**Item 2.02. Results of Operations and Financial Condition**

We issued a press release announcing the results for the three months and year ended December 31, 2006.

The press release is furnished as Exhibit 99.1 and incorporated herein by reference. Such information, including the Exhibits attached hereto, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

The press release includes financial measures which are not presented in accordance with US GAAP. Management believes that the presentation of the non-GAAP financial measures provides useful information to investors regarding the Company's results of operations because management itself uses the non-GAAP measures for the assessment of operational efficiencies and these measures also form the basis of bonus incentives for executive management and throughout the Company.
