the meeting, the designated proxies will vote your shares in their discretion.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving us a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card or by attending the annual meeting and voting your shares in person. Your attendance at the annual meeting will not, by itself, revoke a proxy previously given by you. We will honor the proxy card with the latest date.

Proxy revocation notices or new proxy cards should be sent to Capital Trust, Inc. c/o American Stock Transfer & Trust Company, 6201 Fifteenth Avenue, Brooklyn, New York 11219, Attention: Paula Caroppi.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person even if you have submitted a proxy card.

Will my shares be voted if I do not provide my proxy?

Your shares may be voted if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the New York Stock Exchange rules to cast votes on certain routine matters if they do not receive

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, that party will give you instructions for voting your shares. If your shares are held in street name and you would like to vote your shares in person at the annual meeting, you must contact your broker, bank or other nominee to obtain a proxy from the record holder of your shares.

Who will count the votes?

Representatives of American Stock Transfer & Trust Company will count the votes and will serve as the independent inspector of election.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We do not expect to engage an outside firm to solicit votes, but if such a firm is engaged subsequent to the date of this proxy statement, the cost is estimated to be less than \$10,000, plus reasonable out-of-pocket expenses.

instructions from their customers. The election of directors and the proposal to ratify the appointment of Ernst & Young LLP as our independent auditors are considered routine matters for which brokerage firms may vote unvoted shares.

PROPOSAL 1 ELECTION OF DIRECTORS

The number of directors that comprise our entire board of directors has been fixed at nine. Nine nominees will be proposed for election as directors at the annual meeting to hold office until our next annual meeting of shareholders and until their successors are duly elected and qualify. All nine nominees currently serve on our board of directors.

All of the nominees are willing to serve as directors but, if any of them should decline or be unable to act as a director, the individuals designated in the proxy cards as proxies will exercise the discretionary authority provided to vote for the election of such substitute nominee selected by our board of directors, unless the board alternatively acts to reduce the size of the board or maintain a vacancy on the board in accordance with our bylaws. The board of directors has no reason to believe that any such nominees will be unable or unwilling to serve.

Our board of directors considered transactions and relationships between each director or any member of his or her immediate family and the company and its subsidiaries and affiliates. Our board of directors has determined that Messrs. Dobrowski, Hyman, Nassau and Polan and Dr. Sagalyn are independent under the criteria for independence set forth in the listing standards of the New York Stock Exchange, and therefore, upon the election of all nine nominees, we will meet the New York Stock Exchange requirement for a majority of independent directors serving on the board of directors.

Shareholders may recommend nominees for consideration by the corporate governance committee by submitting the names and the following supporting information to our secretary at: Secretary, Shareholder Nominations, Capital Trust, Inc., 410 Park Avenue, 14th Floor, New York, New York 10022.

York 10022. The submissions should include a current resume and curriculum vitae of the candidate and a statement describing the candidate's qualifications and contact information for personal and professional references. Director Attendance at Annual Meeting of Shareholders. We do not have a formal policy regarding attendance by directors at our annual meeting of shareholders but invite and encourage all directors to attend. We make every effort to schedule our annual meeting of shareholders at a time and date to permit attendance by directors, taking into account the directors' schedules and the timing requirements of applicable law. At our last annual meeting, which was held on June 14, 2005, three directors attended.

Compensation of Directors

Generally, our non-employee directors are not paid any cash fees for their services as such, but rather are compensated with an annual award of stock units under our amended and restated 1997 non-employee director stock plan with a value equal to \$30,000. However, one of our non-employee directors has elected and will continue to be paid an annual cash retainer of \$30,000. The number of stock units awarded to each director, which are convertible into an equal number of shares of class A common stock according to individual deferral elections set by each director, is determined quarterly in arrears by dividing one-quarter of the annual retainer amount (\$7,500) by the average closing price of the class A common stock for the quarter. The stock units vest when issued. There is currently no separate compensation for service on committees of the board of directors. All directors are also reimbursed for travel expenses incurred in attending board and committee meetings.

Compensation Committee Interlocks and Insider Participation

During 2005, the compensation committee of the board of directors was comprised of Mr. Polan and Dr. Sagalyn; Jeffrey A. Altman served on the committee but only until his resignation from our board of directors effective February 7, 2005. None of the committee's members was

employed by us as an officer or employee during 2005. No committee member had any interlocking relationships requiring disclosure under applicable rules and regulations.

For a description of certain relationships and transactions with members of the board of directors or their affiliates, see Certain Relationships and Related Transactions beginning on page 27.

