ISSUANCE OF SECURITIES

On February 9, 2007, the Company issued and sold \$86 million of its secured convertible notes (the Notes) to Prencen Lending LLC (Prencen Lending) and Watershed Capital Partners, L.P. and Watershed Capital Institutional Partners, L.P. (together, Watershed). \$76 million in aggregate principal amount of the Notes were issued in exchange for \$76 million in principal amount of the Prior Notes (as defined below) pursuant to a Third Amended and Restated Securities Purchase Agreement (the Prencen Securities Purchase Agreement) dated as of February 9, 2007, among the Company, Prencen Lending and Prencen LLC (Prencen) and \$10 million in aggregate principal amount of the Notes were issued and sold pursuant to a Securities Purchase Agreement, dated as of February 9, 2007 among the Company and Watershed (the Watershed Securities Purchase Agreement) and together with the Prencen Securities Purchase Agreement, the Securities Purchase Agreements).

Pursuant to the Prencen Securities Purchase Agreement, the Company redeemed \$15 million in principal amount of the Company's senior secured convertible notes (the "Prior Notes"), paid \$4,372,077 in accrued interest on the Prior Notes and \$750,000 in redemption fees and the remaining \$76 million in principal amount of the Prior Notes was surrendered and cancelled in exchange for the \$76 million in principal amount of secured convertible notes issued pursuant to the Prencen Securities Purchase Agreement. The cash proceeds from the sale of the Notes were or will be applied to pay a portion of the purchase price in connection with the purchase by the Company and its subsidiaries Ascendia Brands Co., Inc., and Lander Intangibles Corporation of the Calgon and Healing Garden brands and certain brand-related assets from Coty Inc. and certain of its affiliates (the "Coty Transaction") and for general corporate purposes.

The Notes are secured by a third lien on substantially all of the Company's and its domestic subsidiaries' assets and guaranteed by all of the Company's subsidiaries. The Notes mature on December 30, 2016 (subject to certain put and call rights described below) and will accrue interest at the rate of 9% per annum (subject to increase to up to 15% upon the occurrence or non-occurrence of certain events). Interest will be capitalized.

Any portion of the balance due under the Notes will be convertible at any time, at the option of the holder(s), into our Common Stock (the "Conversion Shares") at a price of \$0.42 per share (subject to certain anti-dilution adjustments), provided that a holder may not, except in accordance with the terms of the Notes, convert any amounts due under the Notes if and to the extent that, following such a conversion, such holder and its affiliates would collectively beneficially own more than 9.99% of the aggregate number of shares of our Common Stock outstanding following such conversion. In addition, the Company may require the exchange of up to \$40 million in principal amount of the Notes then outstanding for shares of a newly created series of convertible preferred stock on terms acceptable to the Company and the holders of a majority in principal amount of the Notes, for a 15% exchange fee, payable in cash, if necessary to maintain the Company's stockholder equity at the level required pursuant to the continued listing requirements of the American Stock Exchange (the "AMEX"), on which our Common Stock is listed.

At any time after the eighth anniversary of the issuance of the Notes, the Company or any holder may redeem all or any portion of the balance outstanding under the Notes at a premium of 7%. The Notes are redeemable by the holder(s) of at least a majority in principal amount of the Notes at any time upon the occurrence of an event of default or by any holder upon a change in control of the Company (as defined in the Notes), at a premium of 25% and 20%, respectively.

The Notes rank pari passu with each other and junior to the Credit Agreement dated as of February 9, 2007, among the Company, its domestic subsidiaries signatory thereto, certain lenders, and Wells Fargo Foothill, Inc. ("WFF"), as arranger and administrative agent, and the Second Lien Credit Agreement dated as of February 9, 2007 among the Company, its domestic subsidiaries signatory thereto, the lenders signatory thereto, WFF, as collateral agent, and Watershed Administrative, LLC, as administrative agent.

At the Closing, the Company entered into a Registration Rights Agreement (the "Registration Rights Agreement") in favor of Watershed, Prencen and Prencen Lending with respect to the Conversion Shares, the Warrant Shares (as defined in the Registration Rights Agreement), the Preferred Conversion Shares (as defined in the Registration Rights Agreement) and any of our Common Stock currently held or subsequently acquired by Watershed, Prencen or Prencen Lending (the "Registrable Securities"). Under the Registration Rights Agreement, the Company is required to file a registration statement with respect to the Registrable Securities by June 30, 2007 and to use its best efforts to have such registration statement declared effective not later than 60 days thereafter (or 90 days after the filing deadline if the registration statement is subjected to a review by the United States Securities and Exchange Commission (the "SEC")). The Registration Rights Agreement contains customary fees for the failure to comply with such deadlines or to maintain the effectiveness of the registration statement. In addition, Prencen, Prencen Lending and Watershed were granted demand and piggyback registration rights on terms set forth in the Registration Rights Agreement.

