Dear Fellow Shareholder:

It is my pleasure to invite you to join us at the Annual Meeting of Shareholders (our Annual Meeting) of Shore Bancshares, Inc. (the Company) to be held at **The Tidewater Inn, 101 East Dover Street, Easton, Maryland 21601** at 11:00 a.m., local time, on Wednesday, April 29, 2015.

In order to simply and effectively explain the matters to be addressed at our Annual Meeting, this year's Proxy Statement includes a Proxy Statement Summary starting on page 1 that highlights the detailed information included in the Proxy Statement. We have also included a Compensation Discussion and Analysis that begins on page 20, which discusses how our executives' pay is linked to our performance and clearly explains our executive compensation philosophy and practices. We, together with our Board of Directors (the Board), feel that it is important to provide you with the information you are looking for in a way that is easy to understand.

At this year's meeting, we will vote on the election of one Class II director to serve for a two-year term ending at the 2017 annual meeting of shareholders, the election of three Class III directors to serve for a three-year term ending at the 2018 annual meeting of shareholders, the ratification of the appointment of Stegman & Company as the Company's independent registered public accounting firm, and the adoption of a non-binding advisory resolution approving the compensation of the Company's named executive officers. In addition we will transact any other business that may properly come before the Annual Meeting and at any adjournments of postponements thereof. The Board is not aware of any other business that will be presented for consideration at the Annual Meeting.

We are distributing our proxy materials to shareholders via the internet under the Notice and Access rules of the U.S. Securities and Exchange Commission. We believe this expedites shareholders' receipt of proxy materials, lowers the annual meeting costs and conserves natural resources. We thus are mailing to many shareholders a Notice of Internet Availability of Proxy Materials (Notice), rather than a paper copy of the Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2014. The Notice contains instructions on how to access the proxy materials online, vote online and obtain, if desired, a paper copy of our proxy materials.

Your vote is very important. I encourage you to sign and return your proxy card, or use telephone or Internet voting prior to the meeting, so that your shares of common stock will be represented and voted at the Annual Meeting even if you cannot attend.

March 13, 2015

Sincerely,

Lloyd L. Scott Beatty, Jr.
President and Chief Executive Officer

10. How can I cast my vote? Must I attend the Annual Meeting to do so?

If you are a shareholder of record, you may vote at the 2015 Annual Meeting on April 29, 2015, **or** you may direct how your shares are voted without attending the 2015 Annual Meeting in one of the other following ways:

Internet. 13. What happens if my shares are held in street name?

If you have selected a broker, bank, or other intermediary to hold your shares of Common Stock, rather than having the shares directly registered in your name with our transfer agent, you will receive separate instructions directly from your broker, bank, or other intermediary in order to vote your shares. If you, as the beneficial owner of the shares of Common Stock, do not submit voting instructions to the organization that holds your shares, that organization may still be permitted to vote your shares. In general, under The Nasdaq Stock Market Rules (the Nasdaq Rules), the organization that holds your shares of Common Stock may generally vote on routine matters. Proposal 2, the approval and appointment of the Company's independent auditor, Stegman & Company, is a routine matter. However, absent specific instructions from beneficial owners, brokers may not vote for non-routine matters. Proposal 1, the election of directors, and Proposal 3, the advisory vote on executive compensation are non-routine matters. Therefore, there may be broker non-votes with respect to Proposals 1 and 3. Accordingly, we urge you to vote by following the instructions provided by your broker, bank, or other intermediary.

Please note that if your shares are held in street name and you wish to attend and vote your shares at the Annual Meeting, you must first obtain a legal proxy from your broker, bank, or other intermediary that is the holder of record of your shares and bring it with you to the Annual Meeting. Otherwise you will not be permitted to vote in person at the Annual Meeting.

14. What steps can I take if I want to revoke my proxy?

Any stockholder giving a proxy may revoke it at any time by submission of a later dated proxy, subsequent Internet or telephonic proxy, or by written notice delivered to Lloyd L. Beatty, Jr., President and Chief Executive Officer of the Company, at the Company's address listed above or at the meeting. Shareholders entitled to vote at the Annual Meeting who attend may revoke any proxy previously granted and vote in person at the Annual Meeting by written ballot. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments or postponements of the Annual Meeting.

All properly executed proxies received pursuant to this solicitation will be voted as directed by the stockholder on the proxy. If no direction is given, the proxy will be voted FOR ALL NOMINEES named in Proposal 1, FOR the ratification of the appointment of Stegman & Company as the Company's independent registered public accounting firm, as described in Proposal 2, FOR the adoption of the resolution approving the compensation of the named executive officers, as described in Proposal 3.

15. How are the votes tabulated?

Broadridge will tabulate all votes which are received prior to the date of the Annual Meeting. We have appointed Camille Pecorak as Inspector of Election of the Annual Meeting and to receive Broadridge's tabulation, to tabulate all other votes, and to certify the voting results. We intend to publish the final voting results in a Current Report on Form 8-K to be filed with the SEC within four business days of the Annual Meeting.

16. Who pays the cost of this solicitation?

We will pay the cost of this solicitation. In addition, arrangements may be made with brokerage houses and other custodians, nominees, and fiduciaries to send proxies and proxy material to their principals. Solicitation of proxies may be made by mail, telephone, personal interviews or by other means by our officers and employees who will not

be additionally compensated therefor.

TABLE OF CONTENTS

PROPOSAL 1: ELECTION OF DIRECTORS

Classification of the Company's Directors

In accordance with the terms of the Company's Amended and Restated Articles of Incorporation, as supplemented (the Charter), our Board of Directors is divided into three classes, Class I, Class II and Class III, with each class serving staggered three-year terms as follows:

The Class I directors are Frank E. Mason, III, Christopher F. Spurry and John H. Wilson, and their terms will expire at the annual meeting of shareholders to be held in 2016;

The Class II directors are Blenda W. Armistead and David W. Moore, and their terms will expire at the annual meeting of shareholders to be held in 2017; and

The Class III directors are David J. Bates, Lloyd L. Beatty, Jr., James A. Judge and W. Moorhead Vermilye, and their terms will expire at the 2015 Annual Meeting.