Report of the Audit Committee of the Board of Directors*

Our board of directors' audit committee carries out oversight functions with respect to the preparation, review and audit of our financial statements, our system of internal controls and the qualifications, independence and performance of our internal auditor consultants and independent auditors and operates under a written charter adopted by the board of directors. The charter can be viewed, together with any future changes that may occur, on our website at www.capitaltrust.com. The audit committee has the sole authority and responsibility to select, evaluate and, as appropriate, replace our independent auditors. The audit committee members are independent within the meaning of the applicable New York Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Our management is responsible for the development, maintenance and evaluation of internal controls and procedures and the financial reporting system, the maintenance of appropriate accounting and financial reporting principles or policies and the preparation of financial statements in accordance with generally accepted accounting principles. Our independent auditors perform an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issue a report thereon. The audit committee's responsibility is to monitor and oversee the foregoing functions.

The audit committee has met and held discussions with management and the independent auditors with respect to our consolidated financial statements for fiscal year 2005 and related matters. Management advised the committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles and the committee has reviewed and discussed the consolidated financial statements with management and our independent auditors, Ernst & Young LLP. Our independent auditors presented to and reviewed with the audit committee the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Our independent auditors also provided to the committee the written disclosures and the letter from the auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and in connection therewith the committee discussed with the independent auditors their views as to their independence. The audit committee also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Ernst & Young LLP. The audit committee meetings include, whenever appropriate, executive sessions with our independent auditors without the presence of our management.

In undertaking its oversight function, the audit committee relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The audit committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits, whether the company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or on the effectiveness of the system of internal control.

* The material in this report is not solicitation material, is not deemed filed with the Securities and Exchange Commission, and is not incorporated by reference in any filing of the company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any filing.

Based on the audit committee's considerations, discussions with management and the independent auditors as described above, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The employment agreement provides for Mr. Klopp's employment through December 31, 2008 (subject to earlier termination under certain circumstances as described below).

Under the employment agreement, Mr. Klopp will receive a base salary of \$600,000 per year, subject to possible increase by our board of directors. The agreement provides for annual performance compensation awards, pursuant to our amended and restated 2004 long-term incentive plan, referred to as the 2004 Plan, tied to the achievement of threshold, target or maximum performance criteria set by the compensation committee of the board each year after consultation with Mr. Klopp. Under the first of these awards, Mr. Klopp can earn an annual cash bonus ranging from 100% of base salary at threshold performance to 200% of base salary at maximum performance, with a target of 150% of base salary at target performance. Under the other award, Mr. Klopp can earn shares of restricted and performance stock, subject to further vesting, with a value ranging from \$250,000 at threshold performance to \$750,000 at maximum performance, with a target of \$500,000 at target performance. The restricted stock, representing 50% of shares so earned, will vest in equal installments over the three year period from the date of issuance and the performance stock, representing 50% of shares so earned, will vest on the fourth anniversary from the date of issuance provided the total shareholder return during the vesting period is at least 13% per annum.

Pursuant to the agreement, Mr. Klopp was granted, as of the effective date and pursuant to the 2004 Plan, an initial award of 218,818 shares of stock, that includes 109,409 shares of restricted stock which vest over time in eight equal quarterly increments commencing on March 31, 2007 and 109,409 shares of performance stock which vest on December 31, 2008 if the total shareholder return, measured from January 1, 2004 through December 31, 2008, is at least 13% per annum. Mr. Klopp was also awarded, as of the effective date and pursuant to the 2004 Plan, a performance compensation award that provides for cash payments equal to 8% of the amount of cash we receive, if any, as incentive management fees from CT Mezzanine Partners III, Inc., known as Fund III, that vests 65% as of the end of Fund III's investment period and 35% on our receipt of incentive management fees from Fund III. The agreement provided for an additional performance compensation award on or before February 24, 2005 as determined by the compensation committee in its discretion with respect to up to an additional 10% of incentive management fees received from Fund III. On February 4, 2005, the compensation committee awarded Mr. Klopp a performance compensation award that provides for cash payments equal to 4% of the Fund III incentive management fees. options may be exercised for the later of one year following termination or the expiration of the options; and we shall pay medical insurance coverage premiums for the earlier of 18 months following termination or the date Mr. Klopp receives comparable coverage from another employer. If Mr. Klopp is terminated upon expiration of the agreement, he receives the same post termination benefits as though he were terminated for cause or resigned for good reason, except he will be paid a lump sum cash payment equal to his base salary and earned unpaid bonus at target performance, and all awards previously granted will continue to vest for an additional year following termination. The agreement also provides specified benefits upon death or disability.

