PROXY STATEMENT FOR  
2012 ANNUAL MEETING OF STOCKHOLDERS  
To be Held on May 23, 2012

General

The enclosed Proxy Statement is solicited on behalf of the Board of Directors (the “Board”) of Support.com, Inc. (“Support.com” or “the Company”) for use at the Annual Meeting of Stockholders (the “Annual Meeting”), to be held at our principal executive offices located at 1900 Seaport Boulevard, Third Floor, Redwood City, California, 94063, on Wednesday, May 23, 2012, at 12:00 p.m., Pacific Time, and at any adjournments or postponements thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders.

Our principal executive offices are located at the address listed at the top of the page, and the telephone number there is (650) 556-9440.

Record Date, Voting and Quorum

Our Board fixed the close of business on March 26, 2012 as the Record Date for the determination of holders of our outstanding shares entitled to notice of, and to vote on, all matters presented at the Annual Meeting. Such stockholders will be entitled to one vote for each share held on each matter submitted to a vote at the Annual Meeting. As of the Record Date, there were approximately 48,470,283 shares of our Common Stock issued and outstanding. This Proxy Statement, the accompanying form of proxy card and the Company’s annual report to stockholders are first being mailed on or about April 13, 2012 to all stockholders of record as of the close of business on the Record Date.

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of our Common Stock issued and outstanding on the Record Date. Shares that are voted “FOR” or “AGAINST” a proposal or marked “ABSTAIN” are treated as being present at the Annual Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting. Broker “non-votes” are also included for purposes of determining whether a quorum of shares of Common Stock is present at the Annual Meeting. A broker “non-vote” occurs when a nominee holding shares of common stock for the beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Required Vote

On all matters, each share has one vote. Directors are elected by a plurality vote. Therefore, the nominees for the seven director seats who receive the most affirmative votes of shares outstanding as of the Record Date that are present in person or represented by proxy at the Annual Meeting will be elected to serve as directors. With respect to the proposal regarding the election of our directors, neither broker “non-votes” nor abstentions are included in the tabulation of the voting results and, therefore, they do not have the effect of votes “AGAINST” such proposal. The proposal to approve the Company’s named executive officer compensation is advisory and an affirmative vote of the holders of a majority of the outstanding shares as of the Record Date that are present in person or represented by proxy at the Annual Meeting and entitled to vote will signify an approval. Broker “non-votes” and abstentions will not

count as votes in favor of approving named executive officer compensation, and abstentions, but not “broker non-votes,” will have the effect of votes “AGAINST” such proposal. The proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2012 requires the affirmative vote of the holders of a majority of the outstanding shares as of the Record Date that are present in person or represented by proxy at the Annual Meeting and voted on such matters. Therefore, neither broker “non-votes” nor abstentions are included in the tabulation of the voting results and, accordingly, they do not have the effect of votes “AGAINST” such proposals.

#### Voting

Stockholders who have their shares in “street name,” meaning the name of a broker or other nominee who is the record holder, must either direct the record holder of their shares to vote their shares or obtain a proxy from the record holder to vote their shares at the Annual Meeting.

Stockholders of record may vote their shares by:

attending the Annual Meeting and voting their shares of Common Stock in person;

Table of Contents

completing the enclosed proxy card, signing and dating it and mailing it in the enclosed postage-prepaid envelope;

following the instructions for Internet voting printed on your proxy card; or

using the telephone number printed on your proxy card.

Our Board is asking you to give your proxy to Joshua Pickus, our President and Chief Executive Officer, and Greg Wrenn, our Senior Vice President, General Counsel and Secretary. Giving your proxy to Mr. Pickus and Mr. Wrenn means that you authorize Mr. Pickus, Mr. Wrenn or either of them to vote your shares at the Annual Meeting in accordance with your instructions. You may vote "FOR" or "AGAINST" the proposals, or abstain from voting. All valid proxies received prior to the Annual Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted (i) "FOR" the proposal to elect Shawn Farshchi, Mark Fries, Michael Linton, J. Martin O'Malley, Joshua Pickus, Toni Portmann and Jim Stephens to the Board until our 2013 Annual Meeting of stockholders and thereafter until their successors are elected and qualified, (ii) "FOR" the proposal to approve, on an advisory basis, the Company's named executive officer compensation, (iii) "FOR" the proposal to appoint Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2012, and (iv) as the proxy holders may determine in their discretion with respect to any amendments or variations to these matters and any other matters that properly come before the Annual Meeting.

