Part IV - Other Information, Item (3)

The revenue for the year ended April 30, 2007 was \$1,344,000, compared to \$2,539,000 for the year ended April 30, 2006. This decrease was primarily due to the fact that all drilling for oil and gas during the current year was performed through Wind Mill Oil & Gas, LLC and there was no other drilling program.
