Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 6, 2015, PG&E Corporation and Pacific Gas and Electric Company (“Utility”) filed a Current Report on Form 8-K dated November 5, 2015 (the “Original Form 8-K”) reporting the election of Jason P. Wells as Senior Vice President and Chief Financial Officer of PG&E Corporation, effective January 1, 2016. This Form 8-K/A amends the Original Form 8-K to include compensation information for Mr. Wells that was not available for inclusion in the Original Form 8-K.

On December 15, 2015, the Compensation Committee of the Board of Directors of PG&E Corporation approved an annual salary for Mr. Wells in the amount of \$500,000, effective January 1, 2016. Mr. Wells also will be entitled to participate in the 2016 Short-Term Incentive Plan (“STIP”) and to receive awards under the PG&E Corporation 2014 Long-Term Incentive Plan (“LTIP”) based on the approved target amounts for his officer level. Mr. Wells’ STIP participation rate is 75% of his annual salary and the target value of his LTIP awards is \$1,750,000, consistent with the approved target amounts for his officer level. The actual amount of STIP compensation that Mr. Wells and other officers will receive, if any, depends on the extent to which the specified performance and other conditions to which the awards are subject are met. The actual amounts of annual LTIP awards for Mr. Wells and other officers are expected to be approved in February 2016. The value of LTIP awards depends on (1) whether the relevant vesting and performance conditions are met and (2) the PG&E Corporation common stock price at the time vested awards are settled. Mr. Wells will be entitled to participate in other executive officer programs, including the PG&E Corporation 2012 Officer Severance Policy, as described in PG&E Corporation’s 2015 proxy statement filed with the Securities and Exchange Commission.
