Each shareholder may cast one vote for each full share, and a partial vote for each partial share, of the Fund that they owned of record on July 16, 2015 ( Record Date ). Exhibit A shows the number of shares of the Fund that were outstanding on the Record Date, and Exhibit B lists the shareholders who owned 5% or more of the outstanding shares of any class of the Fund on that date. It is expected that this Proxy Statement and the accompanying Proxy Card will be first mailed to shareholders on or about July 30, 2015.

This proxy solicitation is being made primarily by mail, but may also be made by officers or employees of the Fund or New York Life Investments or its affiliates, through telephone, facsimile, or other communications. The Fund may also employ a professional proxy solicitation firm. If a professional proxy solicitation firm is used, the cost will be borne by the Fund. The Fund may reimburse banks, brokers or dealers for their reasonable expenses in forwarding soliciting materials to beneficial owners of the Fund s shares.

The Fund issues Common Shares and Preferred Shares. All shareholders of the Fund, both holders of Common Shares and holders of Preferred Shares, vote together to elect the Class III Trustee nominees.

The presence in person or by proxy of holders of thirty-three and one-third percent (33 1/3%) of the Fund s outstanding shares entitled to vote at the Meeting shall constitute a quorum. In the event that a quorum is not present or if sufficient votes are not received consistent with the Board s recommendation regarding the proposal, management may propose an adjournment or adjournments of the Meeting. The Meeting, whether or not a quorum is present, may be adjourned for any lawful purpose by the Chairman of the Board, the Trustees (or their designees) or a majority of the votes properly cast upon the question of adjourning the Meeting, either in person or by proxy.

**Abstentions and Broker Non-Votes.** Because the only proposal scheduled to be considered at the Meeting is for the election of the Class III Trustees, the Fund does not expect to receive any abstentions or broker non-votes. In the unlikely event that they do, however, abstentions and broker non-votes will be included for purposes of determining whether a quorum is present for the Fund at the Meeting. They will be treated as votes present at the Meeting, but will not be treated as votes cast. In effect, they would have the same effect as a vote AGAINST the proposal requiring a majority of votes present. Broker non-votes arise when shares are held in street name and the broker does not receive voting instructions from the beneficial owner. Broker non-votes can occur when a meeting has (i) a routine proposal, such as the election of trustees,

where the applicable stock exchange permits brokers to vote their clients' shares in their discretion, and (ii) a non-routine proposal, such as a change to the Fund's fundamental investment policy, where the applicable exchange does not permit brokers to vote their clients' shares in their discretion. The shares that are considered to be present as a result of the broker discretionary vote on the routine proposal but do not vote on the non-routine proposal are called broker non-votes. Because the proposal presented at the Meeting is considered to be a routine voting item (*i.e.*, the election of the Class III Trustees), the Fund does not expect to receive any broker non-votes.

Copies of the Fund's most recent annual report and semi-annual report, including financial statements, have been delivered to shareholders. Copies of these reports are available upon request, at no charge, by writing the Fund at MainStay Investments, 169 Lackawanna Avenue, Parsippany, New Jersey 07054 or by calling toll-free 866-695-0769.

## **THE PROPOSAL: TO ELECT CLASS III TRUSTEES OF THE FUND**

The Fund's Amended and Restated Agreement and Declaration of Trust provides that the Board shall be divided into three classes of Trustees, consisting, as nearly as may be possible, of one-third ( $1/3$ ) of the total number of Trustees constituting the entire Board. Each class serves for three years with one class being elected each year. Each year the term of office of one class will expire. John Y. Kim, Richard S. Trutanic and Roman L. Weil are initial Trustees of the Fund, and were elected by the initial shareholder of the Fund as the Class III Trustees. The term of office of the Class III Trustees expires on the date of the third annual meeting of shareholders or special meeting of shareholders in lieu thereof following the effective date of the Fund's initial registration statement under the Securities Act of 1933, as amended. Therefore, the terms of office of the Class III Trustees (*i.e.*, Mr. Kim, Mr. Trutanic and Mr. Weil), expire on the date of the Meeting.

The Board, including the Trustees who are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) upon the recommendation of the Fund's Nominating and Corporate Governance Committee, which is comprised solely of Trustees who are not interested persons of the Fund (the Independent Trustees), have nominated Mr. Kim, Mr. Trutanic and Mr. Weil to serve as Class III Trustees for a three-year term expiring in 2018 or until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement. The above notwithstanding, the Board has a retirement policy which

requires a Trustee to tender his or her resignation by the end of the calendar year during which he or she reaches the age of 75. Therefore, if elected, Mr. Weil has agreed to serve until the end of calendar year 2015, at which time he will resign and a successor will be appointed. The Board has determined to appoint the two Advisory Board members described below as Independent Trustees, effective upon Mr. Weil's retirement. The Board expects to name one of these two Advisory Board members, either Mr. Chow or Mr. Perold, as Mr. Weil's successor, to serve the remainder of Mr. Weil's three year term, if Mr. Weil is so elected. The Board expects to name the other of the Board's two new Advisory Board members as an additional Trustee of Class I on January 1, 2016 after increasing the number of Trustee positions to create a vacancy.

