PROXY STATEMENT

Your vote at the Annual Meeting is important to us. Please vote your shares of the Company's common stock by completing the enclosed proxy card and returning it to us in the enclosed envelope. This Proxy Statement has information about the Annual Meeting and was prepared by our management for the Board. This Proxy Statement and the accompanying proxy card are being mailed to you on or about April 17, 2006.

GENERAL INFORMATION ABOUT VOTING

Who may vote?

You may vote your shares of common stock if our records show that you owned shares on April 6, 2006. A total of 141,155,238 shares of common stock may vote at the Annual Meeting. You are entitled to one (1) vote for each share of common stock you own. The enclosed proxy card shows the number of shares you may vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxy holders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxy holders will vote for you on that proposal. Unless you instruct otherwise, the proxy holders will vote for each of the director nominees and for each of the other proposals to be considered at the meeting.

What if other matters come up at the Annual Meeting?

The matters described in this Proxy Statement are the only matters we know will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

May I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you may change your vote either by providing to Ms. Kristi Eads, our Corporate Secretary (our "Corporate Secretary") a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card. We will honor the proxy card with the latest date.

Edgar Filing: SAMARITAN PHARMACEUTICALS INC - Form DEF 14A

May I vote in person at the Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you may attend the Annual Meeting and vote your shares in person.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the Annual Meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

If your shares are held in the name of a nominee, and you do not inform the nominee by June 1, 2006 how to vote your shares (so-called "Broker Non-Votes"), the nominee may vote them as it sees fit only on matters that are determined to be routine, and not on any other proposal. Broker Non-Votes will be counted as present to determine if a quorum exists but will not be counted as present and entitled to vote on any non-routine proposal.

Who pays for this proxy solicitation?

We do. The Company will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy and any additional solicitation materials furnished to stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this. The Company has also engaged Securities Transfer Corp. ("STC") to provide routine advice and services for proxy solicitation. STC will receive a fee of approximately Five Thousand Dollars (\$5,000) for such advice and services which will be paid by the Company.

Stockholder proposals to be presented at next annual meeting.

In order for stockholder business to be included in the Company's proxy statement for a meeting or properly brought before that meeting by a stockholder, the stockholder must have given timely notice in writing to our Corporate Secretary. A stockholder proposal for the 2007 annual meeting must be received at the Company's principal executive offices at 101 Convention Center Drive, Suite 310, Las Vegas, NV 89109 not later than February 28, 2007 to be considered timely. Inclusion of stockholder proposals in the Company's proxy statement for a meeting also requires satisfaction of certain conditions established by the U.S. Securities and Exchange Commission ("SEC").

PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF AUDITORS

General

The Board, upon the recommendation of its Audit Committee, has ratified the selection of SHERB & CO., LLP to serve as our independent registered public accounting firm for the fiscal year ended December 31, 2006, subject to ratification by our Stockholders.

Representatives of SHERB & CO., LLP will be present at the Annual Meeting to answer questions. They also will have the opportunity to make a statement if they desire to do so.

We are asking our stockholders to ratify the selection of SHERB & CO., LLP as our independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of SHERB & CO., LLP to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice. In the event that our stockholders fail to ratify the selection, it will be considered as a direction to the Board and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm, subject to ratification by the Board, at any time during the year if it determines that such a change would be in the best interests of the Company and our Stockholders.

Audit and Non-Audit Fees

The following table presents fees for professional audit services rendered by SHERB & CO., LLP for the audit of the Company's annual financial statements for the fiscal years ended December 31, 2005 and December 31, 2004, and fees billed for other services rendered by SHERB & CO LLP during those periods:

	2005	2004
Audit fee:	\$33,000	\$27,000
Audit-related fees:	\$ 9,000	\$ 7,500
Tax fees:	\$ -	\$ -
Other:	\$ 1,385	\$ 795
Total:	\$43,385	\$35,295

3

Audit fees consisted principally of audit work performed on the consolidated financial statements and internal control over financial reporting, as well as work generally only the independent registered public accounting firm can reasonably be expected to provide, such as statutory audits. The Company generally does not engage SHERB & CO LLP, for other services, other than Edgar services.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Consistent with SEC rules regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of

Edgar Filing: SAMARITAN PHARMACEUTICALS INC - Form DEF 14A

this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Prior to engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of categories of services to the Audit Committee for approval.

Audit services include audit work performed on the financial statements and internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits and discussions surrounding the proper application of financial accounting and/or reporting standards.

Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

Tax services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax-related activities, primarily in the area of corporate development; supporting other tax-related regulatory requirements; and tax compliance and reporting.

All Other services are those services not captured in the audit, audit-related or tax categories.

