This Amendment No. 11 (**Amendment No. 11**) amends and supplements the Schedule 14D-9 (the **Schedule 14D-9**) initially filed by Gold Fields with the Securities and Exchange Commission (the **SEC**) on November 3, 2004, as amended, relating to the Offer. Except as otherwise defined herein, capitalized terms shall have the meaning given to them in the Schedule 14D-9.

This Amendment No. 11 amends and supplements Item 3 as follows:

ITEM 3. PAST CONTRACTS, TRANSACTIONS, NEGOTIATIONS AND AGREEMENTS

The following text is hereby inserted immediately prior to the heading Compensation for the Fiscal Year Ended June 30, 2004 in Item 3:

Employment termination payments in the event of a change of control

In the event of termination of employment following a change of control in Gold Fields, the individual and aggregate compensation to which the executive directors and officers mentioned above shall be entitled is as follows:

Name	Amount¹
	<i>(Rand)</i>
Ian D. Cockerill	10,246,400
Nicholas J. Holland	6,063,050
John A. Munro	4,458,565
Craig J. Nelsen	4,531,146
Michael J. Prinsloo	5,503,860
	<hr/>
Total	30,803,021
	<hr/>

Notes:

- (1) These amounts include payments taking into consideration an individual's gross annual remuneration package, salary and bonus for the two years prior to the change of control. The amounts do not include any contractual amounts (e.g., leave pay) to which the executive directors and officers may be entitled on termination, as these amounts vary from time to time. In addition, the figures do not include (i) any amounts payable in respect of the incentive bonus the individual may have earned in respect of the current year or (ii) the value of any share options, as these values are only ascertainable at the time the change of control occurs. Any expected payments to be made in U.S. dollars have been converted to Rand at an exchange rate of Rand 6.30/U.S.\$1.00 which is an exchange rate established by Gold Fields for the purpose of calculating the value of compensation.

This Amendment No. 11 amends and supplements Item 4 as follows:

ITEM 4. THE SOLICITATION OR RECOMMENDATION

The following text hereby amends and restates the fourth paragraph under the sub-heading Harmony's Offer destroys shareholder value which appears under the heading Basis for Recommendation in Item 4:

Even if one were to accept that current market prices accurately reflect the relative value of both companies (and as emphasized above, your Board does not), the premium Harmony is offering Gold Fields shareholders is grossly inadequate. Harmony has publicly claimed they are offering a premium of approximately 29% to Gold Fields shareholders. In reality, the premium, using the closing prices of each company's ADSs on the New York Stock Exchange (the **NYSE**) on October 15, 2004, one day prior to Harmony's announcement, is a paltry 7% and the premium, calculated using the closing prices of each company's shares on the JSE one business day prior to announcement is a mere 13%. The Board believes that its use of ADR and share prices one day prior to announcement of the Harmony offer is a more conventional way to determine the premium presented to shareholders, rather than the premium derived by Harmony using a 30-day weighted average.

This Amendment No. 11 amends and supplements Item 5 as follows:

ITEM 5. PERSONS/ASSETS RETAINED, EMPLOYED, COMPENSATED OR USED

The following text is inserted as the last sentence in the first paragraph in Item 5:

Pursuant to the engagement letters with JPMorgan and Goldman Sachs, Gold Fields has agreed to pay the financial advisers an aggregate compensation of U.S.\$18 million.

The following text is inserted immediately following the third paragraph in Item 5 of Schedule 14D-9:

ABSA Corporate & Merchant Bank (**ACMB**) has been retained to act as an independent financial advisor under the South African Securities Regulation Code on Takeovers and Mergers (the **S.A. Code**) to the Board in connection with the Offer and to provide an opinion regarding the fairness of the proposed exchange ratio, from a financial point of view. The Company has agreed to pay ACMB a fee of Rand 3 million; to reimburse ACMB for all disbursements; and to indemnify it and certain related persons against certain liabilities, including liabilities under federal securities laws, relating to or arising out of its engagement.

ACMB, and its affiliates, in the past have provided, and in the future may provide, investment banking and financial services to the Company, for which services they have received, and would expect to receive, compensation. In the ordinary course of business, ACMB and its affiliates may actively trade or hold securities of Gold Fields or Harmony for its own account or for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities.

This Amendment No. 11 amends and supplements Item 8 as follows:

ITEM 8. ADDITIONAL INFORMATION TO BE FURNISHED

Forms of Withdrawal

The Forms of Withdrawal with respect to the Gold Fields Shares that have been attached as Exhibits 99.(a)(2) and 99.(a)(3) hereto have been prepared by Gold Fields in order to assist holders of Gold Fields Shares which have purported to accept the Offer and tendered any or all of such shares into the Offer, to withdraw such Shares from the Offer. Although the Forms of Withdrawal have been prepared in accordance with the disclosure set out in the Form F-4, we cannot provide any assurance that such forms will be accepted by the relevant transfer secretaries in South Africa or the tender agent in the United States.

South African Independent Financial Advisor

Gold Fields has engaged ACMB to act as an independent financial advisor under the S.A. Code in connection with the Offer and to deliver an opinion to the Board with respect to the fairness of the exchange ratio to holders of Gold Fields Shares, from a financial point of view. The opinion is expected to be delivered on or prior to November 26, 2004.

Shareholder Communications

Notwithstanding any prior statements made by or on behalf of Gold Fields with respect to the belief that less than 100,000 Gold Fields Shares had been tendered into the Offer, in fact, based on a publicly available statement of representatives of Harmony on or around November 14, 2004 that less than 0.2% of Gold Fields entire share capital of 491,831,765 Gold Fields Ordinary shares (as at October 29, 2004) had been tendered, the number of Gold Fields Shares tendered into the Harmony Offer would have been less than 1,000,000.
