Item 1.01 Entry into a Material Definitive Agreement.

On December 18, 2014, Rogers Corporation (the “Company”) entered into a Stock Purchase Agreement (the “Purchase Agreement”) with Handy & Harman Group, Ltd. (“H&H Group”) and its subsidiary Bairnco Corporation pursuant to which the Company will acquire Arlon LLC and its subsidiaries, other than Arlon India (Pvt) Limited, and assume certain liabilities related to the acquired business for \$157 million. The transaction is expected to close in the first half of 2015. The Company expects to fund the purchase price from cash on hand and borrowings under its existing credit facility.

The transaction purchase price is subject to a customary working capital adjustment, as well as adjustments for cash and indebtedness of the acquired companies as of the closing date and certain transaction expenses. The Purchase Agreement contains customary representations, warranties and covenants, and the Company and H&H Group have each agreed to indemnify the other for breaches of representations, warranties, covenants and for other specified matters.

The transaction is subject to the expiration or termination of mandatory U.S. and other applicable regulatory antitrust waiting periods or approval of relevant antitrust authorities and the satisfaction of other customary closing conditions. The Purchase Agreement may be terminated by the Company or H&H under certain specified circumstances, including by the Company if all required antitrust clearances are not obtained within a specified period not exceeding seven months after the signing date.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the Purchase Agreement, which is attached as Exhibit 2.1 and incorporated by reference.
