(e) Approval of 2015 Stock Incentive Plan.

On April 23, 2015, the shareholders of Gulf Island Fabrication, Inc. (the “Company”) approved the 2015 Stock Incentive Plan (the “Plan”). The purpose of the Plan is to increase stockholder value and to advance the interests of the Company and its subsidiaries by furnishing stock-based economic incentives designed to attract, retain, reward and motivate key employees, officers and directors of the Company and consultants and advisors to the Company and to strengthen the mutuality of interests between service providers and the Company’s shareholders.

The Compensation Committee (or a subcommittee) of the Company’s Board of Directors will generally administer the Plan, and has the authority to make awards under the Plan, including setting the terms of the awards. The Compensation Committee will also generally have the authority to interpret the Plan, to establish any rules or regulations relating to the Plan that it determines to be appropriate and to make any other determination that it believes necessary or advisable for proper administration of the Plan.

The types of awards that may be granted under the Plan include stock options, restricted stock, restricted stock units, stock appreciation rights and other stock-based awards. The maximum number of shares of our common stock with respect to which awards may be granted under the Plan is 1,000,000. Awards that may only be settled in cash shall not count against the Plan limit; however, shares awarded under the Plan that were tendered in payment of the exercise of a stock option or in payment of taxes due in connection with an incentive, as well as shares purchased on the open market with option proceeds, will not be available again for issuance or delivery under the Plan. No individual may receive in any fiscal year awards under the Plan, whether payable in cash or shares, that relate to more than 200,000 shares of our common stock, and no outside director may receive in any fiscal year awards that relate to more than 25,000 shares.

The Plan may be amended or terminated at any time by the Board, subject to the requirement that certain amendments may not be made without shareholder approval. In addition, no amendment may materially impair an award previously granted without the consent of the recipient. Unless terminated sooner, no awards will be made under the Plan after April 23, 2025.

For further information regarding the Plan, see the Company’s definitive proxy statement on Schedule 14A filed with the Securities and Exchange Commission on March 20, 2015. The information included herein relating to the Plan is qualified in its entirety by reference to the actual terms of the Plan, which is included as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
