CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This prospectus and other publicly available documents, including the documents incorporated herein by reference, may include and our representatives may from time to time make projections and statements which may constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on current expectations, estimates and projections about our business and management’s beliefs and assumptions. Forward-looking statements are typically identified by words such as “believe,” “expect,” “anticipate,” “intend,” “target,” “estimate,” “continue,” “positions,” “prospects” or “potential,” by future conditional as “will,” “would,” “should,” “could,” or “may,” or by variations of such words or by similar expressions. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions (“Future Factors”) which are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Forward-looking statements speak only as of the date they are made and we assume no duty to update forward-looking statements.

Future Factors include that: changes in interest rates may significantly impact our financial condition and results of operations; our lending activities involve risks that may be exacerbated depending on the mix of loan types; failure to effectively manage our liquidity could significantly impact our financial condition and results of operations; our ability to obtain brokered deposits as an additional funding source could be limited; the markets in which we operate are highly competitive; our results of operations may be adversely affected by changes in national and/or local economic conditions; changes in laws and regulations could adversely affect our business; current conditions in, and regulation of, the banking industry may have a material adverse effect on our results of operations; the FDIC’s adopted restoration plan and the related increased assessment rate schedule may have a material effect on our results of operations; a failure in or breach of our operational or security systems or infrastructure, or those of our third party vendors and other service providers, including as a result of cyberattacks, could disrupt our business, result in the disclosure or misuse of confidential or proprietary information, damage our reputation, increase our costs and cause losses; we may experience increased delays in foreclosure proceedings; we may need to recognize other-than-temporary impairment charges in the future; our inability to hire or retain key personnel could adversely affect our business; we are not required to pay dividends on our common stock; goodwill recorded as a result of acquisitions could become impaired, negatively impacting our earnings and capital; and we may not fully realize the expected benefit of our deferred tax assets.

These are representative of the Future Factors that could affect the outcome of the forward-looking statements. In addition, such statements could be affected by general industry and market conditions and growth rates, general economic and political conditions, either nationally or in the states in which Flushing and its subsidiaries do business, including interest rate and currency exchange rate fluctuations, changes and trends in the securities markets, and other Future Factors.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the Delaware General Corporation Law (the "DGCL") empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Similar indemnification is authorized for such person against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of any threatened, pending or completed action or suit by or in the right of the corporation if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and provided further that (unless a court of competent jurisdiction otherwise provides) he shall not have been adjudged

liable to the corporation. Any such indemnification (unless ordered by a court) may be made by the corporation only as authorized in each specific case by the corporation upon a determination that indemnification of the present or former director, officer, employee or agent is proper because such person has met the applicable standard of conduct, which indemnification shall be made in the case of a director or officer at the time of the determination by the shareholders, a majority vote of disinterested directors, a committee of disinterested directors or by independent legal counsel in a written opinion, if there are no such directors or if such directors so direct.

Section 145 of the DGCL also authorizes a corporation to pay the expenses (including attorneys' fees) incurred by an officer or director in defending any such proceedings in advance of their final disposition. Such advance payment of expenses, however, may be made only upon delivery to the corporation by the indemnified party of an undertaking to repay all amounts so advanced if it shall ultimately be determined that the person receiving such payments is not entitled to be indemnified pursuant to Section 145 of the DGCL. The DGCL also provides that its provisions regarding indemnification and advancement of expenses are not exclusive of other rights which may be provided by bylaw, agreement, or otherwise.

II-1

Section 145 of the DGCL further authorizes a corporation to purchase and maintain insurance, at its expense, on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against or incurred by such person in any such capacity, or arising out of such status, whether or not the corporation would otherwise have the power to indemnify such person against such liability under Section 145 of the DGCL.

Article TENTH of our Certificate of Incorporation limits the personal liability of directors in specified circumstances and sets forth circumstances under which our directors, officers, employees and agents may be indemnified against liability which they incur in their capacities as such. Article TENTH provides as follows:

TENTH.