Election Procedures; Term of Office

At each annual meeting of shareholders, or special meeting in lieu thereof, upon the expiration of the term of a class of directors, the successors to such directors will be elected to serve from the time of election and qualification until the third annual meeting following his or her election and the election and qualification of his or her successor. Any change in the Board resulting from an increase or decrease in the number of directors will be distributed by the Board of Directors among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

At the 2014 annual meeting of shareholders, Blenda W. Armistead and David W. Moore were elected as the Class II directors. In the proxy statement for the 2014 annual meeting of shareholders, we disclosed that in order that the three classes of directors are as equal in number as possible, Mr. Beatty would be moved from Class III to Class II and at the 2015 Annual Meeting, when Class III stands for election, Mr. Beatty would stand for election as a Class II nominee for a two-year term. Our Board subsequently determined that W. Moorhead Vermilye, rather than Mr. Beatty, would be moved from Class III to Class II and stand for election as a Class II nominee for a two-year term.

Nominees for Election

Our Board of Directors has approved the nomination of W. Moorhead Vermilye for election as a Class II director and David J. Bates, James A. Judge, and W. Lloyd L. Beatty, Jr. for election as Class III directors.

CORPORATE GOVERNANCE

Director Independence

Pursuant to Rule 5605(b)(1) of the Nasdaq Rules, a majority of the members of the Board must be independent directors as that term is defined by Nasdaq Rule 5605(a)(2). In accordance with Nasdaq Rules, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. Our Board has determined that currently serving directors, Blenda W. Armistead, David J. Bates, James A Judge, Frank E. Mason, III, Christopher F. Spurry, David W. Moore, and John H. Wilson are independent directors under the Nasdaq Rules and these independent directors constitute a majority of our Board.

Board Leadership Structure and Executive Sessions

Our Board currently separates the role of Chairman of the Board from the role of Chief Executive Officer. The Board's philosophy is and has been to fill the position of Chairman with an independent director. The foregoing structure is not mandated by any provision of law or our Charter or By-Laws, but the Board believes that this governance structure provides the best balance between the Board's independent authority to oversee our business and the Chief Executive Officer's management of our business on a day-to-day basis.

The duties of the Chairman include: (i) acting as a liaison and channel for communication between the independent directors and the Chief Executive Officer; (ii) providing leadership to ensure the Board works cohesively and independently and during times of crisis; (iii) advising the Chief Executive Officer as to the quality, quantity and timeliness of information from executive management to the independent directors; (iv) being available to consult with the Chief Executive Officer and other directors on corporate governance practices and policies; (v) coordinating the assessment of Board committee structure, organization and charters and evaluating the need for change, as well as committee membership; (vi) together with the Chair of the Nominating and Governance Committee, interviewing all Board candidates and making recommendations concerning such candidates; (vii) coordinating, developing the agenda and leading executive sessions of the independent directors and communicating the results thereof to the Chief Executive Officer; (viii) ensuring appropriate segregation of duties between Board members and management; (ix) suggesting agenda items for Board meetings; and (x) together with the Chair of the Compensation Committee, communicating the Board's evaluation of the performance of the Chief Executive Officer.

To further strengthen the oversight of the full Board, the Board's independent directors hold executive sessions at which only non-management directors are present. The executive sessions are scheduled in connection with regularly scheduled Board meetings. Additional executive sessions may be called by any of the independent directors as often as necessary. During fiscal 2014, the independent directors met five times in executive session without the presence of management.

For these reasons, the Board believes that our corporate governance structure is in the best interests of the Company and our shareholders at this time. The Board retains authority to modify this structure as it deems appropriate.

Board and Committee Oversight of Risk

The Board is actively involved in overseeing our risk management through the work of its various committees and through the work of the boards of directors and committees of our subsidiaries, a number of which have Company

directors as members. Each committee of the Board is responsible for evaluating certain risks and overseeing the management of such risks. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees the process by which senior management and the relevant departments assess and manage our exposure to, and management of, financial and operational risks. The Nominating and Governance Committee manages risks by setting criteria for nomination of director candidates, nominating qualified candidates, and establishing and periodically reviewing our governance policies. In addition, the Board implemented a comprehensive Enterprise Risk Management program during 2014. The entire Board is regularly informed about these risks and oversees the management of these risks and regularly reviews information regarding our operations and finances as well as its strategic direction. Pursuant to the Board's instruction, management regularly reports on applicable risks to the relevant

committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by the Board and its committees.

Business Conduct and Code of Ethics

We have adopted a Code of Ethics, as amended, that applies to all of our directors, officers, and employees, including our principal executive officer, principal financial officer, principal accounting officer, or controller, or persons performing similar functions. The Code of Ethics provides fundamental ethical principles to which these individuals are expected to adhere. The Code of Ethics operates as a tool to help directors, officers, and employees understand and adhere to the high ethical standards required for employment by, or association with, the Company.

The Code of Ethics is available on our website at www.shorebancshares.com under the Governance Documents link. Shareholders can also obtain a written copy of the Code of Ethics, free of charge, upon request to: W. David Morse, Secretary, Shore Bancshares, Inc., 18 E. Dover Street, Easton, Maryland 21601 or (410) 763-7800. Any future changes or amendments to the Code of Ethics and any waiver that applies to one of our senior financial officers or a member of the Board will be posted to our website.

Shareholder Communications and Annual Meeting Attendance

Shareholders may communicate with our Board of Directors by contacting W. David Morse, Secretary, Shore Bancshares, Inc., 18 East Dover Street, Easton, Maryland 21601 or (410) 763-7800. All communications will be forwarded directly to the Chairman of the Board for consideration.

The Board members are not required to attend our annual meetings of shareholders. However, all directors are encouraged to attend every annual meeting of shareholders as we believe that the annual meeting is an opportunity for shareholders to communicate directly with directors. If you would like an opportunity to discuss issues directly with the members of the Board, please consider attending this year's Annual Meeting. At the 2014 annual meeting of shareholders, all directors (who were serving as such) were in attendance.

The term includes most financial transactions and arrangements, such as loans, guarantees and sales of property, and remuneration for services rendered (as an employee, consultant or otherwise) to the Company.

The Company and its subsidiaries have adopted policies and procedures to ensure compliance with the foregoing requirements.

TABLE OF CONTENTS

Executive Committee

Our Executive Committee consists of Frank E. Mason, *Chair*, Blenda W. Armstead, David J. Bates, Lloyd L. Beatty, Jr., and Christopher F. Spurry. The Executive Committee has the authority to exercise the powers of our Board in the management of the business and affairs of the Company, subject to any restrictions imposed by law and to subsequent revision or alteration of any such action by the Board. The Executive Committee did not meet in 2014.

