### CLARIFICATION ANNOUNCEMENT

The board of directors (the "**Board**") of Aluminum Corporation of China Limited\* (the "**Company**", together with its subsidiaries, the "**Group**") noted the "MLR's 2015 Notice on Indicators for Controlling the Aggregate Mining

Volume of Rare Earth Ore and Tungsten Ore" (the "**MLR's Notice**"), which was recently published on the website of the Ministry of Land and Resources. The Company hereby illustrates the following facts in light of the MLR's Notice:

#### I. SUMMARY OF THE MLR'S NOTICE

"The consolidation and reorganization proposal of six rare earth resource enterprises, namely China Minmetals Corporation, Aluminum Corporation of China, Baotou Iron and Steel Group Co., Ltd., Xiamen Tungsten Corp., Ganzhou Rare Earth Group Co., Ltd. and Guangdong Rare Earth Industry Group Co., Ltd., has been approved and filed with competent authorities. In order to facilitate the adjustment and optimization of the structure of the rare earth industry and according to the strategies and requirements of the State Council to speed up the implementation of the rare earth enterprises group, the indicators for enterprises that are listed into the rare earth enterprises group and

have completed consolidation and reorganization will be separately set under the aggregate indicators of the province (region) and will be designated to rare earth mining enterprises by the competent authorities of land and resources at the provincial level based on the separately-set indicators, while the indicators for enterprises that are not listed into the group or have not completed consolidation and reorganization will be continually assigned by the competent authorities of land and resources at the provincial (regional) level."