Stockholders who have questions or requests for assistance in completing or submitting proxy cards should contact Carolyn Bass, Investor Relations, at (415) 445-3232.

**Revocability of Proxies**

A stockholder of record giving a proxy has the power to revoke his or her proxy, at any time prior to the time it is voted, by:

delivering to our principal offices (Attention: Investor Relations) a written instrument that revokes the proxy;

submitting another properly completed proxy with a later date; or

attending the Annual Meeting and voting in person.

Simply attending the Annual Meeting will not constitute revocation of your proxy. If your shares are held in the name of a broker or other nominee who is the record holder, you must follow the instructions of your broker or other nominee to revoke a previously given proxy.

The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxy holders with respect to any other matters that may properly come before the Annual Meeting. As of the date of this Proxy Statement, management knows of no such matters expected to come before the Annual Meeting that are not referred to in the accompanying Notice of Annual Meeting.

**Attendance at the Annual Meeting**

Only holders of the shares of our outstanding Common Stock, their proxy holders, and guests we may invite may attend the Annual Meeting. If you wish to attend the Annual Meeting in person but you hold your shares through someone else, such as a broker, you must bring proof of your ownership and photo identification to the Annual

Meeting. For example, you could bring an account statement showing that you beneficially owned shares of our Common Stock as of the Record Date as acceptable proof of ownership. You must also contact your broker and follow its instructions in order to vote your shares at the Annual Meeting. If you hold your shares through a broker you may not vote your shares at the Annual Meeting unless you have first followed the procedures outlined by your broker.

#### Solicitation of Proxies

In addition to solicitation by mail, our directors, officers and employees may solicit proxies by telephone, other electronic means or in person. These people will not receive compensation for their services, but we will reimburse them for their out-of-pocket expenses. We will bear the cost of printing and mailing proxy materials, including the reasonable expenses of brokerage firms and others for forwarding the proxy materials to beneficial owners of Common Stock. We have also retained Morrow & Co., LLC, 470 West Avenue, Stamford, CT 06902, a proxy solicitation firm, to assist in the solicitation of proxies for a fee of approximately \$10,000 to \$15,000, plus out-of-pocket expenses.

#### Other Business

We are not currently aware of any business to be acted on at the Annual Meeting other than the matters discussed in this Proxy Statement. Under our amended and restated bylaws, business transacted at the Annual Meeting is limited to matters relating to the purposes stated in the Notice of Annual Meeting, which is provided at the beginning of this Proxy Statement. If other matters properly come before the Annual Meeting, or at any adjournment of the Annual Meeting, we intend that shares of our outstanding Common Stock represented by properly submitted proxies will be voted by and at the discretion of the persons named as proxies on the proxy card. In addition, the grant of a proxy will confer discretionary authority on the persons named as proxies on the proxy card to vote in accordance with their best judgment on procedural matters incident to the conduct of the Annual Meeting.

Table of Contents

WHETHER OR NOT YOU EXPECT TO ATTEND THE ANNUAL MEETING IN PERSON, YOU ARE REQUESTED TO COMPLETE, DATE, AND SIGN THE PROXY CARD AND RETURN IT PROMPTLY, OR VOTE BY TELEPHONE OR VIA THE INTERNET BY FOLLOWING THE DIRECTIONS ON THE PROXY CARD. BY RETURNING YOUR PROXY CARD OR VOTING BY PHONE OR THE INTERNET PROMPTLY, YOU CAN HELP US AVOID THE EXPENSE OF FOLLOW-UP MAILINGS TO ENSURE A QUORUM IS PRESENT AT THE ANNUAL MEETING. STOCKHOLDERS OF RECORD WHO ATTEND THE ANNUAL MEETING MAY REVOKE A PRIOR PROXY AND VOTE THEIR SHARES IN PERSON AS SET FORTH IN THIS PROXY STATEMENT.