Audit Committee

The current members of the Audit Committee are James A. Judge, *Chair*, Blenda W. Armstead and Frank E. Mason, III. Our Board has determined that each current member of the Audit Committee is independent and financially literate as required in the Audit Committee charter and as required by the rules and regulations promulgated by the SEC and The Nasdaq Stock Market. Our Audit Committee has adopted a charter, which is posted on our website at www.shorebancshares.com under the Governance Documents link. The Audit Committee met five times during fiscal 2014.

The principal functions of the Audit Committee are to review the financial information to be provided to our shareholders and others, our financial reporting process, our system of internal controls, our independent auditors independence, our audit process and the process for monitoring compliance with laws and regulations. Under our Audit Committee charter, the Audit Committee is solely responsible for hiring and firing the independent auditors and approving their fees and engagement terms; resolving any disagreement between the independent auditors and our management; and pre-approving all audit and non-audit services performed by the independent auditors, subject to a de minimis exception.

Our Board has determined that James A. Judge, Chairman of the Audit Committee, qualifies as an audit committee financial expert within the meaning of applicable SEC rules because he has the following attributes: (i) an understanding of generally accepted accounting principles and financial statements; (ii) the ability to assess the general application of such principles in connection with accounting for estimates, accruals and reserves; (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by our financial statements, and experience actively supervising one or more persons engaged in such activities; (iv) an understanding of internal control and procedures for financial reporting; and (v) an understanding of audit committee functions. Mr. Judge has acquired these attributes by means of having held various positions that provided relevant experience, as described in his biography above.

Compensation Committee

The members of the Compensation Committee, all of whom are independent directors as that term is defined in the Nasdaq Rules, are John H. Wilson, *Chair*, David W. Moore and Christopher F. Spurry. The Compensation Committee has adopted a charter, which is posted on our website at www.shorebancshares.com under the Governance Documents link. The Compensation Committee met six times during fiscal 2014.

The Compensation Committee is generally responsible for overseeing and, as appropriate, determining our director and executive officer compensation, recommending executive promotions to the full Board, providing assistance and recommendations with respect to our compensation policies and practices, and assisting with the administration of our compensation plans. The Compensation Committee determines executive compensation pursuant to the principles

discussed in the section below entitled "Overview of Compensation Philosophy and Objectives" and determines director compensation by periodically reviewing the compensation practice of peer group institutions.

Pursuant to its charter, the Compensation Committee may retain or obtain the advice of a compensation consultant, legal counsel or other advisers as it deems necessary and appropriate to carry out its duties and, in connection with such retention of consultants, the Compensation Committee will consider the independence factors as required by the applicable rules of The Nasdaq Stock Market and the SEC. The Compensation Committee is directly responsible for the appointment, compensation and oversight of the work of any compensation consultant, legal counsel and other advisers retained by them. During fiscal 2014, the

TABLE OF CONTENTS

Compensation Committee engaged Lockton to perform executive and director compensation market reviews. In September of 2014, the Compensation Committee engaged ChaseCompGroup, LLC as its new independent compensation consultant.

Nominating and Governance Committee

The members of the Nominating Committee, all of whom are independent directors as that term is defined in the Nasdaq Rules, are Blenda W. Armistead, *Chair*, David J. Bates, Frank E. Mason, III and John H. Wilson. The Nominating and Governance Committee has adopted a charter, which is posted on our website at www.shorebancshares.com under the Governance Documents link. The Nominating and Governance Committee met two times during fiscal 2014.

The Nominating and Governance Committee is responsible for overseeing and, as appropriate, determining or making recommendations to the Board regarding membership and constitution of the Board and its role in overseeing our affairs. The Nominating and Governance Committee manages the process for evaluating the performance of the Board and for nominating candidates (including current Board members) for election by our shareholders after considering the appropriate skills and characteristics required for the Board, the current makeup of the Board, the results of the evaluations and the wishes of the Board members to be re-nominated.

The Nominating and Governance Committee is responsible for assembling and maintaining a list of qualified candidates to fill vacancies on the Board, and it periodically reviews this list and researches the talent, skills, expertise, and general background of these candidates. The Nominating Committee will from time to time review and consider candidates recommended by shareholders. Shareholder recommendations should be submitted in writing to: Shore Bancshares, Inc., 18 East Dover Street, Easton, Maryland 21601, Attn: W. David Morse, Secretary; and must specify (i) the recommending shareholder's contact information, (ii) the class and number of shares of capital stock beneficially owned by the recommending shareholder, (iii) the name, address and credentials of the candidate for nomination, and (iv) the candidate's consent to be considered as a candidate.

Whether recommended by a shareholder or chosen independently by the Nominating and Governance Committee, a candidate will be selected for nomination based on his or her talents and the needs of the Board. The Nominating and Governance Committee does not have a formal policy pursuant to which it considers specific diversity criteria when selecting nominees, such as education, professional experience, skills, race or gender. Rather, the Nominating and Governance Committee's goal in selecting nominees is to identify persons who have business and other ties to the communities and industries we serve, and who have skills, education and other attributes that will meet the needs of the Board at that time and, generally, that are complimentary to the skills and attributes possessed by existing directors. When searching for and appointing directors to fill a particular committee position, the Nominating and Governance Committee searches for persons who will meet the independence standards required for those committees and who possess skills and attributes that will allow the committee to be effective. The Nominating and Governance Committee also strives to select individuals who it believes will work well with the other directors at the highest level of integrity and effectiveness.

A candidate, whether recommended by a shareholder or otherwise, will not be considered for nomination unless he or she is of good character and is willing to devote adequate time to Board duties. In assessing the qualifications of potential candidates, the Nominating and Governance Committee will also consider the candidate's experience, judgment, and civic and community relationships, and the diversity of backgrounds and experience among existing directors. Certain Board positions, such as Audit Committee membership, may require other special skills, expertise, or independence from the Company.

It should be noted that a shareholder recommendation is not a nomination, and there is no guarantee that a candidate recommended by a shareholder will be approved by the Nominating Committee or nominated by the Board. A shareholder who desires to nominate a candidate for election may do so only in accordance with Article II, Section 4 of our Amended and Restated By-Laws, as amended (the By-laws) which provides that directors may be nominated by shareholders by written request to the Secretary of the Company received not less than 120 days nor more than 180 days prior to the date fixed for the meeting. Additional time constraints are applicable in the cases of a change in shareholder meeting date or a special meeting called for the purpose

of electing directors. As provided in the By-Laws, the notice of nomination must specify: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of our capital stock owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; (e) the number of shares of our capital stock owned by the notifying shareholder; (f) the consent in writing of the proposed nominee as to the proposed nominee's name being placed in nomination for director; (g) a description of all arrangements or understandings between such notifying shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such notifying shareholder; (h) a representation that such notifying shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (i) all information relating to such proposed nominee that would be required to be disclosed by Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act), assuming such provisions would be applicable to the solicitation of proxies for such proposed nominee.

