-----

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Lucille Farms, Inc., a Delaware corporation ("Lucille Farms" or the "Company"), of proxies to be voted at the Annual Meeting of Stockholders to be held on March 29, 2005, at 10:00 A.M., local time, or at any postponements or adjournments thereof (the "Annual Meeting"), at the offices of Breslow & Walker, LLP, 767 Third Avenue, New York, New York 10017.

When a proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with any instructions noted thereon. If no direction is indicated, all shares represented by valid proxies received pursuant to this solicitation (and not revoked prior to exercise) will be voted (i) for the election of the nominees for directors named in this Proxy Statement, (ii) for ratification of the selection by the Board of Directors of Mahoney Cohen &

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

Company, CPA, P.C. as independent accountants for the year ended March 31, 2005, and (iii) in accordance with the judgment of the persons named in the proxy as to such other matters as may properly come before the Annual Meeting (collectively, the "Proposals").

The proxy solicitation materials are being mailed on or about March 1, 2005 to all stockholders entitled to vote at the Annual Meeting. The cost of soliciting proxies will be borne by the Company. Regular employees, officers, and directors of the Company may solicit proxies in person, by telephone, or by mail. No additional compensation will be given to employees, officers, or directors for such solicitation. The Company will request brokers and nominees who hold stock in their names to furnish proxy solicitation materials to beneficial owners of the shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding proxy solicitation materials to such beneficial owners.

Stockholders of record at the close of business on February 21, 2005 (the "Record Date") are entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, 3,353,937 shares of Common Stock were issued and outstanding, each of which has one vote on each matter to come before the Annual Meeting. The holders of stock representing a majority of the votes entitled to be cast at the Annual Meeting, present in person or by proxy, will constitute as quorum for the transaction of business at the Annual Meeting and any adjournments thereof.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions and broker non-votes each shall be included in the determination of the number of shares present at the Annual Meeting and for the purpose of determining whether a quorum is present. Abstentions and broker non-votes shall not be counted in determining whether a nominee is elected as a director of the Company. ### PROPOSAL NO. 1 ELECTION OF DIRECTORS

#### NOMINEES

Five persons, all of whom are members of the present Board of Directors, are nominees for election at the Annual Meeting to hold office until the next annual meeting and until their respective successors are elected and qualified. Unless authority to vote for any director is withheld in a proxy, it is intended that each proxy will be voted for the seven nominees named below.

It is expected that all nominees will be able and willing to serve as directors. However, in the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a director if elected.

#### REASON FOR SUBMISSION TO STOCKHOLDERS

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR ALL OF THE NOMINEES LISTED FOR ELECTION TO THE BOARD OF DIRECTORS.

No Director attended less than 75% of the aggregate number of meetings of the Board of Directors and committees of the Board of Directors on which he served during the year ending March 31, 2004. All of the members of the Company's current Board of Directors attended the prior year's Annual Meeting of Stockholders.

### BOARD COMMITTEES

Audit Committee. The Board of Directors has an Audit Committee which operates under a written charter adopted by the Board of Directors. The Audit Committee held one meeting during the year ended March 31, 2004. The Audit Committee is comprised of Messrs. DiPasquale, Bell and Singer. Each is an "independent director" as defined under NASDAQ rules. Mr. Breslow served as a member of the Audit Committee through March 31, 2004, when he was replaced by Mr. DiPasquale. Mr. Bell is qualified as an audit committee financial expert within the meaning of the SEC regulations.

Compensation Committee. Management compensation for the fiscal year ended March 31, 2004 was determined by the Compensation Committee which met once during such year. The role of the Compensation Committee is to evaluate the performance of the Company's senior management, directors and other key employees,

and to determine and approve their compensation (or to make recommendations to the Board of Directors). Currently, the Compensation Committee is comprised of

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

Messrs. DiPasquale, Bell and Singer. Mr. Breslow served as a member of the Compensation Committee through February 10, 2005, when he was replaced by Mr. DiPasquale.

Nominating Committee. The Board of Directors has no standing nominating committee. The Company believes that obtaining input from all of its directors in connection with Board nominations enhances the nomination process. The Company currently does not have a charter with regard to the nomination process. The nominations of the directors standing for election at the Meeting were unanimously recommended for selection by the independent directors, and were unanimously approved by the Board of Directors.

The Company does not have a formal policy concerning stockholder recommendations of nominees to the Board of Directors. The need for such a policy has not arisen since, to date, the Company has not received any recommendations from stockholders requesting that the Board of Directors consider a candidate for inclusion among the Board's slate of nominees in the Company's proxy statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Company will consider director candidates recommended by stockholders. Any stockholder desiring to make such a recommendation should send the recommendation, in writing, to the Corporate Secretary at the address of the Company set forth on the first page of this Proxy Statement, no later than the date by which stockholder proposals for action must be submitted. The recommendation should include the recommended candidate's biographical data, and should be accompanied by the candidate's written consent to nomination and to serving as a director, if elected.