(A) No director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. If the Delaware General Corporation Law is amended after the date of this Certificate of Incorporation to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation law, as so amended.

(B) The Corporation shall indemnify to the fullest extent permitted by the laws of the State of Delaware as from time to time in effect any person who was or is a party or is threatened to be made a party to, or otherwise requires representation by counsel in connection with, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation (a "Proceeding"), by reason of the fact that such person is or was a director or officer of the Corporation, or, while serving as a director or officer of the Corporation, is or was serving, in any capacity, at the request of the Corporation, any other corporation, partnership, joint venture, trust, association or other enterprise, including service with respect to an employee benefit plan, or by reason of any action alleged to have been taken or omitted in such capacity, against judgments, fines, penalties, amounts paid in settlement, and expenses (including attorneys' fees and expenses, expenses and cost of investigations, and expenses of enforcement of such person's rights under this Article TENTH) incurred by such person in connection with such Proceeding; provided, however, that no such indemnification shall be required for amounts paid in any settlement or other nonadjudicated disposition of any Proceeding unless the Board of Directors of the Corporation has given its prior consent to such settlement or disposition.

(C) The right to indemnification conferred by this Article TENTH shall also include the right of such persons to be paid in advance by the Corporation for their expenses to the full extent permitted by the laws of the State of Delaware as from time to time in effect. The right to indemnification conferred on such persons by this Article TENTH shall be a contract right and shall inure to the benefit of the indemnitee's heirs, executors and administrators.

(D) The Corporation may, to the extent authorized from time to time by the Board of Directors, indemnify to the fullest extent permitted by the laws of the State of Delaware as from time to time in effect any person who was or is party or is threatened to be made a party to, or otherwise requires representation by counsel in connection with, any Proceeding, by reason of the fact that such person is or was an employee (other than an officer) or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, or by reason of any action alleged to have been taken or omitted in such capacity.

The rights and authority conferred in this Article TENTH shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation or the By-Laws of the Corporation, agreement, vote of stockholders or disinterested directors or otherwise.

II-2

Notwithstanding anything to the contrary contained in this Article TENTH, the Corporation shall not indemnify any person in connection with any Proceeding initiated by such person against any other person or entity other than the Corporation or any Subsidiary unless such Proceeding was authorized by the Board of Directors of the Corporation.

Neither the amendment nor repeal of this Article TENTH, nor the adoption of any provision of the Certificate of Incorporation or By-Laws or of any statute inconsistent with this Article TENTH, shall eliminate or reduce the effect of this Article TENTH in respect of any acts or omissions occurring prior to such amendment, repeal or adoption of an inconsistent provision.

We have entered into Indemnity Agreements with each of our directors and executive officers, which provide for mandatory indemnification for each such person to the full extent permitted by law against judgments, fines, amounts paid in settlement in connection with any claim arising out of such person's service to us unless he was adjudicated to have acted in bad faith, deliberate dishonesty or for personal gain. The agreements provide for advancement of expenses and specify procedures for determining entitlement to indemnification in a particular case.

We maintain insurance coverage under which our officers and directors are indemnified under certain circumstances with respect to litigation and other costs and liabilities arising out of actual or alleged misconduct of such officers and directors.

For the undertaking with respect to indemnification, see Item 17 in this Registration Statement.

ITEM 16. *EXHIBITS.*

The exhibits filed (unless otherwise noted) as a part of this registration statement are set forth in the accompanying Exhibit Index.

ITEM 17. *UNDERTAKINGS.*

Each of the undersigned registrants hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining any liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned registrant undertakes that in a primary offering of securities of such undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, such undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of such undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of such undersigned registrant or used or referred to by such undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about such undersigned registrant or its securities provided by or on behalf of such undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by such undersigned registrant to the purchaser.

(6) That, for the purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 of the registration statement, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person, in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(8) To file an application for the purpose of determining the eligibility of the trustees to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and the registrant regulations prescribed by the SEC under Section 305(b)(2) of the Act.

SIGNATURES