Risk Management

The members of the Enterprise Risk Management Oversight Committee are David J. Bates, *Chair*, David W. Moore, James A. Judge and W. Moorhead Vermilye. To direct the Enterprise Risk Management (ERM) function, the Enterprise Risk Management Oversight Committee (ERM) will establish and monitor the volume and mix of our assets and funding sources. The overall objective will be to manage our liquidity, capital adequacy, growth, risk, and profitability goals. ERM will be the primary forum for discussion and analysis of our investment plans, lending plans, liability structure, and overall interest rate risk.

Board and Committee Meetings and Attendance

Our Board held thirteen meetings during fiscal 2014. During fiscal 2014, the Board had five separately designated standing committees: the Executive Committee, the Audit Committee, the Nominating Committee, Compensation Committee, and the Risk Management Committee.

In fiscal 2014, each incumbent director, attended at least 75% of the aggregate of (1) the total number of meetings of the Board (held during the period for which that person served as a director) and (2) the total number of meetings held by all committees of the Board on which that person served (held during the period served).

Executive Summary

Our executive compensation program is designed to reward our senior management team not just for delivering short-term results but also for driving consistent sustainable growth, which is how we exceed customer expectations and produce superior returns for our shareholders. We believe that our compensation decisions reflect a balanced and responsible pay approach by tying pay outcomes over the short and long-term, while also considering the environment in which compensation decisions are made.

Shareholders have the opportunity, at the 2015 Annual Meeting, to vote to endorse or not endorse the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to the SEC's compensation disclosure rules. The Compensation Committee and the Board of Directors believe that this Compensation Discussion and Analysis, and the compensation tables and narrative discussion that follow, support their recommendation to **approve** the shareholder advisory resolution for the following Named Executive Officers in 2014:

Lloyd L. Beatty, Jr. President and Chief Executive Officer
George S. Rapp Vice President and Chief Financial Officer
Patrick M. Bilbrough President and Chief Executive Officer of Talbot Bank
F. Winfred Trice, Jr. Former President and Chief Executive Officer of CNB
Edward C. Allen Current President and Chief Executive Officer of CNB
Richard C. Trippe President and Chief Executive Officer of Avon Dixon

Compensation Philosophy

The primary objective of the Compensation Committee's approach is to provide competitive levels of compensation so that we may attract, retain and reward outstanding executive officers. In a highly competitive community banking marketplace, excellent leadership is essential. Our executive officers are expected to manage the business of the Company and its subsidiaries in a manner that promotes growth and profitability for the benefit of shareholders, while exceeding the requirements and service expectations of our customers. To that end, the Committee believes that:

Key executives should have compensation opportunities at levels that are competitive with peer institutions;
Total compensation should include at risk components that are linked to annual and long-term performance results;
and

Stock-based compensation should form a key component of total compensation as a means of linking senior management to the long-term performance of the Company and aligning their interests with those of shareholders.

Say on Pay Results

At the 2014 annual meeting of shareholders, the Company's shareholders overwhelmingly adopted a non-binding resolution approving the compensation paid to our executive officers, as disclosed in the definitive proxy statement for that meeting pursuant to Item 402 of the SEC's Regulation S-K. The measure was approved by approximately 90.8% of all votes cast. The Compensation Committee and the Board consider this vote to be an endorsement of our compensation philosophy and practices, including our balance between cash and equity compensation. Based upon that shareholder vote, the Compensation Committee believed that significant modifications to our executive compensation program were not necessary for 2014 and, as such, it remained relatively unchanged from our 2013 program. Both the Committee and the Board intend to periodically re-evaluate our executive compensation philosophy and practices in light of the Company's performance, needs and developments, including the outcome of future non-binding advisory votes by the Company's shareholders.

Role of Compensation Consultants

The Compensation Committee's consultant regularly attends committee meetings and attends executive sessions as requested by the Compensation Committee's chair, Mr. Wilson. The Committee's consultant does not perform any services for SHBI management, without express approval from the Committee.

In 2014, the Compensation Committee directly engaged Lockton to perform executive and director compensation market reviews. The Company paid fees totaling \$40,831 to Lockton during 2014. In September of 2014, the Compensation Committee engaged ChaseCompGroup, LLC as its new independent compensation consultant.

ChaseCompGroup assisted the Committee in revising the annual incentive plan and designing a long-term performance share plan that will be implemented in 2015. Total fees paid to ChaseCompGroup, LLC for executive compensation consulting totaled \$20,382 in 2014. Ms. Chase is also assisting the Nominating and Governance Committee with executive succession planning.

Compensation Consultant Independence

In furtherance of maintaining the independence of the Committee's compensation consultant, the Committee has the sole authority to retain, terminate and obtain the advice of ChaseCompGroup, LLC, at the Company's expense. Further, as discussed above, the Committee's compensation consultant will not perform any services for Shore Bancshares management unless approved in advance by the Committee.

In connection with its engagement of ChaseCompGroup, LLC the Committee considered various factors bearing upon ChaseCompGroup, LLC's independence including, but not limited to, the amount of fees received by ChaseCompGroup, LLC from Shore Bancshares as a percentage of ChaseCompGroup's total revenue, ChaseCompGroup's policies and procedures designed to prevent conflicts of interest, and the existence of any business or personal relationship that could impact ChaseCompGroup's independence. After reviewing these and other factors, the Committee determined that ChaseCompGroup, LLC is independent and that its engagement does not present any conflicts of interest. ChaseCompGroup, LLC also determined that it was independent from management and confirmed this in a written statement delivered to the Chair of the Committee as shown below.

ChaseCompGroup, LLC is independently owned and managed by Diana Chase. ChaseCompGroup, LLC is an independent compensation consulting firm as defined in NASDAQ's revised listing standards. Our firm does not market any other services or products to Shore Bancshares, nor do any of our consultants own SHBI stock. Our consultants do not have any current or previous personal relationships with management or directors at SHBI.

