**Item 1.01. Entry into a Material Definitive Agreement.**

On August 17, 2005, Stuart Miller, the President and Chief Executive Officer of Lennar Corporation (“Lennar”), entered into a Time Sharing Agreement (the “Agreement”) with U.S. Home Corporation, a wholly-owned subsidiary of Lennar (the “Company”), relating to the use by Mr. Miller of a private aircraft, which is leased by the Company. The description of terms of the Agreement included in this document is qualified in its entirety by reference to the Agreement, which is filed as an exhibit to this document.

The Agreement provides that the Company may sub-lease the aircraft and its flight crew to Mr. Miller for non-business purposes. Under the Agreement, Mr. Miller will pay to the Company, out of a prepayment fund established in connection with this Agreement, the aggregate incremental cost of each flight based on a list of expenses authorized by federal regulations. The Company has entered into an aircraft management agreement pursuant to which the management company will provide the aircraft with a fully qualified flight crew. The flight crew retains sole discretion to determine when a flight may be terminated or changed for safety or maintenance reasons. The Company retains sole discretion to determine what flights may be scheduled, and the Company’s prior planned use of the aircraft will take precedence over Mr. Miller’s non-business use.
