Item 3. *Incorporation of Documents by Reference.*

We incorporate herein by reference the following documents filed by us with the Securities and Exchange Commission (the “SEC”), excluding such documents or portions thereof that are not deemed “filed” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and applicable SEC rules and regulations:

- (a) Description of our common stock, par value \$0.0001 per share, contained in Amendment No. 1 to our Registration Statement on Form S-4, Registration No. 333-192034, filed on December 10, 2013;
- (b) Our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, filed on April 3, 2014, and Amendment No. 1 to our Annual Report on Form 10-K/A filed on April 14, 2014; and

All documents subsequently filed by us with the SEC pursuant to Sections 13(a), 13(c), 14 and 15(d) of the (c) Exchange Act prior to the filing of a post-effective amendment to this registration statement that indicates that all securities offered hereby have been sold or which deregisters all such securities then remaining unsold.

The information incorporated by reference is considered to be part of this registration statement and information that we file later with the SEC will automatically update and supersede this information, as applicable. Any statement contained herein or in a document, all or a portion of which is incorporated or deemed to be incorporated by reference herein, shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any other subsequently filed document modifies or supersedes such statement. Item 4. *Description of Securities.*

Not applicable.

Item 5. *Interests of Named Experts and Counsel.*

Not applicable.

Item 6. *Indemnification of Directors and Officers.*

Our second amended and restated certificate of incorporation and amended and restated bylaws generally provide that we will indemnify our directors and officers to the full extent permitted by applicable law.

Our second amended and restated certificate of incorporation also contains provisions eliminating the personal liability of our directors to us and our stockholders for monetary damages for breaches of their fiduciary duties as directors to the fullest extent permitted by Section 145 of the General Corporation Law of the State of Delaware or any other applicable law as it exists on the date of our second amended and restated certificate of incorporation or as it may be amended. The General Corporation Law of the State of Delaware prohibits such elimination of personal liability of a director for:

- any breach of the director's duty of loyalty to us or our stockholders;
- acts or omissions not in good faith or involving intentional misconduct or a knowing violation of law;
- the payment of dividends, stock repurchases or redemptions that are unlawful under Delaware law; and
- any transaction in which the director receives an improper personal benefit.

These provisions only apply to breaches of duty by directors as directors and not in any other corporate capacity, such as officers. In addition, these provisions limit liability only for breaches of fiduciary duties under the General Corporation Law of the State of Delaware and not for violations of other laws such as the U.S. federal securities laws and U.S. federal and state environmental laws. As a result of these provisions in our second amended and restated certificate of incorporation, our stockholders may be unable to recover monetary damages against directors for actions taken by them that constitute negligence or gross negligence or that are in violation of their fiduciary duties. However, our stockholders may obtain injunctive or other equitable relief for these actions. These provisions also reduce the likelihood of derivative litigation against directors that might benefit us.

In addition, our second amended and restated certificate of incorporation and our amended and restated bylaws provide that we will be obligated to indemnify and advance expenses to, and hold harmless, each of our directors and officers (each, an "indemnitee"), to the fullest extent permitted by applicable law, who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he, or a person for whom he is the legal representative, is or was one of our directors or officers or, while one of our directors or officers, is or was serving at our request as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such indemnitee. Notwithstanding the preceding sentence, except as otherwise provided in our second amended and restated certificate of incorporation and in our amended and restated bylaws, we will be required under our second amended and restated certificate of incorporation and our amended and restated bylaws to indemnify, or advance expenses to, an indemnitee in connection with a proceeding (or part thereof) commenced by such indemnitee only if the commencement of such proceeding (or part thereof) by the indemnitee was authorized by our board of directors.

We have entered into indemnification agreements with each of our directors and certain of our officers (each, a "Contractual Indemnitee"). Pursuant to the indemnification agreements, we will be obligated to indemnify the applicable Contractual Indemnitee to the fullest extent permitted by applicable law in the event that such Contractual Indemnitee, by reason of such Contractual Indemnitee's relationship with us, was, is or is threatened to be made a party to or participant in any threatened, pending or completed action or proceeding, other than an action or proceeding by or in our right, against all expenses, judgments, penalties, fines (including any excise taxes assessed on the Contractual

Indemnatee with respect to an employee benefit plan) and amounts paid in settlement actually and reasonably incurred by such Contractual Indemnatee in connection with such action or proceeding, provided that such Contractual Indemnatee acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interests and, with respect to any criminal action or proceeding, provided that he also had no reasonable cause to believe his conduct was unlawful. We will also be obligated to indemnify such Contractual Indemnatee to the fullest extent permitted by applicable law in the event that such Contractual Indemnatee, by reason of such Contractual Indemnatee's relationship with us, was, is or is threatened to be made a party to or participant in any threatened, pending or completed action or proceeding brought by or in our right to procure a judgment in our favor, against all expenses actually and reasonably incurred by such Contractual Indemnatee in connection with such action or proceeding, provided that such Contractual Indemnatee acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interests. Notwithstanding the foregoing sentence, no indemnification against expenses incurred by such Contractual Indemnatee in connection with such an action or proceeding brought by or in our right will be made in respect of any claim, issue or matter as to which such Contractual Indemnatee is adjudged to be liable to us or if applicable law prohibits such indemnification being made; provided, however, that, in such event, if applicable law so permits, indemnification against such expenses will nevertheless be made by us if and to the extent that the court in which such action or proceeding has been brought or is pending determines that, despite the adjudication of liability but in view of all the circumstances of the case, the Contractual Indemnatee is fairly and reasonably entitled to indemnity for such expenses.

The indemnification agreements also provide for the advancement of all reasonable expenses incurred by such Contractual Indemnitee in connection with any action or proceeding covered by the indemnification agreement. The Contractual Indemnitee will be required to repay any amounts so advanced if, and to the extent that, it is ultimately determined that he is not entitled to be indemnified by us against such expenses. The Contractual Indemnitee will further be required to return any such advance to us which remains unspent at the conclusion of the action or proceeding to which the advance related.

In addition, the indemnification agreements provide that we will use all commercially reasonable efforts to obtain and maintain in effect for so long as the Contractual Indemnitee may have any liability or potential liability by reason of his relationship with us, one or more insurance policies providing our directors and officers coverage for losses from wrongful acts and omissions and to ensure our performance of our indemnification obligations under each indemnification agreement.

There is no pending litigation or proceeding involving any of our directors, officers, employees or other agents as to which indemnification is being sought, nor are we aware of any pending or threatened litigation that may result in claims for indemnification by any director, officer, employee or other agent.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which (ii) was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to

the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement;

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