It is the intention of the persons named on the enclosed Proxy Card to vote for the Class III Trustee nominees for a three-year term. The Board knows of no reason why a nominee would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominees as the Board may recommend. Each of the current Trustees, with the exception of Mr. John Y. Kim, is an Independent Trustee. The names of the Fund's nominees for election as Class III Trustees and each other Trustee of the Fund, their dates of birth, position(s) held with the Fund, principal occupations during the past five years and other directorships held by the nominee or Trustee are provided in the tables below. Information is provided as of June 30, 2015. Unless otherwise noted, the address of each Trustee is c/o New York Life Investments, 51 Madison Avenue, New York, New York 10010.

In addition to its oversight of the Fund, the Board oversees the MainStay Group of Funds, MainStay VP Funds Trust, Private Advisors Alternative Strategies Master Fund, Private Advisors Alternative Strategies Fund, the Manager and the Subadvisor, and elects the officers of the Fund who are responsible for the day-to-day operations of the Fund. The Board has selected two individuals to serve on an Advisory Board. The Advisory Board assists the Board in a non-voting capacity in its oversight of the Funds listed above. Information pertaining to the Trustees, officers, and Advisory Board members is set forth below. Each Advisory Board member serves until his or her resignation, death or removal. Under the Retirement Policy, a Trustee must tender his or her resignation by the end of the calendar year during which he or she reaches the age of 75. Officers serve a term of one year and are elected annually by the Board of Trustees. The business address of each Trustee and Advisory Board member listed below is 51 Madison Avenue, New York, New York 10010. A majority of the Trustees and both members of the Advisory Board are not interested persons (as defined by the 1940 Act and rules adopted by the SEC thereunder) of the Fund.

## Trustee Qualifications

In evaluating and selecting candidates for the Board, the Board intends to seek individuals who will serve the best interests of the Fund's shareholders and whose attributes will, among other factors, also complement the experience, skills and diversity of the other Trustees and add to the overall effectiveness of the Board. In the evaluation of such candidates, the Board believes that diversity with respect to factors such as background, education, experience, skills, differences of viewpoint, race, gender, national origin, and other factors that contribute to the Board's having an appropriate range of expertise, talents, experiences and viewpoints is an important consideration in the Board's composition.

## Board Structure and Leadership

The Board oversees the business and affairs of the Fund, including oversight of key service providers to the Fund, including New York Life Investments and MacKay Shields. The Board holds regularly scheduled in-person meetings on a quarterly basis and other special in-person and telephonic meetings on an as needed basis. There are eight Trustees, seven of whom are considered Independent Trustees.

The Board has elected an Independent Trustee to serve as its Chairman. The Chairman is responsible for setting the agendas of all regular and special Board meetings, assists in identifying the information to be presented to the Board with respect to matters to be acted upon by the Board, and presides over all Board meetings. In between meetings, the Chairman is responsible for communicating with other Trustees, Fund officers, and personnel of New York Life Investments and other service providers as necessary to enable the Board to carry out its primary responsibility of overseeing the Fund and its operations.

As discussed further below, the Board has established various Committees through which the Trustees focus on matters relating to particular aspects of the Fund's operations, such as valuation of portfolio holdings, investments, Fund fees, risk oversight and compliance and expenses and financial reporting.

The Trustees periodically review the effectiveness of the Committee structure and each Committee's responsibilities and membership. The Trustees believe that the Board's leadership and committee structure is appropriate in light of the nature and size of the Fund because, among other things, it fosters strong communication between the Board, its individual members, New York Life Investments and other service providers, allocates responsibilities among the Committees and permits Committee members to focus on particular areas involving the Fund. In addition, the

Committees support and promote the Independent Trustees in their oversight of all aspects of the Fund's operations and their independent review of proposals made by New York Life Investments.

## Risk Oversight

While responsibility for day-to-day risk management relating to the Fund and its operations resides with New York Life Investments (the Manager), MacKay Shields (the Subadvisor) or other service providers (subject to the supervision of the Manager), the Board actively performs a risk oversight function, both directly and through its Committees, as described below.