STOCKHOLDER MATTERS

Stockholder Communications with our Board

Our Board believes it is in the best interest of the Company and our stockholders to maintain a policy of open communication between our stockholders and the Board. Accordingly, our Board has adopted the following procedures for stockholders who wish to communicate with the Board:

Stockholders who wish to communicate with the Board or with specified directors should do so by sending any communication to The Board of Directors, c/o Investor Relations, Support.com, Inc., 1900 Seaport Boulevard, Third Floor, Redwood City, California 94063, or by sending an email to IR@support.com.

Any such communication must state the number of shares beneficially owned by the stockholder making the communication. The Investor Relations department will forward such communication to the full Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Investor Relations department (after consultation with the Company's legal department, if appropriate) shall have the authority to discard the communication or take appropriate legal action regarding the communication.

Stockholder Proposals

Proposals of stockholders of the Company that are intended to be presented by such stockholders at the Company's 2012 Annual Meeting must be received by our corporate secretary, at our corporate offices at 1900 Seaport Boulevard, Third Floor, Redwood City, California 94063, no less than fifty (50) days nor more than seventy-five (75) days prior to the Annual Meeting; provided, however, that in the event that less than sixty-five (65) days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 15th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. These requirements apply whether or not a stockholder seeks to include the proposal in our 2012 proxy statement relating to any such annual meeting.

For each matter the stockholder proposes to bring before the annual meeting, the stockholder's notice to our corporate secretary must include specific information called for in our bylaws. For a proposal to be included in our proxy, such proposal will also need to comply with SEC regulations such as Rule 14a-8 of the Exchange Act regarding the inclusion of stockholder proposals in any Company-sponsored proxy materials.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

## Edgar Filing: Support.com, Inc. - Form DEF 14A

The Board is committed to sound and effective corporate governance practices designed to serve the best interests of the Company and our stockholders. These governance principles and procedures are reflected in our Corporate Governance Guidelines (the “Guidelines”). Among other matters, the Guidelines address the composition of the Board, Board operations, director qualifications and independence, director responsibilities, Board committees, Board and management evaluation, and management succession planning. The Guidelines are available on our website at:

<http://corp.support.com/sites/default/files/Corporate%20Governance%20Guidelines.pdf>

## Table of Contents

Copies of the Guidelines are also available in print upon written request to Support.com, Inc., Attention: Corporate Secretary, 1900 Seaport Boulevard, Third Floor, Redwood City, California 94063.

### Code of Ethics

Integrity is one of our core values. The Board has adopted a Code of Ethics and Business Conduct (the “Code of Ethics”) applicable to our employees, officers and directors. The Code of Ethics is designed to deter wrongdoing and to promote honest and ethical conduct. The Code of Ethics includes standards designed to ensure full, accurate, and timely disclosure in reports filed with the Securities and Exchange Commission (the “SEC”), promote compliance with laws, eliminate or properly manage conflicts of interest, encourage prompt internal reporting of violations of the Code of Ethics, and ensure accountability for the adherence to the Code of Ethics. The Code of Ethics is available on our website at:

<http://corp.support.com/sites/default/files/Code%20of%20Ethics.pdf>

Copies of the Code of Ethics are also available in print upon written request to Support.com, Inc., Attention: Corporate Secretary, 1900 Seaport Boulevard, Third Floor, Redwood City, California 94063.

### Director Independence

It is our policy that a majority of our directors be independent. The Board has determined that six of our seven directors are independent, namely our Chairman Mr. Stephens and Messrs. Farshchi, Fries, Linton, O’Malley and Ms. Portmann, based on the listing standards of the NASDAQ Global Select Market and applicable laws and regulations. Our Board has also determined that the only director who is standing for election to the Board and is not independent is Mr. Pickus, our President and Chief Executive Officer.

### Board Leadership and Risk Oversight

The Board has determined that having an independent director serve as Chairman of the Board is in the best interest of stockholders at this time. As a result, positions of Chairman of the Board and Chief Executive Officer are not currently held by the same person. This structure promotes active participation of the independent directors in setting agendas and establishing priorities for the work of the Board. This leadership structure also is believed to be preferred by a significant number of the Company’s stockholders. While the Board believes its current leadership structure is appropriate at this time, the Board may determine in the future that the positions of Chief Executive Officer and Chairman of the Board should be held by the same individual.