Management's Role in the Executive Compensation Process

Mr. Beatty, our president and chief executive officer and key members of our human resources function each help support the Compensation Committee's executive compensation process and regularly attend portions of committee meetings. As part of the executive compensation process, Mr. Beatty provides his perspective to the Compensation Committee regarding the performance of his Senior Leadership Team, which includes all of our named executive officers and certain other senior officers of the Company. In accordance with NASDAQ rules, Mr. Beatty is not present when his compensation is being discussed or approved and did not vote on executive compensation matters, and neither he nor other members of management attended executive sessions of the Compensation Committee.

Risk Considerations

We believe that the design and objectives of our executive compensation program provide an appropriate balance of incentives for executives and avoid inappropriate risks. In this regard, our executive compensation program includes, among other things, the following design features:

Balanced mix of fixed versus variable compensation and cash-based versus equity-based compensation;
Variable compensation based on a variety of performance goals, including Company, business unit and individual performance goals;

Compensation Committee discretion to lower annual incentive award amounts;

Compensation Peer Group and Benchmarking

The Compensation Committee refers to executive compensation studies prepared by its independent consultants when it reviews and approves executive compensation. The studies reflect compensation levels and practices for executives holding comparable positions at peer group companies, which help the Compensation Committee set compensation at competitive levels. The Committee's primary selection criteria are industry (commercially focused banks), asset size, and geography. The Compensation Committee compares each executive officer's base salary, target total cash and target long-term incentive compensation value to amounts paid for similar positions at peer group companies.

The Compensation Committee believes that the market median is a useful reference point in helping to achieve the executive compensation program objectives. However, the Committee also considers other factors when setting compensation; and target total direct compensation for each executive may vary from the market median based on the factors the Compensation Committee considers relevant each year, including particular job responsibilities and scope, adjustments for individual skills and expertise, and internal pay equity.

The compensation peer group developed for SHBI by Lockton in 2014 is listed below.

Elements of and Rationale for 2015 Compensation

Base Salary

A competitive salary for senior management is essential. Furthermore, flexibility to adapt to the particular skills of an individual or the Company's specific needs is required. We establish base salaries and assess market competitiveness by comparing our executives' qualifications, experience and responsibilities as well as their individual performance and value, with similar positions among our peers. Additionally we consider special circumstances related to staffing needs and market situations and levels of compensation provided from other compensation components.

23

TABLE OF CONTENTS

The Compensation Committee generally reviews executive compensation in the fourth quarter. At this time, we review market studies on executive compensation and solicit input from our CEO, Mr. Beatty on each of his direct reports performance and his recommended base salary increases. Recommendations regarding adjustments to Mr. Beatty's salary are discussed and approved in executive session. Fiscal 2014 base salary increases were approved for all executives in 2014 based on our market analysis and individual performance in fiscal 2013. Management declined salary increases in 2015 in favor for more opportunity under the performance-based compensation plans. Changes to our named executive salaries were as follows:

Executive	Title	2013 Salary	2014 Salary	2014 % Increase	2015 Salary	2015 % Increase
Lloyd L. Beatty, Jr.	President & CEO	345,000	355,350	3 %	355,350

Richard C. Trippe	CEO Avon Dixon		185,000		185,000	

Annual Incentive Bonus

The Company's incentive program, the Management Incentive Plan (the "MIP"), was developed to provide additional compensation to key management personnel when corporate and individual performance meet or exceed specific predetermined goals. Incentive award targets are assigned to each executive based on the executive's position and responsibilities. We also consider the identified comparative compensation targets and pay mix outlined in our executive compensation philosophy.

In fiscal 2014, each named executive participated in the MIP and was assigned company and individual goals at the beginning of the year. Target award opportunities under this plan for 2014 were 50% of salary for our CEO and 30% of base salary for other named executives. Once earned, half of the incentive is paid in cash and the other half in equity.

For fiscal 2014, annual incentive bonuses were based on the achievement of the objective performance goals of pretax earnings, and personal goals. For our CEO, his company goals was weighted 50% and his personal goals were weighted 50% and included factors for capital raises, business development, reducing the Company's risk profile, and improving regulatory ratings. Other named executives had 25% of their incentives tied to pretax earnings and 75% tied to personal goals relevant to their business units and roles.

Based on our company and individual performance, the Committee approved the following incentive payouts for 2014.

Executive	Title	2014 MIP Award \$	2014 MIP Award %	Portion Paid in Equity
Lloyd L. Beatty, Jr.	President & CEO	173,232	49 %	50 %
George S. Rapp	CFO	75,005	30 %	50 %

Patrick M. Bilbrough	CEO Talbot Bank	61,355	24 %	50 %
Edward C. Allen	CEO CNB (10/1/14 current)			
Richard C. Trippe	CEO Avon Dixon	49,950	30 %	50 %

Long-Term Incentives

Currently our Long-Term Incentive Awards are tied to our annual incentive plan as described above. Executives receive half of their annual incentive awards in equity and may choose a combination of stock options and restricted stock. Half of the equity award vests immediately and the other half vests at the one-year anniversary. We plan to continue this practice in 2015. Please see our Grants of Plan Based Awards table for additional detail.

In addition our Committee approved a performance share plan in 2015, which will be based on a three-year performance cycle. The objective of this program is to build further ownership for our executive team and link a portion of our compensation to longer-term goals. The first performance cycle will commence

TABLE OF CONTENTS

in 2015 and end in 2017. Awards will vest at the end of the three year cycle only if performance metrics are achieved. Awards will be settled in company stock.

401(k) Profit Sharing Plan

All employee contributions to the 401(k) Profit Sharing Plan are immediately vested. Discretionary and matching contributions by the Company vest incrementally over a six-year period. Discretionary, pre-tax and matching contributions may be withdrawn while a participant is employed by the Company if the participant has reached age 59½, in circumstances of financial hardship or in certain other circumstances pursuant to plan restrictions.

Deferred Compensation

Our Company maintains a modest deferred compensation account for Mr. Beatty. The initial company contribution was \$25,000, which has grown in value to \$58,745. No other deferred compensation plans or SERPs are in place for our named executives. Please see the Nonqualified Deferred Compensation Plan in this section.

Perquisites

The Compensation Committee believes that certain perquisites and other personal benefits can be effective elements of a compensation package, because they can permit and encourage executives to perform their duties better and generate business for the Company. Perquisites provided by the Company to various executives may include things as vehicle allowances, country club dues and supplemental insurance.