The Company's goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from business and professional experience. The Company does not have any formal rules or policies regarding minimum qualifications for nominees, but expects that its candidates be of the highest ethical character, share the values of the Company, have reputations, both personal and professional, consistent with the image and reputation of the Company, be highly accomplished in their respective field, and possess the relevant expertise and experience necessary to assist the Board and the Company to increase stockholder value.

The Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors will seek to identify nominees that possess the characteristics outlined above. Current members of the Board of Directors are polled for suggestions. Research also may be performed to identify qualified individuals. To date, the Company has not engaged third parties to identify, evaluate, or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary.

In evaluating director nominees, the Board of Directors may consider the following factors:

- o the appropriate size and the diversity of the Company's Board of Directors;
- o the needs of the Company with respect to the particular talents and experience of its directors;

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

- o the knowledge, skills and experience of nominees, including experience in technology, business, or finance, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- o familiarity with national and international business matters;
- o experience with accounting rules and practices; and
- o the need to satisfy governance and other standards set by the SEC and NASDAQ.

The Board of Directors may also consider such other factors as it may deem to be in the best interests of the Company and its stockholders.

### AUDIT COMMITTEE REPORT

The Company's management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for monitoring and reviewing these processes on behalf of the Board of Directors.

The Audit Committee has reviewed and discussed the audited financial statements with management. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees). In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the nonaudit services provided by auditors were compatible with their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board subsequently approved the recommendation) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2004 for filing with the Securities and Exchange Commission.

### REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of our Board of Directors is a standing committee currently comprised of three non-employee directors. During the fiscal year ended March 31, 2004, the Compensation Committee consisted of Messrs. Breslow, Bell and Singer. Mr. DiPasquale replaced Mr. Breslow on the Compensation Committee on February 10, 2005. The committee serves as an administrative arm of our Board of Directors to make decisions regarding executive compensation and/or to make recommendations to our Board of Directors on compensation matters generally. The following is the report of the Compensation Committee report describing compensation policies and rationale applicable to the Company's executive officers and others with respect to the compensation for the fiscal year ended March 31, 2004.

#### GENERAL

After evaluating management's performance and the recommendation of the Company's senior officers, we set and/or recommend to the full Board of Directors for approval compensation and pay levels for executive officers.

8

We also grant and/or recommend stock option grants to the Board of Directors, based upon the Company's performance and the recommendations of the Company's senior officers.

#### OVERVIEW AND POLICIES FOR 2004

The goals of the Company are to attract, motivate, and retain the key executive talent necessary to achieve the Company's business objectives and contribute to the long-term success of the Company. To meet these goals, the compensation program for our executive officers consists of the following components:

- o Base Salary,
- o Annual Bonus, and
- o Long-Term Stock Option Incentives.

We believe that the use of bonuses and options allows the Company to attract and retain the best employee talent available and to create a direct link between compensation and the short-term and long-term performance of the Company. In general, the Company incorporates vesting periods in options to encourage employees to remain with the Company. The size of each option grant is based on the recipient's position and tenure with the Company, the recipient's past performance, and the anticipated contribution to be made by the recipient. We believe the overall compensation paid to each of our executive employees is reasonable in light of their skills, performance and the compensation paid to similar executives in our industry.

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

For the fiscal year ended March 31, 2004, we reviewed the compensation of the Company's key executive officers by evaluating the Company's performance along with each executive's scope of responsibility, prior experience, performance, and expected contribution to the Company's future success. We also took into account the Committee's subjective assessment of the salaries for similar positions at comparable companies. At higher compensation levels, individual and Company performance will be given greater weight, along with competitive considerations. In establishing compensation for executives other than Mr. Rosengarten, we took into account Mr. Rosengarten's recommendations. We generally did not establish or review objective measures of performance.

In establishing bonuses, the Committee considers the same factors as are considered in reviewing each executive's overall compensation, with an increased emphasis on Company performance. For the fiscal year ended March 31, 2004, we awarded bonuses to Messrs. Falivene, the Company's President, and Millerick, the Company's Vice President-Operations in the amount of \$5,000 each in recognition of the executive officers' individual performance, and their contribution to our dramatically improved performance in 2004.

