- 1) For a description on how we measure operating profit and a reconciliation to net income, see interim report, pages 2, 11 (Property/Casualty), 15 (Life/Health), 19 (Banking), and 22 (Asset Management).
- 2) Q2 2004 resp. H1 2004 figures have been restated according to IFRS accounting standards; amortization of goodwill has not been cancelled.
- 3) Net income of Dresdner Bank resp. the banking segment for the first quarter of 2005 resp. first half of 2005 showed a realized gain of 233 million euros from the intra-group transfer of Munich Re shares. This has been eliminated in the consolidation adjustment
- 4) Represents ratio of net acquisition costs and administrative expenses as presented in the consolidated financial statements to net premiums earned (statutory).

These assessments are, as always, subject to the disclaimer provided below.

Cautionary Note Regarding Forward-Looking Statements

Certain of the statements contained herein may be statements of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. In addition to statements which are forward-looking by reason of context, the words 'may, will, should, expects, plans, intends, anticipates, believes, estimates, predicts, potential, or continue' and similar expressions identify forward-looking statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation, (i) general economic conditions, including in particular economic conditions in the Allianz Group's core business and core markets, (ii) performance of financial markets, including emerging markets, (iii) the frequency and severity of insured loss events, (iv) mortality and morbidity levels and trends, (v) persistency levels, (vi) the extent of credit defaults (vii) interest rate levels, (viii) currency exchange rates including the Euro-U.S. dollar exchange rate, (ix) changing levels of competition, (x) changes in laws and regulations, including monetary convergence and the European Monetary Union, (xi) changes in the policies of central banks and/or foreign governments, (xii) the impact of acquisitions, including related integration issues, (xiii) reorganization measures and (xiv) general competitive factors, in each case on a local, regional, national and/or global basis. Many of these factors may be more likely to occur, or more pronounced, as a result of terrorist activities and their consequences. The matters discussed herein may also involve risks and uncertainties described from time to time in Allianz AG's filings with the U.S. Securities and Exchange Commission. The company assumes no obligation to update any forward-looking statement.