Equity Plan

The 2006 Equity Plan reserves 631,972 shares of Common Stock, subject to adjustment for stock splits and other similar reclassification events, for issuance pursuant to awards. Through December 31, 2014, both nonqualified stock options and restricted stock have been granted under the 2006 Equity Plan. During 2014, the Committee granted a total of 6,764 restricted shares of Common Stock and 34,219 in nonqualified stock options to the Named Executive Officers under the 2006 Equity Plan. Under the terms of outstanding awards, all unvested shares will lapse and be forfeited upon the termination of the participant's employment with the Company. On September 30, 2014 upon the resignation of Mr. Trice the Committee approved 13,554 options to be fully vested at that time. Subsequently, Mr. Trice exercised these options in a cashless exchange for common stock of 3,592 shares.

Grant of Plan Based Awards Table

(1) The equity awards noted in the table above were approved by the Compensation Committee pursuant to the MIP established at the beginning of fiscal year 2014. The performance goals outlined in the MIP were evaluated by the Compensation Committee at the end of fiscal year 2014 and the awards were granted on January 7, 2015.

(2) The amounts for stock options represent the grant date fair value as determined using a binomial option-pricing model and are not indicative of whether the Named Executive Officer will realize the fair value of any financial benefit from the award. For additional information on the valuation assumptions, see below under Assumptions underlying valuation of equity awards. The amounts for performance restricted stock and options represent the grant date fair value as determined using the Black-Scholes valuation model.

(3) Mr. Allen was not a Named Executive Officer as of the beginning of 2014 and did not assume his current position as President and CEO of CNB Bank until 10/1/14 following the resignation of Mr. Trice, therefore he was not included in the grants of plan-based awards for 2014.

TABLE OF CONTENTS**Assumptions underlying valuation of equity awards**

The weighted average fair value of stock options granted on January 7, 2015 was \$3.44. The Company estimates the fair value of options using the Black-Scholes valuation model with weighted average assumptions for dividend yield, expected volatility, risk-free interest rate and expected lives (in years). The expected dividend yield is calculated by dividing the total expected annual dividend payout by the average stock price. The expected volatility is based on historical volatility of the underlying securities. The risk-free interest rate is based on the Federal Reserve Bank's constant maturities daily interest rate in effect at grant date. The expected contract life of the options represents the period of time that the Company expects the awards to be outstanding based on historical experience with similar awards. The following weighted average assumptions were used as inputs to the Black-Scholes valuation model for options granted in 2015.

Stock Price (1/6/15)	9.175
Exercise Price	9.175
Expected volatility	32 %
Risk-free interest rate	1.97 %
Expected contract life (in years)	7

Shore Bancshares, Inc. Executive Deferred Compensation Plan (Company Deferred Compensation Plan)

Under the Company Deferred Compensation Plan, amounts deferred at the election of the employee are credited to an account maintained on behalf of the participant and are deemed to be invested in certain investment options

established from time to time by the Compensation Committee. Mandatory, matching and discretionary contributions will be credited to an Employer Funded Account (as defined in the plan) established by the Company and will be deemed to be invested in the manner specified in the participant's election form for that Plan Year in respect of his or her voluntary deferrals. An employee's account is credited with the gain or loss generated on the investments in which the funds in those accounts are deemed to be invested. Mandatory contributions will be reduced on a pro-rata basis in the event a participant has a Separation from Service (generally defined as a termination of employment other than because of death, Disability (as defined in the plan) or the taking of leave of absence).

A participant is fully vested at all times in employee deferrals (and earnings thereon). Starting in the second year of participation, a participant vests in his or her Employer Funded Account at the rate of 25% each year. If, however, (i) the participant reaches age 70 while employed, (ii) the participant's service with the Company terminates because of death or Disability, or because of retirement at or after age 70, or (iii) the Company experiences a Change in Control (as defined in the plan), then in each such case the participant's interest in his or her Employer Funded Account will be automatically 100% vested regardless of years in the plan. If the participant separates from service for any other reason, then any non-vested portion of his or her Employer Funded Account will be forfeited.

TABLE OF CONTENTS

The Company Deferred Compensation Plan contemplates automatic distributions upon the occurrence of certain events and elective distributions.

If a participant dies or experiences a Disability while employed by the Company or if the Company experiences a Change in Control, then the vested portions of a participant's accounts will be distributed in a lump sum payment to the participant or, in the case of death, to his or her designated beneficiaries. If a participant experiences a Separation from Service, then the vested portions of a participant's accounts will be distributed in a lump sum or in installments, as specified in the most recent election form. Certain restrictions on the commencement of automatic distributions apply to Key Employees (as defined in the plan).

A participant may elect in his or her annual election form to receive elective distributions, or In-Service Distributions, of his or her employee deferrals (and earnings thereon) for a given Plan Year as soon as three years after the end of that Plan Year. At the time of the election, the participant must also elect whether to receive the elective distribution in a lump sum or in installments over a period of up to 10 years. If a participant fails to make a payment method election, then the distribution will be made in one lump sum. A participant may change his or her election to postpone a distribution or change the form of payment, but such change must be made at least 12 months prior to the original distribution date, cannot be effective until at least 12 months following the subsequent election, and must postpone the commencement of the payment for a period of at least five years from the original distribution date.

The Company Deferred Compensation Plan also permits certain limited distributions upon the occurrence of an Unforeseen Emergency (as defined in the plan) and a lump sum distribution, at the administrator's sole discretion, in the event the participant's accounts have a value of less than \$10,000.

For information about amounts that could be payable to the Named Executive Officers under these deferred compensation plans upon a termination of employment, see the section below entitled Benefits Upon Termination of Employment.

Employment Agreements

Lloyd L. Beatty, Jr. Employment Agreement

The employment agreement (the Employment Agreement) for Mr. Beatty provides that he will serve as our CEO and President, and entitles him to receive an annual base salary of \$345,000 subject to periodic review and adjustment. In addition, Mr. Beatty is entitled to: (i) participate in our bonus plans; (ii) receive employee benefits of the type offered by the Company and its affiliates to similarly-situated officers, including vacation, sick leave and disability leave; (iii) receive fringe benefits of the type customarily made available by the Company to its officers; and (iv) be reimbursed for employment-related expenses.

The Employment Agreement has a two-year term, which will automatically renew for successive 12-month terms unless a party notifies the other party at least 120 days prior to the end of the then-current term of its or his decision not to renew the Employment Agreement. The term of Mr. Beatty's employment under his Employment Agreement may be terminated at any time and for any reason by either the Company or Mr. Beatty (upon 30 days prior written notice), and it will automatically terminate upon Mr. Beatty's death.

Generally, the Company's obligations to Mr. Beatty under his Employment Agreement will be suspended if any regulatory agency with jurisdiction over the Company temporarily prohibits the officer's continued employment. If such regulator's charges are later dismissed, then the Company must reinstate the officer and pay him all compensation that was withheld during the suspension.

