-

Section 3 – Securities and Trading Markets

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 18, 2011, China Automotive Systems, Inc. (the “Company”) issued a press release announcing that, due to the delayed filing of its annual report on Form 10-K for the year ended December 31, 2010, the Company has received, as expected, a notification letter from the Nasdaq Stock Market (“Nasdaq”) stating that the Company is no longer in compliance with Nasdaq Marketplace Rule 5250(c)(1), which requires timely filing of SEC periodic reports. The notification letter was received on March 17, 2011.

The Company previously announced that it is reviewing the complex accounting treatment of the Company’s convertible notes issued on February 15, 2008. CAAS expects that the review will be completed during the second quarter of 2011, at which time the Company will file its annual report on Form 10-K for the fiscal year ended December 31, 2010 and the amended quarterly reports on Form 10-Q for the quarters ended March 31, June 30 and September 30, 2010 (which will include restated comparative financial statements for the respective periods of 2009) and an amended annual report on Form 10-K for the year ended December 31, 2009.

The notification letter from NASDAQ has no immediate effect on the listing or trading of CAAS’ shares on the NASDAQ Stock Market. Pursuant to the NASDAQ listing standards, CAAS has 60 calendar days, or until May 16, 2011, to submit a plan to NASDAQ to regain compliance with the NASDAQ Listing Rules. If NASDAQ accepts the Company’s plan of compliance, NASDAQ may grant an extension of up to 180 calendar days from the due date of the annual report on Form 10K, or until September 16, 2011, to regain compliance.

A copy of the Company’s press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
