#### SECTION 1-REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement.

On June 14, 2005, Innova Holdings, Inc. (the "Company") entered into a Standby Equity Distribution Agreement (the "Equity Distribution Agreement") with Cornell Capital Partners, LP ("Cornell"). Under the Equity Distribution Agreement, the Company may issue and sell to Cornell common stock for a total purchase price of up to \$10,000,000 over a period of up to twenty four (24) months. The purchase price for the shares is equal to 96% of their market price, which is defined in the Equity Distribution Agreement as the lowest volume weighted average price of the common stock during the five trading days following the date notice is given by the Company that it desires an advance of funds. Cornell is paid a fee equal to 5% of each advance, which is retained by Cornell from each advance. The amount of each advance is subject to an aggregate maximum advance amount of \$400,000, with no advance occurring within five trading days of a prior advance. The Company will pay a structuring fee of \$500 for each advance made under the Equity Distribution Agreement. The Company agreed to file a registration statement with the Securities and Exchange Commission ("SEC") that registers for resale the common stock that will be issued to Cornell under the Equity Distribution Agreement. No advance of funds will be made under the Equity Distribution Agreement until the registration statement is declared effective by the SEC.

In connection with the transaction, Cornell received a one-time commitment fee of 2,608,696 restricted shares of the Company's common stock, equal to approximately \$90,000 based on the Company's stock price on May 4, 2005. These shares will be registered for resale in the registration statement for the common stock to be issued under the Equity Distribution Agreement. The Company also issued to Cornell its promissory note for \$300,000. The principal of the note is payable in three \$100,000 installments due on the 30th, 60th and 90th days following the date the registration statement for the Cornell shares is declared effective. The promissory note does not bear interest except in the event of a default. The Company also paid \$20,000 in cash to Cornell and its affiliates for structuring and due diligence fees.

On June 14, 2005, the Company entered into a Placement Agent Agreement with Moniter Capital Inc. (the "Placement Agent"), a registered broker-dealer, to act as its exclusive placement agent in connection with the Equity Distribution Agreement. The Placement Agent will advise the Company regarding the Equity Distribution Agreement. Pursuant to the Placement Agent Agreement, the Company paid a one-time placement agent fee of 289,855 restricted shares of common stock, equal to approximately \$10,000 based on the Company's stock price on May 4, 2005. These shares will be registered for resale in the registration statement for the Cornell shares.