The Board is primarily responsible for the oversight of risks that could affect the Company. This oversight is conducted principally through committees of the Board, as disclosed in the descriptions of each of the committees below and in the charters of each of the committees, but the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility by requiring each committee chair to regularly report to the Board regarding the committee’s considerations and actions, and by requiring officers responsible for the oversight of particular risks within the Company to report on a regular basis as well.

In addition to regular required reporting from committees and officers, the Board also hears from third-party advisors in order to maintain oversight of risks that could affect the Company, including reviews with the Company’s independent registered public accounting firm and compliance experts for internal controls and tax, as well as outside counsel, compensation consultants, insurance brokers and others. These advisors are consulted on a periodic basis and as particular issues arise in order to provide the Board with the benefit of independent expert advice and insights on risk-related matters.

The Board conducts regularly scheduled meetings throughout the year, and also acts at special meetings and by unanimous written consent, as may be appropriate. In fiscal 2011 the Board held seven meetings. During their respective terms, all directors attended at least 75% of the aggregate number of meetings of the Board and of the committees on which such directors served in fiscal 2011. Director attendance at the Company's Annual Meeting is encouraged but not required. The following directors attended the 2011 Annual Meeting of stockholders: Shawn Farshchi, Mark Fries, Michael Linton, J. Martin O'Malley, Joshua Pickus, Toni Portmann and Jim Stephens.

#### Executive Sessions

Our independent directors meet at least three times per year in executive session without management or non-independent directors present.

#### Committees of the Board of Directors

Our Board delegates certain responsibilities to committees of independent directors. The Board has a standing Nominating and Corporate Governance Committee, Compensation Committee, and Audit Committee. Members of these committees are selected by the Board upon the recommendation of the Nominating and Corporate Governance Committee. The charter of each of these standing Board committees is available through our website at:

Table of Contents

<http://www.support.com/about/investor-relations/corporategovernance>

Committee charters are also available in print upon written request to Support.com, Inc., Attention: Corporate Secretary, 1900 Seaport Boulevard, Third Floor, Redwood City, California 94063.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee's primary functions are to seek and recommend to the Board qualified candidates for election or appointment to the Board, and to oversee matters of corporate governance, including the evaluation of the Board's performance and processes and assignment of members to committees established by the Board.

From January 2011 to February 2011, the members of the Nominating and Corporate Governance Committee were Messrs. Linton, Stephens, and Fries. In February 2011, Ms. Portmann was appointed to the Nominating and Corporate Governance Committee, and accordingly the members of the Nominating and Corporate Governance Committee are currently Messrs. Linton, Fries, Stephens, and Ms. Portmann. Mr. Fries serves as Chair of the Committee. The Nominating and Corporate Governance Committee held two meetings during 2011.

Compensation Committee

Our Compensation Committee's principal responsibilities are to determine all compensation of the Company's CEO and other officers who are reporting persons under Section 16 of the Securities Exchange Act of 1934 and the rules promulgated thereunder ("Section 16 Officers"); act as plan administrator for our equity incentive plans; review the annual performance of the Chief Executive Officer; and provide guidance to the Chief Executive Officer for the annual performance appraisals of other Section 16 Officers. The Compensation Committee may, by resolution passed by a majority of the Committee, designate one or more subcommittees, each subcommittee to consist of one or more members of the Committee and having powers as delegated by the resolutions of the Committee, but only to the extent permitted by applicable law or listing standard. Further, The Committee may delegate to the Company's CEO the authority to carry out all of the powers of the Committee to grant options under the Company's plans to employees of the Company or any subsidiary thereof who are not members of the Board, the CEO or other Section 16 Officers.

From January 2011 to February 2011, the members of the Compensation Committee were Messrs. Farshchi, Stephens, and Linton. In February 2011, Ms. Portmann was appointed to the Compensation Committee, and accordingly the members of the Compensation Committee are currently Messrs. Farshchi, Linton, Stephens, and Ms. Portmann. Mr. Linton serves as Chair of the Compensation Committee. The Compensation Committee held 10 meetings during 2011.