The Board and its Committees exercise this function through regular and ad hoc Board and Committee meetings during which the Board and its Committees meet with representatives of the Manager, the Subadvisor, and other key service providers. In addition, the Board has established a Risk and Compliance Oversight Committee that has the responsibility of coordinating the Board's oversight of the implementation of the risk management and compliance programs of, and related to, the Fund. The Audit Committee also meets regularly with the Fund's independent registered public accounting firm and Principal Financial and Accounting Officer to discuss internal controls and financial reporting matters, among other things. The Board and Committees regularly require senior management of the Manager and senior officers of the Fund to report to the Board and the Committees on a variety of risk areas relating to the Fund, including, but not limited to, investment/portfolio risks (e.g., performance, compliance, counterparty, credit, liquidity and valuation risks) and operational/enterprise risks (e.g., financial, reputational, compliance, litigation, personnel and business continuity risks), as well as more general business risks. The Board reviews, on an ongoing basis, the Fund's performance, operations and investment practices. The Board also conducts reviews of the Manager in its role in managing the Fund's operations. In addition, the Board has engaged counsel to the Independent Trustees and consults with such counsel both during and between meetings of the Board and the Committees.

The Board and the Risk and Compliance Oversight Committee also meet regularly with the Fund's Chief Compliance Officer (CCO), who reports directly to the Board. The CCO has responsibility for testing the compliance procedures of the Fund and its service providers. The CCO regularly discusses issues related to compliance and provides a quarterly report to the Board regarding the Fund's compliance program. In order to maintain a robust risk management and compliance program for the Fund, the Board and the Risk and Compliance Oversight Committee also regularly review and approve, as necessary, the Fund's compliance policies and

procedures and updates to these procedures, as well as review and approve the compliance policies and procedures of certain of the Fund's service providers to the extent that those policies and procedures relate to the operations of the Fund. In addition to the meetings with various parties to oversee the risk management of the Fund, the Board and its Committees also receive regular written reports from these and other parties which assist the Board and the Committees in exercising their risk oversight function.

The Board also benefits from other risk management resources and functions within the Manager's organization, such as the Manager's risk management personnel and the internal auditor of the Manager's parent company. For example, the Board and the Risk and Compliance Oversight Committee meet periodically with the Manager's risk management personnel, including the Manager's Chief Risk Officer (CRO). The CRO is responsible for overseeing the measurement and monitoring of operational risks across the Manager's enterprise. In addition, the Board benefits from the work of the Manager's Risk Management Committee, which is comprised of senior personnel of the Manager and seeks to identify and address material risks within the Manager's businesses across its multi-boutique structure. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to mitigate or eliminate all risks and their possible effects, and that it may be necessary to bear certain risks (such as investment risks) to achieve the Fund's investment objectives. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

## Board Committees

The committees of the Board include the Alternative and Closed-End Funds Oversight Committee, Audit Committee, the Contracts Committee, the Investment Committee, the Nominating and Governance Committee and the Risk and Compliance Oversight Committee. Each Committee of the Board, with the exception of the Investment Committee, is comprised entirely of Independent Trustees, who are also independent as defined in the New York Stock Exchange (NYSE) listing standards. The Fund has also established a Valuation Committee and Valuation Sub-Committee, which may include members who are not Trustees.

The Nominating and Governance Committee may solicit suggestions for nominations from any source, which it deems appropriate, including independent consultants engaged specifically for such a purpose.

No person will be qualified to be a Trustee unless the Nominating and Governance Committee, in consultation with legal counsel, has determined that such person, if selected or elected as a Trustee, would not cause the Fund to be in violation of, or not in compliance with: (a) applicable law, regulation or regulatory interpretation; (b) the Fund's organizational documents; or (c) any policy adopted by the Board regarding either the retirement age of any Trustee or the percentage of the Board that would be composed of Independent Trustees. ## THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE CLASS III TRUSTEE NOMINEES

The firm of PricewaterhouseCoopers LLC ( PwC ) has been selected as the independent registered public accounting firm ( independent auditors ) for the Fund. In accordance with Public Company Accounting Oversight Board Rule 3526 ( PCAOB Rule 3526 ), PwC has confirmed its independence to the Fund's Audit Committee. PwC acted as independent auditors of the Fund for its most recently completed fiscal year, and has been appointed as independent auditors for the Fund's current fiscal year.

The Audit Committee must approve all audit and non-audit services provided by the Fund's independent auditors relating to the operations or financial reporting of the Fund. The Audit Committee reviews any audit or non-audit services to determine whether they are appropriate and permissible under applicable law.

