1) For a description on how we measure operating profit and a reconciliation to net income, see annual report Allianz Group 2005.

2) FY 2004 figures have been restated according to IFRS accounting standards; amortization of goodwill has not been cancelled.

3) Net income of Dresdner Bank resp. the banking segment for the first quarter of 2005 showed a realized gain of 343 million euros from the intra-group transfer of Munich Re shares. This has been eliminated in the consolidation adjustment.

4) Represents ratio of total acquisition costs and administrative expenses to net premiums earned (statutory).

These assessments are, as always, subject to the disclaimer provided below.

### Cautionary Note Regarding Forward-Looking Statements

Certain of the statements contained herein may be statements of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. In addition to statements which are forward-looking by reason of context, the words 'may, will,