Audit Committee

The Audit Committee assists the Board in its general oversight of our financial reporting, internal controls and audit functions, and is directly responsible for the appointment, retention, compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee's primary functions are to approve the provision of all auditing services and to approve the terms and fees of all non-audit services provided by the independent registered public accounting firm; meet and consult with the independent registered public accounting firm; advise and assist the Board in evaluating the independent registered public accounting firm; review the financial statements to be included in filings with the SEC; and establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters.

During 2011 the members of the Audit Committee were Messrs. Farshchi, O'Malley, and Fries. Mr. O'Malley serves as Chair of the Committee. The Board has determined that Mr. O'Malley, an independent director based on the listing

standards of the NASDAQ Global Select Market and applicable laws and regulations, is also a financial expert as defined under SEC rules. In addition, the Board has determined that each member of the Audit Committee is financially literate and has the requisite financial sophistication as required by the applicable listing standards of the NASDAQ Global Select Market. The Audit Committee held eight meetings during 2011.

Additional information regarding the Audit Committee is included in the “Report of the Audit Committee of the Board of Directors” below.

#### Director Qualifications

The primary qualifications for service on the Board are a distinguished record of leadership and success, and an ability to make substantial contributions to the Board and Support.com. The Nominating and Corporate Governance Committee periodically reviews with the Board the appropriate skills and characteristics required of Board members, and will continue to do so as the Company and its needs continue to change in the pursuit of its long-term strategic objectives. The assessment of Board candidates includes, but is not limited to, consideration of relevant industry experience, general business experience, relevant financial experience, and compliance with independence and other qualifications necessary to satisfy any applicable securities and tax laws and the rules and regulations thereunder, as well as the rules of the NASDAQ Global Select Market.

## Table of Contents

Further, specific consideration is given to, among other things, diversity of background and the experience a candidate would bring to the Board, as stated in the Corporate Governance Guidelines adopted April 2008. The Board defines “diversity” for this purpose to include both background and experience in business, as well as in terms of the Company’s standing policies promoting diversity and non-discrimination based on factors such as race, color, national origin, religion, sexual orientation, and gender.

### Director Nominations

The Nominating and Corporate Governance Committee considers and recommends candidates for Board membership. Candidates may be suggested by Board members, management, or our stockholders. The Nominating and Corporate Governance Committee also has, on occasion, retained third-party executive search firms to identify independent director candidates. After completing an evaluation and review of a director candidate, the Nominating and Corporate Governance Committee makes a recommendation to the full Board, and the Board determines whether the candidate should be nominated as a director.

The Nominating and Corporate Governance Committee will consider director candidates recommended by our stockholders. Such nominations should be directed to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, at our principal executive offices: 1900 Seaport Boulevard, Third Floor, Redwood City, CA 94063. In addition, the stockholder must give notice of a nomination to our corporate secretary at the same address, and such notice must be received not less than 120 days before any meeting of stockholders called for the election of directors. However, if less than 100 days notice of the meeting is given to stockholders, such nomination must be mailed or delivered to the corporate secretary not later than the close of business on the seventh day following the day on which the notice of meeting was mailed.

For each proposed nominee who is not an incumbent director, the stockholder’s notice must set forth specific information called for in our bylaws. There have been no recent material changes to the procedures by which stockholders may recommend nominees for the Board.

### Compensation Committee Interlocks and Insider Participation

None of the Company’s named executive officers serves, nor at any time during 2011 served, as a member of the board or compensation committee of any other entity whose executive officer(s) serve as a member of the Company’s Board or Compensation Committee.

### Section 16(a) Beneficial Ownership Compliance

Under the securities laws of the United States, Support.com’s directors, executive officers and any persons holding more than 10% of the our common stock are required to report their initial ownership of our common stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and we are required to identify in this Proxy Statement those persons who failed to timely file these reports. Based solely on a review of Forms 3, 4 and 5 and any amendments thereto furnished to us, we believe that all of the Section 16 filing requirements were timely satisfied for 2011, with the exception that, due to administrative error, Toni Portmann’s Form 3 for a change in status occurring on February 8, 2011 was filed on February 11, 2011, Toni Portmann’s Form 4 for transactions occurring on February 8, 2011 was filed on February 11, 2011, Toni Portmann’s Form 4 for transactions occurring on May 25, 2011 was filed on August 10, 2011, Jim Stephens’ Form 4 for transactions occurring on May 25, 2011 was filed on August 10, 2011, Michael Linton’s Form 4 for transactions occurring on May 25, 2011 was filed on August 10, 2011, Mark Fries’ Form 4 for transactions occurring on May 25, 2011 was filed on August 10, 2011, Shawn Farshchi’s Form 4 for transactions occurring on May 25, 2011 was filed on August 10, 2011, and Martin O’Malley’s Form 4 for transactions occurring on May 25, 2011 was filed on August 10, 2011.