The Company generally does not request such services from the independent registered public accounting firm. Prior to engagement, the Audit Committee pre-approves independent public accounting firm services within each category and the fees for each category are budgeted. The Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one (1) or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

4

Audit Committee Report

The Audit Committee of the Board is composed of two (2) independent directors. The Audit Committee operates under a written charter adopted by the Board and attached as Exhibit A to proxy statement filed with the SEC on April 3, 2001.

The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board. The members of the Audit Committee consist of independent directors Mr. H. Thomas Winn and Ms. Cynthia C.

Edgar Filing: SAMARITAN PHARMACEUTICALS INC - Form DEF 14A

Thompson. Each year, the Audit Committee recommends to the Board, subject to stockholder ratification, the selection of the Company's independent auditors.

Management is responsible for the Company's financial statements and the financial reporting process, including internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and SHERB & CO., LLP. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with SHERB & CO., LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). These matters included a discussion of SHERB & CO., LLP's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

SHERB & CO., LLP also provided the Audit Committee with the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with SHERB & CO., LLP that firm's independence. The Audit Committee further considered whether the provision by SHERB & CO., LLP of the non-audit services described elsewhere in this proxy statement is compatible with maintaining the auditors' independence.

Based upon the Audit Committee's discussion with management and the independent auditors and the Audit Committee's review of the representation of management and the disclosures by the independent auditors to the Audit Committee, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC. The Audit Committee and the Board have also recommended the selection of SHERB & CO., LLP as the Company's independent auditors for 2006, subject to stockholder ratification.

The Audit Committee Report does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates the Audit Committee Report by reference therein.

The Audit Committee:

Mr. H. Thomas Winn (Chairman)
Ms. Cynthia C. Thompson

Required Vote

The affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting will be required to ratify the appointment of SHERB & CO., LLP as our independent auditors for the fiscal year ending December 31, 2006. Broker non-votes and abstentions are not treated as votes cast for this purpose and have no effect on the outcome of the vote.

Edgar Filing: SAMARITAN PHARMACEUTICALS INC - Form DEF 14A

EXECUTIVE COMPENSATION

The Compensation and Governance Committee (the "Compensation Committee") of the Board administers our executive compensation program. Each member of the Committee is a non-employee and an independent director. The Compensation Committee is responsible for establishing salaries and administering the incentive programs for our Chief Executive Officer and other executive officers.

Compensation Philosophy

The Compensation Committee has designed the Company's compensation program based on the philosophy that all of our executives are important to our success, with our executive officers setting the direction of our business and having overall responsibility for our results. As with other pharmaceutical companies, we operate in a highly competitive and difficult economic environment. Accordingly, the Compensation Committee has structured the Company's compensation to accomplish several goals: (a) to attract and retain very talented individuals, (b) to reward creativity in maximizing business opportunities and (c) to enhance stockholder value by achieving our short-term and long-term business objectives.

Base Salary

The Compensation Committee considers peer data as well as individual performance when approving base salaries for executive officers. The Compensation Committee evaluates individual performance based on the achievement of corporate or divisional operating goals and subjective criteria, as well as the Chief Executive Officer's evaluation of the other executive officers. No specific weight is assigned to any particular factor. Dr. Greeson, Mr. Boyle and Dr. Thomas Lang each have employment agreements negotiated at arm's length with the Compensation and Governance Committee, and each such agreement provides for a minimum annual base salary. In setting base salaries, the Board has considered (a) the contributions made by each executive to our Company, (b) compensation paid by peer companies to their executive officers and (c) outside compensation reports.

Stock Options

Edgar Filing: SAMARITAN PHARMACEUTICALS INC - Form DEF 14A

The short and long-term compensation program includes stock options granted under the Amended Samaritan Pharmaceuticals, Inc. 2001 Stock Incentive Plan and the Samaritan Pharmaceuticals, Inc. 2005 Stock Incentive Plan (together, the "Plans") as well as non-qualified stock options. The Plans are designed to (a) reward executives for achieving long-term financial performance goals over a three (3) year to ten (10) year period, (b) provide retention incentives for executives and (c) tie a significant portion of an executive's total compensation to our long-term performance. Stock options for our executive officers, key employees and key consultants are part of our incentive program and link the enhancement of shareholder value directly to their total compensation. The Compensation Committee determines the number of stock options granted based upon several factors: (a) level of responsibility, (b) expected contribution towards our performance and (c) total compensation strategy for mix of base salary, short-term incentives and long-term incentives. The following tables and notes present information concerning the compensation of the Company's Chief Executive Officer and to the Company's most-highly compensated executive officers other than the Company's Chief Executive Officer as of December 31, 2005:
