Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Represents amount of performance stock units earned from an award granted on July 24, 2014 based on the achievement of a performance target for the fiscal year ended May 31, 2015, as determined by the Compensation Committee on July 15, 2015. The earned amount vested immediately. The number of earned performance stock units represents 50% of the target number of performance stock units eligible to be earned for the first performance period. The performance goal measured year-over-year growth in Oracle's total revenues for its Engineered Systems and Storage products on a U.S. GAAP basis.

(2) The Form 4 filed on July 17, 2015 mistakenly reported a share issuance (and related net share withholding by the Issuer for taxes) in connection with the vesting of a performance stock unit award for which settlement had previously been deferred by the reporting person. This amended Form 4 now accurately reflects the reporting person's current holdings of performance stock units. The reporting person currently owns 19,986.673 shares of common stock.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