#### Certain Relationships and Related-Party Transactions

We have a process for review and approval of any relationships and transactions in which we and our directors, officers, 5% stockholders or their immediate family members (“Related Persons”) are participants to determine whether those Related Persons may have a direct or indirect material interest. We collect and update information about the affiliations of our Section 16 Officers and directors annually through Director & Officer Questionnaires and we maintain and use a list of known related parties to identify any transactions with related persons. In addition, at the close of each fiscal quarter we survey our Finance, Legal and Executive staff for knowledge of transactions with Related Persons. Our Ethics Committee reviews any such related party transactions, under the supervision of the Audit Committee. Our Ethics Committee is comprised of our General Counsel, head of Human Resources and our Chief Financial Officer and operates as described in the Company’s published Code of Ethics & Business Conduct.

### DIRECTOR COMPENSATION

We compensate our six independent, non-employee directors for serving on our Board. We do not pay Mr. Pickus, the only Company employee serving as a director, any additional compensation for serving on our Board. Our Board reviews from time to time the compensation we pay to our non-employee directors and recommends, as appropriate, adjustments to such compensation. The compensation we pay to our non-employee directors consists of two components: equity and cash.

**Equity.** On the date that an individual first becomes a non-employee director, we grant him or her an option to purchase 40,000 shares of our common stock. These grants are currently made under our 2010 Equity and Performance Incentive Plan (the “2010 Plan”). These options vest in equal monthly installments over a 48-month period. Additionally, at the conclusion of each regular annual meeting of our stockholders, each continuing non-employee director typically receives a grant of an option to purchase 18,000 shares of our common stock or such other amount as may be determined by the Board at the time of the grant.

Each option granted to non-employee directors, other than the initial 40,000 share grant, immediately vests and is exercisable on the date of grant. Options granted to non-employee directors have an exercise price equal to the closing price of our common stock on the NASDAQ Global Select Market on the date of grant and a term of seven years. All other option grants to non-employee directors that are not otherwise immediately vested at the time of grant immediately and fully vest upon a change of control.

**Cash Retainer.** We pay non-employee directors an annual retainer of \$30,000 for serving as a director. We pay additional annual retainers of \$15,000, \$12,500, \$10,000, and \$7,500 to the Chairman of the Board, the chair of the Audit Committee, the chair of the Compensation Committee, and the chair of the Nominating and Corporate Governance Committee, respectively. The retainers are paid quarterly.

The following table sets forth a summary of the compensation paid to our non-employee directors for service in 2011. The compensation we paid to Mr. Pickus for service in 2011 is included in the 2011 Summary Compensation Table below showing the compensation for our named executive officers. Mr. Pickus received no additional compensation for 2011 in respect of his service as a member of our Board.

COMPENSATION-RELATED RISK ANALYSIS

During March 2012, the Company's management, in conjunction with the Company's legal, accounting, human resources and finance departments, undertook a quantitative and qualitative review of the Company's compensation policies and practices that applied to all Company employees whose compensation includes any variable or incentive compensation element, as well as policies and practices of different groups that mitigate or balance such incentives. As part of this review, these parties reviewed, considered, and analyzed the extent to which, if any, the Company's compensation policies and practices might create risks for the Company, and relevant controls and mitigating factors.