Upon the termination of his employment, Mr. Beatty is entitled to receive all unpaid base salary that has accrued through the date of termination, all bonus awards (prorated through the last day of the month in which termination occurs) that he would have received had he remained employed when bonuses are next declared or paid, and reimbursement of all unreimbursed expenses, all of which must be paid no later than March 15th of the year following the year in which the termination occurs. In addition, all unexercised or unvested equity awards, or portions thereof, held by the officer as of the date of termination shall vest or terminate and be exercisable in accordance with their terms.

If Mr. Beatty's employment is terminated without Cause prior to the expiration of the term of his Employment Agreement, then, except in the case of termination following a Change in Control of the Company, he will additionally be entitled to receive severance (Severance) in the form of continued base salary (at the then-current level) for a period of 24 months following the date of termination (the Severance Period). The Employment Agreement provides that the first Severance payment will be made on the first regular payroll date that occurs on or after the 60th day following the termination of employment, provided that Mr. Beatty has executed and delivered a release of claims and the statutory period during which he may revoke that release has expired on or before that 60th day.

In lieu of Severance, the Employment Agreement provides for the payment of a Change in Control benefit (the CiC Benefit) should the Company terminate Mr. Beatty's employment without Cause within 12 months of a Change in Control of the Company. In this case, Mr. Beatty will be entitled to receive an amount equal to the difference between (i) the product of 2.99 times the officer's base amount as defined in Section 280G(b)(2) of the Internal Revenue Code (the Code) and (ii) the sum of any other parachute payments as defined under Section 280G(b)(2) of the Code that the officer receives on account of the Change in Control. The CiC Benefit will be paid in one lump sum on the 60th day following termination of employment, provided that Mr. Beatty has executed and delivered a release of claims and the

statutory period during which he may revoke that release has expired on or before that 60th day.

Notwithstanding the payment terms discussed above, any payment obligation that arises on account of a termination of employment while Mr. Beatty is a specified employee as defined under Section 409A of the Code will be subject to a post-termination waiting period to the extent that the payment constitutes deferred compensation under applicable

Treasury regulations. Mr. Beatty's Employment Agreement provides that such amounts will be paid within 15 days after the six-month period that follows his termination date. If Mr. Beatty dies during the waiting period, then payment will be made in a lump sum within 15 days after the appointment of a personal representative or executor of his estate.

TABLE OF CONTENTS

If Mr. Beatty is indebted to the Company at the time his employment is terminated, then, subject to certain restrictions, the Employment Agreement allows the Company to apply any post-termination amounts due to Mr. Beatty toward repayment of such debt.

The Employment Agreement defines the term "Cause" as: (i) the officer's "Disability" (as defined in the Employment Agreement); (ii) fraud, misappropriation or damage to the property or business of the Company by the officer; (iii) the commission of an act by the officer that constitutes dishonesty or a crime, or that causes the Company to commit a crime; (iv) the officer's breach of the non-competition or non-solicitation provisions of the Employment Agreement; (v) the unauthorized use, misappropriation or disclosure of the Company's confidential information or any confidential information of another person to whom the officer owes an obligation of nondisclosure; (vi) the officer's breach of any of his other obligations under the Employment Agreement or any of the policies of the Company; (vii) the failure of the officer to abide by his responsibilities or to satisfactorily perform his duties; (viii) the officer's failure to maintain a smooth and harmonious relationship with the Company's management, staff, investors, affiliates or business relations; or (ix) the issuance of any order by the Maryland Commissioner of Financial Regulation, the Federal Deposit Insurance Corporation, the Board of Governors of the Federal Reserve System, or any other supervisory agency with jurisdiction over the Company permanently prohibiting the officer's continued service.

The term "Change in Control" is defined as the occurrence of any of the following events: (i) a person, or group of persons acting together, acquires ownership of securities of the Company that, together with such person's or group's other securities, constitutes more than 50% of the total fair market value or total voting power of the Company's securities; (ii) any person, or group of persons acting together, acquires (or has acquired during the preceding 12-month period) ownership of securities of the Company possessing 35% or more of the total voting power of the Company's securities, (iii) a majority of the Company's Board of Directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Company's Board prior to the date of the appointment or election; or (iv) any person, or group of persons acting together, acquires (or has acquired during the preceding 12-month period) assets from the Company that have a total gross fair market value equal of at least 40% of the total gross fair market value of all of the Company's assets.

The Employment Agreement contains non-competition and non-solicitation provisions. Specifically, during the term of Mr. Beatty's employment and thereafter until the longer of (i) his Severance Period and (ii) the date that is 12 months after the date of the Employment Agreement, but in no case longer than 24 months following the termination of employment, Mr. Beatty may not, directly or indirectly, (a) compete with the Company or any of its affiliates in any county of any jurisdiction in which the Company or any of its affiliates maintains a branch or other office, or in any county of any jurisdiction that is contiguous to any such county, (b) solicit any existing Business Relation (as defined in the Employment Agreement) of the Company or any of its affiliates, wherever located, to purchase, sell or otherwise provide competing products and services, (c) accept employment with or act as an independent contractor to any such Business Relation if the employment or service will require the officer to render services that are similar to those provided by the Company or any of its affiliates, (d) employ, engage, or solicit for employment or engagement any person who was an employee or independent contractor of the Company or any of its affiliates during the 24 months preceding Mr. Beatty's termination of employment, or (e) encourage any person to reduce such person's business, employment or service with the Company or any affiliate. In addition to the foregoing, the Employment Agreement contains other customary business protection provisions, including an agreement to maintain the confidentiality of the Company's business information, an agreement to return Company property following termination, and a 12-month non-disparagement agreement.

Except for disputes relating to the enforcement of the non-competition, non-solicitation and other business protection provisions of the Employment Agreement, the parties have agreed that all disputes arising under the Employment Agreements will be settled by binding arbitration.

Accounting and Tax Considerations

To the extent required by law, the Compensation Committee has structured the compensation program to comply with Section 162(m) and Section 409A of the Internal Revenue Code (the Code). Under Section 162(m), a limitation was placed on tax deductions of any publicly held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless the compensation is performance-based. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest, and an additional federal income tax of 20% of the benefit includible in income. The Company has no individuals with non-performance based compensation paid in excess of the Section 162(m) tax deduction limit.