(1) Represents awards, under our amended and restated 2004 long-term incentive plan, providing for cash payments equal to specified percentages of the incentive management fee distributions, if any, received from our private equity fund, CT Mezzanine Partners III, Inc., which we refer to as Fund III. During 2005, Messrs. Klopp, Plavin and Jervis were each granted a right to receive cash payments equal to the specified percentages of incentive management fee distributions if received by us from Fund III. These rights vest 65% upon the expiration of the investment period (August 2005) and 35% upon our receipt of incentive management fee distributions from Fund III. Including these awards, awards representing rights to receive cash payments equal to 31.4% of our total incentive management fee distributions, if any, from Fund III have been granted to various employees. We intend to award rights of up to 40% of our total incentive management fee distributions, if any, from Fund III to employees.

(2) The incentive management fee distribution awards do not provide for any specified time frame during which cash payments are to be made. Cash payments will be made when we receive incentive management fee distributions, if any, from Fund III. We currently expect to receive incentive distributions from Fund III in 2008 and 2009.

(3) The incentive management fee distribution awards do not provide for Threshold or Maximum cash payments to the recipients. Cash payments will depend upon the amount of incentive management fee distributions, if any, we receive from Fund III. Our incentive management fee distributions will depend upon whether the investors in Fund III receive a return of 100% of their invested capital and a minimum return of 10% per annum on their invested capital. The Target amounts shown in the table are based upon a calculation of incentive management fee distributions from Fund III assuming a liquidation of the fund on December 31, 2005 at book value and the satisfaction of all of the funds liabilities. Ultimate payment of incentive management fees from Fund III will be based upon, among other things, performance of fund assets.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires our officers and directors, and persons who own, or are part of a group that owns, more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC and the NYSE. Officers, directors and greater than 10% shareholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of Forms 3, 4 and 5 and amendments thereto available to us and other information obtained from our directors and officers and certain 10% shareholders or otherwise available to us, we believe that no director, officer or beneficial owner of more than 10% of our class A common stock failed to file on a timely basis reports required pursuant to Section 16(a) of the Securities Exchange Act with respect to 2005.

Introduction

Our compensation committee administers our compensation programs. Our compensation committee is responsible for reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer, evaluating the chief executive officer's performance in light of those goals and objectives and, determining and approving the chief executive officer's compensation level based on this evaluation. Our compensation committee is also responsible for reviewing and approving the salaries and other compensation of our other executive officers. Each member of our compensation committee is independent under the New York Stock Exchange listing requirements. The compensation committee's function is more fully described in its charter which has been approved by our board of directors. The charter can be viewed, together with any future changes that may occur, on our website at www.capitaltrust.com

Compensation for 2005

Our 2005 executive compensation program consisted of three elements: an annual base salary, annual bonus compensation and long-term incentive compensation.

Mr. Klopp received a \$600,000 annual salary as set forth in his employment agreement which was previously approved by the board of directors and the other executive officers also received their previously established or negotiated salaries. The compensation committee's goal was to provide competitive executive compensation packages as a means of retaining its executive officers. To that end and consistent with its prior practices, the committee strived to compensate executive officers with salaries commensurate with prevailing compensation practices in the financial services industry. Salaries vary according to the levels of responsibility undertaken by the executive officers.

The compensation committee's goals with annual bonus and long-term incentive compensation was to focus executive behavior on the fulfillment of long-term and annual business objectives, and to create a sense of ownership in the company that causes executive decisions to be aligned with the best interests of our shareholders.

For 2005, the board of directors articulated goals for our company. The board emphasized the amount of quarterly dividends declared, net income per share and total gross originations of new investments. The goals were included as the performance measures in Mr. Klopp's performance compensation award governing his annual bonus opportunity and performance stock opportunity. The committee compared actual company performance to the designated performance measures and determined that Mr. Klopp was entitled to a cash bonus of \$1,200,000 and 24,193 shares of restricted and performance stock pursuant to the formula set forth in his performance award agreement, which stock is subject to further time and performance vesting.

* The material in this report is not solicitation material, is not deemed filed with the Securities and Exchange Commission, and is not incorporated by reference in any filing of the company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any filing.

The compensation committee considered other executive officers' performance in achieving these goals in determining their annual bonuses which, consistent with the prevailing practices in the financial services industry, represents a substantial portion of their compensation.