The salary paid to our Chief Executive Officer, Jay Rosengarten, for 2004 was pursuant to an employment contract with Mr. Rosengarten (See "Employment Agreements"). In March 2004, we granted to Mr. Rosengarten a bonus of \$15,000 for his efforts on behalf of the Company in 2004, to recognize his contribution to our dramatically improved performance in 2004, and to provide him incentive to continue to work to improve our performance. We did not establish or review objective measures of performance in order to determine Mr. Rosengarten's compensation.

The Compensation Committee will consider the effect of Code Section 162(m) on the compensation paid to the Company's executive officers, as applicable. Code Section 162(m) disallows a tax deduction for any publicly held corporation to the extent compensation for any of its named executive officers exceeds \$1 million, unless compensation is performance-based or qualifies for another exemption. At this time, it is not anticipated that any executive officers of the Company will receive any compensation in excess of this limit. Where reasonably practicable, the Company will seek to qualify the compensation paid to our executive officers for an exemption from the deductibility limitations of Code Section 162(m). ### EMPLOYMENT AGREEMENTS

On October 24, 2002, the Company entered into an employment agreement with Jay Rosengarten, pursuant to which Mr. Rosengarten was employed as the

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

Company's Chief Executive Officer, initially, and for a period of approximately three (3) months (the "Wind Down Period"), on a part-time basis, during which period of time Mr. Rosengarten wound down his consulting practice and devoted not less than three (3) week days per week to the business of the Company, and thereafter on a full-time basis, provided, however, that Mr. Rosengarten was permitted to retain, as consulting clients, two food industry related trade associations (the "Trade Associations") and two food industry related trade clients (the "Trade Clients") and devote, on average, not more than an aggregate of two (2) days per month in connection with such clients. During the Wind Down Period, Mr. Rosengarten received a salary at the rate of \$150,000 per annum. Thereafter, until such time as he terminated his consulting relationship with the Trade Clients (at which time he can devote, on average, not more than an aggregate of one (1) day per month in connection with the Trade Associations), his salary was at the rate of \$200,000 per annum. Since January 1, 2003, at which time Mr. Rosengarten terminated his consulting relationship with the Trade Clients, his salary has been at the rate of \$250,000 per annum. Pursuant to the terms of the employment agreement, in addition to his salary, the Company granted to Mr. Rosengarten, under the Company's 2002 Stock Option Plan, a 10-year option to purchase 250,000 shares of the Company's Common Stock at \$3.00 per share, which option vested to the extent of 50,000 shares upon the commencement of employment and the balance vests at the rate of 50,000 shares on each of the next four anniversary dates thereof; provided, however, that such vesting accelerates and all options vest in the event of a sale of all or substantially all of the assets or all of the shares of capital stock of the Company or the merger or consolidation of the Company with another entity where the Company is not the surviving entity or becomes a wholly owned subsidiary of another entity ( a "Change of Control Event"). In the event Mr. Rosengarten's employment is terminated on account of his death, disability, or resignation or for cause, the Company shall be obligated to pay his salary only up to the date of termination. In the event his employment is terminated by the Company without cause, the Company shall be required to continue to pay his salary for a period of six (6) months; provided, however, that if such termination takes place within two (2) years after a Change of Control Event, then the Company shall be required to continue to pay his salary for a period of twelve (12) months. In any case, Mr. Rosengarten shall have the affirmative obligation to seek employment or reactivate his consulting business and mitigate the Company's damages-i.e. to the extent that he earns monies from his employment or consulting business, the same shall be applied to reduce the payments to be made to Mr. Rosengarten under his employment agreement.

On February 21, 2005, the Company entered into a five-year employment agreement with Don Desjarlais, pursuant to which, among other things, Mr. Desjarlais was employed by the Company as its Executive Vice President and Chief Financial Officer at a base salary of \$150,000 per annum and granted a 10-year option to purchase 50,000 shares of the Company's Common Stock at \$3.00 per share, which options vest to the extent of 10,000 shares upon the commencement of employment and the balance ratably on each of the next four anniversary dates thereof; provided, however, that in the event of a sale of all or substantially all of the assets of the Company, or all of the shares of capital stock of the Company, or the merger or consolidation of the Company with another entity where the Company is not the surviving entity or becomes a wholly owned subsidiary of another entity (a "Change of Control Event"), that portion of the option that is to vest during the year in which such event is consummated shall vest immediately prior to the Change of Control Event. Also, in the event his employment is terminated by the Company without cause, the Company shall be required to continue to pay his salary for a period of twelve (12) months; provided, however, that Mr. Desjarlais shall have the affirmative obligation to seek

employment and mitigate the Company's damages. In the event Mr. Desjarlais' employment is terminated on account of his death, disability, or resignation or for cause, the Company shall be obligated to pay his salary only up to the date of termination.
