Item 8.01 Other Events.

On January 18, 2011, U. S. Physical Therapy, Inc. (the “Company”) issued a press release announcing that it has successfully launched a workers compensation and disability initiative called Fit2WRK. Fit2WRK provides an integrated solution for the management and prevention of injuries in the workplace. Through Fit2WRK, U.S. Physical Therapy has secured a number of network and employer direct agreements. From auto manufacturing to fabrication, chemical processing plants, logistics companies, housing supplies and grocery chains, Fit2WRK is proving to reduce loss time and employer cost from injury as well as to expedite employee return to work. Programs are designed around the higher risk jobs in the workplace involving potential musculoskeletal disorders.

Pursuant to the rules of the Securities and Exchange Commission, the information contained in this report shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any filings by the Company under such Act or the Securities Act of 1933, as amended.