Section 162(m) of the Internal Revenue Code of 1986 limits the deductibility in our tax return of compensation over \$1 million to any of our executive officers unless, in general, the compensation is paid pursuant to a plan which is performance-related, and non-discretionary and has

been approved by our shareholders. The compensation committee's policy with respect to Section 162(m) was to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing our executives with appropriate rewards for their performance. During 2005, we paid one of our executive officers approximately \$233,500 aggregate cash compensation that was non-deductible pursuant to Section 162(m). In awarding the cash bonus that produced this non-deductible compensation expense, the compensation committee determined that the advantages to us of awarding the bonus compensation as a reward for the performance and contribution of the executive officer outweighed the loss of the tax deduction. The compensation committee will continue to consider on a case-by-case basis whether particular compensation awards and programs that do not satisfy the conditions of Section 162(m) outweigh the costs to us of the loss of the related tax deduction.

Performance Graph*

Set forth below is a line graph comparing the yearly percentage change in the cumulative total shareholder return on shares of our class A common stock against (i) the cumulative total return of companies listed on the New York Stock Exchange and (ii) the cumulative total return of a peer group selected in the previous year by us (iStar Financial Inc., RAIT Investment Trust, Anthracite Capital Inc., Arbor Realty Trust, Gramercy Capital Corp., Newcastle Investment Corp. and NorthStar Realty Finance Corp.). The five-year period compared commences December 29, 2000 and ends December 30, 2005. This graph assumes that \$100 was invested on January 1, 2001 in us and each of the market index and the peer group index, at the December 29, 2000 closing price, and that all cash distributions were reinvested. Our class A common stock price performance shown on the graph is not indicative of future price performance.

PROPOSAL 2 RATIFICATION OF INDEPENDENT AUDITORS

Description of Proposal

Our board of directors has appointed Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2006, and has further directed that the appointment of such accountants be submitted for ratification by the shareholders at the annual meeting. We have been advised by Ernst & Young LLP that neither that firm nor any of its associates has any relationship with us or our subsidiaries other than the usual relationship that exists between independent certified public accountants and clients. Ernst & Young LLP will have a representative at the annual meeting who will have an opportunity to make a statement, if he or she so desires, and who will be available to respond to appropriate questions.

Shareholder ratification of the appointment of Ernst & Young LLP as our independent auditors is not required by our charter or otherwise. However, our board of directors is submitting the appointment of Ernst & Young LLP to the shareholders for ratification as a matter of what it considers to be good corporate practice. Even if the appointment is ratified, our board of directors in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the board determines that such a change would be in our and our shareholders' best interests.

Principal Accounting Firm Fees

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

Aggregate fees we were billed for the fiscal years ended December 31, 2005 and 2004 by our principal accounting firm, Ernst & Young LLP are as follows:

	Fiscal Year Ended December 31,	
	2005	2004
Audit fees (a)	\$ 760,500	\$ 830,865
Audit-related fees (b)	245,000	225,000
Total audit and audit-related fees	1,005,500	1,055,865
Tax fees (c)	372,839	324,350
All other fees	2,000	
Total	\$ 1,380,339	\$ 1,380,215

(a) Audit fees include amounts billed to us related to annual financial statement audit work and quarterly financial statement reviews. Approximately \$270,000 of the audit fees incurred in 2005 represent recurring and nonrecurring services associated with the Sarbanes-Oxley Section 404 internal control audit.

(b) The audit-related fees include principally amounts billed to us related to the audit of Fund II and Fund III.

(c) Tax fees include amounts billed to us primarily for tax planning and consulting, tax compliance and preparation and review of federal, state and local tax returns and tax fees related to REIT tax matters. Tax fees also include amounts billed to us related to tax return preparation for Fund II and Fund III for which we are reimbursed by the funds.

The audit committee of the board of directors was advised of the services provided by Ernst & Young LLP that are unrelated to the audit of the annual fiscal year end financial statements and the review of interim financial statements and has considered whether the provision of such services is compatible with maintaining Ernst & Young LLP's independence as our independent auditor.

Audit Committee Pre-Approval Policy

In accordance with our audit committee pre-approval policy, all audit and non-audit services performed for us by our independent accountants were pre-approved by the audit committee of our board of directors, which concluded that the provision of such services by Ernst & Young LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services and requires the specific pre-approval by the audit committee, prior to engagement, of such services, other than audit services covered by the annual engagement letter, that are individually estimated to result in an amount of fees that exceed \$50,000. In addition, services to be provided by the independent accountants that are not within the category of pre-approved services must be approved by the audit committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the audit committee are required to be submitted to the audit committee by both management and the independent accountants, and must include a detailed description of the services to be provided and a joint statement confirming that the provision of the proposed services does not impair the independence of the independent accountants.

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate to management its responsibilities to pre-approve services to be performed by the independent accountants.

Vote Required; Recommendation

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the appointment of Ernst & Young LLP as our independent auditors. **Our board of directors unanimously recommends that you vote for the ratification of Ernst & Young LLP as our independent auditors.**
