Cedar Shopping Centers, Inc.

We have audited the statement of revenues and certain expenses of Raynham 44 Realty Associates, LP (the Property) as noted in Note 1, acquired by a wholly owned subsidiary of Cedar Shopping Centers, Inc., (the Company), for the year ended December 31, 2005. The statement of revenues and certain expenses is the responsibility of the Company s management. Our responsibility is to express an opinion on this statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. We were not engaged to perform an audit of the Property s internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of revenues and certain expenses presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K of Cedar Shopping Centers, Inc. and is not intended to be a complete presentation of the Property s revenues and certain expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses of the Property as described in Note 1 for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Notes to the Statements of Revenues and Certain Expenses

For the year ended December 31, 2005

For the six months ended June 30, 2006 (unaudited)

1. Basis of Presentation

Presented herein is the statement of revenues and certain expenses related to the operations of a supermarket-anchored shopping center located in Raynham, Massachusetts (a/k/a Shaw's Plaza - the Property). The Property contains approximately 177,000 square feet of gross leasable area. Cedar Shopping Centers, Inc. (the Company) acquired the Property in July 2006 pursuant to the terms of a Purchase and Sale Agreement.

The accompanying financial statements have been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of a real estate property. Accordingly, the financial statements exclude certain expenses because they may not be comparable to those expected to be incurred in the proposed future operations of the Property. Items excluded consist of interest expense and depreciation and amortization expense, which are not directly related to future operations.

2. Use of Estimates

The preparation of the statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statements of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

3. Revenue Recognition

The Property is being leased to tenants under operating leases. Minimum rental income is recognized on a straight-line basis over the terms of the leases. The excess of rents recognized over amounts contractually due pursuant to the underlying leases was approximately \$87,000 and \$43,000 for the year ended December 31, 2005 and for the six months ended June 30, 2006 (unaudited), respectively.

One of the Property's tenants received a lease incentive related to a tenant improvement performed by them, resulting in a base rent reduction of approximately \$9,400 and \$4,700, respectively, for the year ended December 31, 2005 and for the six months ended June 30, 2006 (unaudited).

4. Property Operating Expenses

Property operating expenses for the year ended December 31, 2005 include approximately \$88,000 for snow removal, \$73,000 for repair and maintenance costs, \$31,000 for insurance, \$15,000 for utilities, \$13,000 for professional fees, and \$7,000 for other costs.

Property operating expenses for the six months ended June 30, 2006 (unaudited) include approximately \$28,000 for snow removal, \$26,000 for repair and maintenance costs, \$14,000 for insurance, \$8,000 for utilities, \$5,000 for professional fees, and \$1,000 for other costs.

5. Management Fees - Related Party

The Property was managed by Largo Realty, a related party, pursuant to a management agreement. Management fees of approximately \$137,000 for the year ended December 31, 2005 and \$65,000 for the six months ended June 30, 2006 (unaudited) were incurred. The management agreement provided for a monthly management fee of 6% of cash receipts, as defined.

6. Significant Tenants

Edgar Filing: CEDAR SHOPPING CENTERS INC - Form 8-K

Significant tenants include Shaw's Supermarket and CVS, which constituted approximately 22% and 11% and 21% and 11%, respectively, of base rents for the year ended December 31, 2005 and for the six months ended June 30, 2006 (unaudited).

7. Future Minimum Lease Payments

Future minimum lease payments to be received under non-cancelable operating leases for the years ending December 31 are as follows:

2006	\$1,739,000
2007	1,440,000
2008	1,289,000
2009	1,155,000
2010	1,055,000
Thereafter	9,551,000
Total	\$16,229,000

As a result of a lease incentive, future minimum lease payments will be off-set by base reductions of approximately \$9,400 and \$1,600 for the years ending December 31, 2006 and 2007, respectively.

The lease agreements generally contain provisions for reimbursement of real estate taxes and operating expenses, on a pro rata basis, as well as for fixed increases in rent.

8. Interim Unaudited Financial Information

The statement of revenues and certain expenses for the six months ended June 30, 2006 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal recurring adjustments) necessary for a fair presentation of the statement of revenues and certain expenses for this interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
