**Item 2.02 — Results of Operations and Financial Condition.**

On November 15, 2012, Dell Inc. (“Dell”) issued a press release announcing its financial results for its fiscal quarter ended November 2, 2012. A copy of the press release is furnished as Exhibit 99.1 to this report.

To supplement Dell’s condensed consolidated financial statements presented on the basis of accounting principles generally accepted in the United States of America (“GAAP”) which are furnished in Exhibit 99.1 to this report, Dell has presented information about non-GAAP gross margin, non-GAAP operating expenses, non-GAAP operating income, non-GAAP net income, and non-GAAP earnings per share (collectively, the “non-GAAP financial measures”), which are not measurements of financial performance under GAAP. A reconciliation of each historical non-GAAP financial measure to the most comparable GAAP financial measure for Dell’s fiscal quarter ended November 2, 2012, and certain prior fiscal periods is included in the tables set forth under the heading “Reconciliation of Non-GAAP Financial Measures” in Exhibit 99.1. In addition a detailed discussion of Dell’s reasons for including the non-GAAP financial measures and the limitations associated with those measures is presented in “Management’s Discussion and Analysis of Financial Condition and Results of Operations - Results of Operations - Non-GAAP Financial Measures” in Dell’s annual report on Form 10-K for the fiscal year ended February 3, 2012. This additional non-GAAP financial information is not meant to be considered in isolation or as a substitute for net income, operating income, gross margin, operating expenses, and earnings per share prepared in accordance with GAAP.

In accordance with General Instruction B.2 to Form 8-K, the information contained in this current report, including Exhibit 99.1 hereto, is being “furnished” with the Securities and Exchange Commission and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities under such section. Furthermore, such information shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, unless specifically identified as being incorporated therein by reference.

**Item 9.01 — Financial Statements and Exhibits.**