After conducting this review, management found that none of the Company's compensation policies and practices for its employees creates any risks that are reasonably likely to have a material adverse effect on the Company. The Board has reviewed the results of management's analysis and concurs with management's assessment.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

Support.com is a leading independent provider of online care for the digital home and small business. Our technology support services and software products help install, set up, connect, secure, repair and optimize personal computers, printers, tablets, smartphones, digital cameras, gaming devices, music players, servers, networks and other technology. We offer one-time and subscription services, and licenses of our software products. Our Personal Technology Experts® ("PTEs") deliver our services to customers online and by telephone, leveraging our proprietary cloud-based technology platform. Most PTEs work from their homes rather than in brick and mortar facilities. Our software products include tools designed to address some of the most common technology issues including computer maintenance, optimization and security. We market our services through channel partners and directly. Our channel partners include leading retail, Internet service provider, and technology brands. We market our software products directly, principally online, and through channel partners. Our sales and marketing efforts primarily target North American customers.

Support.com was founded in 1997 under the name Replicase, Inc. as an enterprise software provider focused on technical support organizations. In 2007 we launched our consumer services business. In June 2009 we sold our Enterprise business, changed our name to Support.com, Inc. and focused our efforts on the consumer market. In January 2012 we expanded our efforts to include the small business market.

As further discussed in this section, our executive compensation program was redesigned in 2009 in light of the sale of our Enterprise software business and the transformation of the Company into a smaller operation focused on a high-growth consumer business. This included in 2009 a reduction in cash compensation for executive officers, and a greater emphasis at the time on long-term equity-based incentives, in light of the changes to the Company's size of operations and business focus.

The following discussion and analysis explains our executive compensation program and policies for our executives listed in the Summary Compensation Table below. We refer to these senior executives as our "Named Executive Officers," and for 2011 they include:

Name	Title
Joshua Pickus	President and Chief Executive Officer
Shelly Schaffer	Chief Financial Officer and Executive Vice President of Finance and Administration
Gregory Wrenn	Senior Vice President of Business Affairs, General Counsel and Corporate Secretary
Anthony Rodio (1)	Executive Vice President, Chief Operating Officer

Timothy Krozek (2) Senior Vice President, Business Development and Program Management

---

- (1) Mr. Rodio's employment with the Company terminated on October 1, 2011.
- (2) Mr. Krozek's employment with the Company terminated on September 27, 2011.

This discussion and analysis of our 2011 executive compensation program may include forward-looking statements, and should be read together with the compensation tables and related disclosures that follow.

### Consideration of 2011 Say on Pay Voting Results

At our 2011 annual meeting of stockholders, we received approximately 95% approval for our “say-on-pay” proposal based on record shares voted. Our stockholders also recommended that we hold advisory say-on-pay votes every year. In light of, and consistent with, the voting results the Board has determined that the Company will hold future advisory votes on executive compensation annually until the next stockholder vote on the frequency of say-on-pay votes is required under Section 14A of the Securities Exchange Act of 1934, as amended, or until the Board otherwise determines that a different frequency for such votes is in the best interests of the Company’s stockholders.

The Compensation Committee also considered the 2011 say-on-pay voting results at its meetings, and the Committee believes the voting results demonstrate significant support for our Named Executive Officer compensation program. The Committee intends to continue to look for ways to strengthen the existing executive compensation programs and the governance environment in which they function.

### 2011 Pay for Performance Analysis

Our program is designed to reward our executive officers, consistent with our peer group and market, when they contribute to the achievement of our business objectives and create long-term stockholder value.

### Executive Compensation Philosophy and Objectives

The executive compensation program is designed to attract and retain talented executives that will lead the Company in achieving its business goals and objectives and in creating long-term shareholder value. In keeping with our philosophy of aligning pay with performance, a significant portion of our Named Executive Officers’ compensation is

“at risk” and comprised of both short-term performance-based cash incentives and long-term equity awards. For us, “at risk” compensation consists of incentive cash compensation that is directly linked to performance against quarterly objectives set by the Compensation Committee, and interests in stock option grants priced at or above fair market value on the grant date, and vesting over multi-year periods or in some cases upon achievement of performance milestones.

The principal elements of our executive compensation program are:

base salary;

short-term, performance-based cash incentive awards;

long-term, equity-based awards; and  
 other benefits customary for our peer group.

We believe long-term stock option grants are particularly effective as a means of aligning the interests of our Named Executive Officers with those of our stockholders as these awards are designed to drive both long-term Company performance and retention of our key executives. We believe this because the equity awards will not deliver any return to our Named Executive Officers unless our stock price increases after the time the award is made. Accordingly, we will normally seek to establish long-term equity incentives as a significant ongoing component of our executive compensation program. We also believe that short-term cash incentives are an important and effective way to align Named Executive Officer pay with Company performance because short-term cash incentives are actually earned only when our Named Executive Officers contribute to the achievement of our specific short-term business objectives.