The Audit Committee has adopted pre-approval policies and procedures ( Procedures ) to govern the Committee's pre-approval of (i) all audit services and permissible non-audit services to be provided to the Fund by the independent auditors, and (ii) all permissible non-audit services to be provided by such independent auditors to New York Life Investments and to any entity controlling, controlled by or under common control with New York Life Investments that provides ongoing services to the Fund (collectively, Service Affiliates ) if the services directly relate to the Fund's operations and financial reporting. In accordance with the Procedures, the Audit Committee is responsible for the engagement of the independent auditors to certify the Fund's financial statements for each fiscal year. With respect to the pre-approval of non-audit services provided to the Fund and its Service Affiliates, the Procedures provide that

the Audit Committee may annually pre-approve a list of the types of services that may be provided to the Fund or its Service Affiliates, or the Audit Committee may pre-approve such services on a project-by-project basis as they arise. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent accountant. The Procedures also permit the Audit Committee to delegate authority to one or more of its members to pre-approve any proposed non-audit services that have not been previously pre-approved by the Audit Committee, subject to the ratification by the full Audit Committee no later than its next scheduled meeting. To date, the Audit Committee has not delegated such authority.

The Audit Committee has reviewed and discussed with the management of the Fund and representatives from PwC the audited financial statements for the Fund's last fiscal year. The Audit Committee has discussed with PwC its judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters required to be discussed with the Audit Committee by Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance). The Audit Committee also received the written disclosures and the letter from PwC required by PCAOB Rule 3526, and discussed with a representative of PwC the independent auditor's independence. The Board considered fees received by PwC from New York Life Investments and its affiliates during the last fiscal year in connection with its consideration of the auditor's independence. Based on the foregoing discussions with management and the independent auditors, the Audit Committee recommended to the Board that the aforementioned audited financial statements be included in the Fund's annual report to shareholders for the last fiscal year.

As noted above, the members of the Fund's Audit Committee are: Alan R. Latshaw (Chairman), Roman L. Weil and John A. Weisser, Jr. All members of the Audit Committee meet the standard of independence set forth in the listing standards of the NYSE, and are not considered to be interested persons under the 1940 Act. The Board has adopted a formal charter for the Audit Committee setting forth its responsibilities.

Representatives of PwC are not expected to attend the Meeting, but have been given the opportunity to make a statement if they so desire, and will be available should any matter arise requiring their response.

## **Audit Fees**

In order to obtain the necessary quorum and shareholder participation at the Meeting, supplementary solicitation may be made by mail, telephone, or agents of the Fund. Authorization to execute proxies may be obtained by telephonic or electronically transmitted instructions from shareholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that the Fund believes are reasonably designed to ensure that the identity of the shareholder casting the vote is accurately determined and that the voting instructions of the shareholder are accurately determined.

If a shareholder wishes to participate in the Meeting, but does not wish to authorize a proxy by telephone or Internet, such shareholder may still submit the proxy card originally sent with the Proxy Statement or attend in person. Any proxy given by a shareholder, whether in writing, by telephone or via the Internet, is revocable. A shareholder may revoke the accompanying proxy or a proxy given telephonically or via the Internet at any time prior to its use by submitting a properly executed, subsequently dated proxy card, giving notice to the Fund addressed to Computershare Fund Services, P.O. Box 9043, Smithtown, New York 11787 or by attending the Meeting and voting in person.

The expense of preparation, printing and mailing of the enclosed form of proxy and accompanying Notice and Proxy Statement will be borne by the Fund. The Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Fund. Computershare Fund Services has been engaged by the Fund to assist in the distribution and solicitation of proxies. New York Life Investments estimates total cost to be between \$20,500 and \$25,000, plus reasonable out-of-pocket expenses.

**Householding.** Unless you have instructed the Fund not to, only one copy of this proxy solicitation will be mailed to multiple Fund shareholders of record who share a mailing address (a Household). If you need additional copies of this proxy solicitation, please contact your participating broker-dealer firm or other financial intermediary or, if you hold Fund shares directly with the Fund, you may write to the Fund at MainStay Investments, 169 Lackawanna Avenue, Parsippany, New Jersey 07054 or

by calling toll-free 866-695-0769. If you do not want the mailing of your proxy solicitation materials to be combined with those of other members of your Household in the future, or if you are receiving multiple copies and would rather receive just one copy for your Household, please contact your participating broker-dealer firm or other financial intermediary or, if you hold Fund shares directly with the Fund, you may write to the Fund at MainStay Investments, 169 Lackawanna Avenue, Parsippany, New Jersey 07054 or by calling toll-free 866-695-0769.

**Shareholder Proposals.** For the Fund's annual meeting of shareholders in 2016, shareholder proposals to be included in the Fund's Proxy Statement for that meeting must be received no later than April 1, 2016. Such proposals should be sent to the Fund, directed to the attention of its Secretary, at the address of its principal executive office printed on the first page of this Proxy Statement. The inclusion and/or presentation of any such proposal is subject to the applicable requirements of the proxy rules under the Exchange Act, other applicable law and each Fund's governing instruments.