The above description does not purport to be a complete statement of the parties' rights and obligations under the Notes, the Securities Purchase Agreements and/or the Registration Rights Agreement and is qualified in its entirety by reference to (i) the Prencen Securities Purchase Agreement, (ii) the Watershed Securities Purchase Agreement, (iii) the Form of Notes and (iv) the Registration Rights Agreement, copies of which are attached to the Company's Current Report on Form 8-K filed with the SEC on February 15, 2007 as Exhibits 4.11, 4.12, 4.13 and 10.3, respectively, and which are incorporated herein by reference.

Accordingly, they should not be relied on by investors as statements of factual information.

Our Common Stock is listed on the AMEX and we are subject to the rules and requirements set forth in the AMEX Company Guide. Under Section 713(a) of the AMEX Company Guide, we were required to obtain prior stockholder approval of the issuance of securities in any private transaction involving (i) the issuance of shares of our Common Stock (or securities convertible into or exercisable for Common Stock) for less than the greater of book or market value of our Common Stock which together with sales by our officers, directors or principal shareholders equals 20% or more of our Common Stock outstanding before such issuance or (ii) the issuance of shares of our Common Stock (or securities convertible into or exercisable for Common Stock) equal to 20% or more of our Common Stock outstanding before the issuance for less than the greater of book or market value of our Common Stock. We sometimes refer to this rule as the "20% Rule". The securities to be issued in the Transaction may be issued at a discount to the market price of our Common Stock. The Conversion Shares

would constitute more than 20% of the number of shares of our Common Stock outstanding. In addition, we obtained prior stockholder approval for the securities to be issued in the Transaction in the event that any other rule or requirement of the AMEX Company Guide would require such approval. We have obtained stockholder approval by written consent and the Written Consent will become effective on the twentieth (20th) day following the date on which this Information Statement is first sent or given to our stockholders, or as soon thereafter as is reasonably practicable. A copy of the form of Written Consent executed in connection with the stockholder approval is attached hereto as Exhibit A.

The Written Consent was signed by persons who, as of the execution date, collectively owned 86.7% of the Company's Series A Preferred Stock, namely Dana Holdings, LLC, MarNan, LLC, Franco S. Pettinato, Edward J. Doyle and Paul Taylor. Edward J. Doyle is a director of the Company, and Franco S. Pettinato is one of its executive officers. As of the date upon which the Written Consent was signed, each share of Series A Preferred Stock was entitled to 10,118.9046 votes, each share of Series B Preferred Stock was entitled to 6,666.66 votes, and each share of Series B-1 Preferred Stock was entitled to 6,666.66 votes, in each case, on most matters (including the approval of the Transaction), with the consequence that the persons signing the Written Consent collectively accounted for 54.5% of the aggregate votes entitled to be cast. Notwithstanding the immediately preceding sentence, any holder of the Series B Preferred Stock or Series B-1 Preferred Stock shall not have the right to exercise voting rights with respect to shares of Series B Preferred Stock or Series B-1 Preferred Stock, respectively, to the extent that giving effect to such voting rights would result in such holder's and its affiliates being deemed to beneficially own more than 9.99% of the aggregate number of shares of our Common Stock outstanding after giving effect to such exercise. (For further information, please refer to the Table of Beneficial Ownership, *infra*.) No payment was made to any person in consideration of their executing the Written Consent.

Prencen, Prencen Lending and Watershed have acknowledged and agreed that the Conversion Shares will not be issued in an amount in excess of the number of shares that may be permitted under the AMEX rules, until such issuances have been approved by the Company's stockholders (and, to the extent that the Company's authorized capital is insufficient to enable the Company to issue Conversion Shares, approving an amendment to the Company's certificate of incorporation to increase the number of authorized shares to such amount as is necessary to enable the conversion of the Notes into Conversion Shares) and the listing of the Conversion Shares on the AMEX has been authorized by the AMEX.

Issuance of the Conversion Shares will result in dilution to our existing stockholders, but will not otherwise materially affect our existing common stockholders' rights as stockholders.

NO APPRAISAL OR DISSENTERS' RIGHTS

Under the Delaware General Corporation Law, our stockholders are not entitled to any dissenters' rights or appraisal of their shares of Common Stock in connection with the approval of the actions described in this Information Statement.

NO ACTION IS REQUIRED

No other votes are necessary or required. This Information Statement is first being mailed or given to stockholders on or about February __, 2007. In accordance with the Securities Exchange Act of 1934, as amended (the Exchange Act), the Written Consent and the approval of the matters described in the Written Consent and this Information Statement will become effective twenty (20) calendar days following the mailing of this Information Statement, or as soon thereafter as is reasonably practicable.