Analysis of 2011 Executive Compensation Decisions and Actions

Base Salary

Base salary is the baseline cash compensation that we pay to our Named Executive Officers throughout the year. Base salaries provide our Named Executive Officers with a predictable level of income. We pay base salaries to attract and retain strong talent in our market. The Compensation Committee determines individual salaries for the Company's Section 16 Officers. In determining appropriate 2011 base salaries, in addition to reviewing without applying any specific formula the peer company data compiled by Compensia, Inc. ("Compensia"), an independent compensation consultant, and market data from industry compensation surveys such as the survey by Radford, an Aon Hewitt company, ("Radford"), and other sources, the Compensation Committee generally considers:

the scope of responsibility and experience of the Section 16 Officer;

the individual performance of each existing Section 16 Officer;

competitive market compensation;

internal equitable considerations;

the significance of the individual to the achievement of our corporate objectives; and

in the case of Section 16 Officers other than the Chief Executive Officer, the Chief Executive Officer's recommendation as to compensation.

Base salaries are reviewed annually by the Compensation Committee along with other elements of executive compensation. In February 2011, the Compensation Committee considering the data and factors described above, increased the annual base salary rate for Mr. Pickus from \$325,000 to \$335,000. The Committee made no other changes to base salary of Section 16 Officers in 2011.

The annual base salary rates for our Named Executive Officers for 2011 are set forth in the table below:

Name and Title	2011 Base Salary
Joshua Pickus	\$ 335,000
Shelly Schaffer	\$ 255,000
Gregory Wrenn	\$ 240,000

Anthony Rodio	\$	240,000
Tim Krozek	\$	225,000

#### Short-Term, Performance-Based Cash Incentive Awards

We paid short-term performance-based cash incentives in 2011 under our Executive Incentive Compensation Plan to attract and retain talented executives who help us achieve our business objectives, and to align executive pay with achievement against near-term Company performance objectives. In determining appropriate target short-term cash incentive opportunities for each Section 16 Officer for 2011, in addition to reviewing market data from industry compensation surveys such as that of Radford, and data from Compensia, all as further discussed below, the Compensation Committee assessed the same factors that were considered in determining 2011 base salaries. In February 2011, the Compensation Committee considering the data and factors described above, increased the annual target short-term cash incentive opportunity for Mr. Pickus from \$170,000 to \$180,000, and for Ms. Schaffer, from \$92,000 to \$100,000.

Actual payouts for our short-term cash incentive awards for each Section 16 Officer were based on the achievement of specified Company financial targets and individual objectives established at the beginning of each quarter as determined by the Compensation Committee. The Committee considers financial and other targets each quarter in reference to a previously established annual plan, but either confirms or adjusts the targets up or down at the beginning of each quarter, as the Committee deems appropriate, in order to keep the short-term performance-based incentives appropriate and effective at aligning this element of executive pay with the achievement of the Company's near-term performance objectives.

For 2011, our short-term cash incentive award payout approach was as follows:

Incentive compensation for Company financial targets was paid on a straight-line sliding scale if the Company achieved between the minimum threshold of 70% (achievements under 70% received no payout) and the maximum achievement of 130% (achievements over 130% received 130% payout).

Targets specific to individual performance were not eligible for achievement levels above 100% of target, but could be assigned partial credit based on actual achievement;

Incentive compensation for services revenue and software revenue and margin targets was paid on a straight-line sliding scale if the Company achieved between the minimum threshold of 80% (achievements under 80% received no payout) and the maximum achievement of 120% (achievements over 120% received 120% payout);

Business development targets for deals closed were earned on a straight-line percentage based on the Company's determination of deal value compared to previously established quotas.

The Compensation Committee determines in its sole discretion if, and to what extent, objectives are achieved and bonuses are payable based on the actual results of the period. Pursuant to the Executive Incentive Compensation Plan, the Compensation Committee reserves the right to amend or discontinue the short-term incentive program at any time in the best interests of the Company.
