Item 8.01 Other Events

This report amends and incorporates the VoIP, Inc. (the "Company") Form 8-K filed on January 9, 2007. As previously disclosed, the Company received a default notice pursuant to a subordinated loan and security agreement (the "Loan Agreement"). The lender's default notice had demanded the entire principal amount of the loan plus unpaid interest, currently approximately \$2.4 million. In addition, the lender had demanded that the Company pay the default rate of interest stated in the Loan Agreement of 17.5% per annum. Under the Loan Agreement, the lender has a security interest on all of the Company's assets.

On January 10, 2007 the lender agreed to waive the prior default based upon the Company agreeing to make the following payments: (i) \$250,000 on January 10, 2007, which payment has been made by the Company; (ii) \$250,000 to be paid by January 17, 2007; (iii) \$1,000,000 to be paid by January 31, 2007; (iv) payments of \$120,000 per month commencing February 2007 through May 2007; and (v) payment of the note's full remaining principal and accrued interest and lender's related legal fees on June 1, 2007. The interest rate will be maintained at 17.5% per annum for the remainder of the loan's amended term.