The Compensation Committee's stock option grant policies have been impacted by the implementation of Financial Accounting Standards Board ASC Topic 718 (ASC 718). Details related to the adoption of ASC 718 and the impact to the Company's financial statements are discussed in the Notes to the Consolidated Financial Statements included in the accompanying Annual Report on Form 10-K under the heading Stock Based Compensation.

The Committee has structured the change in control provision of Mr. Beatty's employment agreements to minimize income tax penalties that could be imposed on the Company and/or Mr. Beatty under Section 280G of the Code. Under Section 280G, an excise tax is imposed on an executive officer who receives payments that are deemed to be contingent on a change in the ownership or effective control of the Company to the extent they exceed 2.99 times the executive's annualized includable compensation for the base period (*i.e.*, the average annual compensation that was includable in his or her gross income for the last five taxable years ending before the date on which the change in control occurs). In addition, the Company is not entitled to treat such excess as compensation expense for federal income tax purposes.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transactions since January 1, 2012

During the past three years Talbot Bank and CNB have had banking transactions in the ordinary course of their businesses with their directors and officers and with the associates of such persons on substantially the same terms, including interest rates, collateral, and repayment terms on loans, as those prevailing at the time for comparable transactions with persons not related to the Company and its subsidiaries. Extensions of credit by Talbot Bank and CNB to these persons have not and do not currently involve more than the normal risk of collectability or present other unfavorable features.

Review, Approval and Ratification of Related Party Transactions

Nasdaq Rule 5630 requires the Company to conduct an appropriate review of all related party transactions for potential conflict of interest situations on an ongoing basis and further requires all such transactions to be approved by the Company's Audit Committee or another independent body of the Board of Directors. The term related party transaction is generally defined as any transaction (or series of related transactions) in which the Company is a participant and the amount involved exceeds \$120,000, and in which any director, director nominee, or executive officer of the Company, any holder of more than 5% of the outstanding voting securities of the Company, or any immediate family member of the foregoing persons will have a direct or indirect interest. For smaller reporting companies, the dollar threshold is the greater of \$120,000 and 1.0% of the company's average consolidated assets for the last two fiscal years.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of the outstanding shares of Common Stock to file reports with the SEC disclosing their ownership of Common Stock at the time they become subject to Section 16(a) and changes in such ownership that occur during the year. Based solely on a review of copies of such reports furnished to us, or on written representations that no reports were required, we believe that all directors, executive officers and holders of more than 10% of the Common Stock complied in a timely manner with the filing requirements applicable to them with respect to transactions during the year ended December 31, 2014.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF STEGMAN & COMPANY AS THE COMPANY'S INDEPENDENT REGISTERED ACCOUNTING FIRM FOR FISCAL YEAR 2015

Shareholders will also be asked to ratify the Audit Committee's appointment of Stegman & Company to audit the books and accounts of the Company for the fiscal year ended December 31, 2015. Stegman & Company served as our independent registered public accounting firm in 2014. Stegman & Company has advised the Company that neither the accounting firm nor any of its members or associates has any direct financial interest in or any connection with the Company other than as independent auditors. A representative of Stegman & Company is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

Because your vote is advisory, it will not be binding upon the Audit Committee, overrule any decision made by the Audit Committee, or create or imply any additional fiduciary duty by the Audit Committee. The Audit Committee may, however, take into account the outcome of the vote when considering future auditor appointments.

Audit Fees and Services

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Stegman & Company during fiscal years 2014 and 2013:

	2014	2013
Audit Fees	\$ 191,537	\$ 172,789
Audit-Related Fees	54,854	16,216
Tax Fees	15,265	16,569
All Other Fees		
Total	\$ 261,656	\$ 205,574

Audit Fees incurred in fiscal years 2014 and 2013 include charges for the examination of our consolidated financial statements, quarterly reviews of financial statements, and the attestation of management's report on internal control over financial reporting. Audit-Related Fees incurred in fiscal year 2014 and 2013 include charges mainly related to the audit of the 401(k) and profit sharing plan and comfort procedures related to the registration statement. Tax Fees incurred in fiscal years 2014 and 2013 include charges primarily related to tax return preparation. The Audit Committee has reviewed summaries of the services provided and the related fees and has determined that the provision of non-audit services is compatible with maintaining the independence of Stegman & Company.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee's policy is to pre-approve all audit and permitted non-audit services, except that *de minimis* non-audit services, as defined in Section 10A(i)(1) of the Exchange Act, may be approved prior to the completion of the independent auditor's audit. All of the 2014 and 2013 services described above were pre-approved by the Audit

Committee.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act and the rules promulgated thereunder, our shareholders are entitled to cast an advisory vote to approve the Named Executive Officer's compensation at least once every three years. This proposal, commonly known as a "Say-on-Pay" vote, gives our shareholders the opportunity to express their views on the Named Executive Officer's compensation. In a vote held at the 2012 annual meeting of shareholders, our shareholders voted in favor of holding Say-on-Pay votes annually.

Our goal for the executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for the Company's success in dynamic and competitive markets. The section of this Proxy Statement entitled "COMPENSATION DISCUSSION AND ANALYSIS" contains the information required by Item 402 of Regulation S-K and discusses in detail our executive compensation program, the decisions made by the Compensation Committee during 2013, and the compensation that was earned by, awarded to or paid to the Named Executive Officers.

The Board and its Compensation Committee believe that our compensation policies and procedures are reasonable in comparison both to our peer group and to our performance during 2014. The Board of Directors and its Compensation Committee also believe that our compensation program strongly aligns executive officers with the interests of shareholders in the long-term value of the Company as well as the components that drive long-term value.

At the Annual Meeting, shareholders will be asked to adopt the following non-binding advisory resolution:

RESOLVED, that the compensation paid to the named executive officers of Shore Bancshares, Inc., as disclosed in its definitive proxy statement for the 2015 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K, including in the section entitled "COMPENSATION DISCUSSION AND ANALYSIS," is hereby approved.

Because this advisory vote relates to, and may impact, our executive compensation policies and practices, the Named Executive Officers have an interest in the outcome of this vote. However, it should be noted that your vote is advisory, so it will not be binding on the Board of Directors or its Compensation Committee, overrule any decision made by the Board or its Compensation Committee, or create or imply any additional fiduciary duty by the Board or its Compensation Committee. The Board and its Compensation Committee may, however, take into account the outcome of the vote when considering future executive compensation arrangements

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that our consolidated audited financial statements for the year ended December 31, 2014 be included in our Annual Report on Form 10-K for the year ended December 31, 2014.
